Insurance Requirements.

MPEA must provide and maintain at MPEA's own expense during the term of this Agreement, the insurance coverage and requirements specified below, insuring all operations related to the Agreement.

A. Insurance To Be Provided.

1) Workers' Compensation And Employer's Liability.

Workers' Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than $100,000 each accident, illness or disease.

2) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, separation of insureds, defense and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the services.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with this Agreement, MPEA must provide Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

4) Self-Insurance.

To the extent permitted by law, MPEA may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if MPEA does self-insure for the above insurance requirements, MPEA must bear all

risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least the insurance requirements as stipulated above.

B. Additional Requirements.

MPEA must furnish the City of Chicago, Department of Fleet Management, 1685 North Throop Street, Chicago, Illinois 60622, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. MPEA must submit evidence of insurance on the City of Chicago Insurance Certificate Form or equivalent form acceptable to the City of Chicago's Department of Risk Management prior to Agreement award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from MPEA is not a waiver by the City of any requirements for MPEA to obtain and maintain the specified coverages. MPEA must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve MPEA of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by MPEA.

MPEA hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by MPEA in no way limit MPEA's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by MPEA under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

DESIGNATION OF OLD REPUBLIC BUILDING AT 307 N. MICHIGAN AVE. AS CHICAGO LANDMARK.

[O2010-6281]

The Committee on Historical Landmark Preservation submitted the following report:

CHICAGO, November 30, 2010.

To the President and Members of the City Council:

Your Committee on Historical Landmark Preservation held its meeting on Tuesday, November 30, 2010 to consider an ordinance recommending that the Old Republic Building be designated as a Chicago landmark, and having had the same under advisement, begs leave to report and recommend that Your Honorable Body Pass the proposed ordinance transmitted herewith.

Respectfully submitted,

(Signed) EMMA MITTS,
Chairman.

On motion of Alderrhan Mitts, the said proposed ordinance transmitted with the foregoing committee report was Passed by yeas and nays as follows:

Yeas -- Aldermen Moreno, Fioretti, Dowell, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zaiewski, Dixon, Solis, Maldonado, Burnett, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Rice, Mitts, Laurino, O'Connor, Doherty, Reilly, Daley, Tunney, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 47.

Nays -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), Sections 2-120-630 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that the Old Republic Building, located at 307 North Michigan Avenue, as more precisely described in Exhibit A attached hereto and incorporated

herein (the "Building"), meets three criteria for landmark designation as set forth in Section 2-120-620 (1), (4) and (5) of the Municipal Code; and

WHEREAS, The Building was one of the first tall buildings, along with the London Guarantee Building, to be constructed south of the Chicago River on North Michigan Avenue after its widening in the early 1920s, which transformed the area and connected Michigan Boulevard south of Randolph to what would become the "Magnificent Mile" north of the river. The building exemplifies this important stage in the 1920s in the development of Michigan Avenue, conceived as part of the 1909 Plan of Chicago; and

WHEREAS, The Building, with its early and prominent location and high level of design and craftsmanship in terra cotta, helped to create a high-quality aesthetic and architectural standard for commercial structures on Michigan Avenue; and

WHEREAS, The Building's use of terra cotta for cladding and detailed ornamentation exemplifies the importance of terra cotta to early Chicago skyscraper design and the significance of the terra cotta industry in Chicago during the early twentieth century. The building's elaborate terra-cotta ornament was produced by Chicago's Northwestern Terra Cotta Company, one of the United States' major terra-cotta companies and the producers of terra-cotta cladding and ornament for such significant Chicago buildings as the Auditorium Building, the Carson, Pirie, Scott and Company Building, the Marquette Building, the Chicago Theater, and the Civic Opera House, all designated Chicago Landmarks; and

WHEREAS, The Building is an excellent example of the "classicized skyscraper" of the 1920s, designed in the Classical Revival architectural style with primarily Italian Renaissance detailing. Classical Revival was an important style in the early twentieth century as a manifestation of the "City Beautiful" movement, which combined the traditional cultural associations of classicism with contemporary commercial buildings. The tripartite "column" design easily lent itself to the logical overall form and layout of modern skyscrapers; and

WHEREAS, The Building is a significant and handsome early twentieth century terra-cotta-clad skyscraper, exemplifying the importance of the material to early twentieth century commercial architectural design in general, and the design of tall skyscrapers in Chicago in particular; and

WHEREAS, The Building displays excellent design and craftsmanship in terra cotta. The building has a plethora of Classical Revival terra-cotta detailing including Corinthian pilasters, rope moldings, brackets, shields, lion's heads, decorative spandrels, floral and geometric patterns, and cornices; and

WHEREAS, K. M. Vitzthum and Company, the architect of the Building, was an important and prolific early twentieth century architectural firm in Chicago. With partner John J. Burns, Karl Vitzthum designed many commercial, ecclesiastical, and residential buildings throughout Chicago and the Midwest; and

WHEREAS, Vitzthum's firm designed some of Chicago's most striking 1920's skyscrapers, ranging from the Classical Revival-style Old Republic Building and the Gothic Revival-style Steuben Club Building (1929) to the Art Deco-style One North LaSalle Building (1930). The Steuben Club Building and the One LaSalle Street Building are both designated Chicago Landmarks; and

WHEREAS, The Building is among the earliest and finest examples of the work of Karl Vitzthum in the Classical Revival architectural style and influenced his later designs for banks and other commercial buildings; and

WHEREAS, Vitzthum designed many visually-prominent neighborhood bank buildings in Chicago, including the Home Bank and Trust Company Building (1925 -- 1926), the Hyde Park Kenwood National Bank Building (1928), and the Marquette Park State Bank Building (1924), all of which are designated Chicago landmarks; and

WHEREAS, The Building retains more than sufficient physical integrity to express its "historic, community, architectural, or aesthetic interest or value" as required by Section 2-120-630 of the Municipal Code, through its location, context, and overall design quality. The Building retains the great majority of its historic materials, design, and detailing, to convey its architectural and historic values; now, therefore,

Be *It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The Building is hereby designated as a Chicago landmark in accordance with the provisions of the Landmarks ordinance and the rules and regulations adopted by the Commission.

SECTION 3. The significant historical and architectural features of the Building, for the purposes of Section 2-120-740 of the Municipal Code, are all exterior elevations, including rooflines, of the Building.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix the plaque on or near the property designated as a Chicago landmark in accordance with the provisions of Section 2-120-700 of the Municipal Code.

SECTION 6. The Commission is directed to comply with the provisions of Section 2-120-720 of the Municipal Code, regarding notification of said designation.

Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of DCD, for the Developer to take or perform in order to obtain the Certificate of Completion. If DCD requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of

satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those ongoing covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

Prior to the issuance of the Certificate of Completion for the Project, as provided herein, the Developer may not, without the prior written consent of DCD, which consent shall be in DCD's sole discretion, and excepting Access Community Health Network, the intended end-user: (1) directly or indirectly sell or convey the Property or any part thereof or any interest therein, or the Developer's controlling interests therein; or (2) directly or indirectly assign this Agreement. In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). Notwithstanding the foregoing, the Developer shall be permitted to encumber the Property in accordance with the terms of Section 15 hereof. After the issuance of the Certificate of Completion, no City consent shall be required for any type of transfer of the Property, provided that the transferee assumes' in writing the continuing obligations of the Developer under Sections 13 and 17 of this Agreement.

Section 15.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DCD's prior written consent, which shall be in DCD's sole discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds necessary to construct the Project in substantial accordance with the Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

Section 16.

Mortgagees Not Obligated To Construct.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or, completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

Section 17.

Covenants Running With The Land.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and

in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 14 and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenant contained in Section 13.1 shall terminate when the Redevelopment Plan expires. The covenant and right to record the Reconveyance Deed contained in Section 13.2 shall terminate on the date of the issuance of the Certificate of Completion. The covenants contained in Section 13.3 shall remain in effect without limitation as to time.

Section 18.

Performance And Breach.

18.1 Time Of The Essence.

Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays.

The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within twenty (20) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2., if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 60-day cure period to remedy such default. If the default is not capable of being cured within the 60-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 60-day period, and thereafter diligently prosecutes such cure through to completion, then the 60-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2, above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event Of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3(a); or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3(a); or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or

5. The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially affect the Developer's ability to complete the Project which default is not cured pursuant to Section 18.3(a); or

8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3(a); or

9. Failure to close by the Outside Closing Date, unless DCD, in its sole discretion, extends the Outside Closing Date; and

c. Prior To Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided in herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. After Closing, if an Event of Default occurs and is continuing, beyond the applicable cure period under Section 18.3(a) above, if any, the City; may terminate this Agreement and exercise any and all remedies available to the City at law or in equity, including but not limited to, the right to record the Deed of Reconveyance, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City (the "Right of Reverter"); provided, however, that the revesting of title in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing to the contrary, phor to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

e. Resale Of The Property. Upon the revesting in the City of Title to the Property as provided in Section 18.3(d), the City shall employ its best efforts to convey the Property (subject to first mortgage liens permitted under this Section) to a qualified and financially responsible party (as solely determined by the City) who shall assume the obligation of completing the construction of the Project or such other improvements as shall be satisfactory to the City and complying with the covenants that run with the land, as specified in Section 17.

f. Disposition Of Resale Proceeds. If the City sells the Property, the net proceeds from the sale, after payment of all amounts owed under any mortgage lien or recapture, provision in a grant of funds authorized by this Agreement in order of priority, shall be utilized to reimburse the City for:

1. unreimbursed costs and expenses incurred by the City in connection with the Property, including but not limited to salaries, of personnel in connection with the recapture, management and resale of the Property; and

2. all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

3. any payments made (including reasonable attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

4. any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

5. the fair market value of the land comprising the Property (without any Project or partially constructed Project thereon as of such sale; and.

6. any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

g. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

Section 19.

Conflict Of Interest; City's And Developer's Representatives Not Individually Liable.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligation or any undertaking or covenant of the Developer contained in this Agreement.

Section 20.

Indemnification.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein,

resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination) for the life of the Redevelopment Area.

Section 21.

Environmental Matters.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the Closing, the Developer shall have the right to request a thirty (30) day right of entry for the purpose of conducting environmental tests on the Property. If such a request is made, the City shall grant the Developer a right of entry for such purpose. The granting of the right of entry, however, shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (1) commercial general liability insurance with a combined single limit of not less than $2,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured on a primary noncontributory basis for any liability arising directly or indirectly from the environmental testing on the Property; (2) automobile liability insurance with limits of not less than $2,000,000.00 per occurrence, combined single limit for bodily injury and property damage; and (3) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all activity on the Property. The City shall be named as an additional insured on all policies. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activities shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public on and immediately adjacent to the Property during the performance of the Developer's inspection of the Property. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its

original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against and such liens.

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property. If prior to the Closing, the Developer's environmental consultant determines an environmental or soil condition exists on the Property to such an extent that the Developers determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may declare this Agreement null and void by giving written notice thereof to the City.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition which is suitable for the intended use of the Property. The Developer agrees to waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

Section 22.

Developer's *Employment Obligations.*

22.1 Employment Opportunity.

The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that, with respect to the provision of services in connection with the construction of the Project on the Property, but not including construction on the Property, or occupation of the Property during the construction period.

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010, et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin, or ancestry, age, handicap or disablilty, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or

transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinances, and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations, promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

22.2 City Resident Employment Requirement.

a. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, it and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the construction of the Project shall be performed by actual residents of the City of Chicago); provided, however that in addition to complying

with this percentage the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

b. The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

c. "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

d. The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

e. Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing ("DCD") in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

f. The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DCD, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

g. At the direction of DCD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

h. Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

i. If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to

the degree stipulated in this section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18, the parties agree that 1/20 of one percent (.0005%) of the aggregate hard construction costs set forth in the Project Budget as applicable, shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

j. Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement.

k. The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

a. Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3., during the course of the Project, the following percentages of the MBE/WBE Budget, substantially in the City's standard form, shall be expended for contract participation by minority owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) at least 24% by MBEs; and (2) at least 4% by WBEs.

b. For purposes of this Section 22.3 only:

(a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(b) The term "minority-owned business" or "MBE" shall mean a business identified in the *Directory of Certified Minority Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) The term "women-owned business" or "WBE" shall mean a business identified in the *Directory of Certified Women Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

c. Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DCD.

d. The Developer shall deliver quarterly reports to the City's monitoring staff during construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with construction of the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least fifteen (15) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of construction of the Project.

e. Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

f. Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

g. Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 22.3. The general contractor and all major subcontractors shall be required to attend this preconstruction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 22.3., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, as applicable, the Developer shall submit the documentation required by this Section 22.3 to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22.3, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

Section 23.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.3 Survival Of Representations And Warranties.

Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

Section 24.

Section 10.

Limited Applicability.

DCD's approval of any drawings is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings ("DOB") or any other City department; nor does the approval by DCD pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by DCD shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

Section 11.

Commencement And Completion Of Project.

Subject to the receipt of all necessary government approvals, the Developer shall commence construction of the Project no later than May 31, 2011, and shall complete the Project (as evidenced by the Developer's written request for a Certificate of Completion for the Project) no later than May 31, 2012. Notwithstanding the foregoing commencement and completion dates, at the Developer's request, DCD may, in DCD's sole discretion, extend such construction commencement and completion dates by issuing a written extension letter. The Project shall be constructed in accordance with all applicable laws, regulations and codes.

Section 12.

Certificate Of Completion.

Upon the completion of the Project, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of DCD, for the Developer to take or perform in order to obtain the Certificate of Completion. If DCD requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those ongoing covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

Section 13.

Restrictions On Use.

The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

Section 14.

Prohibition Against Transfer of Property.

Prior to the issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of DCD, which consent shall be in DCD's sole discretion: (1) directly or indirectly sell or convey the Property or any part thereof or any interest therein, or the Developer's controlling interests therein; or (2) directly or indirectly

assign this Agreement. In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). After the issuance of the Certificate of Completion, no City consent shall be required for any type of transfer of the Property, provided that the transferee assumes in writing the continuing obligations of the Developer under Sections 13 and 17 of this Agreement.

Section 15.

Limitation Upon Encumbrance Of Property.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DCD's prior written consent, which shall be in DCD's sole discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

Section 16.

Mortgagees Not Obligated To Construct.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

Section 17.

Covenants *Running With The Land.*

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 14, (except for the continuing obligations of the Developer under Sections 13 and 17 herein) as assumed by any transferee, and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13 shall remain in effect without limitation as to time.

Section 18.

Performance And Breach.

18.1 Time Of The Essence.

Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays.

The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2, if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default after which the Developer shall have a 45-day cure period to remedy such default. If the default is not

capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2 above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event Of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3(a); or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3(a); or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or

5. The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially affect the Developer's ability to complete the Project which default is not cured pursuant to Section 18.3(a); or .

8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3(a); or

9. Failure to close by the Outside Closing Date, unless DCD, in its sole discretion, extends the Outside Closing Date.

c. Prior To Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided in herein, the City may terminate this Agreement, retain the Earnest Money, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. After Closing, if an Event of Default occurs and is continuing, beyond the applicable cure period under Section 18.3(a) above, if any, the City may terminate this Agreement and exercise any and all remedies available to the City at law or in equity, including but not limited to, retaining the Performance Deposit, which shall be applied against any money damages incurred by the City, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City (the "Right of Reverter"), and the right to money damages; provided, however, the revesting of title in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement;

If title to the Property revests in the City pursuant to the Right of Reverter, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

The City's Right of Reverter shall terminate upon the City's issuance of the Certificate of Completion.

g. Waiver And Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the

City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

Section 19.

Conflict Of Interest; City's And Developer's Representatives Not Individually Liable.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

Section 20.

Indemnification.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

Section 21.

Environmental Matters.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the date of Closing, Developer may enter the Property owned by the City for the purpose of conducting environmental tests on the Property to determine that the environmental condition of such Property is acceptable. The Developer's activities on such Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer shall restore the Property to its original condition. The Developer shall keep such Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens.

The Developer will deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property. If prior to the Closing, the Developer's environmental consultant determines an environmental or soil condition exists on the Property to such an extent that the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may declare this Agreement null and void by giving written notice thereof to the City.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition which is suitable for the intended use of the Property. The Developer agrees to waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

Section 22.

Developer's *Employment Obligations.*

22.1 Employment Opportunity.

The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the

"Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010, et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a nondiscriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low- and moderate-income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

22.2 City Resident Employment Requirement.

[Intentionally omitted]

22.3 Developer's MBE/WBE Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 36.

Patriot Act Certification.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Section 37.

Prohibition On Certain Contributions -- Mayoral Executive Order No. 05-1.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) February 10, 2005, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (3) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entities the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fund-raising committee.

Section 38.

Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-010, et seq. of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-010, et seq.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

Section 40.

Inspector General And Legislative Inspector General.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

No work performed by Grantee in connection with the exercise of said easement rights may unreasonably restrict access to the Grantor's property. Grantor reserves the right to require Grantee to relocate its Facilities to mutually agreed upon alternate locations, provided however, that Grantor shall first pay to Grantee the cost and expenses to be incurred by it in connection with such relocation.

Grantee, at Grantee's cost and expense, agrees to restore any part of the Easement Property or the adjoining or adjacent lands damaged by any Gas Utility Work to approximately the condition of such property immediately before such damage occurred, including, without limitation repairing and, if necessary, replacing any streets, sidewalks, curbs, pavement, grass and landscaping damaged. If such repair and replacement work are not made within thirty (30) days after the Grantee's completion of any Gas Utility Work, the Grantor may make such necessary repairs or replacements and recover the reasonable cost thereof from Grantee; provided, however, that as to any grass or landscaping replacement work, such work may be deferred until the following spring season so long as such work is completed by June 1st of such spring season.

4.

Indemnification For Gas Utility Work.

Grantee shall indemnify, defend, protect, defend and hold Grantor and Grantor's elected officials, employees and agents harmless from and against any and all actual or potential claims, proceedings, lawsuits, liabilities, damages, losses, fines, penalties, judgments, awards, costs and expenses, including, without limitation, reasonable attorneys' fees and costs, that arise out of Grantee's performance of (or failure to perform) any Gas Utility Work.

domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this agreement by Landlord, (b) while this agreement or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this agreement or any Other Contract, or (d) during any period while an extension of this agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

Landlord represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, and under any Other Contract, at Law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as Landlords.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

14.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at Law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Landlord's eligibility for future contract awards.

14.5 Failure To Maintain Eligibility To Do Business With City.

Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

14.6 Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

In Witness Whereof, The parties have executed this lease as of the day and year first above written.

WHEREAS, The Events promote the public interest by providing vital recreation for the citizens of the City and from around the world, bringing together large numbers of people from every segment of society to meet and share in common social experiences in celebration of the City; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are made a part of this ordinance as though fully set forth here.

SECTION 2. MOSE is authorized to sponsor and produce the Events set forth in Exhibit A attached to this ordinance. Subject to the availability of funds, MOSE may add additional festivals, cultural and/or entertainment events to Exhibit A.

SECTION 3. Those revenues that the Events may generate in 2011 in excess of revenues that may have been appropriated in the 2011 Annual Appropriation Ordinance, must be deposited into Fund Number 355 and are subject to appropriation. All agreements authorized in this ordinance must be made subject to the availability of funds.

SECTION 4. MOSE is authorized to operate concessions at the Events, including through third parties, selling items of interest to the public.

SECTION 5. MOSE is authorized to impose application fees and/or registration fees in connection with certain Events, as follows: (a) Race to Taste (the "Race") -- an application fee of up to Thirty-five and no/100 Dollars ($35.00) on all participants in the Race; (b) Online talent submissions to perform at Events -- a fee of not more than Ten and no/100 Dollars ($10.00); and (c) any other Event where, based on the location of the Event, the estimated number of participants in the Event, the duration of the Event or any other relevant factor set forth in duly promulgated rules and regulations, MOSE determines that an application fee and/or registration fee is required for such Event. Provided, however, that if an application fee and/or registration fee is assessed under this item (d), such fee shall not exceed $100.00 and shall be reasonably related to the costs incurred by MOSE in connection with the administration of such Event. Any balance remaining from the application fees and/or registration fees after payment of the costs of the respective Event must be applied to the costs incurred by the City with respect to various other Events.

SECTION 6. MOSE a) must impose a service charge of Two and no/100 Dollars ($2.00) on the purchase of each strip, sheet or other group of twelve (12) coupons redeemable for food and beverage at Taste of Chicago, Chicago Blues Festival and Chicago Jazz Festival and b) may impose a service charge of Two and no/100 Dollars ($2.00) on the purchase of each strip, sheet or other group of twelve (12) coupons redeemable for food and beverage at Celtic Fest Chicago, Chicago Country Music Festival and Viva! Ticket surcharge will cover the City's costs for these events, which include, without limitation: security; entertainment; programming; production and marketing; maintenance operation; restroom facilities; inclusion of dining areas and picnic tables; and public relations efforts regionally, nationally and internationally. Any balance remaining from the service charge revenues after payment of these costs must be applied to the costs incurred by the City with respect to various other Events.

SECTION 7. On behalf of the City, MOSE is required to donate the amount of one percent (1%) of the total ticket sales, less service charge revenues and sales tax, generated from Taste of Chicago for the relief of malnutrition to not-for-profit organizations and/or for job training in the culinary arts industry in the City as directed by the Executive Director of MOSE (the "Executive Director") in consultation with the Commissioner of the Department of Family and Support Services.

SECTION 8. The Executive Director is authorized to charge festival and event organizers for costs incurred by the City in connection with a Special Event, as such term is defined in Section 10-8-335(a)(1) of the Municipal Code of Chicago, or a Parade or Athletic Event, as such terms are defined in Section 10-8-330(a), or such other events for which the City provides special services of the type described in Section 10-8-335(a)(1)(B). The Executive Director is authorized to promulgate such rules and regulations, subject to the approval of the Corporation Counsel, as he determines are necessary or desirable for the implementation of this section by posting these at the MOSE main offices. The Executive Director is authorized to collect payments from festival and event organizers for such costs for deposit in Fund Number 355. The funds collected by the City pursuant to this section will be used only to reimburse various funds described in the 2011 Annual Appropriation Ordinance for the costs referenced above.

SECTION 9. MOSE is authorized from time to time to sell at auction or otherwise any excess quantities of events and sports banners, posters and related memorabilia. SECTION 10. The Executive Director is authorized to enter into and execute agreements for a term of up to two (2) years with vendors and with contractors and professionals (consultants) for goods or services in connection with the Events, including but not limited to: souvenir vendors, art vendors, providers of amusement games and rides and for hospitality, supply of signage, protocol gift and floral services, maintenance services, security services and fireworks for Events; provided, however, that the Executive Director or designees select

the vendors, contractors and consultants by evaluating their qualifications and proposals submitted in response to publicly advertised solicitations. Public advertisements must consist of publishing an advertisement either in a newspaper of general circulation or on the City of Chicago website. When evaluating responses to a solicitation, the Executive Director will consider such facts as the firms' cost proposals, compliance with the requirements of the solicitation, qualifications to perform or provide the required service, experience in performing or providing the service, ability to exercise flexibility to meet the City's needs, ability to address issues relating to health, safety and sanitation, and other factors the Executive Director deems important for the successful operation of the Events. Agreements entered into under this section shall provide the City the right to terminate such agreements early, and may permit the extension of such agreements up to a maximum of two (2) years under terms and conditions consistent with the terms of the publicly advertised solicitation.

SECTION 11. (a) The Executive Director is authorized, after evaluation of qualifications and proposals submitted in response to a publicly advertised solicitation or otherwise publicly disseminated solicitation, such as the mailing of applications to qualified entities or posting on the City of Chicago website, as determined in the Executive Director's discretion, to enter into and execute agreements for one (1) year with food vendors. When evaluating responses to a solicitation, the Executive Director will consider such facts as the firms' cost proposals, compliance with the requirements of the solicitation, qualifications to perform or provide the required service, experience in performing or providing the service, ability to exercise flexibility to meet the City's needs, ability to address issues relating to health, safety and sanitation, and other factors the Executive Director deems important for the successful operation of the Events. All agreements entered into under this section shall provide the City the right to terminate such agreements early, and shall contain such terms and conditions as the Executive Director deems appropriate. Such terms may also require food vendors to tender security deposits or allow the Executive Director to collect liquidated damages to ensure compliance with rules and regulations that she may promulgate pertaining to food vendors.

(b) The Executive Director is authorized to enter into and execute agreements with (i) such persons (as that term is defined in City of Chicago Municipal Code Section 1-4-090) whom the Executive Director reasonably deems to be Renowned Food Vendors (as defined below), (ii) persons who prepare and sell items at an Event based upon the recipes of and with the express written permission of a Renowned Food Vendor, and (iii) food service industry organizations representing Renowned Food Vendors. "Renowned Food Vendor" shall mean a person renowned for the degree of culinary expertise possessed by the person if an individual, or the head chef of the person, if an entity. Such food vending agreements will not be subject to the public solicitation requirement set forth in section (a) above.

SECTION 12. The Executive Director is authorized to enter into and execute agreements for up to two (2) years with one or more firms to design, assemble, transport, mount, erect, dismantle, refurbish, store or manage the storage of temporary displays, booths, or other event-related materials at Events or provide Event preparation, management, coordination or supervision, containing terms and conditions that the Executive Director deems appropriate, and to extend the terms of such agreements upon such terms as the Executive Director deems appropriate, for up to two (2) years.

SECTION 13. Except the caterer, performer, announcer and musician agreements authorized in Section 17, all agreements that the Executive Director is authorized to execute under this ordinance are subject to the approval of the Comptroller and the Corporation Counsel.

SECTION 14. The Executive Director is authorized to enter into and execute intergovernmental cooperation agreements to sponsor and/or produce the Events with terms and conditions that the Executive Director deems appropriate, including without limitation, those relating to exchange of any consideration, insurance and indemnification by the City to those governmental units. The intergovernmental cooperation agreements may be with any necessary or appropriate federal, state or local government unit, including, without limitation, the Chicago Park District with respect to use of any Park District property and the United States Army Corps of Engineers with respect to the use of the Monroe Harbor Breakwater.

SECTION 15. The Executive Director is authorized to enter into and execute agreements with Sponsors of the Events or their agents, including, without limitation, commercial or other business sponsors and media sponsors, containing terms and conditions that the Executive Director deems appropriate, including allowing sponsors to promote, distribute samples of, or sell, food, goods and/or services, for up to three (3) years, and to extend the terms of such agreements for up to two (2) years, upon such terms as the Executive Director deems appropriate. For those sponsorship agreements in which the sponsor provides in-kind contributions, those in-kind contributions shall be used in connection with the Events. In those sponsorship agreements entered into directly with a sponsor, in which the sponsor's participation in the Event is limited solely to providing money to the City, and where the sponsor is only represented at the Event site by signage or where the sponsor is a governmental entity, the Executive Director may elect not to require the sponsor to indemnify the City. All sponsorship agreements shall provide the City the right to terminate such agreements early.

SECTION 16. The Executive Director is authorized to enter into and execute short term lease agreements with persons that are the lessors of the sites at which the Events may be held containing terms and conditions that the Executive Director deems appropriate including, without limitation, those relating to exchange of any consideration, insurance and indemnification by the City to the lessors.

SECTION 17. The Executive Director is authorized to enter into and execute agreements for up to two (2) years to provide caterers, performers, announcers, musicians, other entertainment and production or operations staff at the Events, containing terms and conditions that the Executive Director deems appropriate, and to extend the terms of such agreements upon such terms as the Executive Director deems appropriate, for up to two (2) years.

SECTION 18. The Executive Director is authorized to enter into and execute an agreement for a term of one (1) year with the Illinois Restaurant Association ("IRA"), for beverage and food management, which may include, without limitation, providing services such as ticket

selling, purchasing supplies and renting equipment, at such Events as determined by the Executive Director, including, but not limited to, Grant Park Festivals. The agreements will contain terms and conditions that the Executive Director deems appropriate, and may include, but not be limited to, the City's option to make advance payments to IRA, as determined solely by the Executive Director. The Executive Director is authorized to extend the term of such agreement for up to two (2) years, upon such terms as he or she deems appropriate.

SECTION 19. The Executive Director is authorized to execute other documents ancillary to the agreements described in this ordinance, including certifications and assurances, that are required in connection with the sponsorship and/or production of the Events.

SECTION 20. The Executive Director is authorized to enter into and execute agreements for up to three (3) years, for the production, distribution and sale of souvenir program books and other promotional materials, to be produced at no cost to the City, with terms and conditions that the Executive Director deems appropriate, and to extend the terms of such agreements upon such terms as the Executive Director deems appropriate, for up to two (2) years. These agreements may contain terms that permit the contractor to sell advertising within the souvenir program book, vend the souvenir program book and retain all or part of the proceeds from these activities. The agreement shall provide the City the right to terminate such agreement early.

SECTION 21. The Executive Director is authorized to enter into and execute an agreement for a term of up to two (2) years with a contractor to provide LED screen(s) and associated labor and equipment in connection with Events, and to extend the term of such agreement for up to two (2) years, upon such terms as the Executive Director deems appropriate. This agreement may contain terms that permit the contractor to sell advertising to third parties to be displayed on the LED screen (subject to prior approval by MOSE of the proposed advertising) during Events, and to retain all or part of the proceeds from the advertising. Any such agreement shall permit the City to terminate the agreement early and shall contain such other terms and conditions that the Executive Director deems appropriate.

SECTION 22. The Executive Director is authorized to enter into and execute agreements for a term of up to two (2) years with contractors to provide an advertising system with respect to portable toilets and/or refuse carts in connection with Events, and to extend the term of such agreements for up to two (2) years, upon such terms as the Executive Director deems appropriate. These agreements may contain terms that permit the contractor to sell advertising to third parties to be displayed using the system (subject to prior approval by MOSE of the proposed advertising) during Events, and to retain all or part of the proceeds from the advertising. Any such agreement shall permit the City to terminate the agreement early and shall contain such other terms and conditions that the Executive Director deems appropriate.

SECTION 23. The invalidity of any one or more phrases, sentences, clauses or sections contained in this ordinance does not affect the remaining portions of the ordinance.

SECTION 24. This ordinance takes effect immediately upon its passage and approval as provided by law.

SECTION 3. This ordinance takes effect after its passage and approval.

Plan of Development Statements referred to in this ordinance read as follows:

Business-Residential Planned Development No. 38,
As Amended:

Plan Of Development Statements.

1. The area delineated herein as Business-Residential Planned Development Number 38, as amended (the "Planned Development"), consists of approximately 172,662.1 square feet (3.96 acres) of property (the "Property"). It is the intent of this ordinance to amend existing Subarea A and Subarea C only. These subareas will be combined and redivided to establish a new Subarea A and a new Subarea C. Existing Subarea A and Subarea C are under the single-designated control of Harper Court Partners, LLC.

2. All applicable official reviews, approvals or permits are required to be obtained by the owner(s) of the individual subareas or their successors, assignees or grantees. Any dedication or vacation of streets, alleys, easements or adjustments of rights-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the owner(s) of the individual subareas or their successors, assignees or grantees and approval by the City Council.

3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the owner(s) of the individual subareas, their successors and assigns and the legal titleholders and any ground lessors. All rights granted hereunder to the owner(s) of the individual subareas shall inure to the benefit of the owner(s) successors and assigns, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time any application for an amendment, modification or change (legislative, administrative or otherwise) to this Planned Development is made, shall be under single ownership or single designated control. "Single designated control" is defined in Section 17-8-044 of the Chicago Zoning Ordinance. The subareas herein shall be deemed specifically delineated subareas and subparcels for purposes of Section 17-8-0400.

Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein by the owner(s) of the individual subareas and their successors, assigns and grantees, nor interfere with, abrogate or annul any zoning rights agreement, deed restriction or covenant, or other written agreement among owners (or owners' successors, assigns or grantees). Upon any alienation, sale or any other transfer of alt or any portion of the Property or the rights therein (other than an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Property so transferred, the term "owner" shall be deemed amended to apply to the transferee thereof.

Where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and the applicable portion of the Property, and not to the individual unit owners therein. An agreement among the different owners of the Property, or a covenant binding upon owners of the Property, may designate the parties authorized to apply for future amendments, modifications or other changes to this Planned Development.

4. This Planned Development consists of these eighteen (18) statements; a Bulk Regulations and Data Table; and the following exhibits prepared by Hartshorne Plunkard Architecture dated October 21, 2010: an Existing Zoning Map: an Existing Land-Use Map; a Planned Development Boundary Map; a Property Line and Subarea Map; a Right-of-Way Adjustment Plan; Site Plan; a Landscape Plan; a Subareas A and C Green Roof Plan; Subarea A Phase I Elevations (East, South -- West 53rd Street; South -- Harper Court; West -- Harper Court; West Harper Avenue; North -- Office Tower) and Site Sections (Harper Court, Lake Park Avenue and 53rd Street; and Harper Avenue).

   Full-size copies of the exhibits are on file with the Department of Zoning and Land Use Planning. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof and satisfies the established criteria for approval as a planned development. In any instance where a provision of the Planned Development conflicts with the Chicago Building Code, the Building Code shall control, except as to measurement of height.

5. The following uses shall be permitted within Subarea A as delineated in Business-Residential Planned Development Number 38, as amended: all permitted uses in the B3 Community Shopping District; hotels; outdoor patios; taverns; financial services (excluding payday loan stores and pawn shops); personal services (excluding body art services); and accessory uses.

   The following uses shall be permitted within Subarea B as delineated in Business-Residential Planned Development Number 38, as amended: all permitted uses in the Commercial Use Group in the B3 Community Shopping District; drive-through facilities; and accessory uses.

The following uses shall be permitted within Subarea C as delineated in Business-Residential Planned Development Number 38, as amended: all permitted uses in the B3-5, Community Shopping District; outdoor patios; financial services (excluding payday loan stores and pawn shops); personal services (excluding body art services); and accessory uses.

6. On-premise signs and temporary signs are permitted within the Planned Development subject to the review and approval of the Department of Zoning and Land Use Planning. Off-premise signs shall be prohibited.

7. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation. All work proposed in the public way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standards for Work in the Public Way in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Zoning and Land Use Planning. Off-street parking and loading facilities shall be provided in compliance with this Planned Development. A minimum of two percent (2%) of all parking spaces provided pursuant to this Planned Development shall be designated and designed as accessible parking for people with disabilities.

   The owner(s) of Subarea A has committed to certain improvements to the public way in accord with recommendations of the Traffic Impact Study conducted by KLOA, Inc. dated October 19, 2010. A copy of the Traffic Impact Study is on file with the Chicago Department of Transportation and Department of Zoning and Land Use Planning. The owner(s) of Subarea A shall provide an easement to the public on that certain segment of Harper Court extending south from 52nd Place to 53rd Street.

8. The maximum permitted floor area ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For purposes of floor area and floor area ratio calculations, the definitions of the Chicago Zoning Ordinance in effect as of the date of approval of this Planned Development shall apply. The Commissioner of the Department of Zoning and Land Use Planning shall have the administrative authority to transfer floor area and adjust the FAR between Subareas A and C.

9. The height of any building and any appurtenance thereto shall not exceed the height established within the Bulk Regulations and Data Table and shall also be subject to height limitations approved by the Federal Aviation Administration. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply.

10. The requirements of this Planned Development as they apply to a specific subarea may be modified administratively by the Commissioner of the Department of Zoning and Land Use Planning upon written application by the owner(s) of the subarea and a determination by the Commissioner of the Department of Zoning and Land Use Planning that the requested modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements

of this Planned Development by the Commissioner of the Department of Zoning and Land Use Planning shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611-A of the Chicago Zoning Ordinance.

11. The Improvements on the Property shall be designed, constructed and maintained in substantial conformance with the exhibits attached hereto and with the landscaping and screening provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines.

    The Green Roof in Phase I, approximately 14,743 square feet, shall be installed no later than three (3) years from the date of issuance of the initial Part II approval for Phase I.

12. Pursuant to Section 2-45-110 of the Municipal Code, the "Affordable Requirements Ordinance" (the "ARO"), an amendment to a Planned Development which grants additional floor area for the development of 10 or more housing units and/or for which the developer is receiving financial assistance from the City, subjects the development of the additional housing units authorized or permitted by such amendment to the affordability requirements specified under the ARO. As a result of this amendment to Planned Development Number 38, the City Council has approved additional floor area that authorizes or permits the development of 10 or more units. Ten percent (10%) -- or twenty percent (20%), if financial assistance is provided by the City -- of any housing units developed as part of the Planned Development are required to be built as affordable housing, as that term is defined by the ARO. As part of the approval process for any application proposing the construction of residential dwelling units, the applicant shall also provide, for the review and approval of the Department of Community Development (or any successor department thereto), such information, documents and agreements as may be required under the ARO to assure that such required affordable housing units are provided and maintained.

13. It is in the public interest to design, construct and renovate all buildings in a manner that provides healthier environments, reduces operating costs and conserves energy and resources. All buildings constructed within Subareas A and C shall be Certified under the Leadership in Energy and Environmental Design ("LEED") Green Building Rating System and shall install a green roof over 100% of each building's net roof area. Upon completion, the buildings constructed in Subarea A, except the hotel, shall have a total green roof of approximately 60,690 square feet. Phase I development shall have a total green roof of approximately 14,743 square feet within three (3) years of the issuance of the first Part II for Phase i. All buildings constructed pursuant to this Planned Development shall conform to the City of Chicago Sustainable Development Policy Matrix (the "Matrix") in effect on the date of approval of this Planned Development.

14. It is in the public interest to design, construct and maintain the improvements on the Property in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all newly constructed buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations

related to access for persons with disabilities and to promote the highest standard of accessibility.

15. Upon Part II Review, a Part II Review Fee shall be assessed by the Department of Zoning and Land Use Planning pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance. The fee as determined by staff at the time is final and binding on the Part II applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

16. It is contemplated that the improvements within Subarea A and Subarea C of this Planned Development will be constructed in phases and that all proposed buildings will not be fully designed at the time of the Planned Development's passage and approval. Accordingly, for the improvements in Subareas A and C not reviewed and approved by the Chicago Plan Commission, and for any new improvements in Subarea B, Site Plan Review shall be required for each proposed improvement. Review and approval of the Site Plan by the Department of Zoning and Land Use Planning is intended to ensure that specific development proposals conform to this Planned Development and are compatible with the character of the improvements of this Planned Development.

A Site Plan submitted to the Department of Zoning and Land Use Planning for review and approval shall, at a minimum, illustrate the following information:

-- Elevations of the proposed building facades;

-- Building orientation and setbacks;

-- Building bulk and scale in relation to nearby buildings;

-- Sidewalks and curb cuts;

-- Parking and loading areas;

-- Landscaping, lighting and signs;

-- Conformance with the City of Chicago's Sustainable Development Policy;

-- Information regarding the proposed building including floor area, FAR, proposed uses and building height; and

-- Building materials.

The Commissioner of the Department of Zoning and Land Use Planning must review the Site Plan and submit it to the Chicago Plan Commission for its information and review. The Commissioner must make a decision within thirty (30) days of receipt of

the Chicago Plan Commission's review whether the proposed plans conform to the character and requirements of this Planned Development.

In the event of an inconsistency between the approved Site Plan and the Plan of Development Statements or the Bulk Regulations and Data Table of this Planned Development, the Plan of Development Statements and Bulk Regulations and Data Table shall govern.

17. Each developer of any portion of the Property at the time of a project shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of the Department of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings pursuant to Section 13-32-125 of the Municipal Code of the City of Chicago or any other provision of that Code.

18. This Planned Development ordinance will lapse and be null and void unless construction within Subarea A of the Subarea A Phase I Improvements as set forth in the attached exhibits and as authorized by a building permit, has commenced within six years of the date of City Council approval. The six year period may be extended by up to one additional year if, before expiration, the Commissioner of the Department of Zoning and Land Use Planning receives a written request from the owner(s) of Subarea A and determines that good cause for an extension is shown. If this Planned Development amendment shall lapse as provided in this section, then the Commissioner of the Department of Zoning and Land Use Planning must initiate a Zoning Ordinance Map Amendment to rezone the Property to the zoning classification that applied to the Property before approval of this amendment.

Chilled beams save energy in multiple methods as they require wanner chilled water which requires less energy to produce and allows tlie building jo use outside air fpr a longer period ol lime in Ihe spring and fall. High elficiency rotary screw chillers will generate chilled water for the project and he assisted by an energy recovery chiller which generates hot water as a by-product. The hdt water will be utilized lq maintain humidity in the summer. GOVERNOR PATRICK QUINN URGED TO VETO SENATE BILL 3538 AFFECTING PENSION BENEFITS FOR POLICE AND FIREFIGHTERS.

[R2010-1441]

WHEREAS, In the final week of the 2010 veto session of the Illinois General Assembly, the Illinois Senate and the House of Representatives passed Senate Bill 3538, which would affect pension benefits of Chicago and Downstate police officers and firefighters; and

WHEREAS, The bill will soon be delivered to Governor Pat Quinn for his action to approve, veto or amendatorily veto the legislation; and

WHEREAS, Among other things, the legislation includes unprecedented provisions that would require that, starting in 2015, the City of Chicago levy a property tax in an annual amount sufficient to bring the total assets of the Policemen's Pension Fund and the Firemen's Pension Fund up to 90 percent of the total actuarial liabilities of such funds by the end of 2040; and

WHEREAS, This legislation would result in a huge increase in Chicago police and fire pension fund contributions, the entire burden of which would be borne by the taxpayers of the City; and

WHEREAS, If the legislation were to be signed into law, the result would be a tax increase of at least $550 million for Chicago property taxpayers -- nearly a 60 percent increase in the City of Chicago's property tax levy; and

WHEREAS, At a time when many Chicago homeowners are struggling to make their mortgage payments and pay their property taxes, this looming record-breaking tax increase could cause many more people to lose their homes; and

WHEREAS, Other provisions of Senate Bill 3538, which change the pension benefits for new police and fire employees, bringing those benefits in line with the benefits of most other public employees, are not objectionable and are necessary for the long-term solvency of those pension funds; and

WHEREAS, The City Council recognizes that pension reform is absolutely necessary, but that such reform must be done with a comprehensive approach that looks at employee and employer contributions, investment returns and benefit payouts; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this eighth day of December 2010, do hereby express, on behalf of the taxpayers of the City of Chicago, our opposition to the provisions of Senate Bill 3538 that would require huge property tax increases for the City's contributions to its police and firefighter pension funds; and

Be It Further Resolved, That we urge Governor Pat Quinn to exercise his constitutional amendatory veto powers, and return the bill to the Illinois General Assembly with a recommendation that those provisions be deleted from the legislation; and
