**Type:** Ordinance

**Title:** Amendment of Municipal Code Title 2 by adding new Chapter 2-83 to establish Civilian Police Accountability Council, amending Chapters 2-78 and 2-84, including repeal of Article IV at Chapter 2-84

**Committee(s) Assignment:** Committee on Public Safety

**SUBSTITUTE ORDINANCE AS AMENDED (O2019-8058)**

WHEREAS, the City of Chicago (the “City”) is a home rule municipality as described in the Constitution of the State of Illinois, Article VII, Section 6(a);

WHEREAS, the Police Accountability Task Force (“PATF”) recommended, in April of 2016, the creation of a police oversight board and stated in its recommendations the following:

“A coalition of community groups has proposed the creation of a Civilian Police Accountability Council (CPAC) to establish direct community oversight over CPD. The proposal here strives to honor the principles established by CPAC. We recommend that, as soon as possible, the City Council hold public hearings with the goal of developing the specific details of the Board—based on direction of the community—and selection of the Board members within 90 days of the start of the hearing. Among the issues, these hearings should address:

- The role and responsibilities of the Board.
- The selection of those involved in the Board, including, but not limited to, the feasibility of electing representatives to fill certain roles.
- The staff and resources that will be made available to the Board.”;

WHEREAS, in January of 2017, the United States Department of Justice found that “Chicago’s deficient accountability systems contribute to CPD’s pattern or practice of unconstitutional conduct”;

WHEREAS, on January 31, 2019, the City entered into a Consent Decree outlining substantial court-mandated changes to the policies and conduct of the Department;

WHEREAS, the City has missed over 70% of deadlines outlined in the Consent Decree;

WHEREAS, a mass movement has taken shape in the streets of Chicago, demanding democratic community control of the police through the creation of a Civilian Police Accountability Council, and demanding the reallocation of funds spent on policing;

WHEREAS, the City created a Community Working Group to Review Department Use of Force Policies, and the group made 155 recommendations to the Chicago Police Department;

WHEREAS, the Chicago Police Department has rejected over 95% of the recommendations made by the Community Working Group to Review Department Use of Force Policies;

WHEREAS, the City conducted a budget survey in which over 75% of people specifically called for taking money away from policing to invest that money in community services (including youth services, homelessness support services, services for People with Disabilities, and violence prevention);

WHEREAS, respondents to the City's budget survey further called for police funding to constitute approximately 6% (six percent) of the City's budget;

WHEREAS, the City allocates almost 40% of its corporate fund to the Chicago Police Department ("CPD");

WHEREAS, this ordinance enshrines into the Municipal Code of Chicago ("MCC") a Civilian Police Accountability Council ("CPAC") as an elected executive agency, to put control of the police directly in the hands of the communities they are supposed to protect and serve;

WHEREAS, policing affects certain communities more than others, especially affecting people who are Black, Latinx, Indigenous, disabled, undocumented, and/or Transgender or Non-Binary, and those communities and their needs must be represented in public safety decisions;

WHEREAS, Black Lives Matter,

**BE IT ORDAINED BY THE CITY COUNCIL OF CHICAGO:**

Section 1. The foregoing recitals are adopted and incorporated into and made a part of this Ordinance.

Section 2. Any provision in any Chapter of the MCC is hereby repealed to the extent that it conflicts with this Ordinance. Powers enumerated as CPAC powers shall be exclusively reserved for CPAC unless otherwise noted in this Chapter or forbidden by law.

Section 3. Article IV of Chapter 2-84 is repealed.

Section 4. Title 2 of the MCC is amended by creating a new Chapter 2-83, establishing a Civilian Police Accountability Council, as follows:

## **2-83-020 CPAC – Establishment, Purpose, and Budget**

(a) Establishment. There is hereby established an executive department of the municipal government to be known as the Civilian Police Accountability Council (“CPAC”).

(b) Purpose. The purpose of CPAC is to enshrine the democratic ideal of community control of the police into the Municipal Code of Chicago; to grant Chicago residents control over who polices them and how they do it; to reduce spending on policing and police misconduct; to make Chicago a safer and more equitable city; to encourage the movement away from punitive, carceral, and ineffective solutions to violence towards preventative, proactive, community-based, and evidence-based solutions; and to bring the City in compliance with the Consent Decree as soon as practicable.

(c) Budget. The appropriation available to pay for the expenses of CPAC during each fiscal year shall be determined by the City Council as part of the annual City budget process, but shall not be less than one percent (1.0%) of the annual appropriation of all non-grant funds for the Police Department contained in the annual appropriation ordinance for that fiscal year. Fringe benefits may only be included in the calculation of the CPAC appropriation under this subsection (c) if fringe benefits are also included in the appropriation for the Department. CPAC shall develop an annual departmental budget covering its anticipated revenues and expenditures conforming as far as practicable to the form and dates provided for in relation to the general City budget. CPAC shall dedicate no less than 20% of its budget to studying, piloting, experimenting with, and

implementing non-policing public safety solutions as described in this Chapter. CPAC may apply for and receive grants and such grants shall not be included in calculating the one-percent minimum in this paragraph.

**2-83-030 CPAC – Composition, Election, and Candidate Requirements**

- (a) Composition. CPAC shall be composed of elected individuals, one from each set of two contiguous police districts in the City of Chicago (each a “Contiguous District”). Each Councilor shall have voting power in the council equivalent to the percentage of the population of the City of Chicago, rounded to the nearest one-tenth, that lives within their Contiguous District based on the most recent federal, state, or city count, whichever is most recent, for the duration of their term. If rounding to the nearest one-tenth results in a total greater than 100, the voting power of the Councilor representing the highest population shall be reduced by the fraction necessary to bring the total to 100. If rounding to the nearest one-tenth results in a total less than 100, the voting power of the Councilor representing the lowest population shall be increased by the fraction necessary to bring the total to 100.

The initial Contiguous Districts shall be 4 and 5; 6 and 22; 2 and 3; 7 and 9; 8 and 10; 1 and 12; 11 and 15; 18 and 19; 14 and 25; 16 and 17; and 20 and 24. Once elected, Councilors shall employ such deputies, assistants, staff, and other employees as appropriate to carry out their duties, including but not limited to an Executive Director and Secretary who serve at the pleasure of CPAC. The offices of CPAC shall be located in a facility outside of the Department of Police.

- (b) Election. Councilors shall be elected in a non-partisan election (with runoffs if necessary) every four years at the same time and places of the elections that year as for Chicago Aldermen, pursuant to 10 ILCS 5/2A-26. Councilors shall serve a term of four years and be paid the same base salary as Aldermen in the Chicago City Council. Only individuals who meet the qualifications listed below shall be eligible for candidacy as a Councilor. Candidates can satisfy the requisite qualifications by possessing relevant personal experience. Nothing in this Chapter shall be read to require that Councilors possess specific professional experience or academic credentials. CPAC elections shall be managed by the Chicago Board of Elections.

- (c) Candidate Qualifications. Each candidate for CPAC must:

- a. Reside within the Contiguous District they seek to represent for at least one year before seeking the office;
- b. Have resided continuously in the City of Chicago for at least 3 years preceding the election in which they are on the ballot;

- c. Be at least 18 years old on the date of the election, and provide proof of age; and
- d. Possess at least a minimum of 2 years of experience in representing civil rights, activist, or organizing groups that focus on protecting the rights of young people, African-Americans, and/or Latinx people in their interactions with the police, or 2 years of experience and/or expertise related to protecting the rights of one of the following groups: immigrants (including undocumented immigrants); Lesbian, Gay, Bisexual, Transgender, and/or Queer people; Muslims; people living with mental illness, mental disabilities, or other disabilities; people experiencing homelessness; survivors of domestic violence; and/or survivors of police misconduct and/or brutality.

(d) Candidate Prohibitions. An individual shall not be eligible to hold office as a Councilor if the individual:

- a. Is a current or former sworn employee of a police department; is a current or former employee of the Cook County State's Attorney's Office in an investigative or prosecutorial capacity; or has immediate family that is a current or former sworn employee of a police department;
- b. Has been convicted of any crime of dishonesty, false statement, or corruption; or
- c. Fails to disclose any personal, professional, or financial conflict of interest that could reasonably be thought to bear upon the individual's performance as a Councilor, including but not limited to:
  - i. Whether the individual has ever been employed by IPRA, COPA, the Police Board, or the City;
  - ii. Whether any of the individual's immediate family has ever been employed by IPRA, COPA, the Police Board, or the City; or
  - iii. Whether the individual has any personal or business relationship with any department, agency, or entity of the City of Chicago.

(e) Vacancies. Elected Councilors who move out of the Contiguous District from which they were elected must resign. Vacancies on CPAC shall be filled for the remainder of their term in accordance with the Illinois Municipal Code, 65 ILCS 5/3.1-10-51. No person shall be appointed to fill a vacancy on CPAC who does not meet the qualifications for CPAC membership established by this Chapter. If a vacancy is filled by mayoral appointment pursuant to state law, remaining Councilors of CPAC shall advise the mayor on the selection of an appropriate candidate.

(f) Signature Requirements. The signature requirement to be nominated on the ballot for election as a Councilor shall be the number of signatures equal to 0.5% of the registered voters in the Contiguous District of the candidate. Such signatures shall be collected on a

nominating petition that states that the candidate seeks nomination to election to Councilor of the Civilian Police Accountability Council from the Contiguous District in which they live, and will state the address of the candidate and the two police districts that form the Contiguous District.

- (g) Financial Contributions. A candidate for election shall not accept contribution of any kind from outside the Contiguous District for which they are running.
- (h) Procedure. The powers of CPAC shall be exercised by order or resolution adopted by a simple majority vote in accordance with 2-83-030(a), unless otherwise noted in this Chapter, and shall be recorded in the minutes with yeas and nays at length. No order or resolution may be adopted unless Councilors representing a minimum of sixty percent (60%) of Chicago residents are voting. A Councilor who is absent when a vote is taken may vote by proxy through a present Councilor in accordance with policies and procedures enacted by CPAC. No Councilor may vote by proxy more than 4 times per term, and no more than 2 Members may vote by proxy on any one order or resolution.
- (i) Recall. CPAC Councilors are subject to recall on the grounds of gross incompetence; neglect of duty; gross misconduct; corruption, misuse of office, or misuse of funds; or other serious acts of nonfeasance or malfeasance while in office. Failure to attend one-fourth or more of CPAC meetings shall create a rebuttable presumption of neglect of duty. Upon petition by a number of qualified voters in any one Contiguous District equal to 30% or more of the number of people who voted for CPAC Councilor in the previous election, a recall election shall be conducted by the Chicago Board of Elections asking the question, "Shall [name] be recalled from the office of CPAC Councilor?" The Councilor is immediately removed upon certification of the recall election results if two-thirds of the electors voting on the question vote to recall the Councilor.

## **2-83-040 CPAC – Powers and Duties**

Findings and disciplinary actions entered by the Police Board are final and shall not be appealed to any other City agency or body.

- b. Police Board Qualifications. Police Board members must possess sufficient experience, judgment, and impartiality to perform their duties. Police Board members must have lived continuously in the City of Chicago for 3 years and must have the same credentials outlined in this Chapter for Councilors. No Police Board member shall have been an employee of IPRA or COPA within ten years of appointment. Each of at least half of the Police Board members shall have at least five years of experience as a practicing attorney in civil rights, civil liberties, or criminal defense. Additionally, the selection criteria for Police Board members shall comply with paragraph 532 of the Consent Decree.
- c. Superintendent and Chief Administrator. In appointing a Superintendent or Chief Administrator, CPAC shall be governed in part by the professional and executive qualifications required for the position which shall be without reference to the residence of the candidate at the time of application. CPAC shall evaluate new candidates until the position is filled.
- d. Chief Administrator. The Chief Administrator is the chief executive and administrative officer of COPA. If CPAC does not vote to retain a Chief Administrator for another term, appointment of the Chief Administrator shall follow the following process:
  - i. Conduct or direct, with the assistance of an independent search firm, a 90-day, nationwide search to identify and interview qualified candidates for the position. The search process should ordinarily begin at least six months before the expiration of a Chief Administrator's term, unless an unexpected vacancy occurs, at which point the search should begin as soon as practicable.
  - ii. The top three candidates shall be identified by a majority vote of CPAC by considering, at a minimum, the criteria outlined in this Chapter. Within 48 hours of the vote identifying the top three candidates, their names shall be made public and the candidates' application materials shall be posted on a city-maintained website after redacting any personal contact information and other private information.
  - iii. Within 30 days of their selection, the top three candidates identified by CPAC will be required to attend at least two community meetings at times and locations to be determined by CPAC. CPAC shall ensure that the community meetings are widely promoted throughout the city. During these community meetings, the three finalists shall present their qualifications and vision for fulfilling the mission and responsibilities of the office they seek. The meetings must include an opportunity for community members to ask questions of the candidates. CPAC shall establish a process for soliciting, analyzing, and publicizing community feedback on the finalists before the community meetings are held.

- iv. Within 14 days of the last community meeting, CPAC, by majority vote, will select the Chief Administrator from among the finalists.
- v. The Chief Administrator shall be appointed for a term of four years. If the Chief Administrator does not complete their term, COPA's chief legal officer shall serve as interim Chief Administrator. The interim Chief Administrator shall serve in this position until CPAC can complete the appointment process described above. CPAC may promulgate policies to enact a longer line of succession.
- vi. To ensure that the Chief Administrator will be fair and impartial, and will be perceived as such by civilians and members of the Department, candidates must possess, at a minimum, the following qualifications to be eligible for hire:
  - 1. A commitment to the statement of purpose and policies described in this ordinance;

  - 9. The ability to work with diverse individuals, including but not limited to: people of all races, ethnicities, sexualities, ages, immigrant or citizenship statuses, abilities, and/or gender identities; members of the press; law enforcement; and elected officials.
- vii. CPAC, by a majority vote, may opt to retain the incumbent Chief Administrator upon the end of their term. Prior to doing so, CPAC shall develop a process for receiving and considering feedback from the public on the issue of whether the incumbent Chief Administrator should be retained. This process shall include at least one public hearing and should begin at least nine months prior to the expiration of the Chief

Administrator's term.

- viii. A person may not serve more than a total of three terms as Chief Administrator in their lifetime.
- e. Superintendent. The Superintendent is the chief executive and administrative officer of the Department. If CPAC does not vote to retain a Superintendent for another term, appointment of the Superintendent shall follow the following process:
  - i. Conduct or direct, with the assistance of an independent search firm, a 90-day, nationwide search to identify and interview qualified candidates for the position. The search process should ordinarily begin at least six months before the expiration of a Superintendent's term, unless an unexpected vacancy occurs, at which point the search should begin as soon as practicable.
  - ii. The top three candidates shall be identified by a majority vote of CPAC. Within 48 hours of the vote identifying the top three candidates, their names shall be made public and the candidates' application materials shall be posted on a city-maintained website after redacting any personal contact information and other private information.
  - iii. Within 30 days of their selection, the top three candidates identified by CPAC will be required to attend at least two community meetings at times and locations to be determined by CPAC. CPAC shall ensure that the community meetings are widely promoted throughout the city. During these community meetings, the three finalists shall present their qualifications and vision for fulfilling the mission and responsibilities of the office they seek. The meetings must include an opportunity for community members to ask questions of the candidates. CPAC shall establish a process for soliciting, analyzing, and publicizing community feedback on the finalists before the community meetings are held.
  - iv. Within 14 days of the last community meeting, CPAC, by majority vote, will select the Superintendent from among the finalists with the advice and consent of City Council.
  - v. The Superintendent shall be appointed for a term of 4 years. In the event that the Superintendent does not complete their term, the former Superintendent's Deputy Superintendent for Constitutional Policing and Reform shall serve as Acting Superintendent. The Acting Superintendent shall serve in this position until CPAC can complete the appointment process described above. CPAC may promulgate policies to enact a longer line of succession.

- vi. CPAC, by a majority vote, may opt to retain the incumbent Superintendent upon the end of their term. Prior to doing so, CPAC shall develop a process for receiving and considering feedback from the public on the issue of whether the incumbent Superintendent should be retained. This process shall include at least one public hearing and should begin at least nine months prior to the expiration of the Superintendent's term.

(b) Supervision. CPAC is responsible for supervising the Chief Administrator and the Superintendent. These responsibilities shall include:

- a. Completing annual evaluations of their job performance, including based on a written self-evaluation and the ability to meet goals and expectations established by CPAC;
  - i. By December 31 of each year, CPAC shall provide the Superintendent and Chief Administrator with a preliminary written evaluation that includes CPAC's assessment of their performance as well as goals and expectations for the following year.
  - ii. If the Superintendent or Chief Administrator wish to change the written evaluation, goals, or expectations, they shall, within 15 business days of receipt of the preliminary evaluation, request in writing that CPAC make such changes.
  - iii. By the end of January of each year, CPAC shall complete the evaluation for the Superintendent and Chief Administrator for the previous year and finalize goals and expectations for the current year.
  - iv. CPAC shall make public the Superintendent's and Chief Administrator's complete evaluation, goals, and expectations.
- b. Reviewing, providing feedback, and approving their annual strategic plan, which they shall submit for public and CPAC comment and feedback on or by September 15 of each year, and which they shall modify as appropriate to meet CPAC's approval by majority vote;
- c. Reviewing, providing feedback, and approving their quarterly and annual reports;
- d. Directing the Chief Administrator to conduct or continue investigations within COPA's jurisdiction, including pattern and practice investigations.

(c) Policies.

- a. CPAC retains the power to propose and adopt by majority vote changes to the policies and procedures of the Department, COPA, and Police Board. Other than in emergency circumstances, CPAC shall provide the Department, Chief Administrator, and Police Board with up to 30 days to provide written feedback on CPAC's proposed policies and the opportunity to meet and confer about the proposals and any recommended modifications.

CPAC retains final authority over whether to accept, reject, or modify the proposed policies.
  - c. CPAC shall promptly publish updates on proposed changes to Policies, including the positions on the updates of the Superintendent, Chief Administrator, Police Board, and CPAC. All proposed changes to policies shall be subject to notice and comment if CPAC Councilors representing at least one third of Chicago residents deem the changes to be of sufficient public concern. CPAC may also choose to hold public hearings on proposed policies. All policies approved by CPAC shall conform to court requirements or consent decrees, if applicable.
  - d. No part of this subsection shall be interpreted to prevent the Superintendent, Chief Administrator, or Police Board from holding public meetings and hearings on proposed policy changes before making proposal to CPAC.
  - e. CPAC's power to adopt rules and regulations for the governance of the Department does not include authority to administer or direct the operations of the Department or the Superintendent except as provided in Section 12.1 of "An Act to regulate the civil service of cities," approved March 20, 1895, as amended.
- (d) Consent Decree Controls. The process established in the Consent Decree is the exclusive method for department policymaking concerning matters subject to the Consent Decree. recommendations on the budget shall be submitted to City Council as part of the annual appropriations ordinance and CPAC shall appear at City Council budget hearings.

- (g) Subpoenas. CPAC or its designee may administer oaths and secure by subpoena both the attendance and testimony of witnesses and the production of relevant information. A subpoena shall be served in the same manner as subpoenas issued under the Rules of the Illinois Supreme Court to compel appearance of a deponent, and subject to the same witness and mileage fees fixed by law for such subpoenas.

A subpoena issued under this chapter shall identify the person to whom it is directed and the documents or other items sought thereby, if any, and the date, time and place for the appearance of the witness and production of the documents or other items described in the subpoena. In no event shall the date for examination or production be less than seven days after service of the subpoena.

CPAC may use internal or outside counsel to enforce subpoenas issued in accordance with this subsection.

- (h) Grand Jury. In those instances where COPA's investigation indicates that a member of the Department has committed a crime, CPAC may petition the Chief Judge of the United States District Court for the Northern District of Illinois to convene a Grand Jury, if one is not already convened, to pursue an indictment for Deprivation of Rights Under Color of Law pursuant to 18 U.S. Code § 242. If granted leave or otherwise permitted or requested by the court or the prosecutor, COPA shall present its findings of criminal activity to the Grand Jury.
- (i) Suspension of Police Powers. CPAC may suspend the police powers of a Department member pending an investigation if a preliminary investigation concludes that there is a reasonable likelihood that the member engaged in misconduct that constitutes excessive force or that causes bodily injury, death, or repeated deprivation of the constitutional rights of the public.
