

NEED HELP APPLYING FOR A CHICAGO CITYKEY?

CityKey

The Chicago CityKey was established to bring Chicago together as one community. The CityKey is a valid, government-issued photo identification card that all Chicago residents can use to access a range of services. The CityKey can also be used as a Chicago Public Library card, a Ventra card, and cardholders will be able to access a prescription discount benefit in addition to discounts with local businesses, cultural institutions, and sports teams.

To qualify for a Chicago CityKey, you must be a Chicago resident, and you must be able to provide valid documents establishing your identity and residency. The CityKey is an identification card for all Chicago residents regardless of a resident's housing status, criminal record, immigration status, or gender identity. You can find the list of valid documents on the Office of the City Clerk's website at www.chicityclerk.com/chicagocitykey

If you need further assistance to learn how to become eligible for a Chicago CityKey, please visit one of the following Chicago CityKey Delegate Agencies. They are here to help you!
