This recommendation was concurred in by all members of the committee present, with no dissenting vote.

_Nays_ -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

_WHEREAS_, Pursuant to Chapter 21, Section 21-72 of the Municipal Code of Chicago, the City of Chicago through its Commission on Chicago Landmarks has determined that the Wicker Park District, generally bounded by Bell, Leavitt, Crystal, Evergreen and Caton Streets, and the elevated railroad right-of-way south of Milwaukee Avenue, in Chicago, Illinois, is worthy of designation as a Chicago landmark; and

_WHEREAS_, The Commission has found the Wicker Park District meets certain criteria for landmark designation as set forth in Sections 21-66 (1), (3), (4), (6) and (7) of the Municipal Code of Chicago; and

_WHEREAS_, The Wicker Park District has value as an example of the economic, historic, and social heritage of Chicago as seen through the development of its immigrant communities, in this case a community settled by Germans, Eastern Europeans, and Scandinavians; and

_WHEREAS_, The Wicker Park District consists of a core of large, elaborate homes built by the most affluent of its late nineteenth-century residents, surrounded by more modest homes typical of the period, so that the community was home to wealthy businessmen as well as labor activists; and

_WHEREAS_, The district is associated with Charles G. Wicker, one of the leading business and political leaders of Chicago in the 1860's and 1870's, who in 1867 purchased and subdivided the land on which most of the district stands, and who donated the small, triangular Wicker Park to the City as part of his development; and
WHEREAS, The district illustrates the range of architectural styles manifest in American domestic architecture from 1870 to 1900 and demonstrates the highest quality of materials and craftsmanship; and

WHEREAS, The district constitutes a distinctive enclave that developed on and adjacent to Charles Wicker's property, reflecting common building types, styles, and materials; and

WHEREAS, The Commission on Chicago Landmarks has concluded that the Wicker Park District is truly important to Chicago and deserves to be preserved, protected, enhanced, rehabilitated, and perpetuated, and the Commissioner of Planning of the City of Chicago and the City Council Committee on Historical Landmark Preservation have concurred in the Commission's recommendation that the Wicker Park District be designated as a Chicago landmark; now, therefore,

The words "person or persons" as used herein, shall include individuals, partnerships, firms, trusts, associations and corporations or any form of business entity.

19) Failure of Title. In consideration of the privilege hereby given the Tenant to occupy and use the premises hereunder leased, and the benefits and privileges to be derived therefrom, the Tenant, in addition to payment of rental as hereinbefore provided, hereby releases C.M.C. from all liability for damage by reason of want or failure at any time of title or possession on the part of C.M.C. to any part of the premises.

20) Rights and Duties Upon Termination. Upon the termination of this lease, all rights of the Tenant hereunder shall absolutely cease; and upon or prior to such termination the Tenant shall surrender the premises to the possession of C.M.C. in substantially
the same condition as the premises were in on the commencement
of the term hereof (or, with respect to buildings or structures
placed on the premises during the term hereof by Tenant and
subject to the provisions of the next succeeding two paragraphs, in
substantially the same condition as such buildings or structures
were in on the date such buildings or structures were so placed and
completed), reasonable wear and tear and loss by casualty
excepted. No termination of this lease shall affect the liabilities or
obligations of either party (whether of payment of rent,
indemnification of other) which may have accrued prior to such
termination. Acceptance of rental in advance by C.M.C. shall not
operate as a waiver of C.M.C.'s right to terminate this lease as
herein provided, whether such acceptance is made before or after
notice of termination has been given as herein provided.

Should this lease be terminated by either party by written notice
as hereinbefore provided and prior to the time of which said rental
has been paid, C.M.C. hereby agrees to refund on demand to the
Tenant any unearned rental heretofore paid unless such
termination is caused by a violation of or default by Tenant under
any of the terms and conditions contained herein.

In case the Tenant, within ten (10) days from the expiration of this
Agreement, either by lapse of time, by abandonment or any other
means provided for herein, shall fail to remove from the premises
herein, lease any and all property, real, personal or mixed, owned
or controlled by Tenant, Tenant hereby agrees that C.M.C., at its
sole option, may upon written notice to Tenant, use, dispose of,
wreck, sell, lease, remove, or otherwise deal with said property
entirely as C.M.C. wishes, free and clear of all liens, encumbrances
or claim of ownership of Tenant or others or C.M.C., at its sole
option, may require Tenant to remove all or any part of said
property, including but not limited to buildings, foundations,
fixtures or personalty. Without limiting the provisions of the
preceding sentence, upon the request of C.M.C., Tenant also shall
remove, within the said ten (10) day period, any building or
structure Tenant has placed on the premises.

If C.M.C. elects to have any property referred to in the preceding
paragraph removed, disposed of or wrecked, and Tenant shall fail
to do so within ten (10) days from the expiration of this Agreement,
whether by lapse of time, by abandonment or by notice of
termination as provided for herein, C.M.C. may, at its option,
effect such removal, disposal or wreckage. Tenant hereby agrees
to pay the cost thereof, net of the salvage value of said property, if
any.

Upon the termination of this lease in any manner, the Tenant will
surrender possession to the said C.M.C. or its authorized agents,
peaceably and without delay, and in case of any failure to do so, the Tenant shall be guilty of forcible entry and detainer of said premises, and no notice to quit or demand of possession shall be necessary to sustain such action, but all such notices are hereby waived by Tenant or by anyone in privity with Tenant.

If Tenant shall fail to deliver possession of the premises in accordance with the provisions of this lease upon or prior to the termination of this lease, Tenant shall pay, as liquidated damages for each day such possession is withheld, twice the rent payable for the last day of the term hereof. The provisions of the preceding sentence shall not operate as a waiver by C.M.C. of any right of re-entry provided for herein nor shall the receipt of said rent or any part hereof or any other act in apparent affirmance of tenancy operate as a waiver of the right to terminate this lease or as a recognition of a new or extended tenancy of Tenant.

21) Assignment. This lease shall not be assigned, nor shall said premises, nor any part thereof, be sublet, nor shall the Tenant consent that the same be used or occupied by any party other than the tenant without the written consent of C.M.C. Tenant shall not be released from any obligations hereunder due to such assignment or subletting.

22) Notices. Any notice from C.M.C. to tenant, or tenant to C.M.C., shall be deemed duly served if mailed by certified mail, return receipt requested, to tenant at the premises and, in addition, to the Supervisor of Leasing, Bureau of Asset Management, Department of General Services, 320 North Clark Street, Suite 505, Chicago, Illinois 60610 or at such other place as the Lessee from time to time may appoint in writing in which event the notice or demand shall be deemed to have been served at the time copies are received at said locations. Hereof, or if to C.M.C., c/o Sales and Property Management, Chicago Milwaukee Corporation, 547 West Jackson Boulevard, Suite 1510, Chicago, Illinois 60606, and the customary certified mail receipt shall be evidence of such service. Either party hereto may change the address to which said notices shall be sent by giving written notice of such change to the other party hereto, as provided, but unless such notice of change is given to the other party, notices will be deemed served upon proof of proper mailing to the above address, or personal service of any such written notice may be made in lieu of service by mail, provided that such personal notice is made upon an officer or designated agent of either party hereto.

23) Hazardous Commodities. The tenant further agrees that it shall not store or keep or allow any other person to store or keep, in any quantity or amount whatsoever, on or within the premises during the term of this lease, any article of any kind which is of an extra
hazardous or of an explosive, combustible or flammable nature, or is deemed a hazardous waste or hazardous chemical under applicable environmental protection laws, without the express written consent of C.M.C. Without limiting the provisions of the previous sentence, unless authorized under paragraph 5 of this lease, the loading, storage, and/or unloading of flammable liquids, chlorine, liquified petroleum gas, flammable compressed gases, and/or anhydrous ammonia is hereby expressly prohibited.

24) Environmental. Tenant agrees that in the use and occupancy of the premises tenant will comply with all applicable federal, state and local laws, ordinances, standards, regulations or permit requirements relating to environmental pollution or contamination; and tenant agrees to protect, defend, indemnify and hold harmless C.M.C., its officers, directors, employees, agents, designees, successors, heirs and assigns from any and all claims, demands, lawsuits, or liability or loss, fines, damage, injury and death, and all expenses and costs, including reasonable attorneys' fees, resulting from the violation of any law, ordinance, standard, regulation or permit requirement relating to environmental pollution or contamination. It is expressly understood and agreed that this indemnity, as the same relates to environmental pollution or contamination, shall survive the expiration, termination, and any and all extensions and assignments of this lease.

25) Insolvency and Damages. In the event the tenant shall be adjudged a bankrupt, or file a petition for an arrangement with his creditors under the bankruptcy act, or shall voluntarily offer to creditors terms of composition, or in case a receiver shall be appointed to take charge of and conduct the affairs of the Tenant, then and upon the happening of any such event, and unless the trustee in Bankruptcy or receiver or such creditors shall immediately thereafter assume and shall fulfill the tenants' obligations hereunder, C.M.C., may without notice to tenant or anyone else, terminate this lease, and, in the event of such termination, C.M.C. shall have and shall be allowed, as a provable claim in such bankruptcy, or creditors, or receivership proceeding, damages for Tenant's breach of this lease, in an amount equal to the rent reserved in this lease for the residue of the term hereof.

26) Eminent Domain. In the event of a taking by right of eminent domain of all or any part of the premises during the existence of this lease, or of the occurrence of any acts of a public authority giving rise to an action for damages to the premises or any improvements hereafter placed on the premises by tenant, the tenant shall have the right to the compensation awarded or paid for such taking or damage to the extent only of the value of, or damages to, the buildings, machinery, structures, fixtures and
other improvements placed or erected thereon by the tenant valued as then affixed to or used in connection with the premises; and tenant shall have no right to the compensation awarded or paid for such taking or damage to the land itself, or other improvements, if any, all compensation awarded or paid for such taking or damage to the land or other improvements, as distinguished from the improvements placed or erected thereon by the tenant, shall inure to C.M.C. only. The phrase "Taking by Right of Eminent Domain" as used herein shall include a statutory proceeding to effect condemnation, a sale to an authority which would commence condemnation proceedings but for such sale, and where the premises has been effectively taken, substantially interfered with, or taken without just compensation, such that C.M.C. has the right to file an inverse condemnation action. The term of this lease shall cease from the date possession is delivered to such condemning authority and tenant shall have no claim for the value of any unexpired term of the lease. In no event shall the tenant have any rights or interest in any value attributed to the land or leasehold.

27) Insurance. Tenant acknowledges that it is self insured.

28) Clarification of Indemnity. It is agreed between the parties hereto that all references to indemnification in this agreement include but are not limited to attorneys' fees and court costs.

29) No Offsets. Any claims or obligations whatsoever which may be owed tenant by C.M.C. shall not be offset against any of tenant's obligations under the terms of this lease.

30) Interest on Overdue Payments. Anything to the contrary herein contained notwithstanding, nonpayment of rentals and other obligations on the due date hereunder shall result in the charge to an obligation on the part of tenant to pay interest at the highest rate which is legally enforceable on the overdue rentals and other obligations, for the period of time during which they remain unpaid; and, in addition, tenant shall be liable for attorneys' fees and costs incurred by C.M.C. in connection therewith. C.M.C.'s right to interest and its charge therefor shall not constitute a waiver of any other right or remedy which C.M.C. has hereunder or pursuant to law.

31) Execution of Lease by C.M.C. The submission of this document for examination and negotiation does not constitute an offer to lease, or a reservation of, or option for the premises, and this document shall become effective and binding only upon the execution and delivery hereof by C.M.C. to tenant. All negotiations, considerations, representations and understandings between C.M.C. and tenant are incorporated herein.
32) All the covenants, terms, conditions, rights and obligations herein shall inure to the benefit of and be binding upon the parties hereto and their heirs, executors, administrators, successors and assigns.

33) In the event of Lessee's breach of this lease, or a violation of any of Lessee's covenants, obligations and restrictions under this lease, Lessor has the right, but not the obligation, to file an action or actions against the Lessee for said breach or violation. All of Lessor's reasonable attorney's fees which arise as a result of Lessee's breach or violation, shall be paid by Lessee to Lessor within 30 days of Lessee's receipt of a bill therefor.

34) Surrender of Demised Premises. Upon termination of this lease, whether by lapse of time or otherwise, or upon any termination of this lease, tenant shall surrender and vacate the demised premises to C.M.C. in a clean, good and tenantable condition with all salt and residue removed at tenant's sole cost or expense.

In Witness Whereof, This lease, hereto is signed by or on behalf of the parties hereto the day and year first above written. Approved as to form and legality, except as to property description and execution.

Upon termination of this lease as hereinafter provided, Lessee will accept a pro rata refund of such rental and of any land taxes paid by it in advance in full settlement, satisfaction and discharge of the remainder of the term or period; provided, however, Lessee shall not be entitled to such refund when the amount involved is less than Fifty Dollars ($50.00).

Approval by Lessor of any electrical or other repairs, or of any replacements, improvements or installations, whether electrical or otherwise, made by Lessee, or failure of Lessor to object to any work done or material used, or the method of repair, construction, installation or
maintenance, shall not be construed as an admission of responsibility by Lessor or as a waiver of any of Lessee's obligations under this lease.

7. Services.

Lessor will not be responsible for burst or leaking pipes and will be under no obligation to furnish the premises with water, gas, sewage disposal facilities, electricity, heat or janitorial and other services and supplies that may be necessary or desirable in connection with Lessee's use and occupancy of the premises.

11. Ingress And Egress.

Lessee shall have the right to use, in common with Lessor and others authorized by Lessor, existing driveway or other property designated by
Lessor as means of ingress to and egress from the premises. Lessor shall be under no obligation with respect to the condition or maintenance of said driveway or other property and Lessee's use of same shall be subject to all of the covenants, terms and conditions of this lease.

12. Claim Of Title.

Lessee shall not at any time own or claim any right, title or interest in or to the premises, nor shall the exercise of this lease for any length of time give rise to any right, title or interest in or to the premises.

Lessee understands and agrees that Lessor shall in no manner be obligated to reimburse Lessee for all or any part of any expenditures made by Lessee during its occupancy of the premises, under this or prior agreements, for any repairs, replacements, renovations, remodeling or any other work on or about the premises.

13. Termination.

This lease may be terminated by either party at any time upon not less than one (1) month's notice in writing sent by registered or certified mail to the other party, provided, however, in the event of a breach of any of the covenants, terms and conditions hereof by Lessee, Lessor shall have the right to terminate this lease immediately. All notices and communications concerning this lease shall be addressed to Lessor or to Lessee at their respective addresses hereinabove set forth, at such other address as either party may designate in writing to the other party.

In the event of termination of this lease, Lessee shall, within the period specified in said notice, remove all structures and other property on or about the premises except those owned by Lessor, restore the premises to a condition satisfactory to Lessor, remove, if requested by Lessor, all foundation walls and structures below the surface of the ground and fill in all excavations and vacate the premises, provided, however, that no structure or other property shall be removed from the premises until all money due to Lessor under this lease shall have been paid.

If Lessee shall fail to remove said structures or other property on the premises or fail to pay all money due Lessor under this lease, or if this lease shall be terminated by the Lessor on account of the breach of any of the covenants, terms and conditions hereof, all right, title and interest of Lessee in and to said structures and other property on or about the premises shall, if Lessor so elects, be forfeited and title thereto shall vest absolutely in Lessor, without the necessity of any legal process by Lessor; and if Lessor shall notify Lessee to remove said structures or other
property and the same are not so removed, Lessor may remove the same at the cost and expense of Lessee.

Failure or neglect of Lessor to act upon a breach of one or more of the covenants, terms and conditions of this lease shall not constitute or be construed as a waiver of such breach or any subsequent breach or of any right created thereby.

14. Liability.

Lessee hereby assumes, and releases and waives any right to ask for or demand damages for or on account of, any loss of or damage to property of Lessee or any part thereof on or about the premises and upon any roadway leading to or from the premises and located upon adjoining lands of Lessor, including loss of or interference with any use or service thereof, whether caused by, arising out of or resulting in any manner from the fault, failure or negligence of Lessor or otherwise.

Lessee hereby assumes, and releases and agrees to protect, save harmless, defend and indemnify Lessor from and against (1) all loss of and damage to any property whatsoever, other than said property of Lessee, but including property of Lessor and of all other persons whosoever and the loss of or interference with any use or service thereof; (2) all loss and damage on account of injury to or death of any person whosoever, including, but not limited to employees and patrons of the parties hereto and all other persons whosoever; and (3) all claims and liability for such loss and damage and cost and expense thereof, caused by, arising out of or resulting in any manner from the condition, existence, use or occupancy of the premises when not solely caused by, arising out of or resulting in any manner from the fault, failure or negligence of Lessor.

15. Liability For Fire.

Notwithstanding anything to the contrary in Section 14 hereof, the use of the premises involves risk of loss and damage by fire. Lessee hereby assumes all risk of loss and damage by fire to Lessee’s property and agrees to protect, save harmless and indemnify Lessor from all claims of third parties arising by reason of any loss of or damage to property of others now situated or which may hereafter be placed upon the premises.

Should the premises or any part thereof be condemned, appropriated and/or required for public use, then this lease, at the option of Lessor, shall terminate upon the date when the premises or any part thereof shall be taken. No part of any damages or award shall belong to Lessee, except to the extent of any specific award for improvements and/or facilities of Lessee. Improvements and/or facilities of Lessee not condemned, appropriated and/or required as aforementioned shall be removed in accordance with Section 13 hereof.

17. Successors And Assigns.

The terms, covenants and provisions hereof shall inure to the benefit of and be binding upon the successors and assigns of Lessor and the heirs, personal representatives, successors and assigns of Lessee; provided, however, Lessee shall not assign, encumber or sublet this lease or any part of the premises or any rights and privileges herein granted without written consent of Lessor. This covenant shall also apply to any assignment for the benefit of creditors and to any unauthorized sale or transfer of this lease, or of any rights and privileges hereunder, whether made by Lessee or in any proceeding, whether at law or in equity, or otherwise, to which Lessee may be a party, whereby any of the rights, duties and obligations of Lessee shall or may be transferred, encumbered, abrogated or in any manner altered without the consent of Lessor first had and obtained in the manner hereinafore provided, it being expressly understood and agreed that, in the event of any such assignment for the benefit of creditors or unauthorized sale or transfer of this lease, or of any of the other rights and privileges hereunder, or in the event a petition in bankruptcy shall be filed by Lessee, or if Lessee shall be adjudged bankrupt or insolvent by any court, or if a trustee in bankruptcy or a receiver of Lessee shall be appointed in any suit or proceeding brought by or against Lessee, than and in each and every such event Lessor may, at its option, terminate this lease immediately by giving Lessee or any such assignee for the benefit of creditors, trustee in bankruptcy or receiver written notice of such termination and Lessor may enter upon and take possession of the premises.

18. Lessor.

The term "Lessor" as used in Sections 14 and 15 hereof, shall include any other company or companies whose property at the aforesaid location may be leased or operated by Lessor. Said term also shall include any
parent company or companies, subsidiaries, lessees or licensees of Lessor other than Lessee.

19. Lessor reserves, for itself and others authorized by Lessor, right to use the area colored red on said print for driveway purposes.

20. Lessee's use of said track shall not be exclusive. Lessor shall have right, at any time in the future, to switch out and back any car, or cars, stored on said track when Lessor finds it necessary to do so in connection with its operations.

21. It is understood and agreed that Lessee, at its cost and expense, shall procure and, during the continuance of this agreement, maintain in effect a liability policy of insurance acceptable to Lessor in amounts for injury to or death of one person not less than $250,000.00 and not less than $500,000.00 for injury to or death of two or more persons each accident, and for damage to property not less than $250,000.00 each accident. The policy shall name Lessor as an Additional Insured with respect to the premises described in this agreement. Lessor's Director of Corporate Insurance at Cleveland, Ohio, shall be furnished with a Certificate of Insurance or a certified copy of the policy which shall contain an endorsement to provide for thirty (30) days' written notice to said Director prior to termination of the policy. The furnishing of said insurance shall not be deemed a limitation on the part of Lessee as provided in this agreement but shall be additional security therefor.

22. Unless sooner terminated as provided herein, this lease shall expire on December 31, 1973.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

**SECTION 1.** The Commissioner of General Services ("Commissioner") is authorized to execute on behalf of the City of Chicago, a Sublease between the City of Chicago, as Sublessee, and Hysan Corporation, as Sublessor, for approximately 100,000 square feet of warehouse and office space located at 4309 South Morgan Street to be occupied by the Department of Water. The Sublease, which shall be subject to the approval of the Department of Water and the approval of the Corporation Counsel as to form and legality, shall be substantially in the form attached hereto.

**SECTION 2.** The Commissioner is further authorized to execute on behalf of the City of Chicago a Non-Disturbance Agreement or similar instrument ("Agreement") among the City of Chicago, Hysan Corporation and 179 Washington Associates, as beneficiaries of the land trust which holds legal title to the subject property ("Owner"), subject to the approval of the Corporation Counsel. The Agreement may provide that the Commissioner is authorized to enter into a lease with the Owner upon terms similar to those contained in the existing lease ("Master Lease") between Hysan Corporation and the Owner in the event that the Master Lease is terminated prior to its expiration date of March 31, 2000.

**SECTION 3.** This ordinance shall be effective upon its passage.

Sublease Agreement attached to this ordinance reads as follows:
Sublease.

This Sublease is entered into this ___ day of ___________, 1991 by and between Hysan Corporation ("Sublessor") and the City of Chicago, an Illinois municipal corporation ("Sublessee").

Recitals:

Whereas, Sublessor is the tenant under that certain Indenture of Lease dated March 26, 1980, by and between the Prudential Insurance Company of America (its successor in interest shall be referred to as "Owner") and Hysan Corporation ("Master Lease"), for the premises commonly known as 4309 South Morgan Street, Chicago, Illinois and legally described as follows:

Lot 5 in Donovan Industrial Park, being a subdivision of part of each of Lots 3, 4, 5, 6, 7, 8, 9 and 10 in Stock Yards Subdivision of the east half of Section 5, Township 38 North, Range 14, East of the Third Principal Meridian, in Cook County, Illinois

; and

Whereas, Sublessor has agreed to sublease to Sublessee, and Sublessee has agreed to sublease from Sublessor, approximately one-half of the Premises legally described above;

Now, Therefore, In consideration of the covenants, terms and conditions set forth herein, the parties agree and covenant as follows:

Section 1. Grant.

Sublessor does hereby sublease to Sublessee the north half of the property legally described above ("Premises"), being approximately 98,000 square feet of warehouse and office space, and including eight (8) truck level loading docks, and the parking lots and open space to the north and east of the Premises.

Section 2. Term.

The term of this Sublease shall commence on April 1, 1991, or the date of possession, whichever is later, and shall terminate on March 31, 2000.
Section 3. Rent.

Sublessee shall pay to Sublessor during the term of this Sublease annual rent in the amount of $230,300. The annual rent shall be paid in twelve equal monthly installments of $19,191.67, in advance, on the first day of each month during the term of this Sublease at the offices of Hysan Corporation, 1400 East Touhy Avenue, Suite 360, Des Plaines, Illinois 60018, or at such other place as may hereafter be designated in writing by Sublessor. Any rental payment not received by Sublessor within thirty (30) days of its due date shall bear interest at the rate of twelve percent (12%) per annum until paid in full. In the event that possession does not begin on the first day of a month, the monthly rental payment shall be prorated on a per diem basis.

Section 4. Use Of The Premises.

Sublessee agrees to use the Premises for warehousing, repairing, manufacturing, assembling and other uses and purposes not prohibited by law; provided, however, that said uses do not unreasonably interfere with the continuation of Sublessor's current use of the south half of the building housing the Premises. Sublessee further agrees to conduct its activities on the Premises in compliance with all valid laws, orders, ordinances, rules and regulations. Notwithstanding the foregoing, Sublessee shall not store any hazardous material or carry on activities which would materially increase Sublessor's insurance premiums or void Sublessor's insurance coverage.

Sublessee covenants not to do or suffer any waste or damage, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof, or permit or suffer any overloading of the floors. This paragraph shall not be construed to apply to ordinary wear and tear that occurs from the normal use and occupancy of the Premises.

Section 5. Alterations And Improvements.

Sublessor shall make the following repairs and renovations at its expense, as soon as reasonably possible:

1. Place an opening in the east wall and install an access door not less than three feet wide and six feet high;
2. Erect a chain link fence outside the building running east and west to separate the north and south halves of the building.

3. Close all openings in the warehouse wall between the north and south sides. Currently metal roll-down doors separate the two sides. These shall be padlocked on both sides, such that neither Sublessor nor Sublessee shall have access to the other side.

4. Separate electric and gas meters, as applicable, for the north and south sides. Because all of the electrical transformers and substation are located in the north area, it will be necessary that Sublessor have a door access to the electrical panels, which will be enclosed with a mesh fence so that Sublessee has equal access to panels. Separate meters will be placed for electrical demand in accordance with code.

5. Separate the alarm system for the north and south sides of the building.

6. Secure the offices on the north side of the front building with new walls; reception area will have a pass-through window for visitors; all areas will be carpeted, separate office walls will be painted a color selected by Sublessee, with coordinating carpeting; existing dark room will be converted into men's and women's washrooms consistent with current code. Replace ceiling tiles if broken or discolored.

7. Provide all mechanical systems, i.e., air conditioning, heating, sprinkler, power lines and panels, lighting, door dock openers and levelers, plumbing and other equipment in good operating condition.

8. Remove the Hysan logo and sign from the exterior front of the north side of the building.

9. Install cement block to close opening in print shop, and two windows and double-door in lunchroom.

So long as Sublessee has obtained: (i) the prior written consent of the Owner to the proposed alterations, and (ii) a written statement from the Owner that the completion of the proposed alterations in accordance with Sublessee's plans will not cause Sublessor to be in default under any provisions of the Master Lease, Sublessee shall have the right at any time during the term of this Sublease to make changes and alterations to the Premises as Sublessee deems necessary or desirable in connection with the Sublessee's use of the Premises. Provided, however, that all such changes and alterations shall be done in a good and workmanlike manner, and will not reduce or otherwise adversely affect the value of the Premises. Any
changes or alterations of a structural nature shall be subject to the approval of Sublessor, which approval shall not be unreasonably withheld.

Section 6. Maintenance.

Sublessor shall be responsible for maintaining the roof and basic structural components of the Premises in good order and repair. All other maintenance responsibilities shall be borne by Sublessee.

In the event that either party should fail to perform any maintenance obligation required by this Sublease and the failure continues twenty (20) days after being notified in writing of such failure, the aggrieved party may at its own option make the necessary repairs and charge the nonperforming party for all costs incurred in making such repairs.

Section 7. Utilities And Taxes.

Sublessee shall be responsible for all utilities, including but not limited to, electricity, gas, heat, water and sewer charges; and for its pro rata share of real estate taxes and assessments. Sublessee shall timely pay all utility bills issued to it directly and shall pay its portion of the real estate taxes and assessments and the portion of any joint utility bills to Sublessor within thirty (30) days of receipt of a statement from Sublessor indicating the amount due.

Sublessee shall have the right to contest by appropriate legal proceedings, the amount or validity of any tax or assessment levied against the Premises, but this shall not be deemed or construed in any way as relieving Sublessee's obligation to pay its pro rata share of the taxes or assessment in a timely manner.

Section 8. Untenantability.

If any part of the Premises is rendered untenantable by fire or other casualty not caused by Sublessee so as to substantially impair Sublessee's intended use of the Premises, rent shall abate from the date of such fire or other casualty until such time as Sublessee's intended use of the Premises is no longer substantially impaired. Sublessor shall proceed to repair and restore the Premises to its prior existing condition with reasonable promptness, subject to reasonable delays for insurance adjustments and delays caused by matters beyond Sublessor's control, provided that Sublessor has not exercised its right to terminate the Master Lease (thereby terminating this Sublease) pursuant to Section 17.3 thereof.
Notwithstanding the foregoing, if the Premises: (i) cannot reasonably be repaired or restored to their prior existing condition within one hundred twenty (120) days from the date of the fire or casualty, or (ii) are not repaired or restored to their prior existing condition within said one hundred twenty (120) days, then this Sublease may be terminated by Sublessee and Sublessee shall be charged with rent only to the date of such fire or other casualty.

If the Premises are damaged by fire or other casualty, but such fire or other casualty does not substantially impair Sublessee's intended use of the Premises, then Sublessor shall proceed to repair and restore the Premises to its prior existing condition within sixty (60) days from the date of the fire or other casualty (or within a reasonable time if the repairs cannot be made within sixty (60) days). If Sublessor has not completed the repairs within sixty (60) days from the date of the fire or other casualty (or is not diligently pursuing the repairs if the repairs cannot be completed within sixty (60) days), then Sublessee may, at its option, complete the repairs and deduct the cost of same from the rent due Sublessor hereunder.

Section 9. Insurance.

Sublessor shall at all times provide insurance coverage on the Premises in the amounts and kinds required under the Master Lease between Sublessor and The Prudential Insurance Company of America, and shall cause Sublessee to be named as an additional insured on all such insurance policies.

Section 10. Indemnification.

A. Sublessee's Indemnity.

Sublessee agrees, at all times, to indemnify and hold Sublessor harmless against all actions, claims, demands, costs, damages or expenses of any kind which may be brought or made against Sublessor or which it may pay or incur by reason of Sublessee's negligent performance of or failure to perform any of its obligations under this Sublease including, but not limited to, any sums which Sublessor is required to pay to Owner pursuant to the terms of the Master Lease solely as a result of Sublessee's failure to timely yield up possession of the Premises at the termination of this Sublease by lapse of time on March 31, 2000.
B. Sublessor's Indemnity.

Sublessor agrees, at all times, to indemnify and hold Sublessee harmless against all actions, claims, demands, costs, damages or expenses of any kind which may be brought or made against Sublessee or which it may pay or incur by reason of Sublessor's negligent performance of or failure to perform any of its obligations under this Sublease.

Section 11. Mechanics' Liens.

Sublessee shall not suffer or permit any mechanics' lien to be filed against the Premises or any part thereof by reason of work, services or materials supplied or claimed to have been supplied to Sublessee. Sublessee further covenants and agrees to comply with the provisions of the Mechanics' Lien Act of the State of Illinois by:

(i) obtaining, prior to each and every progress payment and final payment made to a contractor doing work upon the Premises, a Sworn Statement made pursuant to Section 5 of the Mechanics' Lien Act of the State of Illinois setting forth each and every subcontractor and materialman involved in the work and the amount due or to become due each, together with an appropriate partial or final Waiver of Lien, properly executed and in proper form, from such contractor receiving the progress payment or final payment and from each subcontractor and materialman shown on such Sworn Statement; and

(ii) requiring each contractor doing work upon the Premises to obtain, prior to each progress payment or final payment to a subcontractor doing work upon the Premises or to a materialman supplying materials for such work, a Sworn Statement made pursuant to Section 22 of the Mechanics' Lien Act of the State of Illinois setting forth each and every subcontractor and materialman involved in the work and the amount due or to become due each, together with an appropriate partial or final Waiver of Lien, properly executed and in proper form, from each subcontractor and materialman shown on such Sworn Statement.

Upon request, Sublessee shall furnish to Sublessor copies of any such Sworn Statements and partial or final Waivers of Lien.

If a mechanics' lien shall at any time be filed against the Premises, Sublessee shall either: (a) cause the same to be discharged of record within
twenty (20) days after the date of filing the same; (b) deposit with Sublessor such sum as may reasonably be required by Sublessor to protect the Premises from any such lien; or (c) deposit with Sublessor a surety bond reasonably satisfactory to Sublessor to protect the Premises from any such lien. If Sublessee shall fail to discharge such mechanics’ lien or to make the deposit with Sublessor permitted by items (b) and (c) above, then, in addition to any other right or remedy of Sublessor, Sublessor may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit in court or by giving security or in such other manner as is, or may be, prescribed by law. Any amount paid by Sublessor for any of the aforesaid purposes, and all reasonable counsel fees, in or about procuring the discharge of such lien, which all necessary disbursements in connection therewith shall be repaid by Sublessee to Sublessor on demand, and if unpaid may be treated as additional rent. Nothing herein contained shall imply any consent or agreement on the part of Sublessor to subject Sublessor’s estate to liability under any mechanics’ lien law.

Section 12. Sublessor’s Right Of Inspection.

Sublessee agrees to permit Sublessor to enter the Premises at reasonable times during business hours for the purpose of inspecting the same and for the purpose of making any necessary repairs to the Premises and performing any work therein that Sublessee has failed or refused to perform and which is necessary to comply with any laws and ordinances and any valid rules, regulations or requirements of any public authority or of the Board of Fire Underwriters or any similar body, or that Sublessor may reasonably deem necessary to prevent water damage or deterioration in connection with the Premises. Nothing herein shall imply any duty upon the part of Sublessor to do any work which, under any provision of this Sublease, Sublessee may be required to perform, and the performance thereof by Sublessor shall not constitute a waiver of Sublessee’s default in failing to perform the same.

If Sublessor is permitted to perform work under this Section 12, Sublessor, may, during the progress of such work in the Premises, keep and store upon the Premises all necessary materials, tools and equipment. In such event, Sublessor shall not be liable for any inconvenience, annoyance, disturbance, loss of business or other damage of Sublessee by reason of Sublessor’s making of such repairs, or on account of bringing materials, supplies and equipment into or through the Premises during the course thereof, and the obligations of Sublessee under this Sublease shall not thereby be affected in any manner whatsoever. Sublessor agrees, however, in connection with the doing of any such work, to cause as little inconvenience, annoyance, disturbance, loss of business or other damage to Sublessee as may reasonably be possible in the circumstances.
Section 13. Sublessee's Right To Purchase Property.

If Sublessor is notified by the Owner of the Premises that the Owner desires to place the Premises on the market for the purpose of selling the Premises or that the Owner has received an unsolicited offer to purchase the Premises, and Sublessor is not interested in purchasing the Premises, then Sublessor shall notify Sublessee of such notification by the Owner and Sublessee may thereafter commence negotiations with the Owner to purchase the Premises.

Section 14. Sublessee's Right To Sublet The Remainder Of The Property.

If Sublessor desires to sublet or assign its interest in all or a portion of the south one-half of the property, Sublessor agrees that it will not place the property on the market until Sublessor first gives Sublessee written notice of its desire to do so. Within thirty (30) days after receipt of such notice, Sublessee shall give Sublessor written notice of its interest in subleasing the south one-half of the property. If Sublessee advises Sublessor that it does not desire the property or if Sublessee fails to respond to the notice within the thirty (30) day period, then Sublessor may sublet or assign its interest in the south half of the property without regard to any rights Sublessee may have under this Section 14. If Sublessee advises Sublessor of its interest in the south half of the property within the thirty (30) day period, then the parties shall enter into good faith negotiations for the subleasing or assignment of the property. If the parties are unable to agree upon the terms of the transaction within one hundred-twenty (120) days of the date that Sublessee notifies Sublessor of its interest in the property, Sublessor shall then have the right to place the property on the market without regard to any rights that Sublessee may have in this Section 14.

Section 15. Holding Over.

Sublessee shall, upon the termination of this Sublease by lapse of time or otherwise, yield up immediate possession of the Premises to Sublessor and any holding over by Sublessee. Sublease shall be construed to be a tenancy from month to month only. If Sublessee holds over for any reason other than by lapse of time on March 31, 2000, Sublessor shall be entitled to a monthly basic rental equal to double the rate of rent payable hereunder. Nothing contained in this Section 15 shall be construed as giving Sublessee the right to hold over after the termination of this Sublease, and Sublessor may exercise any and all remedies at law or in equity to recover possession of the Premises.
Section 16. Default And Remedies.

A. Default In Certain Covenants.

If, during the term of this Sublease,

(a) Sublessee defaults in fulfilling any of the covenants of this Sublease (other than the covenant for the payment of rent); or

(b) Sublessee fails to use and occupy the Premises as required by Section 4 of this Sublease and the Premises are left completely vacant, unoccupied and deserted for a period of thirty (30) consecutive days; or

(c) Sublessee fails to observe the requirements of Section 20 of this Sublease and the interest of Sublessee under this Sublease is, without the prior written consent of Sublessor, assigned or transferred in any manner,

then and in any such event, Sublessor may give a Notice of Default to Sublessee setting forth the covenant which Sublessee has failed to keep which constitutes a default under this Sublease.

In the case of a default which can be cured with due diligence by Sublessee within a period of thirty (30) days after the giving of a Notice of Default, Sublessee shall commence to cure such default promptly after receipt of such notice from Sublessor and thereafter prosecute the curing of such default with all due diligence. If the default upon which said Notice of Default was based continues to exist thirty (30) days after the giving of such Notice of Default, Sublessor may, at its option, terminate this Sublease by a written Notice of Termination given to Sublessee any time thereafter specifying the date of termination.

In the case of a default which can be cured with due diligence by Sublessee within a period of thirty (30) days after the giving of a Notice of Default, Sublessee shall commence to cure such default promptly after receipt of such notice from Sublessor and thereafter prosecute the curing of such default with all due diligence. If Sublessee fails to commence to cure such default promptly after receipt of a Notice of Default, or if Sublessee fails to prosecute the curing of such default with all due diligence, Sublessor may, at its option, terminate this Sublease by a written Notice of Termination given to Sublessee at any time thereafter specifying the date of termination.

Upon receipt of a Notice of Termination given to Sublessee pursuant to this Section 16, Sublessee shall quit and surrender the Premises to
Sublessee, but Sublessee shall remain liable to Sublessor as hereinafter provided.

B. Default In The Covenant To Pay Rent.

If, during the term of this Sublease,

(a) Sublessee defaults in the payment of the rent expressly reserved hereunder, or any part thereof; or

(b) Sublessee defaults in the payment of any other charge required to be paid by Sublessee hereunder, or any part thereof,

then and in any such event, Sublessor may give a Notice of Default to Sublessee setting forth the payment which Sublessee has failed to make which constitutes a default under this Sublease.

In the case of a default in the payment of the rent expressly reserved hereunder, or any part thereof, if such payment is not received by Sublessee within fifteen (15) days after the giving of such Notice of Default, Sublessor may, at its option, terminate this Sublease by a written Notice of Termination given to Sublessee at any time thereafter specifying the date of termination.

In the case of a default in the payment of any other charge required to be paid by Sublessee hereunder, or any part thereof, if proof of the making of such payment is not received by Sublessor within thirty (30) days after the giving of such Notice of Default, Sublessor may, at its option, terminate this Sublease by a written Notice of Termination given to Sublessee at any time thereafter specifying the date of termination.

Upon receipt of a Notice of Termination given to Sublessee pursuant to this Section 16, Sublessee shall quit and surrender the Premises to Sublessor, but Sublessee shall remain liable as hereinafter provided.

C. Remedies Of Sublessor.

If Sublessee is in default hereunder and any applicable cure period has expired, Sublessor may immediately or at any time thereafter re-enter the Premises and remove all persons and all property therefrom, by any suitable action or proceeding at law; and
(i) Relet the Premises for the balance of the Sublease term and receive the rents therefor, applying them first to the payment of damages suffered to the Premises and rents due and to become due under this Sublease, Sublessee remaining liable for and hereby agreeing to pay Sublessor any deficiency; or

(ii) Cancel and terminate the remaining term of this Sublease, re-enter and take possession of the Premises free of this Sublease and thereafter this Sublease shall be null and void and the rents in such case shall be apportioned and paid on and up to the date of such re-entry. Thereafter both parties shall be released and relieved from any and all obligations thereafter to accrue hereunder; or

(iii) As liquidated damages for such default, be entitled to the difference, if any, between the sum which, at the time of such termination represents the then present worth (computed at seven percent per year) of the excess aggregate rents and additional sums payable hereunder that would have accrued over the balance of the Sublease term, had such term not been prematurely terminated, over the aggregate market rental value of the Premises over the term that the Sublease would have run had it not been prematurely terminated.

These remedies shall be cumulative and Sublessor shall be further entitled to reasonable legal expenses and attorneys' fees incurred in enforcing its remedies hereunder.

D. Remedies Of Subleasee.

If Sublessor fails to perform any of its obligations hereunder, or if Sublessor is otherwise in violation or breach of any covenant, agreement, representation or warranty contained herein then, in addition to all other remedies available at law or equity (including, without limitation, injunctive relief), Sublessee shall have the option after Sublessor's failure to cure said default within thirty (30) days of receipt of a Notice of Default (or in the case of a default which cannot be cured with due diligence by Sublessor within a period of thirty (30) days after the giving of a Notice of Default, Sublessor shall fail to commence to cure such default promptly after receipt of such notice from Sublessee and thereafter prosecute the curing of such default with all due diligence) to terminate this Sublease by written notice to Sublessor. Sublessee shall be entitled to reasonable legal expenses and attorneys' fees incurred in enforcing its remedies hereunder.
Section 17. Right To Terminate.

Sublessor acknowledges and understands that the Premises will be occupied by the Department of Water which is being relocated from its current facilities at 31st and Sacramento due to the sale of the facilities to Farley Candy Company. If the sale of the facilities to Farley Candy Company is not consummated by August 1, 1991, Sublessee may terminate this Sublease upon thirty (30) days written notice, which notice must be given on or before October 1, 1991 in order to be effective. In the event that Sublessee timely gives notice terminating this Sublease, Sublessee shall pay Sublessor the amount specified in the Schedule (to be attached) as liquidated damages, which amount shall reflect the actual, reasonable expenses incurred by Sublessor in performing its obligations set forth in Section 5. The parties agree to attach the Schedule of Sublessor's expenses (which Schedule is subject to the approval of Sublessee, such approval not to be unreasonably withheld) as soon as is practicable after the work has been completed.

Section 18. Surrender.

Upon the termination of this Sublease, whether by forfeiture, lapse of time or otherwise or upon the termination of Sublessee's right to possession of the Premises, Sublessee will at once surrender and deliver up the Premises, together with all improvements thereon, to Sublessor in good condition and repair, reasonable wear and tear excepted. Said improvements shall include all plumbing, lighting, electrical, heating, cooling and ventilating fixtures and equipment and other articles of personal property used in the operation of the Premises (as distinguished from operations incident to the business of Sublessee). Articles of personal property incident to Sublessee's business are hereinafter referred to as "Trade Fixtures". All additions, Non-Trade Fixtures and improvements, temporary or permanent, in or upon the Premises placed there by Sublessee shall become Sublessor's property and shall remain upon the Premises upon such termination of this Sublease by lapse of time or otherwise, without compensation or allowance or credit to Sublessee, unless Sublessor requests their removal in writing at or before the time of such termination of this Sublease. If Sublessor so requests removal of said additions, Non-Trade Fixtures and improvements and Sublessee does not make such removal at said termination of this Sublease, or within ten (10) days after such request, whichever is later, Sublessor may remove and deliver the same to any other place of business of Sublessee or warehouse the same, and Sublessee shall pay the cost of such removal, delivery and warehousing to Sublessor on demand.

Upon the termination of this Sublease, whether by forfeiture, lapse of time or for any reason other than the default of Sublessee, Sublessee may remove Sublessee's Trade Fixtures; provided, however, that Sublessee shall at
Sublessee's expense, repair any injury or damage to the Premises which may result from any such removal. If, under the circumstances set forth above, Sublessee does not remove Sublessee's Trade Fixtures from the Premises at or prior to the termination of the Lease by lapse of time or otherwise, or if the term of this Lease shall expire or be terminated by reason of the default of Sublessee, Sublessor may, at its option, either (a) remove the same and deliver the same, to any other place of business of Sublessee or warehouse the same, in which event it shall pay the cost of such removal (including the repair of any unavoidable injury or damage to the Premises resulting from such removal), delivery and warehousing to Sublessor on demand; or (b) Sublessor may treat such Trade Fixtures as having been conveyed to Sublessor (with this Sublease serving as a Bill of Sale).

If any claim or action, either civil or criminal in nature, is instituted against [an employee or former employee] a current or former elected official, current or former appointed official or current or former employee of the City of Chicago or any agency of the City of Chicago where such claim arises out of any act or omission, made in good faith, occurring within the scope of [the employment of the employee or former employee,] such person's office or employment, the chairman of the Committee on Finance of the City Council, with the approval and concurrence of the Mayor, may at the request of [the employee or former employee,] such person appoint counsel to defend [the employee] such person against any such claim or action. Provided, however, that no City funds shall be expended directly or indirectly for payment of legal services rendered on behalf of any person upon the charge of such person by criminal complaint, information or indictment in criminal proceedings, and any appointment of counsel shall terminate. Provided further, that upon the conclusion of the
criminal proceedings such person may request reimbursement of legal expenses and costs pursuant to the procedures set out herein, if such person has been acquitted or found not guilty or if all charges against such person in the action have been dismissed.
