WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), §§ 2-120-130 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that the Griffiths-Burroughs House, located at 3806 South Michigan Avenue, as more precisely described in Exhibit 1 attached hereto and incorporated herein (the "Building"), meets four criteria for landmark designation as set forth in § 2-120-620 (1), (3), (4) and (5) of the Municipal Code; and

WHEREAS, The Building is an excellent example of a Chateauesque-style mansion, which is a significant architectural style and one that exemplifies in particular its associations with the social aspirations of Chicago's wealthiest families in the 1880s and 1890s, and later. Its large scale and elegant architecture made it desirable in its later cultural and institutional uses for the Quincy Club and the DuSable Museum of African-American History; and

WHEREAS, The Building possesses fine detailing and craftsmanship in gray limestone, a historic building material of importance to Chicago architecture from roughly 1890 through the 1930s. Its round-arched entrance is finely ornamented with handsomely-carved Gothic-style foliate ornament, paneling and crockets. Its three-story corner polygonal bay is beautifully detailed with carved stone colonettes and brackets and topped by a "candlesnuffer" roof. Its roofline is picturesquely detailed with stone triangular dormers topped by Gothic-style finials. The building's rear coach house, with its red-brick walls and gray-limestone trim, is a handsome example of this auxiliary building type; and

WHEREAS, The Building is the work of Solon S. Berman, a significant architect in the history of Chicago. Berman is noteworthy as the architect for Pullman, the factory town on Chicago's Far South Side that is an internationally-important example of town planning and architecture. He also is nationally significant as a seminal designer of Christian Science church buildings, designing the denomination's Mother Church Extension in Boston, six (6) church buildings in Chicago, many others nationally, and establishing the Classical Revival architectural style as the denomination's favored style during the early 20th century.

In addition, Berman designed other significant buildings in Chicago, including the Fine Arts Building (a designated Chicago landmark), the Blackstone branch of the Chicago Public Library, the Pullman Building (demolished), and Grand Central Terminal (demolished); and

WHEREAS, The Building exemplifies the early history and development of South Michigan Avenue as one of Chicago's most prestigious residential streets, comparable to Prairie Avenue and Drexel Boulevard for its grandly-scaled, finely-crafted mansions. It also exemplifies the later history of the Bronzeville community as the large houses and mansions were transformed into multiple-family dwellings, businesses, clubs, and institutions; and

WHEREAS, Between 1937 and 1959, the Building housed the Quincy Club, a social club founded for Black railroad workers and their families, and exemplifies this important aspect of Chicago's social history; and

WHEREAS, Between 1961 and 1973, the Building was the first home of the DuSable Museum of African-American History, which is a significant cultural and educational institution in Chicago in its own right, as well as in its associations the importance of the Chicago Black Renaissance in mid-twentieth-century Chicago. The DuSable Museum is considered the oldest museum dedicated to African-American history in the United States; and

WHEREAS, John Griffiths, the first owner of the Building, was a significant building contractor in the history of Chicago. His company built many of Chicago's most prominent buildings and structures, including Union Station, the Civic Opera House, the Merchandise Mart and sections of the Marshall Field & Co. department store; and

WHEREAS, Dr. Margaret and Charles Burroughs, later longtime owners of the Building, founded the DuSable Museum of African-American History (originally known as the Ebony Museum of Negro History) which was housed in the building from its opening in 1961 to 1973. Dr. Margaret Burroughs is an artist, writer, and teacher as well as a longtime prominent advocate for African-American history, art, culture and education; and

WHEREAS, The Building retains more than sufficient physical integrity to express its "historic, community, architectural, or aesthetic interest or value" as required by § 2-120-630 of the Municipal Code, through its site, context, and overall design quality. The Building retains the great majority of its historic materials, design, and detailing to convey its architectural and historic value; now, therefore,

SECTION 2. The Building is hereby designated as a Chicago landmark in accordance with the provisions of the Landmarks ordinance and the rules and regulations adopted by the Commission.

To the President and Members of the City Council:

Your Committee on Historical Landmark Preservation held its meeting on February 8, 2010 to consider an ordinance recommending that the Lorraine Hansberry House at 6140 South Rhodes Avenue be designated as a Chicago landmark, and having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

Respectfully submitted,

(Signed) ANTHONY BEALE,
Chairman.

On motion of Alderman Beale, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Fioretti, Dowell, Preckwinkle, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zalewski, Dixon, Solis, Maldonado, Burnett, E. Nays -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), §§ 2-120-130 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that the following building associated with the Chicago Black Renaissance Literary Movement is individually worthy of Chicago landmark designation: the Lorraine Hansberry House, 6140 South Rhodes Avenue (the "Building"), as more precisely

described in Exhibit 1 attached hereto and incorporated herein, meets three criteria for landmark designation as set forth in § 2-120-620 (1), (3) and (6) of the Municipal Code; and

WHEREAS, Through its associations with nationally prominent playwright Lorraine Hansberry, the Building is associated with the Chicago Black Renaissance, the literary movement that emerged from the surge of artistic expression, community organizing, and social activity in Chicago's African-American community from the 1930s through the 1950s in the pre-Civil Rights years. Through the tumultuous years of the Depression, World War II, and a second "Great Migration" of African-Americans to an almost completely segregated Chicago, this interconnected effort by artists, writers, scholars, and activists promoted the study of black history, art and politics, to inform social protest against racism and discrimination in the years leading up to the 1960s Civil Rights movement. During this dynamic era, Chicago was a national center of urban African-American art, blues and jazz, dance, theater, poetry and fiction; and

WHEREAS, The Chicago Black Renaissance literary movement was born of diverse creative and intellectual forces in Chicago's African-American community, and yielded such acclaimed 20th-century writers as Richard Wright (1908 -- 1960), Gwendolyn Brooks (1917 -- 2000), and Lorraine Hansberry (1930 -- 1965). These pioneering writers drew from their personal experiences and observations in Chicago and elsewhere to illuminate the dehumanizing effects of racial prejudice. Their eloquent and powerful novels, poems, and plays vividly depicted the spectrum of racism against African-Americans during the Jim Crow era through the years leading up to the modern Civil Rights movement -- ranging from wide-spread segregation and institutionalized discrimination to glaring acts of brutality and violence; and

WHEREAS, The Building, purchased in 1937 by Carl Hansberry, the father of playwright Lorraine Hansberry, was the subject of a three-year-long legal battle challenging the enforceability of racially restrictive covenants that effectively sanctioned discrimination in Chicago's segregated neighborhoods. With the assistance of the Chicago branch of the NAACP and attorney Earl B. Dickerson, Hansberry appealed the case to the United States Supreme Court. The 1940 U.S. Supreme Court ruling in *Hansberry v. Lee* represented an important battle to outlaw racially discriminatory housing covenants; and

WHEREAS, Lorraine Hansberry's groundbreaking play, *A Raisin in the Sun*, was the first drama by an African-American woman to be produced on Broadway. It grappled with themes of the Chicago Black Renaissance literary movement and drew directly from Hansberry's own childhood experiences in Chicago; and

WHEREAS, Hansberry's pioneering dramas forced the American stage to a new level of excellence and honesty. Her strident commitment to gaining justice for people of African descent, shaped by her family's direct efforts to combat institutional racism and segregation, heralded the next major African-American literary movement, the Black Arts Movement of the 1960s; and

WHEREAS, For its associations with the Chicago Black Renaissance literary movement and the iconic 20th-century playwright Lorraine Hansberry who emerged as part of the movement, the Building possesses exceptional historic and cultural significance; and

WHEREAS, The Building demonstrates and commemorates the Chicago Black Renaissance literary movement, the interconnected effort by artists, writers, scholars, and activists to promote the study of black history, art and politics, to inform social protest against racism and discrimination in the years leading to the modern Civil Rights era. During this dynamic era, Chicago was a national center of urban African-American art, blues and jazz, dance, theater, poetry and fiction; and

WHEREAS, The Building retains more than sufficient physical integrity to express its "historic, community, architectural, or aesthetic interest or value" as required by § 2-120-630 of the Municipal Code, through its site, context, and overall design quality. The Building retains the majority of its historic materials, design, and detailing to convey its architectural and historic values; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The Building is hereby individually designated as a Chicago landmark in accordance with the provisions of the Landmarks ordinance and the rules and regulations adopted by the Commission.

SECTION 3. The significant historical and architectural features of the Building are all exterior elevations, including rooflines, of the Building.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix the plaque on or near the property designated as a Chicago landmark in accordance with the provisions of § 2-120-700 of the Municipal Code.

SECTION 5. The Commission is directed to comply with the provisions of § 2-120-720 of the Municipal Code, regarding notification of said designation.

SECTION 6. This ordinance shall take effect upon its passage and approval.

DESIGNATION OF BUILDINGS ASSOCIATED WITH CHICAGO BLACK RENAISSANCE LITERARY MOVEMENT AS CHICAGO LANDMARKS.

[O2010-189]

The Committee on Historical Landmark Preservation submitted the following report:

CHICAGO, February 9, 2010.

To the President and Members of the City Council:

Your Committee on Historical Landmark Preservation held its meeting on February 8, 2010 to consider an ordinance recommending that George Cleveland Hall Branch Library, 4801 South Michigan Avenue, Richard Wright House, 4831 South Vincennes Avenue and Gwendolyn Brooks House, 7428 South Evans Avenue, be designated as Chicago landmarks, and having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

Respectfully submitted,

(Signed) ANTHONY BEALE,
Chairman.

On motion of Alderman Beale, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Fioretti, Dowell, Preckwinkle, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zalewski, Dixon, Solis, Maldonado, Burnett, E. Smith, Reboyras, Suarez, Waguespack, Mell, Colón, Rice, Mitts, Allen, Laurino, O'Connor, Doherty, Reilly, Daley, Tunney, Shiller, Schulter, M. Smith, Moore, Stone -- 46.

Nays -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), §§ 2-120-130 through -690, the Commission on Chicago landmarks (the "Commission") has determined that the following buildings associated with the Chicago Black Renaissance Literary Movement are each individually worthy of Chicago landmark designation: the George Cleveland Hall Branch, Chicago Public Library,, 4801 South Michigan Avenue (the "Hall Branch Library"); the Gwendolyn Brooks House, 7428 South Evans Avenue (the "Brooks House"); and the Richard Wright House, 4831 South Vincennes Avenue (the "Wright House"), as more precisely described in Exhibit 1 attached hereto and incorporated herein (the "Buildings"), meet three criteria for landmark designation as set forth in § 2-120-620 (1), (3) and (6) of the Municipal Code; and

WHEREAS, The Hall Branch Library also meets the criteria for landmark designation as set forth in § 2-120-620 (4) of the Municipal Code; and

WHEREAS, The Buildings -- two of the homes of nationally prominent writers and one a pioneering cultural institution -- are associated with the Chicago Black Renaissance, the literary movement that emerged from the surge of artistic expression, community organizing, and social activity in Chicago's African-American community from the 1930s through the 1950s in the pre-Civil Rights years. Through the tumultuous years of the Depression, World War II, and a second "Great Migration" of African-Americans to an almost completely segregated Chicago, this interconnected effort by artists, writers, scholars, and activists promoted the study of black history, art and politics, to inform social protest against racism and discrimination in the years leading up to the 1960s Civil Rights movement. During this dynamic era, Chicago was a national center of urban African-American art, blues and jazz, dance, theater, poetry and fiction; and

WHEREAS, The Buildings possess strong historic associations with important literary figures of the Chicago Black Renaissance. The Chicago Black Renaissance literary movement was born of diverse creative and intellectual forces in Chicago's African-American community, and yielded such acclaimed 20th-century writers as Richard Wright (1908 -- 1960) and Gwendolyn Brooks (1917 -- 2000). These pioneering writers drew from their personal experiences and observations in Chicago and elsewhere to illuminate the dehumanizing effects of racial prejudice. Their eloquent and powerful novels and poems vividly depicted the spectrum of racism against African-Americans during the Jim Crow era through the years leading up to the modern Civil Rights movement -- ranging from wide-spread segregation and institutionalized discrimination to glaring acts of brutality and violence; and

WHEREAS, The Wright House possesses significance for its association with author Richard Wright. During the ten (10) years that he lived and worked in Chicago and the following decade of his continued close association with the city, Richard Wright was a galvanizing force of the Chicago Black Renaissance literary movement. In the second-floor apartment of the two-flat building at 4831 South Vincennes Avenue, where Wright

resided with his family from 1929 to 1932, he effectively began his professional literary career with his first novel, *Lawd Today!*, which was published posthumously in 1963. Richard Wright's most famous and influential books, *Native Son* (1940) and his autobiography, *Black Boy* (1945), drew in large part from his life experience in Chicago and established him as one of the revered authors of his generation and propelled him to international fame. Controversial and powerful, these seminal texts are credited with forever changing American culture and redefining the portrayal of the Black experience in American literature; and

WHEREAS, The Brooks House possesses significance for its association with poet Gwendolyn Brooks. A prolific author, Pulitzer Prize-winning poet, professor, and life-long resident of Chicago, Gwendolyn Brooks resided at 7428 South Evans Avenue for more than four (4) decades (1953 -- 1994) -- the majority of her adult life. Like her home, her modest and unassuming lifestyle in no way reflected the international acclaim and critical recognition that her poetry received. Brooks, a dominant figure of 20th-century American poetry, is often regarded by literary critics as an "American poetic original". Brooks' first collection of poems, *A Street in Bronzeville*, appeared in 1945, and was followed by *Annie Allen* (1949), *Maud Martha* (1953), and *The Bean Eaters* (1960). Considered to be one of the United States most significant poets, Brooks' poetry bridged the Chicago Black Renaissance literary movement and its aftermath, and was a leading force in the establishment of a multiracial, multiethnic American artistic heritage; and

WHEREAS, The Hall Branch Library possesses significance for its association with Vivian G. Harsh. A pioneering leader in the movement to foster and preserve African-American history, Vivian G. Harsh was the first African-American librarian to serve as the director of a branch library in the Chicago Public Library system. Harsh was the founder of the "Special Negro Collection", an invaluable resource to the writers of the Chicago Black Renaissance and subsequent generations of researchers, that has grown into the largest repository of its kind in the Midwest. Harsh's innovative programming, such as the women's "Reading Guidance Clinic" which developed into one of America's first African-American book groups and the "Book Review and Lecture Forum", brought library patrons together with the major African-American writers and intellectuals of the day, fostered the Chicago Black Renaissance and established the George Cleveland Hall Library as an important intellectual center in Bronzeville; and

WHEREAS, The Hall Branch Library is significant for its "modernistic" architectural style that reflects the varied efforts in the late 1920s and 1930s to design contemporary buildings in a synthesis of historic and non-historic forms and ornament. Building ornament combines Classical-style keystones, arches, and copings and Art Deco-style, low-relief, abstracted-floral panels and copings; and

WHEREAS, The Hall Branch Library's finely-crafted central circulation space, a spatially-dramatic two-story octagonal entrance hall, features Classical Revival-style wood paneling ornamented with tall calved pilasters covering lower walls, while above plaster walls are punctuated by rectangular clerestory windows; and

WHEREAS, The Hall Branch Library is an unusual and significant library building in the context of Chicago architecture. Compared to most neighborhood branch libraries built before World War II, the Hall Library is a dramatically-designed "modernistic" building meant to stand out in the Bronzeville neighborhood; and

WHEREAS, The Hall Branch Library, the Brooks House, and the Wright House, each demonstrate and commemorate the Chicago Black Renaissance literary movement, the interconnected effort by artists, writers, scholars, and activists to promote the study of black history, art and politics, to inform social protest against racism and discrimination in the years leading to the modern Civil Rights era. During this dynamic era, Chicago was a national center of urban African-American art, blues and jazz, dance, theater, poetry and fiction; and

WHEREAS, Each of the Buildings retains more than sufficient physical integrity to express its "historic, community, architectural, or aesthetic interest or value" as required by § 2-120-630 of the Municipal Code, through its site, context, and overall design quality. Each building retains the majority of its historic materials, design, and detailing to convey its architectural and historic values; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Each of the Buildings is hereby individually designated as a Chicago landmark in accordance with the provisions of the Landmarks ordinance and the rules and regulations adopted by the Commission.

SECTION 3. The significant historical and architectural features of the Buildings are all exterior elevations, including rooflines, of the Buildings; and the double-height main interior circulation space of the Hall Library.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying each said landmark and to affix the plaque on or near each property designated as a Chicago landmark in accordance with the provisions of § 2-120-700 of the Municipal Code.

SECTION 5. The Commission is directed to comply with the provisions of § 2-120-720 of the Municipal Code, regarding notification of said designation.

SECTION 6. This ordinance shall take effect upon its passage and approval.

(b) contain no environmentally hazardous materials.

Landlord's duty under this section of the lease shall survive Tenant's acceptance of the Premises.

4.2 Covenant Of Quiet Enjoyment.

Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Landlord's Duty To Maintain Premises And Right Of Access.

Unless otherwise provided in this lease, Landlord shall, at Landlord's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), and Title 15 ("Fire Prevention"). If Landlord shall refuse or neglect to make needed repairs within twenty (20) days after written notice thereof sent by Tenant, unless

such repair cannot be remedied by twenty (20) days, and Landlord shall have commenced and is diligently pursuing all necessary action to remedy such repair, Tenant is authorized to make such repairs and to deduct the cost thereof from rents accruing under this lease, or immediately terminate this lease by providing the Landlord with written notice sent by certified or registered mail to the address cited herein. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use Of The Premises.

Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.5 Alterations And Additions.

Tenant shall have the right to make such alterations, additions and improvements on the Premises as it shall deem necessary, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Law and provided that Tenant has obtained the prior written consent of Landlord. Landlord shall not unreasonably withhold consent.

Section 5.

Assignment, Sublease, And Liens.

5.1 Assignment And Sublease.

Tenant shall not assign this lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold consent.

5.2 Tenant's Covenant Against Liens.

Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of Law or otherwise, to attach to or be placed upon Landlord's title or

interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only.

Section 6.

Insurance And Indemnification.

6.1 Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term of this lease, the types of insurance specified below, with insurance companies authorized to do business in the State of Illinois.

The kinds and amounts of insurance required are as follows:

(a) Workers' Compensation And Occupational Disease Insurance.

Workers' Compensation and Occupational Disease Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all of the Landlord's employees and Employer's Liability coverage with limits of not less than One Hundred Thousand Dollars ($100,000) each accident or illness.

(b) Commercial Liability Insurance (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than One Million Dollars ($1,000,000) per occurrence, combined single limit, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, broad for property, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from the lease.

(c) Automobile Liability Insurance (Primary And Umbrella).

When any of the Landlord's motor vehicles (owned, non-owned and hired) are used in connection with work to be performed on the Premises, the Landlord shall provide Comprehensive Automobile Liability Insurance with limits of not less than One Million Dollars ($1,000,000) per occurrence, combined single limit, for bodily injury and property damage.

(d) All Risk Property Insurance.

All risk property insurance coverage shall be maintained by the Landlord for full replacement value to protect against loss, damage to or destruction of property.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6.2 Other Terms Of Insurance.

The Landlord will furnish the City of Chicago, Department of General Services, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this lease. The Landlord shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the lease provisions regarding insurance. Nonconforming insurance shall not relieve Landlord of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for thirty (30) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the lease documents or by Law.

The Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of Law.

The City of Chicago, Department of Finance, Office of Risk Management maintains the right to modify, delete, alter or change these requirements.

6.4 Landlord's Indemnification.

Landlord shall indemnify and hold Tenant harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from Tenant by reason of Landlord's negligent performance of or failure to perform any of its obligations under this lease, provided that Tenant has provided Landlord with proper and timely written notice.

Section 7.

Damage Or Destruction.

7.1 Damage Or Destruction.

If the Premises shall be damaged or destroyed by fire or other casualty, regardless of cause or origin, to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Tenant's reasonable opinion, the Premises are rendered untenantable as a result thereof, Tenant shall have the option to declare this lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect unless Landlord elects to repair/replace the Premises within ninety (90) days after the occurrence of the event causing the damage. If Tenant exercises such termination option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent. If Landlord elects to repair/replace the Premises within ninety (90) days after the occurrence of the event causing the damage, the rent shall abate until such time as the repairs are completed and Tenant resumes operations on the Premises. If Landlord is unable to repair/replace the Premises within ninety (90) days after the occurrence of the event causing the damage, this lease agreement shall then terminate at Tenant's option.

Section 8.

Conflict Of Interest And Governmental Ethics.

8.1 Conflict Of Interest.

such official, employee, or member participate in making or in any way attempt to use his/her position to influence any City governmental decision or action with respect to this lease.

8.2 Duty To Comply With Governmental Ethics Ordinance.

Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

Section 9.

Holding Over.

9.1 Holding Over.

Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning March 1, 2012 and the rent shall be at the same rate as set forth in Section 3.1(c) of this lease. During any such holding over, all other provisions of this lease shall remain in full force and effect. Commencing after six (6) months from termination of the lease, Landlord will be entitled to remedies as pursuant to Illinois statutes.

Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity.

If any covenant, condition, provision, term or agreement of this lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this lease shall be valid and in force to the fullest extent permitted by Law.

10.3 Governing Law.

The covenants, agreements, and obligations contained in this lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time Is Of The Essence.

Time is of the essence of this lease and of each and every provision hereof.

10.8 No Principal/Agent Or Partnership Relationship.

Nothing contained in this lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

Tenant shall have the right to terminate this lease at any time after June 1, 2010 without prepayment or penalty. Tenant must provide Landlord with sixty (60) days prior written notice of such termination.

10.11 Force Majeure.

When a period of time is provided in this lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation.

If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall

be so condemned or improved in such a manner as to require the use of any part of the Premises, the Term of this lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

10.13 Federal And State Funds.

It is mutually agreed and understood by and between the parties hereto that the rental payments due under this lease are payable in part from funds when made available from the federal government and/or state government. In the event that such funding is suspended and Tenant thereby forced to default in the payment of any sums required to be paid under this lease, Tenant shall vacate the Premises. In such event, the sole remedy of the Landlord shall be for the possession of the Premises. Tenant shall be responsible for its pro-rated share of the rent up to and inclusive of the last day of Tenant's occupancy of the Premises.

10.14 No Broker.

Tenant warrants to Landlord that no broker or finder (a) introduced Tenant to the Premises, (b) assisted Tenant in the negotiation of this lease, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this lease. 10.16 Amendments.

From time to time, the parties hereto may amend this lease agreement with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of said lease agreement. Provided, however, that such amendment(s) shall not serve to extend the lease Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this lease and all other provisions of this lease shall otherwise remain in full force and effect.

Section 13.

Landlord Disclosures And Affirmations.

13.1 Business Relationships.

Landlord acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that he has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this agreement shall be grounds for termination of this agreement and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this lease agreement or the transactions contemplated hereby.

13.2 Patriot Act Certification.

Landlord represents and warrants that neither Landlord nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls,

is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this agreement by Landlord, (ii) while this agreement or any other Contract is executory, (iii) during the Term of this agreement or any other Contract between Landlord and the City, or (iv) during any period while an extension of this agreement or any other Contract is being sought or negotiated.

Landlord represents and warrants that from the date the City approached Landlord or the date Landlord approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate his employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse his employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the

City to all remedies (including, without limitation, termination for default) under this agreement, under any Other Contract, at law and in equity. This provision amends any other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this agreement, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two (2) of the following four (4) conditions exist for the partners:

1. The partners have been residing together for at least twelve (12) months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two (2) of the following arrangements:

   a. joint ownership of a motor vehicle;

b. a joint credit account;

c. a joint checking account;

d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that they, and to the best of their knowledge, their contractors and subcontractors, have not violated and are not in violation of any provisions of Chapter 7-28 or Chapter 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Landlord, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect Landlord eligibility for future contract awards.

13.5 Cooperation With Office Of Inspector General And Office Of Compliance.

In accordance with Section 2-26-110, et seq. of the Municipal Code, the Landlord acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this lease, including, without limitation, making available to the Office of the Inspector General and the Executive Director the department's premises, equipment, personnel, books, records and papers. The Landlord agrees to abide by the provisions of Section 2-26-110, et seq.

In Witness Whereof, The parties have executed this lease as of the day and year first above written.

Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this lease agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification.

Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that

results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, under any other Contract, at law and in equity. This provision amends any other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this agreement, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

12.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Chapter 7-28 or Chapter 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Tenant's eligibility for future contract awards.

COMMITTEE ON HUMAN RELATIONS.

CALL FOR PUBLIC AWARENESS AND CONCERTED CAMPAIGN TO END ELDER ABUSE.

[SR2010-233]

The Committee on Human Relations submitted the following report:

CHICAGO, February 10, 2010.

To the President and Members of the City Council:

Your Committee on Human Relations, having under consideration a substitute resolution introduced by Alderman Emma Mitts regarding the problem of Senior Abuse, begs leave to recommend that Your Honorable Body do pass and approve this resolution.

This recommendation was concurred in by a viva voce vote of the Committee on Human Relations on February 5, 2010.

Respectfully submitted,

(Signed) HELEN SHILLER,
Chairman.

On motion of Alderman Shiller, the committee's recommendation was *Concurred In* and the said proposed substitute resolution was adopted by yeas and nays as follows:

Yeas -- Aldermen Fioretti, Dowell, Preckwinkle, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zalewski, Dixon, Solis, Maldonado, Burnett, E. Smith, Reboyras, Suarez, Waguespack, Mell, Colón, Rice, Mitts, Allen, Laurino, O'Connor, Doherty, Reilly, Daley, Tunney, Shiller, Schulter, M. Smith, Moore, Stone -- 46.

Nays -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The members of this Body have been made aware through news media accounts and research studies of the growing problem of senior abuse and elder self-neglect; and

WHEREAS, Senior abuse and elder self-neglect are serious, common, and unrecognized public health issues. Based on recent studies, there are an estimated two million cases of senior abuse and elder self-neglect in the United States each year. Additional studies have identified senior abuse and elder self-neglect as growing public health problems. Senior abuse and elder self-neglect have been shown to result in reduced life expectancy; and

WHEREAS, Elder abuse has been defined as neglect, physical injury, mental, sexual, or financial exploitation of an adult 60 years of age or older. Regrettably, family members of seniors are the ones who most often engage in senior abuse; and

WHEREAS, According to the Illinois Department on Aging it is estimated as many as 80,000 older adults in Illinois are victims of elder abuse each year. There were 11,000 reports of elder abuse in Illinois during fiscal year 2009. The State of Illinois is so concerned about this public health problem that Governor Pat Quinn issued a proclamation on June 23, 2009 proclaiming July 2009 as Elder Abuse Awareness month and asking all citizens of Illinois to recognize this crisis and join in working toward its prevention; and

WHEREAS, Health care professionals and others who serve the elderly need to identify and report suspected cases of abuse or self-neglect early and act quickly to end these problems. This is particularly important due to the rapidly growing senior population in the United States, which is likely to lead to senior abuse and self-neglect becoming even more pervasive, affecting family, friends and loved ones; and

WHEREAS, It is necessary and appropriate to gain a better understanding of the challenges of elder abuse faced by seniors in the City of Chicago and what the City of Chicago can do in cooperation with the State of Illinois Department on Aging to assist seniors in resolving the problem of senior abuse; and

WHEREAS, The City Council Committee on Human Relations held a useful and informative hearing on this topic on November 13, 2009; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this tenth day of February, 2010, do hereby express our sincere concern for the problem of senior abuse and urge further measures to be taken to remedy this problem; and

Be It Further Resolved, That suitable copies of this resolution be presented to the Illinois Delegation to the United States Congress as a sign of our dedication to and support of this important issue.
