10.13 Title and Survey. The Developer Parties have furnished the City with a pro forma Title Policy for the City Property and a copy of any survey prepared for the City Property.

10.14 Environmental. GSDC has provided DHED with copies of the Phase I and any other Environmental Documents completed with respect to the City Property, and a letter from the environmental firm(s) that completed the Phase I and any follow-up reports, authorizing the City to rely on such reports. If required under Section 23.3, GSDC has taken all necessary and proper steps to obtain a Draft NFR Letter for the City Property (or the applicable portion thereof), including, without limitation, preparing and submitting any reports required by the IEPA. The City agrees to reasonably cooperate with GSDC in GSDC's efforts to satisfy this condition, at no cost to the City.

10.15 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer Parties in Section 25 and elsewhere in this Agreement shall be true and correct.

10.16 Other Obligations. On the Closing Date, the Developer Parties shall have performed all of the other obligations required to be performed by the Developer Parties under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 10 have not been satisfied to DHED's or DFSS's reasonable satisfaction within the time periods provided for herein (regardless of which Developer Party is responsible for satisfying such condition), the City may, at its option, upon prior written notice of at least thirty (30) days to the Developer Parties, terminate this Agreement at any time after the expiration of the 30-day period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither the City nor the Developer Parties shall have any further right, duty or obligation hereunder; provided, however, that if within said 30-day notice period the Developer Parties satisfy said condition(s), then the termination notice shall be deemed to have been withdrawn. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 11. CONSTRUCTION REQUIREMENTS.

11.1 Plans and Permits. GSDC shall construct the Project on the City Property materially in accordance with the [master site plan, landscape plan and building elevations] prepared by the Architect and attached hereto as Exhibit B, and the final plans and specifications prepared by the Architect dated _____, which have been approved by DHED and DFSS and which are incorporated herein by this reference ("Plans"). If the Developer Parties submit and DHED and DFSS approve revised plans and specifications after the Effective Date, the term "Plans" as used herein shall refer to the revised plans and specifications upon DHED's and DFSS's written approval of the same. No material deviation from the Plans may be made without the prior written approval of DHED and DFSS. The Plans shall at all times conform to all applicable Laws.

11.2 Relocation of Utilities, Curb Cuts and Driveways. GSDC shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other utility services. The City shall have the right to approve any streetscaping provided by GSDC as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

11.3 City's Right to Inspect City Property. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the City Property at all reasonable times for the purpose of determining whether GSDC is constructing the Project in accordance with the terms of this Agreement and all applicable Laws.

11.4 Barricades. Prior to the commencement of any construction activity requiring barricades, GSDC shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DHED shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades. GSDC shall erect all barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Property.

11.5 Survival. The provisions of this Section 11 shall survive the Closing.

SECTION 12. LIMITED APPLICABILITY.

Any approval given by DHED or DFSS pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the

quality, structural soundness or safety of any improvements located or to be located on the City Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Property or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to force majeure (as described in Section 34.6 below), GSDC shall commence construction of the Project no later than eighteen (18) months after passage and approval of the Project Ordinance (the "Construction Commencement Date"), and shall complete the Project (as evidenced by the issuance of the Certificate of Completion) no later than sixteen (16) months from the Construction Commencement Date (the "Construction Completion Date"); provided, however, DHED and DFSS, in their sole and absolute discretion, may extend the Construction Commencement Date and Construction Completion Date by up to six (6) months each (or twelve (12) months in the aggregate). GSDC shall give written notice to the City within five (5) days after it commences construction. GSDC shall construct the Project in accordance with the Plans and all Laws and covenants and restrictions of record.

SECTION 14. CERTIFICATE OF COMPLETION.

GSDC shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the construction of the Project in accordance with this Agreement. The City will not issue the Certificate of Completion until (a) the Project has been fully constructed according to the approved Plans and has received a Certificate of Occupancy or other evidence acceptable to DHED that the Project is in compliance with all applicable building permit requirements; (b) to the extent required under Section 23.3(b), the IEPA has issued, and the City has approved, a Final NFR Letter for the City Property; (c) DHED's Monitoring and Compliance Unit has verified that the Project is in full compliance with the employment requirements set forth in Section 24 with respect to construction of the Project; (d) the Master Lease Agreement, as previously approved by the City, is in full force and effect and the Shelter has opened; and (e) there exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default. Within forty-five (45) days after receipt of a written request by GSDC for a Certificate of Completion, the City shall provide GSDC with either the Certificate of Completion or a written statement indicating in adequate detail how GSDC has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for GSDC to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, GSDC shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to GSDC's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that GSDC has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Certificate of Completion release the Developer Parties from their obligations to comply with the other terms, covenants and conditions of this Agreement.

SECTION 15. RESTRICTIONS ON USE.

The Developer Parties, for themselves and their successors and assigns, agree as follows:

15.1 The Developer Parties shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Property or the Project or any part thereof.

15.2 GSDC shall construct the Project in accordance with this Agreement, the Construction Grant Agreement, the Plans, and all Laws and covenants and restrictions of record.

15.3 For the Initial Compliance Period, GSDC shall lease the Project to the Operator pursuant to the Master Lease Agreement; provided, however, if the Operator defaults under the terms of the Master Lease Agreement, and fails to cure the default within the applicable cure period, or the Operator is otherwise unable to obtain sufficient funding to operate the Project and to satisfy its other obligations under the Master Lease Agreement, GSDC may terminate the Master Lease Agreement in accordance with its terms and lease the Project or any of its components (a) to a non-profit social service agency with a similar mission providing similar services ("Similar Provider"), subject to DFSS's prior written consent of such tenant, or (b) if a Similar Provider cannot be identified, to a non-profit social service agency or community organization for any of the purposes set forth on Exhibit C attached hereto, subject to DFSS's prior written consent of such tenant.

15.4 For the Initial Compliance Period, the Operator shall lease and operate the Project in accordance with this Agreement and the Master Lease Agreement.

15.5 For the Subsequent Compliance Period, GSDC shall lease the Project (excluding the Retail Space) to a non-profit social service agency or community organization for any of the purposes set forth on Exhibit C attached hereto, and may, with DFSS's prior written consent, lease the Retail Space for any uses permitted under the applicable zoning.
The Developer Parties, for themselves and their successors and assigns, acknowledge and agree that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the City's public policies.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF CITY PROPERTY.

Prior to the expiration of the Subsequent Compliance Period, GSDC may not, without the prior written consent of DFSS, which consent shall be in DFSS's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease (except for leases permitted under Section 15) or otherwise dispose of the City Property or the Project, or any part thereof or any interest therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. GSDC acknowledges and agrees that DFSS may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if GSDC fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. No principal party of GSDC may sell, transfer or assign any of its interest in GSDC prior to the expiration of the Subsequent Compliance Period, without the prior written consent of DFSS, which consent shall be in DFSS's sole and absolute discretion.

SECTION 17. LIMITATION UPON ENCUMBRANCE OF CITY PROPERTY.

Prior to the expiration of the Subsequent Compliance Period, neither Developer Party shall, without DFSS's prior written consent, which shall be in DFSS's sole and absolute discretion, engage in any financing or other transaction which would create an encumbrance or lien on the

City Property, except for any Lender Financing approved pursuant to Section 9, which shall be limited to funds necessary to construct the Project. Notwithstanding the foregoing, either Developer Party may contest or object in good faith to the amount or validity of any non-governmental charge, lien, claim or encumbrance relating to the City Property or the Project, before any delinquency occurs, by appropriate legal proceedings properly and diligently instituted and prosecuted, if such Developer Party gives prior written notice to the City and furnishes and keeps in force (a) an irrevocable letter of credit or a surety bond from a bank or surety company acceptable to the City and in an amount reasonably sufficient to pay such contested lien claims plus any interest thereon, or (b) some other indemnity or guarantee reasonably satisfactory to the City. In the event such contest is determined adversely, the Developer Party pursuing such contest shall promptly pay in full the required amount, together with any interest, penalties, costs or other charges necessary to release such charge, lien, claim or encumbrance. In addition, either Developer Party shall have the right to pursue any available property tax assessment reduction or exemption provided that any such pursuit is undertaken in accordance with all applicable Laws.

SECTION 18. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any Affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19 and, at Closing, shall execute a subordination agreement in accordance with Section 10.11. If any such mortgagee or its affiliate succeeds to GSDC's interest in the City Property prior to the expiration of the Subsequent Compliance Period, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Property to another party, such transferee shall be obligated to complete and operate the Project as required by this Agreement, and shall also be bound by the other covenants running with the land specified in Section 19.

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The Developer Parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of City Property), Section 17 (Limitation Upon Encumbrance of City Property), and Section 23.4 (Release for Environmental Conditions), touch and concern and shall be appurtenant to and shall run with the City Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer Parties and their successors and assigns (subject to the limitation set forth in Section 18 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Sections 13 and 15.2 upon the issuance of the Certificate of Completion; Sections 15.3 and 15.4 upon the expiration of the Initial Compliance Period; Sections 15.5, 16 and 17 upon the expiration of the Subsequent Compliance Period; and Sections 15.1 and 23.4 with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

20.1 Time of the Essence. Time is of the essence in each Developer Party's performance of its obligations under this Agreement.

20.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of GSDC or the Operator to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of GSDC or the Operator under this Agreement, the Construction Grant Agreement, the Operating Grant Agreement, or any related agreement;

(b) the failure of GSDC or the Operator to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of GSDC or the Operator under any other agreement with any person or entity if such failure may have a material adverse effect on the business, property, assets, operations or condition of GSDC or the Operator, financial or otherwise;

(c) the making or furnishing by GSDC, Greater Southwest or the Operator of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, the Construction Grant Agreement, the Operating Grant Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the City Property or the Project, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against GSDC or the Operator for the liquidation or reorganization of GSDC or the Operator, or alleging that GSDC or the Operator is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of GSDC's or the Operator's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving GSDC or the Operator; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for GSDC or the Operator, for any substantial part of GSDC's or the Operator's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of GSDC or the Operator; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against GSDC or the Operator which is related to the City Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period; and

(i) the dissolution of GSDC or the Operator.

20.3 Cure. If either GSDC or the Operator defaults in the performance of its obligations under this Agreement, such defaulting party (or its sole member) shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the defaulting party promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project) (the "Initial Cure Period"). If the defaulting party (or its sole member) does not cure such default within the Initial Cure Period, the non-defaulting party (or its sole member) shall have the right (but not the obligation) to cure such default within 30 days after expiration of the Initial Cure Period, or such longer period as shall be reasonably necessary to cure such default provided the non-defaulting party (or its sole member) promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project) (the "Extended Cure Period"), and the City shall take no action during such Extended Cure Period. If the non-defaulting party (or its sole member) does not cure such default within the Extended Cure Period, then the City shall have available all remedies set forth in this Agreement. Notwithstanding the foregoing or any other provision of this Agreement to the contrary:

(a) there shall be no notice requirement (and no Extended Cure Period) with respect to Events of Default described in Section 5 (with respect to Outside Closing Date); and

(b) there shall be no notice requirement and no cure period (initial or extended) with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of City Property) Section 17 (Limitation Upon Encumbrance of City Property), and Section 29.5 (Prohibition on Certain Contributions Pursuant to Mayoral Executive Order No. 2011-4).

20.4 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement and institute any action or proceeding at law or in equity against the defaulting party.

20.5 Right of Reverter After Closing. In addition to any other rights and remedies available to the City at law or in equity, the City shall have the right, in its sole and absolute discretion, to re-enter and take possession of the City Property, with all of the improvements thereon, and revest title to the City Property in the City if an Event of Default occurs after the Closing but prior to expiration of the Subsequent Compliance Period, and the default is not cured in the time period provided for in Section 20.3 above; provided, however, the City's foregoing right of reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

20.6 Resale of the City Property. Upon the revesting in the City of title to the City Property as provided in Section 20.5, the City may complete the Project or convey the City Property, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DFSS, and otherwise comply with the covenants that run with the land as specified in Section 19.

20.7 Disposition of Resale Proceeds. If the City sells the City Property as provided for in Section 20.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Property (less any income derived by the City from the City Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of GSDC or its sole member or the Operator; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by GSDC or its sole member or the Operator.

The Developer Parties shall be entitled to receive any remaining proceeds up to the amount of each Developer Party's equity investment in the City Property.

SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer Parties represent and warrant that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer Parties, their parent companies, this Agreement, the City Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer Parties, their parent companies, or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties, their parent companies, or any successor in interest or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 22. INDEMNIFICATION.

22.1 WMI agrees to indemnify, defend and hold the City harmless from and against any Losses suffered or incurred by the City arising from or in connection with: (a) the failure of the Operator to perform its obligations under this Agreement; (b) the failure of the Operator or its Agents to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project (except for liens and claims of lien which the Operator is contesting in good faith pursuant to Section 17 hereof); (c) any misrepresentation or omission made by the Operator or its Agents; (d) the failure of the Operator to redress any misrepresentations or omissions in this Agreement, the Operating Grant Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Operator or its Agents on the City Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

22.2 GSDC agrees to indemnify, defend and hold the City harmless from and against any Losses suffered or incurred by the City arising from or in connection with: (a) the failure of GSDC to perform its obligations under this Agreement; (b) the failure of GSDC or its Agents to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project (except for liens and claims of lien which the Operator is contesting in good faith pursuant to Section 17 hereof); (c) any misrepresentation or omission made by GSDC or its Agents; (d) the failure of GSDC to redress any misrepresentations or omissions in this Agreement, the Construction Grant Agreement or any other agreement relating hereto; and (e) any activity undertaken by GSDC or its Agents on the City Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. ENVIRONMENTAL MATTERS.

23.1 "AS IS" SALE. THE DEVELOPER PARTIES ACKNOWLEDGE THAT THEY HAVE HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PROPERTY AND ACCEPT THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE LAND AND BUILDING COMPRISING THE CITY PROPERTY. THE DEVELOPER PARTIES AGREE TO ACCEPT THE CITY PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER PARTIES ACKNOWLEDGE THAT THEY ARE RELYING SOLELY UPON THEIR OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER PARTIES AGREE THAT IT IS THEIR SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Right of Entry. GSDC hereby represents and warrants to the City that GSDC has or will perform a Phase I environmental site assessment of the City Property in accordance with the requirements of the ASTM E 1527-05 standard ("Phase I") and other environmental studies sufficient to conclude that the Project may be completed and operated in accordance with all Environmental Laws and this Agreement. GSDC agrees to deliver to the City copies of all Environmental Documents. The obligation of the Developer Parties to purchase the City Property is conditioned upon each Developer Party being satisfied with the condition of the City Property for the construction, development and operation of the Project. The City shall grant the Developer Parties the right, at their sole cost and expense, to enter the City Property to perform the Phase I and any other surveys, environmental assessments, soil tests and other due diligence they (or either one of them) deem necessary or desirable to satisfy themselves as to the condition of the City Property. If the Developer Parties (or either one of them) determine that they are not satisfied, in their sole and absolute discretion, with the condition of the City Property, either Developer Party may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer Parties elect not to terminate this Agreement pursuant to this Section 23.2, the Developer Parties shall be deemed satisfied with the condition of the City Property.

23.3 Environmental Remediation.

(a) The City's Department of Fleet and Facilities Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I and any Phase II or other follow-up reports. Upon 2FM's request, GSDC shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project, including, without limitation, updating or expanding the Phase I and performing initial or additional Phase II testing. If the environmental reports for the City Property disclose the presence of contaminants exceeding residential remediation objectives, GSDC shall enroll the City Property (or the applicable portion thereof) in the IEPA's SRP Program and take all necessary and proper steps to obtain a Draft NFR Letter for the City Property (or the applicable portion thereof), unless 2FM determines that it is not necessary to enroll the City Property in the SRP. If GSDC enrolls (or is required to enroll) the City Property in the SRP, GSDC acknowledges and agrees that it may not commence construction on the City Property until the IEPA issues, and 2FM approves, a Draft NFR Letter for the City Property.

(b) After 2FM approves the Draft NFR Letter for the City Property (to the extent required under subsection (a) above), GSDC covenants and agrees to complete the Remediation Work and diligently pursue the Final NFR Letter for the City Property using all reasonable means. The City shall have the right to review in advance and approve all SRP Documents and any changes thereto, and GSDC's estimate of the cost to perform the Remediation Work. GSDC shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. GSDC shall bear sole responsibility for all aspects of the Remediation Work. GSDC shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. GSDC acknowledges and agrees that the City will not issue a Certificate of Completion until the IEPA has issued, and the City has approved, a Final NFR Letter for the City Property (to the extent required under (a) above), which approval shall not be unreasonably withheld.

23.4 Release and Indemnification. The Developer Parties, on behalf of themselves, their parent companies and the respective officers, directors, employees, Agents, successors, and assigns of the Developer Parties and their parent companies (collectively, the "Releasing Parties"), hereby release, relinquish and forever discharge the City, and its officers, employees and Agents (collectively, the "City Parties") from and against any and all Losses which the Releasing Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Property or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer Parties shall defend, indemnify, and hold the City Parties harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

23.5 Release Runs with the Land. The covenant of release in Section 23.4 shall run with the City Property, and shall be binding upon all successors and assigns of the Developer Parties with respect to the City Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Property under or through the Developer Parties following the date of the Deed. The Developer Parties acknowledge and agree that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Property to the Developer Parties for $1.00. It is expressly agreed and understood by and between the Developer Parties and the City that, should any future obligation of the Developer Parties or the Releasing Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the City Property, neither the Developer Parties nor the Releasing Parties will assert that those obligations must be satisfied in whole or in part by the City because this Section 23 contains a full, complete and final release of all such claims.

23.6 Survival. This Section 23 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. GSDC agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of GSDC operating on the City Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither GSDC nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). GSDC and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. GSDC and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, GSDC and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, GSDC and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) GSDC and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) GSDC, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) GSDC and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the City Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies against GSDC under the provisions of Section 20.

24.2 City Resident Employment Requirement.

(a) GSDC agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, GSDC and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, GSDC and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) GSDC and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) GSDC and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. GSDC and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) GSDC and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that GSDC or the Employer hired the employee should be written in after the employee's name.

(f) GSDC and the Employers shall provide full access to their employment records to the chief procurement officer, DHED, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. GSDC and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DHED, GSDC and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of GSDC and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that GSDC or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by GSDC to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject GSDC and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) GSDC shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 GSDC's MBE/WBE Commitment. GSDC agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 24.3 only:

(i) GSDC (and any party to whom a contract is let by GSDC in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by GSDC in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, GSDC's MBE/WBE commitment may be achieved in part by GSDC's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by GSDC) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by GSDC utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to GSDC's MBE/WBE commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code, GSDC shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DHED.

(d) GSDC shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by GSDC or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining GSDC's compliance with this MBE/WBE commitment. GSDC shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by GSDC, on prior notice of at least five (5) business days, to allow the City to review GSDC's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, GSDC shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of GSDC's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, GSDC and GSDC's general contractor and all major subcontractors shall meet with DHED monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, GSDC shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, GSDC shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that GSDC is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to GSDC, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to GSDC to halt construction of the Project, (y) withhold any further payment of any City funds to GSDC or the general contractor, or (z) seek any other remedies against GSDC available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer Parties. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer Parties represent, warrant and covenant to the City that the following are true, accurate and complete in all respects:

(a) GSDC is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois, has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business as described in the operating agreement and to execute and deliver, and to consummate the transactions contemplated by, this Agreement, and the person signing this Agreement on behalf of GSDC has the authority to do so.

(d) Each Developer Party's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which it, or any party affiliated with it, is a party or by which it or the City Property is bound.

(e) No action, litigation, investigation or proceeding of any kind is pending or threatened against either Developer Party (or any legal entity holding an interest in either Developer Party), by or before any court, governmental commission, board, bureau or any other administrative agency, and neither Developer Party knows of any facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect its ability to perform its obligations hereunder; or (ii) materially affect its operation or financial condition.

(f) Each Developer Party (and any legal entity holding an interest in either Developer Party) is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(g) Each Developer Party (and any legal entity holding an interest in either Developer Party) has and shall maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project.

(h) Neither Developer Party (nor any legal entity holding an interest in either Developer Party) is in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which it is a party or by which it is bound.

(i) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the City Property.

To induce the Developer Parties to execute this Agreement and perform their obligations hereunder, the City hereby represents and warrants to the Developer Parties that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

25.3 Survival of Representations and Warranties. The City and each Developer Party agrees that all warranties, representations, covenants and agreements contained in this Section 25 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and be in effect throughout the term of the Agreement.

SECTION 27. BUSINESS RELATIONSHIPS.

Each Developer Party acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Each Developer Party hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

Each Developer Party represents and warrants that neither it nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 Each Developer Party agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with it regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer Parties and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer Parties, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 Each Developer Party represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached it, or the date it approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 Each Developer Party agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 Each Developer Party agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

29.5 Notwithstanding anything to the contrary contained herein, each Developer Party agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If either Developer Party intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which either Developer Party is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 30. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer Parties understand and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

SECTION 31. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, each Developer Party warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer Parties, or their general contractors or subcontractors, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of DHED. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Developer Parties, and their general contractors and subcontractors, to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the eligibility of the Developer Parties for future contract awards.

SECTION 32. SHAKMAN.

32.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

32.2 The Developer Parties are aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer Parties, either as an employee or as a subcontractor, and from directing the Developer Parties to hire an individual as an employee or as a subcontractor. Accordingly, the Developer Parties must follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer Parties under this Agreement are employees or subcontractors of the Developer Parties, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer Parties.

32.3 The Developer Parties will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

32.4 In the event of any communication to either Developer Party by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, such Developer Party will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer Parties will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 33. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by either Developer Party or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby. The Developer Parties shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 34. MISCELLANEOUS.

The following general provisions govern this Agreement:

34.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

34.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

34.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

34.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

34.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

34.6 Force Majeure. Neither the City nor the Developer Parties shall be considered in breach of its (or their) obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

34.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

34.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

34.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

34.10 No Waiver. No waiver by the City with respect to any specific default by either Developer Party shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer Parties, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

34.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

34.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

SECTION 1. INCORPORATION OF RECITALS. EFFECT OF THIS AGREEMENT

A. The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

B. Developer shall record the Release (as defined herein) and this Agreement with the Office of the Recorder of Deeds of Cook County (the "Recorder's Office") within ten (10) business days of the City's execution and delivery of the Release and this Agreement. The date on which the Release and this Agreement are recorded is referred to herein as the "Recording Date".

C. Regardless of whether and to what extent the Developer Acquisition Date or Recording Date occurs or has occurred, Developer has not, and shall in no way be deemed to have, assumed or succeeded to any one or more obligations or liabilities of Purchaser under the 2002 Agreement or 2002 Deed, it being expressly acknowledged and agreed by the City that Developer is not a successor or assign of Purchaser under the 2002 Agreement, and Developer has had no contractual or other relationship with Purchaser nor any responsibility for Purchaser's defaults under the 2002 Agreement or 2002 Deed.

D. Accordingly, from and after the Recording Date:

(i) the 2002 Agreement shall be amended, restated and superseded in its entirety by the terms of this Agreement, and the Property and each portion thereof shall be released in its entirety from each term, provision and restriction contained in the 2002 Agreement;

(ii) the restrictions on the Property set forth in the 2002 Deed shall be terminated, ended, released and no longer of any express or implied force or effect pursuant to the recordation, on the Recording Date, of an instrument substantially in the form attached as **Exhibit C**; and

(iii) the Property and each portion thereof shall become subject to the terms, provisions and restrictions of this Agreement until such time as the Certificate of Completion is issued in accordance with Section 7 of this Agreement, or the City terminates this Agreement including, without limitation, a termination pursuant to Section 13.C. of this Agreement.

SECTION 2. EARNEST MONEY AND PERFORMANCE DEPOSIT.

A. Earnest Money. Developer shall not be required to deposit any Earnest Money.

B. Performance Deposit. Prior to the Recording Date, Developer shall deposit with the City, Fifty-Seven Thousand Five Hundred Dollars ($57,500.00) as security for the performance of its obligations under this Agreement (the "Performance Deposit"). The Performance Deposit shall be retained by the City until a Certificate of Completion (as discussed in Section 7, below) has been issued by the City.

SECTION 3. PROJECT BUDGET; PROOF OF FINANCING; MBE/WBE/RESIDENCY MONITORING PROVISIONS.

A. Project Budget; Proof of financing. The City acknowledges that it has received and approved Developer's project budget attached hereto as **Exhibit D** (the "Budget"). Upon Developer's application for building permit, Developer also shall submit to the City a written notice with an affirmation from Developer that Developer has funds adequate to finance the construction of the Improvements.

B. MBE/WBE/Residency Monitoring Provisions. Prior to execution of this Agreement, Developer shall meet with DHED's Monitoring and Compliance unit to review the MBE/WBE commitments.

1. Not less than fourteen (14) days prior to the submission for a building permit, Developer, the general contractor and all prequalified major subcontractors shall meet with DHED to discuss Developer's plan to achieve the MBE/WBE/Residency commitments. Within the same time frame, Developer shall submit acceptable evidence to DHED that the general contractor has met at least once with, and provided bid documents to, applicable MBE/WBE contractor associations.

2. Before the start of construction, Developer shall submit to DHED its construction contracts for review, and its MBE/WBE Utilization Plan, including schedules C and D, for approval. Each month during construction, Developer shall provide DHED with evidence of compliance with the MBE/WBE goals.

SECTION 4. SITE PLANS AND ARCHITECTURAL DRAWINGS.

A. Developer agrees that Developer's construction of the Improvements on the Property and adjacent public sidewalks shall be commenced and completed by Developer in substantial accordance with the Drawings, subject however, to: (i) such minor modifications, if any, as shall receive the prior written approval of DHED and/or CDOT; and (ii) such major or material modifications, if any, as shall receive the prior written approval of the City Council. Material or major deviations include, but are not limited to changes in square footage that would cause the Project to exceed the approved floor area ratio ("FAR) or changes in the basic use of the Property or the Improvements as a private surface parking lot. The provision of this Section 4.A. shall terminate and be of no further force and effect following issuance of the Certificate of Completion.

B. Developer shall be solely responsible for and shall pay all costs in regard to any and all of the following that is necessary for installation of the Improvements and completion of the Project in accordance with the Drawings: the relocation, installation or construction of public or private utilities; curb cuts and driveways; the repair or reconstruction of any curbs, sidewalks or parkways deteriorated or damaged as a result of Developer's redevelopment; the removal of existing pipes, utility equipment or building foundations; and the termination of existing water or other services.

SECTION 5. LIMITED APPLICABILITY.

DHED's and CDOT's approval of the Drawings are for the purposes of this Agreement only and do not constitute the approval required by the City's Building Department or any other City department; nor does DHED and CDOT's approval of the Drawings as described in this Agreement constitute an approval of the quality, structural soundness or the safety of any Improvements located or to be located on the Property. The approval given by DHED and CDOT of the Drawings shall be only for the benefit of Developer and any lienholder authorized by this Agreement.

SECTION 6. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

A. Intentionally Omitted.

B. Within three (3) months of the Recording Date, Developer shall submit permit applications to the Department of Buildings for demolition of the existing improvements on the Property and for construction of the Improvements. The first date on which the City or other applicable governmental unit has issued all required governmental permits and approvals for the Project is referred to herein as the "Permit Date".

C. Developer shall commence demolition of the existing improvements on the Property and construction or installation of the Improvements within six (6) months of the Permit Date. Within five (5) days after the commencement of construction, Developer shall notify the City that construction has begun.

D. Developer shall complete demolition of the existing improvements on the Property and construction or installation of the Improvements within twelve (12) months of the Permit Date.

E. At his or her discretion, the Commissioner of DHED may grant Developer one 6-month extension to the project schedule set forth in this Section 6, without City Council approval.

SECTION 7. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion upon the completion of the Improvements (the "Certificate of Completion"). Within thirty (30) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either (a) the Certificate of Completion, which the City shall issue along with the return of the Performance Deposit, if, in the City's reasonable discretion, the Developer has substantially completed the Project in conformity with this Agreement, or (b) a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default under this Agreement, and what measures or acts will be necessary, in the sole and reasonable opinion of the City, for the Developer to take or perform in order to complete the Project in conformity with this Agreement and obtain the Certificate or cure the alleged default. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement with respect to the Developer's obligations to complete the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 8. RESTRICTIONS ON USE.

Developer agrees that:

A. As a covenant running with the land until the expiration of the Plan, the Property shall be devoted to uses that are: (i) allowed as permitted uses, special uses or planned developments under applicable zoning restrictions, as amended from time to time, or (ii) allowed or recommended in the Plan (as amended through the date hereof), including, without limitation page 3 of the Plan, which recommends mixed residential and commercial and retail uses along 47th Street; and

B. As a covenant running with the land in perpetuity, no owner of the Property or any portion thereof shall discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age, handicap, in the sale, lease, rental, use or occupancy of the Property or any improvements located or to be erected thereon.

SECTION 9. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, in accordance with Section 7, above, Developer or its successors in interest shall not, without the prior written consent of the City: (a) sell or convey the Property or any part thereof or any interest therein; or (b) create any assignment with respect to this Agreement or the Property that would take effect prior to the issuance of the Certificate of Completion; or (c) contract or agree to: (1) sell or convey the Property or any part thereof or interest therein, or (2) create any assignment with respect to this Agreement or the Property.

The provisions of this Section 9 shall not: (i) limit or prevent Developer from leasing parking spaces that Developer has constructed on the Property on an hourly, daily, monthly or other basis; (ii) limit Developer's rights under Section 10 of this Agreement, or (iii) prohibit Developer from transferring or conveying the Property to an Illinois land trust of which Developer is the beneficiary or to a Limited Partnership of which Developer is the controlling General Partner or a Limited Liability Company of which Developer is the controlling Manager or Managing Member, provided that Developer grants to the City an irrevocable right to approve said documents. The foregoing shall not prevent Developer from admitting as a limited partner or member, an equity investor and, under the terms of the partnership or operating agreement, granting such equity investor approval or consent rights with respect to major decisions.

SECTION 10. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to issuance of the Certificate of Completion in accordance with Section 7 above,, Developer shall not, without the City's written consent, engage in any financing or other transaction that creates an encumbrance or lien upon the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds necessary to construct the Improvements; (c) mechanic lien rights arising in the ordinary course of construction; or (d) funds necessary for architects, surveyors, appraisers, environmental consultants or attorneys in connection with the Project.

SECTION 11. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the 2002 Deed, the holder of any mortgage on the Property authorized by Section 10 of this Agreement shall not be obligated to construct or complete the Improvements; provided, however, that the foregoing provision shall not apply to any purchaser, other than the holder of the mortgage, of the Property at a foreclosure sale. Nothing in this Section 11 nor in any other section of this Agreement shall be deemed or construed to permit or authorize any such holder of a mortgage to devote the Property to any use, or to construct any improvements thereon, other than those uses or improvements permitted in the Plan.

SECTION 12. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Sections 6, 8, 9 and 10 hereof shall be covenants running with the land comprising the Property, shall bind Developer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City; provided, however, the covenants provided in Sections 6, 9 and 10 hereof shall automatically terminate and be of no further force and effect if and when: (i) the City issues the Certificate of Completion as described in Section 7 hereof; or (ii) the City terminates this Agreement, including, without limitation, a termination pursuant to Section 13.C. hereof.

SECTION 13. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the parties' performance of their obligations under this Agreement.

B. Permitted Delays. Developer shall not be considered in breach of its obligations with respect to the commencement or completion of construction of the Improvements in the event of a delay in the performance of such obligations due to unforeseeable causes beyond Developer's control and without Developer's fault or negligence, including but not limited to, delays or halts in construction of the Improvements which are compelled by court order, acts of God, acts of the public enemy, acts of the United States government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the delay if Developer requests it in writing of the City within twenty (20) days after the beginning of any such delay.

C. Breach/Remedies.

1. Generally. Except as otherwise provided in this Agreement, in the event of a default by either party in the performance of its obligations under this Agreement, the defaulting party, upon written notice from the other, shall cure or remedy the default not later than sixty (60) days after receipt of such notice. If the default is not capable of being cured within the sixty (60) day period but the defaulting party has commenced action to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. In the event that Developer has requested in writing that notice of default be provided to Developer's Mortgagee, said Mortgagee shall have an additional thirty (30) day period in which to cure the default. If the default is not cured in the time period provided for herein, the available remedy for the aggrieved party shall be the right to unilaterally terminate this Agreement by written notice to the other party, provided, however, (i) the City shall have the additional remedy of retaining the Performance Deposit; and (ii) this Section 7.C. 1 shall not limit the City's rights and remedies under Section 29.5 hereof. Following any such termination, the written notice of termination may be recorded by either party.

2. Event of Default. For purposes of this Agreement, the occurrence of any one or more of the following shall constitute an "event of default":

a. Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations required under this Agreement; or

b. Developer makes or furnishes a warranty, representation, statement or certification to the City which is not true and correct in any material respect; or

c. A petition is filed by or against Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing , which is not vacated, stayed or set aside within thirty (30) days after filing; or

d. Developer abandons or substantially suspends the construction work, and such abandonment or suspension is not cured, ended, or remedied within sixty (60) days of the date Developer receives written demand by the City to cure such default; or

e. Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or

f. Developer makes an assignment, pledge, encumbrance, transfer or other disposition in violation of this Agreement; or

g. Developer's financial condition or operations adversely changes to such an extent that would materially affect Developer's ability to complete the Improvements; or

h. Developer fails to comply with the terms of any other written agreement entered into with the City or any loan issued by the City.

D. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

E. Access to the Property. After the Developer Acquisition Date and Recording Date have both occurred, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of confirming Developer's compliance with this Agreement.

SECTION 14. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligation under the terms of this Agreement.

SECTION 15. INDEMNIFICATION.

Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (i) the failure of Developer to

perform its obligations under this Agreement; or (ii) the failure of Developer or any Contractor to pay Contractors, subcontractors or material suppliers in connection with the construction of the Improvements. This indemnification shall survive any termination of this Agreement.

SECTION 16. ENVIRONMENTAL MATTERS.

If an environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition entirely suitable for the intended use of the Property. The Developer agrees to release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Developer Acquisition Date.

SECTION 17. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. Employment Opportunity. Developer agrees, and shall contractually obligate its various Contractors, (as hereinafter defined), subcontractors or any affiliate of Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements:

1. Neither Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer and each Employer shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

2. To the greatest extent feasible, Developer and each Employer is required to present opportunities for training and employment of low and moderate income residents of the City for work in connection with the construction of the Improvements and to provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part, by persons residing in the City.

3. Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto for work in connection with the construction of the Improvements.

4. Developer, in order to demonstrate compliance with the terms of this Section 17.A., shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

5. Developer and each Employer shall include the foregoing provisions of subparagraphs 1 through 4 in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each Contractor, subcontractor or affiliate, as the case may be.

6. Failure to comply with the employment obligations described in this Section 17.A. shall be a basis for the City to pursue remedies under the provisions of Section 13, above.

B. City Resident Employment Requirement. Developer agrees, and shall contractually obligate the Employers to agree that during the construction of the Improvements they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, Developer and the Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago (the "Purchasing Agent").

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

Developer and the Employers shall provide full access to their employment records to the Purchasing Agent, DHED, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

At the direction of DHED, Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this Section 17 concerning the worker hours performed by actual Chicago residents.

In the event that the City has determined that Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 17. Therefore, in such a case of non-compliance which has not been remedied in accordance with the breach and cure provisions contained in Section 13.C. herein, it is agreed that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in Developer's budget shall be surrendered by Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employee to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

Developer shall cause or require the provisions of this Section 17.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. Developer agrees, and shall contractually obligate the Employers to agree, that during the construction of the Improvements:

1. Consistent with the findings which support the Minority-Owned and Women Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq. of the Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 17.C., during the course of construction of the Improvements, at least the following percentages of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):
    a. At least 25% by MBEs.
    b. At least 5% by WBEs.

2. For purposes of this Section 17.C. only, Developer (and any party to whom a contract is let by Developer pursuant to this Agreement) shall be deemed a "Contractor" and this Agreement (and any contract let pursuant thereto) shall be deemed a "Contract" as such terms are defined in Section 2-92-420 of the Municipal Code of Chicago. In addition, the term "minority-owned business" or MBE shall mean a business enterprise identified in the Directory of Certified Minority Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a minority-owned business enterprise; and the term "women-owned business" or WBE shall mean a business enterprise identified in the Directory of Certified Women Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a women-owned business enterprise.

3. Consistent with Section 2-92-440 of the Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved by Developer utilizing a MBE or a WBE as a Contractor, by subcontracting or causing a Contractor to subcontract a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the construction of the Improvements from one or more MBEs or WBEs, or by any combination of

the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 17.C.

4. Developer shall deliver monthly reports to DHED describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE solicited by Developer or a Contractor to work on the Improvements, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DHED in determining Developer's compliance with this MBE/WBE commitment. DHED shall have access to Developer's books and records, including, without limitation, payroll records and tax returns, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation.

5. The City shall have the right to terminate this Agreement upon the disqualification of a Contractor as a MBE or WBE, if the Contractor's status as a MBE or WBE was a factor in the approval of the Developer, and such status was misrepresented by the Contractor or the Developer. In addition, the City shall have the right to terminate this Agreement upon the disqualification of any MBE or WBE subcontractor or supplier of goods or services if the subcontractor's status as a MBE or WBE was a factor in the approval of the Developer, and such status was misrepresented by the Contractor or the Developer. In the event that Developer is determined not to have been involved in any misrepresentation of the status of the disqualified Contractor, subcontractor or supplier, Developer shall be obligated to discharge or cause to be discharged the disqualified Contractor or subcontractor or to terminate any contract or business with the disqualified supplier, and, if possible, identify a qualified MBE or WBE as a replacement. Failure by Developer to diligently pursue such course of action will result in the City's option to unilaterally terminate this Agreement. For purposes of this subparagraph 5, the disqualification procedures are further described in Section 2-92-540 of the Municipal Code of Chicago. The City acknowledges that no Contractor's or subcontractor's status as a MBE or WBE was a factor in the approval of the Developer.

6. Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 17.C. shall be undertaken in accordance with Section 2-92-450 of the Municipal Code of Chicago.

D. Pre-Construction Meeting; Monitoring Requirements. Prior to the commencement of construction of the Improvements, Developer shall meet with the monitoring staff of DHED with regard to Developer's compliance with its employment obligations, the sufficiency of which must be approved by DHED as a pre-condition to DHED's approval to allow Developer to commence with the construction of Improvements. During the construction of the Improvements, Developer shall submit documentation (as required in Sections 17.A. and 17.C., above) to the monitoring staff of DHED. The failure to submit such documentation on a timely basis, or a determination by DHED, upon analysis of the documentation, that Developer is not complying with its employment obligations described in this Section 17, shall upon the delivery of written notice to, be deemed a default. In such event, the City may pursue any remedy described in this Section 17 or in Section 13 above.

E. In the event of a default by Developer in the performance of its obligations under this Section 17, the notice and cure provisions contained in Section 13, above, shall apply.

Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

Developer represents and warrants that neither Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 28 only, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("**Contractors**"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Developer, or the date Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

29.5 Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for

default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Developer Acquisition Date, the City may elect to rescind its consent to the designation of Developer as developer for the Project and conveyance of the Property to Developer.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 30. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 31. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf by its Commissioner of Housing and Economic Development, and Developer has signed the same on or as of the day and year first above written.

After review of each Phase I Environmental Assessment, District, at its sole discretion, may require Permittee, at Permittee's expense, to obtain a Phase II Environmental Assessment with respect to the premises used under the Permit Agreement. The written report of the Phase II Environmental Assessment shall be submitted to District within 120 days of District's request for same. If the Phase II Assessment discloses the presence of any Hazardous Materials contamination on the Permit Premises or adjacent premises, Permittee shall take immediate action to remediate the contamination and to restore the Permit Premises described in Ex-

hibit A and adjacent premises owned by the District to a clean and sanitary condition and to the extent required by any and all environmental laws.

Notwithstanding the foregoing, nothing contained herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes, interest, and penalties during the pendency of the contest shall not constitute a

default under this Agreement. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Agreement, but payment may be a requirement for contesting such taxes. The parties acknowledge that Tenant is only utilizing a portion of the underlying PIN. In the event that there is a tax assessment on the entire PIN attributable to the Tenant's use of the Premises, the parties shall prorate any tax assessments based on the Tenant's use of the Premises (4,050 sq. ft) and on the fact that the Tenant will only use the Premises 71.4% of the time (5 out of 7 days).

4.3 Miscellaneous. Tenant covenants that the responsibilities included in the Section 4 are independent of any and all other rights, duties, or obligations incorporated in this Agreement. Tenant assumes full responsibility for any failure to adhere to each of the requirements of this Section, including any penalties that may be assessed. Tenant's responsibilities under this Section shall survive the expiration, cancellation, or termination of this Agreement.

4.4 Tenant's Leasehold. City and Tenant covenant that Tenant shall only occupy 4,050 square feet of PIN#17-16-309-054. As a result, Tenant's tax obligations under this Agreement shall only pertain to the square footage used by Tenant hereunder. City and Tenant agree that Tenant's tax responsibilities under this Agreement shall only pertain to a share of those taxes equal to Tenant's leasehold divided by the total square footage of the subject PIN#.

SECTION 5. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS

5.1 Covenant of Quiet Enjoyment. Any activities on the Premises must be limited to parking of automobiles for use by staff and visitors of the kidney dialysis center located at 571 West Polk Street and not as parking for the general public (the "Use"). The Premises shall never be used as a parking lot by the general public. The Tenant shall not charge any fees for access to the Premises and shall not receive any other payment for such access to the Premises. The Use does not include direct or indirect participation or intervention in political campaigns on behalf of or in opposition to any candidate for public office. Tenant shall not use said Premises for political or religious activities.

5.4 Reassignment of Use Location. From time to time, City may reapportion the location of Tenant's parking spaces within the 800 South Des Plaines Street lot. Such reapportionment shall be at City's sole discretion and authorized through this Section 5.4 or pursuant to Section 12.1 or Section 12.2 hereunder.

Subject to written approval from the Commissioner of the City's Department of Fleet and Facility Management, Tenant may assign this agreement to any successors in interest.

6.2 Tenant's Covenant Against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon City's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify City in a manner satisfactory to City in its sole discretion to protect City against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, City, at its election, may pay and satisfy same, and all sums so paid by City, with interest from the date of payment at the rate set at 12% per annum.

SECTION 7. INSURANCE AND INDEMNIFICATION

7.1 Insurance. The Tenant shall procure and maintain at all times at the Tenant's own expense, during the Term of this Agreement, the insurance coverage and requirements specified below, insuring all operations related to this Agreement with insurance companies authorized to do business in the state of Illinois.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). City of Chicago, its employees, elected officials, agents, and representatives, and City's property manager for the Building are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from this Agreement.

c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

d) All Risk Liability. The Tenant and its contractors and subcontractors shall be responsible for all loss or damage to personal property (including without limitation vehicles, materials, equipment, tools and supplies), owned, rented or used by the Tenant or its contractors and subcontractors. The Tenant shall be responsible for all loss or damage to City-owned property, improvements or facilities at replacement cost.

7.2 Other Terms of Insurance. The Tenant will furnish City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. The Tenant shall submit evidence on insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of City to obtain certificates or other insurance evidence from the Tenant shall not be deemed to be a waiver by City. The Tenant shall advise all insurers of this Agreement provisions regarding insurance. Non-conforming insurance shall not relieve the Tenant of its obligation to provide Insurance as

specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and City retains the right to terminate this Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Tenant.

The Tenant agrees that its insurers shall waive their rights of subrogation against City of Chicago its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by the Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within this Agreement documents or by law.

The Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under this Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

7.3 Indemnification. The Tenant shall indemnify, defend, and hold City harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs) (collectively the "Claims"), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from City or the Tenant by reason of the Tenant's performance of or failure to perform any of the Tenant's obligations under this Agreement or the Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of the Tenant's contractors, subcontractors, respective officers, directors, agents, employees, invitees, or third parties.

SECTION 8. DAMAGE OR DESTRUCTION

8.1 Damage or Destruction. If the Premises are damaged or destroyed by a casualty to such extent that Tenant cannot continue to occupy or conduct its normal business therein, or if the Premises do not meet all applicable codes and are therefore rendered untenantable, either City or Tenant shall have the option to declare this Agreement terminated as of the date of such damage or destruction by providing each other City written notice to such effect. If either City or Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and City shall forthwith repay to Tenant all prepaid rent.

SECTION 9. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

9.1 Conflict of Interest. No official or employee of City of Chicago, nor any member of any board, commission or agency of City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use her or his position to influence any City governmental decision or action with respect to this Agreement.

9.2 Duty to Comply with Governmental Ethics Ordinance. City and the Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to City of Chicago.

SECTION 10. HOLDING OVER

Provided, however, that during such holding over all other provisions of this Agreement shall remain in full force and effect.

When a period of time is provided in this Agreement for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

11.12 No Brokers. The Department of Fleet and Facility Management does not use brokers, tenant representatives, City representatives, or other finders. Tenant warrants to City that no broker, tenant representative, or other finder (a) introduced Tenant to City, (b) assisted Tenant in the negotiation of this Agreement, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this Agreement. 11.16 Amendments. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to Tenant's use of the Premises and/or City's administration of said Agreement. Provided, however, that such Amendment(s) shall not serve to extend the Agreement term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both City and Tenant. Such Amendment(s) shall only take effect upon execution by both parties. Upon execution, such Amendment(s) shall become a part of this Agreement and all other provisions of this Agreement shall otherwise remain in full force and effect.

11.17 Prior Lease. Tenant acknowledges that prior to the date of this Lease, Tenant has occupied and been in possession of the Premises under the terms of that certain Lease between Tenant and City dated April 4, 2008, including the holdover provisions thereof. 12.1 Option to Contract. At any time after the Commencement Date, and with thirty (30) days prior written notice, Tenant may choose to reduce Tenant's access to the Premises in increments of up to five (5) parking spaces, or 810 square feet. Such contraction shall not result in the reduction of the Premises to less than ten (10) parking spaces, or 1,620 square feet. If Tenant exercises such contraction, the revised location of Tenant's reduced parking spaces shall be at the sole discretion of City. In the event of exercise of such contraction, the location of such contraction shall not, however, prevent Tenant's egress or ingress to the Premises. Upon such contraction, Tenant's reduced rent shall be based on the per square foot rates then in effect pursuant to Section 3.1 of this Agreement. City and Tenant shall execute an Amendment to this Agreement pursuant to Section 11.16 memorializing such contraction.

12.2 Option to Expand. At any time after the Commencement Date, Tenant may request from City access to additional spaces adjacent to the Premises. City may accept or reject such expansion proposal at City's sole discretion. 13.5 Hazardous Materials. Tenant shall keep out of the Premises materials which cause a fire hazard or safety hazard. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

13.6 Security. Tenant shall be responsible for providing security for Tenant's use of the Premises. City shall not have any responsibility for providing security to the Premises.

13.7 No Alcoholic Beverages or Drugs. Alcoholic beverages or illegal drugs of any kind or nature shall not be sold, given away, or consumed on the Premises by Tenant, Tenant's staff, agents, contractors, or invitees.

13.8 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The City of Chicago, Department of Fleet and Facility Management, must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Agreement.

13.9 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, agents, contractors, or invitees.

13.10 Condition Upon Termination. Upon the termination of this Agreement, Tenant shall surrender the Premises to the City in a comparable or better condition to the condition of the Premises at the beginning of Tenant's access to the Premises, with normal wear and tear taken into consideration. Tenant shall remain liable for any damage to the Premises beyond ordinary wear and tear.

13.11 Trade Fixtures. Within five (5) days from the termination of this Agreement, Tenant shall remove Tenant's personal property and equipment placed on the Premises by Tenant. Tenant shall repair any injury or damage to the Premises which may result from such removal. If Tenant does not remove Tenant's property from the Premises within five (5) days from the termination of this Agreement, City may, at its option, remove the same and deliver them to any other place of business of Tenant or warehouse the same, and Tenant shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to City on demand, or City may treat such property as being conveyed to City with this Agreement serving as a bill of sale, without further payment or credit by City to Tenant.

13.12 Use of Premises. Tenant shall vacate the Premises by no later than 11:59 PM each Friday and shall resume use of the Premises by no earlier than 12:00 AM each Monday. 13.13 Full Liability. Tenant assumes full legal and financial responsibility and liability for any use of the Premises by the Tenant, Tenant's staff, agents, contractors, or invitees.

13.14 Repairs for Negligence, Vandalism, or Misuse. Tenant shall assume responsibility for any repairs to the Premises and/or other City property adjacent to the Premises

necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant, Tenant's staff, agents, contractors, or invitees.

13.15 Non-Discrimination. 13.16 Lot Rules. Tenant shall comply with all reasonable rules and regulations in place on the Commencement Date or thereafter promulgated in writing by City for use of the Premises.

13.17 City Use Paramount. Tenant affirms that the Premises are also actively used as the Maxwell Street Market. Tenant acknowledges that the most important use of the Premises is as part of the Maxwell Street Market. Tenant shall refrain from undertaking any activities that interfere with the Maxwell Street Market as determined solely by City. City reserves the right to terminate or suspend Tenant's access to the Premises at any time in the event any use interferes with the Maxwell Street Market.

13.18 No Other Rights. The execution of this Agreement does not give Tenant any other right with respect to the Premises. Any rights not expressly granted to Tenant through this Agreement are reserved exclusively to City. Unless otherwise specified in this Agreement, the execution of this Agreement does not obligate City to undertake any additional duties or to provide any services.

13.19 Default. Tenant must adhere to all provisions of this Agreement. Failure of Tenant to adhere to all provisions of this Agreement will result in default. In the event of such default, City will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within five (5) days. If Tenant does not cure such default within five (5) days, City may cancel this Agreement with ten (10) days written notice.

13.20 Economic Disclosure Statement and Affidavit ("EDS") Updates. Throughout the Term and during any holding over periods, Tenant shall provide City with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). City may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Agreement.

SECTION 14. TENANT DISCLOSURES AND REPRESENTATIONS

14.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City

Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

14.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

14.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

14.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

14.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

14.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with

the Office of the Inspector General and Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Lease, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110 et seq.

14.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 14.7(ii) above, or advocating a violation of Section 14.7(iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Commencement Date.

Full-sized copies of the Plans are on file with the Department. Any interior demising walls and other interior improvements and spaces shown on the Plans are for information only, and this Planned Development shall not be deemed to limit or prescribe the location of interior demising walls or other interior improvements or spaces.

This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a planned development. The provisions of this Planned Development are intended to apply to the Property and are in lieu of any conflicting, inconsistent or more restrictive provisions of the Chicago Zoning Ordinance.

In the event any provisions of this Planned Development conflict with the Night Game Ordinance (the ordinance adopted on June 5, 2013 and set forth in the *Journal of the Proceedings of the City Council of the City of Chicago* at pages 54974 through 54982), as the same may be amended from time to time, the provisions of the Night Game Ordinance, as may be amended, shall govern.

The following uses in the C2-5 Motor Vehicle-Related Commercial District are prohibited: Uses in the residential use group, Adult Use, Stables, Day Labor Employment Agency, Inter-Track Wagering Facility, Pay Day Loan Store, Pawn Shop, Poultry (including slaughtering with associated retail sales), Funeral and Internment Services, Gas Stations, Urban Farms, Construction Sales and Service, and Hookah Bars.

Subject to compliance with Statement 18, portions of the Property may be utilized on an interim basis for accessory and non-accessory parking, construction staging, construction support activities and the storage of construction materials for the various stages of development of the Property. All allowed uses of the Property may be operated indoors and outdoors.

6. In Subarea A, exterior on-premises signs are permitted subject to the review and approval of the Department and, if applicable, the Commission on Chicago Landmarks.

In Subarea B, exterior on-premises signs are permitted subject to the review and approval of the Department.

In Subarea C, exterior on-premises signs are permitted subject to the review and approval of the Department. Notwithstanding any provision of this Planned Development to the contrary, the existing off-premises billboard sign is permitted.

In Subarea D, exterior on-premises signs are permitted subject to the review and approval of the Department. Notwithstanding any provision of this

Planned Development to the contrary, the existing off-premises billboard sign is permitted prior to development of Subarea D as contemplated herein.

All Subareas: notwithstanding the foregoing, the Department shall approve all signs substantially conforming to the PD Signage Matrix. The PD Signage Matrix is incorporated herein and is hereby approved as an integral part of this Planned Development, the proposed expansion and renovation of Wrigley Field, and development and redevelopment of the Property as contemplated herein.

For the purposes of this Planned Development, any sign which identifies the name or sponsorship of any structure or designated area within the Property, such as "Captain Morgan Club", or any sponsor of the baseball team operating in the ballpark, or any sponsor of a retail showcase or other space within the Property, shall be deemed an on-premises sign and may be located in any subarea. Maximum total sign area shall be determined as set forth in the PD Signage Matrix. Interior signs are permitted and nothing in this Planned Development shall regulate any interior sign. Specifically, but without limitation, Applicant shall have the right to expand the Wrigley Field bleachers to install (i) a new video board in left field, which may include an LED sign, a neon illuminated sign above it and two light towers to assist in outfield lighting; and (ii) a neon sign in right field, which signage has been approved by the Commission on Chicago Landmarks and, in addition to being part of the bleacher expansion, and along with all other signage contemplated by this Planned Development, is integral to the expansion and renovation of Wrigley Field and the development and redevelopment of the Property as contemplated herein. In furtherance of the foregoing, and for the avoidance of doubt, a sign shall be deemed interior and inside Wrigley Field if: (1) the message face and the primary vertical structural supports of such sign are located entirely within the property lines of Subarea A (which property lines include vacated air rights); and (2) the primary audience for such sign is persons viewing (in person or on television) events inside the ballpark, regardless of whether the sign or any part thereof is legible or can be seen from the exterior of the ballpark or any adjacent right-of-way.

Signs set forth in the PD Signage Matrix, including, without limitation, all existing signs, are permitted and approved, subject where applicable to the review and approval of the Commission on Chicago Landmarks (i.e., signs attached to Protected Features of Wrigley Field). The Commission on Chicago Landmarks has approved a Master Sign Program governing certain signage in Subarea A. Nothing in this Planned Development or the PD Signage Matrix shall be deemed to regulate or limit any other sign exempt from regulation under Section 17-12-0500 of the Chicago Zoning Ordinance, or incidental, temporary and special events signage.

Solely as applied to the Property, this Planned Development and the PD Signage Matrix shall supersede any provisions of Title 17 of the Chicago Municipal Code which are inconsistent or in conflict with or more restrictive than the PD Signage Matrix, including, without limitation, Chapter 17-12 of the Zoning Ordinance.

7. Off-street parking and off-street loading shall be provided in compliance with the Bulk Regulations and Data Table and any exhibits attached hereto.

8. Any service drive or other ingress or egress shall be adequately designed and paved, in accordance with the regulations of the Department of Transportation in effect at the time of final design and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. Any changes to ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department.

9. As part of this Planned Development, infrastructure improvements will be undertaken as follows:

   -- a traffic signal at the intersection of Clark Street and Waveland Avenue;

   -- a traffic signal at the intersection of Clark Street and Roscoe Street;

   -- a traffic signal at the intersection of Clark Street and School Street.

   All of the foregoing infrastructure improvements will be designed and installed by the Department of Transportation and paid for using the CubFund, with an additional contribution from Applicant of an amount equal to the actual costs to install a traffic signal at the intersection of Clark Street and Waveland Avenue not to exceed in any event $350,000 and such additional contribution shall be used solely for this purpose and no other. Applicant will pay or reimburse, as the case may be, this amount to the Department of Transportation following written notice to the Department, the Department of Transportation and the Department of Buildings that Applicant intends to apply for a certificate of occupancy for the improvements in Subarea B. No certificate of occupancy may be issued until and unless said payment has been made, provided however a Certificate of Occupancy will not be denied or delayed if the City decides not to install the traffic signal at the intersection of Clark Street and Waveland Avenue or the installation is otherwise delayed. In addition, Applicant and the Department of Transportation have developed a hotel management plan for the hotel and related uses on Subarea D, which the Department of Transportation has approved. Further, Applicant and the Department of Transportation have developed a traffic management plan for game day traffic which the Department of Transportation has approved and Applicant and the Department of Transportation will continue to meet on an annual basis to review this game-day traffic management plan, evaluate the future traffic conditions and discuss any necessary modifications.

10. In addition to the maximum height of the building and any appurtenances attached thereto prescribed in this Planned Development, the height of any improvements shall be subject only to:

(a) height limitations established by the Federal Aviation Administration; and

(b) airport zoning regulations as established by the Department, the Department of Aviation and the Department of Law and approved by the City Council.

(c) For purposes of height measurement, the definitions in the Zoning Ordinance shall apply.

11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department. The fee shall be calculated in the same manner as is standard and generally applicable to all Part II fees, and is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

12. The maximum permitted floor area ratio for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For purposes of floor area ratio calculations and floor area measurements, the requirements of the Zoning Ordinance shall apply and the following additional exclusions shall also apply: (a) space devoted to mechanical equipment, if any, shall not be counted as floor area; (b) the seating bowl of the stadium will not be counted as floor area; and (c) all parking located on the Property shall be deemed accessory off-street parking and any space devoted to parking (including all lobbies, concourses and areas accessory thereto) shall not be counted as floor area.

13. Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The new buildings (i.e., those located on Subarea B and Subarea D) proposed to be constructed in the Planned Development at the date of this amendment shall be designed per LEED criteria with a green roof per the plans.

14. Applicant acknowledges it is in the public interest to design, construct and maintain the expansion and renovation of Wrigley Field and development and redevelopment of the Property as contemplated herein in a manner which promotes, enables and maximizes universal access throughout the Property. Prior to issuance of a permit, plans for all material new construction and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No building permits shall be granted for any material new construction or improvement until the Director of M.O.P.D. has approved detailed construction drawings for each such material new construction or improvement.

15. The Plans are hereby approved in their entirety and no further approvals shall be required under this Planned Development or the Zoning Ordinance for any use contemplated herein which is located or established in, on, over or above the improvements, facilities and spaces undertaken in accordance with the Plans other than Part II Approval (per Section 17-13-0610 of the Zoning Ordinance). Applicant and the Department, at either party's request, may continue to evolve the design of the building elevations on Subarea B and Subarea D and changes to such elevations, if any, shall, if mutually agreed, be approved by the Department administratively as a Minor Change. Uses which are allowed as set forth in statement 5 but which involve development of Subarea B and Subarea D in a manner which materially and significantly modifies the uses set forth in the Plans (i.e., do not include a hotel in Subarea D or an office building in Subarea B) must be submitted for Site Plan Approval to the Department prior to Part II Approval pursuant to this statement 15. Notwithstanding the foregoing, temporary or seasonal uses, including any of the special events and entertainment uses listed above, sidewalk and outdoor cafes, and any non-permanent structures, including without limitation farmer's markets, music performances, special events, movies, athletic contests and exhibitions, sidewalk and outdoor cafes, ice rinks, other events or uses of a temporary or seasonal nature and any non-permanent structures, shall not require Site Plan Approval. To the extent Site Plan Approval is required for Subarea B or Subarea D as set forth in this statement 15, Applicant shall, prior to Part II Approval, submit the information required in this statement 15 below for the specific subarea(s) for review and approval by the Department (the "Subarea Site Plan Approval Submittals"). Review and approval by the Department is intended to assure that specific development components substantially conform with this Planned Development and to assist the City in monitoring ongoing development. Subarea Site Plan Approval Submittals need only include the portion of the Property for which approval is being sought by Applicant. If Applicant is seeking approval of a portion of the Property which represents less than an entire subarea, Applicant shall also include a site plan for the area of the Property which is bounded on all sides by either public rights-of-way or the boundary of the nearest subarea. The site plan provided shall include all dimensioned and planned street rights-of-way. Site plans which propose new curb cuts or other changes to any rights-of-way must also receive Department of Transportation approval. If the Subarea Site Plan Approval Submittals substantially conform to the provisions of the Planned Development, the Department shall approve such submittal. Following approval by the Department, the approved Subarea Site Plan Approval Submittals, including supporting data and materials, shall be made part of the main file and shall be deemed an integral part of this Planned Development.

Any Subarea Site Plan Approval Submittals shall, at a minimum, provide the following information:

-- fully-dimensioned site plan (including a footprint of the proposed improvements);

-- fully-dimensioned building elevations;

-- fully-dimensioned landscape plan(s); and

-- statistical information applicable to the subject subarea, including floor area, the applicable FAR, uses to be established, building heights and setbacks.

Subarea Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

16. The terms, conditions and exhibits of this Planned Development may be modified, administratively, by the Commissioner of the Department upon the application for such a modification by Applicant or legal titleholder of the Property and after a determination by the Commissioner of the Department that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development. Any such modification of the requirements of the Planned Development by the Commissioner of the Department shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

17. Final landscape plan review and approval will be by the Department and will be approved provided it substantially conforms with the applicable Plans. In the event of any conflict or contradiction between, the Plans, on the one hand, and the Landscape Ordinance or the Sustainable Development Policy Matrix, on the other hand, the Plans shall control over the Landscape Ordinance and the Sustainable Development Policy Matrix. Any interim reviews associated with site plan review or Part II Reviews are conditional until final Part II Approval.

18. Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code or any other provision of that Code.

19. Unless construction of the improvements within Subarea A as contemplated by this Planned Development has commenced within six years following adoption of this Planned Development (subject to extension for one additional year as set forth in Section 17-13-0612 of the Chicago Zoning Ordinance), then this Planned Development shall expire by separately introduced ordinance, if any, and in such event the zoning of the Property shall revert to the C2-5 Motor Vehicle-Related Commercial District. It is understood this Planned Development involves a multi-phase development. Provided that this Planned Development has not expired pursuant to the previous sentence, then following the first six-year period governing Subarea A, including the additional one-year extension permitted, unless construction of the improvements as contemplated by this Planned Development has commenced within six years thereafter within either Subarea B or D, then this Planned Development shall expire, solely with respect to both such subareas, by separately introduced ordinance, if any, and in such event the zoning of such subareas shall revert to the C2-5 Motor Vehicle-Related Commercial District.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), Sections 2-120-630 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that the Augustus Warner House, located at 1337 North Dearborn Street, Chicago, Illinois, as more precisely described in Exhibit A attached hereto and incorporated herein (the "Building"), satisfies two (2) criteria for landmark designation as set forth in Sections 2-120-620 (4) and (5) of the Municipal Code; and

WHEREAS, The Building is a single-family house that exemplifies, at a high degree of design, craftsmanship and historic physical integrity, the Victorian-era taste for eclecticism in design; and

WHEREAS, The Building combines visual elements from both the English Queen Anne and Victorian Gothic architectural styles in a manner that exemplifies the Victorian love of eclectic, picturesque design. The Building is lavishly detailed with a variety of ornament executed in traditional building materials, including red Indiana pressed brick walls; red molded brick and architectural terra cotta trim; historic multi-paned windows; a visually-unusual and prominent wooden bay projecting from the Building's second floor and supported by wooden brackets; a historic glass-and-wood-paneled front door; and a limestone stoop with decorative-metal railings. The integrity of the Building's front facade -- historically the most important and visually dominant of the Building's facades -- is exceptional; and

WHEREAS, The Building is the work of Lawrence Gustav Hallberg, Sr. (the "Architect"), who was a significant Chicago architect in the late nineteenth and early twentieth centuries for his residential, institutional, educational and industrial architecture; and

WHEREAS, The Architect is significant for his designs of finely-designed and-crafted single-family houses built in fashionable late-nineteenth century Chicago neighborhoods. Built largely for upper middle-income clients, the Architect's houses were built in handsome period styles of the era, including Romanesque, Classical Revival, and Queen Anne, and finely detailed in traditional building materials, especially various kinds of pressed brick and stone; and

WHEREAS, The Architect is especially noteworthy for his designs for houses in the Gold Coast neighborhood on Chicago's Near North Side, which historically was Chicago's premiere residential neighborhood after its development in the late nineteenth and early twentieth centuries. The Architect was one of the most important architects working for Gold Coast clients, designing more than two dozen single-family houses and row houses in the neighborhood; and

WHEREAS, The Starling House at 1254 North Lake Shore Drive, designed by the Architect in 1892, is a contributing building in the Seven Houses on Lake Shore Drive Chicago Landmark District. The Seaverns House at 3831 South Michigan Avenue, designed in 1892 and 1893 by the Architect, became the South Side Community Art Center in 1940 and is an individual Chicago landmark; and

WHEREAS, The Architect is also noteworthy for his work for ethnic Swedish institutions. He designed a building for the Swedish Theological Seminary (now part of Kendall College) in Evanston in 1907 (identified as a contributing building in the National Register-listed Northeast Evanston Historic District). He also designed the Old Main Building built for Augustana College in Rock Island, Illinois, which is a grandly-scaled Classical Revival-style building built of buff-colored dolomite limestone quarried in Iowa. Old Main was individually listed on the National Register of Historic Places in 1969; and

WHEREAS, The Architect also designed buildings for two hospitals founded by Swedish religious denominations -- Swedish Covenant and Augustana hospitals. In 1889, the Architect designed the "Swedish Home of Mercy" for the Covenant denomination, and in 1892, he designed a building for Augustana Hospital in the Lincoln Park community area. Both buildings have been demolished; and

WHEREAS, In addition, the Architect designed the Women's Hospital, which stood at the northwest corner of West 32nd Street and South Rhodes Avenue in the Douglas community area on Chicago's South Side. Built in 1885, this hospital was founded to treat illnesses specific to women; this building has been demolished; and

WHEREAS, The Architect designed two medical college buildings (both demolished) for the Policlinic Medical School (a post-graduate school teaching medical specialties) in 1889 and the Women's Medical College (the only medical school in Chicago that admitted women at the time of its construction in 1885); and

WHEREAS, The Architect also is significant for his industrial designs. He designed the original section (1913 and 1914) of the Vasser Swiss Underwear Company Building at 2343 -- 2345 West Diversey Avenue (designated as a Chicago landmark in 2008). Other representative industrial buildings designed by the Architect include early buildings in the Stewart-Warner complex in the 1800 block of West Diversey Avenue (demolished) and the Dietzgen Company Building at 990 West Fullerton Avenue (a contributing building to the National Register-listed Sheffield Historic District); and

WHEREAS, Consistent with Section 2-120-630 of the Municipal Code, the Building has a significant historic, community, architectural, or aesthetic interest or value, the integrity of which is preserved in light of its location, design, setting, materials, workmanship, and ability to express such historic, community, architectural, or aesthetic interest or value; and

WHEREAS, On September 5, 2013, the Commission adopted a resolution recommending to the City Council of the City of Chicago (the "City Council") that the Building be designated a Chicago landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby adopted as the findings of the City Council.

SECTION 2. The Building is hereby designated a Chicago landmark in accordance with Section 2-120-700 of the Municipal Code.

SECTION 3. For purposes of Section 2-120-740 of the Municipal Code governing permit review, the significant historical and architectural features of the Building are identified as:

-- all exterior elevations, including rooflines, of the Building that are visible from public rights-of-way.

SECTION 4. For the purposes of Section 2-120-740 of the Municipal Code, the following "Additional Guidelines -- General" shall apply:

A. Pursuant to Section 2-120-740 of the Municipal Code, on August 1, 2013, the Permit Review Committee of the Commission approved, with conditions, a pre-permit submission, including drawings, for the rehabilitation of the Building (the "P.R.C. Project"). Notwithstanding the foregoing significant historical and architectural features listed above, all building alterations and / or additions contained in the P.R.C. Project shall be permitted.

B. For the purpose of Commission permit review, "public rights-of-way" does not include alleys.

SECTION 5. The Commission is hereby directed to create a suitable plaque appropriately identifying the Building as a Chicago Landmark.

SECTION 6. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 7. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 8. This ordinance shall take effect upon its passage and approval.

JOINT COMMITTEE.

COMMITTEE ON FINANCE

AND

COMMITTEE ON HEALTH AND ENVIRONMENTAL PROTECTION.

AMENDMENT OF CHAPTER 4-64 OF MUNICIPAL CODE BY ADDING NEW SECTION 4-64-098 AND MODIFYING SECTION 4-64-180 TO PROHIBIT SALE OF FLAVORED TOBACCO PRODUCTS IN PROXIMITY OF SCHOOLS.

[O2013-9185]

CHICAGO, December 11, 2013.

To the President and Members of the City Council:

Your Joint Committee on Finance and Committee on Health and Environmental Protection, having had under consideration an ordinance amending Chapter 4-64 of the Municipal Code of Chicago concerning the sale of flavored tobacco products, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Fioretti, Dowell, Burns, Hairston, Holmes, Harris, Beale, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, Thomas, Lane, O'Shea, Brookins, Muñoz, Zalewski, Chandler, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Sposato, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 48.

Nays -- Aldermen Sawyer, Cochran -- 2.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home rule unit of government under Article VII, Section 6(a) of the Illinois Constitution; and

WHEREAS, Pursuant to its home rule authority, the City may exercise any power and perform any function pertaining to its government and affairs, including promoting the public health; and

WHEREAS, To this end, the City's "Healthy Chicago" agenda seeks to reduce smoking among adults and youth; and

WHEREAS, Tobacco use is the single most preventable cause of disease and death in Chicago and the United States; and

WHEREAS, Tobacco use kills more people than murders, suicide, illegal drugs, alcohol, AIDS and car crashes combined; and

WHEREAS, A disproportionate number of these deaths occur in minority communities; and

WHEREAS, For each tobacco-related death, another 20 people struggle with one or more serious tobacco-related illnesses, including lung, oral and pharyngeal cancer, heart disease, and lung diseases such as emphysema and bronchitis; and

WHEREAS, Lifetime smoking and other tobacco use almost always begins before children graduate from high school; and

WHEREAS, According to the Surgeon General of the United States, approximately 90 percent of adult smokers started by age 18 and almost no one begins smoking after age 21; and

WHEREAS, The connection between children and tobacco is so strong that the United States Food and Drug Administration (FDA) has declared that smoking is "fundamentally a pediatric disease"; and

WHEREAS, In 2009, after the FDA removed candy-flavored cigarettes from the market, the tobacco industry immediately created candy-and fruit-flavored cigarillos and cigars; and

WHEREAS, White Owl blunts and cigarillos come in a variety of flavors including grape, strawberry, wild apple, pineapple, peach and watermelon; and

WHEREAS, Phillies Sugarillo Cigarillos are advertised with the tagline "When sweet isn't enough"; and

WHEREAS, Swisher Sweets come in kid-friendly flavors like peach, strawberry, tropical fusion, chocolate, grape and blueberry; and

WHEREAS, With colorful packaging and sweet flavors, these products are often hard to distinguish from the candy displays that they are frequently placed near the cash register in retail outlets; and

WHEREAS, Flavored tobacco products are often sold individually or in two-packs, increasing their affordability and appeal to children; and

WHEREAS, These dangerous and addictive products often cost less than a candy bar or an ice cream cone -- at less than $1.00 each, some flavored cigars are affordable to even the youngest customers and are an impulse purchase for many consumers; and

WHEREAS, Like traditional tobacco products, electronic smoking devices, such as e-cigarettes, come in numerous flavors, such as gummy bear, cotton candy, bubble gum, atomic fireball, cherry cola, cherry limeade, caramel candy and orange cream soda; and

WHEREAS, Progress in reducing use of tobacco products among youth is beginning to plateau; and

WHEREAS, Research shows menthol-flavored cigarettes in particular have slowed efforts to reduce youth smoking; and

WHEREAS, There is evidence of the continued advertisement of menthol-flavored products to youth, especially in minority communities; and

WHEREAS, Children aged 12 -- 17 smoke menthol-flavored products more than any other age group; and

WHEREAS, Use of menthol-flavored cigarettes is prevalent among child smokers in the Black (72%), Asian (51%), Hispanic (47%) and White (41%) communities; as well as among young lesbian/gay/bisexual/transgender (LGBT) smokers (71%); and

WHEREAS, The FDA has confirmed that menthol cigarettes are more addictive and harder to quit than unflavored cigarettes; and

WHEREAS, The anesthetic cooling effect of menthol facilitates initiation and early persistence of smoking by youth; and

WHEREAS, Through suppression of respiratory irritation, menthol may facilitate smoke inhalation and promote nicotine addiction and smoking-related morbidities; and

WHEREAS, Researchers at the Harvard School of Public Health have found that the tobacco industry employs "a deliberate strategy to recruit and addict young smokers by adjusting menthol to create a milder experience for the first-time smoker"; and

WHEREAS, Menthol may also inhibit the metabolism of nicotine, resulting in higher rates of addiction; and

WHEREAS, Tobacco retail density around schools has been shown to have a significant impact on the prevalence of youth experimental tobacco use; and

WHEREAS, After controlling for census tract-derived school neighborhood characteristics, Novak & Associates found the density of tobacco retailers in the Chicago area correlated with students' reported tobacco use; and

WHEREAS, A recent study reveals that the tobacco industry engages in predatory targeting of African-American youth by increasing promotions for Newport cigarettes by as much as 42 percent in areas surrounding high schools with predominantly African-American students; and

WHEREAS, This research also reveals that the industry lowers their prices for menthol-flavored cigarettes near schools where African-American students attend; and

WHEREAS, Because the risk of moving from experimental smoking to habitual smoking is greatest for adolescents, new policies are needed to reduce both the availability of cigarettes and the visibility of cigarette ads in adolescents' environments; and

WHEREAS, Health experts recommend that local governments use zoning and licensing laws to limit tobacco retail density, including limiting the proximity of tobacco outlets near schools; and

WHEREAS, After thoroughly researching the issue, the City of Chicago has concluded that prohibiting the sale of flavored tobacco products within 500 feet of schools is the least-burdensome effective tactic to combat the serious problem of youth tobacco use; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 4-64 of the Municipal Code of Chicago is hereby amended by inserting a new Section 4-64-098, as follows:

4-64-098 Flavored Tobacco Product Defined.

As used in this chapter:

"Flavored tobacco product" means any tobacco product that contains a constituent that imparts a characterizing flavor. As used in this definition, the term "characterizing flavor" means a distinguishable taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product, including, but not limited to, tastes or aromas of menthol, mint, wintergreen, chocolate, vanilla, honey, cocoa, any candy, any dessert, any alcoholic beverage, any fruit, any herb, and any spice; provided, however, that no tobacco product shall be determined to have a characterizing flavor solely because of the use of additives or flavorings or the provision of ingredient information. A public statement or claim made or disseminated by the manufacturer of a tobacco product, or by any person authorized or permitted by the manufacturer to make or disseminate such statements, that a tobacco product has or produces a characterizing flavor shall establish that the tobacco product is a flavored tobacco product.

SECTION 2. Section 4-64-180 of the Municipal Code of Chicago is hereby amended by inserting the language underscored, as follows:

4-64-180 Prohibited Locations.

(a) No person shall sell, give away, barter, exchange, or otherwise deal in tobacco products, tobacco product samples or tobacco accessories at any place located within 100 feet of any building or other location used primarily as a school, child care facility, or for the education or recreation of children under 18 years of age.

(b) No person shall sell, give away, barter, exchange, or otherwise deal in flavored tobacco products, samples of such products, or accessories for such products at any location that has a property line within 500 feet of the property line of any public, private, or parochial elementary, middle, or secondary school located in the City of Chicago. This subsection does not apply to retail tobacco stores. For purposes of this subsection, "retail tobacco store" has the meaning ascribed to the term in Section 7-32-010.

(c) The commissioner of business affairs and consumer protection and the commissioner of health are each authorized to promulgate any rules necessary to enforce this section.

SECTION 3. This ordinance shall take effect six months after passage and approval.
