8.10 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

8.11 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

8.12 No Third Party Benefits. This Agreement is made for the sole benefit of the City and the Developer and their respective successors and assigns and, except as otherwise expressly provided herein, no other party shall have any legal interest of any kind hereunder or by reason of this Agreement. Whether or not the City elects to employ any or all of the rights, powers or remedies available to it hereunder, the City shall have no obligation or liability of any kind to any third party by reason of this Agreement or any of the City's actions or omissions pursuant hereto or otherwise in connection herewith.

8.13 Joint and Several Liability. If more than one entity comprises the Developer, together such entities agree that they are jointly and severally liable to the City for the performance of all obligations under the ARO and this Agreement. Each obligation, promise, agreement, covenant, representation and warranty of each entity comprising the Developer shall be deemed to have been made by, and be binding upon, the other entities comprising the Developer. The City may bring an action against any such entity with respect to the obligations

under the ARO and this Agreement without regard to whether an action is brought against the other entities comprising the Developer.

8.14 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

8.15 Severability. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

8.16 New Tax Parcels. If the Cook County Assessor's Office grants a Petition for Division and/or Consolidation of the Off-Site Property, the Developer shall immediately (a) re-record this Agreement against any newly created tax parcels containing Affordable Units, and (b) deliver a copy of the re-recorded Agreement to the City.

8.17 Recordkeeping and Reporting. Upon request of the Department, the Developer shall promptly provide any additional information or documentation requested in writing by the Department to verify the Developer's compliance with the provisions of this Agreement. At the written request of the Department, the Developer shall, within a reasonable time following receipt of such request, furnish reports and shall give specific answers to questions upon which information is desired from time to time relative to the income, assets, liabilities, contracts, operations, and condition of the Acquired Property and the Off-Site Property, and the Developer's compliance with this Agreement.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first above written.

SALE OF CITY-OWNED PROPERTIES AT 4317 S. CALUMET AVE. AND 4512 S. INDIANA AVE. TO WADE ENTERPRISE & ASSOCIATES, INC. AND AT 4412 S. CALUMET AVE. TO R & D BUILDERS LLC UNDER THIRD WARD PARADE OF HOMES PROGRAM.

[O2018-5858]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Housing and Real Estate, for which a meeting was held on July 23, 2018, having had under consideration the ordinance introduced by Mayor Rahm Emanuel on June 27, 2018, this being the sale of City-owned properties at 4317 South Calumet Avenue, 4512 South Indiana Avenue and 4412 South Calumet Avenue in the Third Ward Parade of Homes Program, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,
Chairman.

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solís, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City's Department of Planning and Development (the "Department") has previously established the Third Ward Parade of Homes Program (the "Program"), which is intended to stimulate the development of market-rate housing west of King Drive in the Grand Boulevard community; and

WHEREAS, Pursuant to an ordinance ("Original Ordinance") passed by the City Council of the City (the "City Council") on March 29, 2017, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for such date at pages 44637 through 44678, the City Council authorized the City's sale of that certain City-owned property ("Property") identified in Exhibit A of the Original Ordinance to the following developers, or to a land trust of which any such developer is the sole beneficiary, or to an entity of which any such developer is the sole owner and the controlling party, or to an entity with the same owners (including percentages of ownership interest) and controlling parties as any such developer: (i) R & D Builders LLC, an Illinois limited liability company, located at 3935 South Wells Street, Number 1, Chicago, Illinois; (ii) Click Development LLC, an Illinois limited liability company, located at 427 East 48th Street, Number 2, Chicago, Illinois; (iii) Urban Equities, Inc., an Illinois corporation, located at 1016 West Jackson Boulevard, Chicago, Illinois; (iv) Wade Enterprise & Associates, Inc., an Illinois corporation, located at 3205 South Rhodes Avenue, Chicago, Illinois; and (v) Greenline Development, Inc., an Illinois corporation, located at 6625 South Ingleside Avenue, Chicago, Illinois (each such entity, a "Developer", and collectively, "Developers"); and

WHEREAS, The sale of the Property to each Developer was expressly conditioned upon the City entering into a redevelopment agreement with such Developer substantially in the form attached to the Original Ordinance as Exhibit B ("Redevelopment Agreement"); and

WHEREAS, The City has entered into a Redevelopment Agreement with each of the Developers, other than Urban Equities, Inc.; and

WHEREAS, Each Developer, other than Urban Equities, Inc., has acquired its first parcel under the Program from the City for the purchase price of One and no/100 Dollar (\$1.00); and

WHEREAS, Each Developer shall acquire subsequent parcels under the Program for a purchase price equal to fifty percent (50%) of each such lot's appraised value; and

WHEREAS, The Department proposes to add the following three (3) parcels to the Program: 4317 South Calumet Avenue (Property Index Number 20-03-305-003-0000), 4512 South Indiana Avenue (Property Index Number 20-03-314-019-0000) and 4412 South Calumet Avenue (Property Index Number 20-03-310-020-0000) (collectively, the "Additional Properties"); and

WHEREAS, Exhibit A of the Original Ordinance is amended to include the Additional Properties; and

WHEREAS, Pursuant to ordinances adopted by the City Council on March 27, 2002, and published in the *Journal* for such date: (i) a certain redevelopment plan and project ("Plan") for the 47th/King Drive Tax Increment Financing Redevelopment Project Area ("Area") was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, et seq.) (the "Act"); (ii) the Area was designated as a redevelopment project area pursuant to the Act; and (iii) tax increment financing was adopted pursuant to the Act as a means of financing certain Area redevelopment project costs (as defined in the Act) incurred pursuant to the Plan; and

WHEREAS, The Plan and the use of tax increment financing provide a mechanism to support new growth through leveraging private investment, and helping to finance land acquisition, demolition, remediation, site preparation and infrastructure for new development in the Area; and

WHEREAS, The use of the Additional Properties for the Program is consistent with the Plan for the Area; and

WHEREAS, By Resolution Number 17-086-21, adopted by the Plan Commission of the City of Chicago (the "Plan Commission") on December 21, 2017, the Plan Commission recommended the sale of the Additional Properties; and

WHEREAS, By Resolution Number 17-CDC-27 through 17-CDC-29, adopted on December 12, 2017, the Community Development Commission authorized the Department to advertise its intent to negotiate a sale for each of the Additional Properties with the Developers and to request alternative proposals for development; and

WHEREAS, Public notices advertising the intent of the Department to enter into a negotiated sale with Developers for the Additional Properties and requesting alternative proposals appeared in the *Chicago Sun-Times* on March 22 and 29, and April 5, 2018; and

WHEREAS, No alternative proposals have been received by the deadline set forth in the aforesaid public notices; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the Additional Properties to the Developers identified in Exhibit 1 for the respective purchase price set forth in such Exhibit 1, is hereby approved. This approval is expressly conditioned upon the City amending Exhibit A of each applicable Redevelopment Agreement consistent with Exhibit 1 attached hereto. The Commissioner of the Department, or any successor department thereto (the "Commissioner"), or a designee of the Commissioner, is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver such amendments to the Redevelopment Agreements and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of each such amendment, with such changes, deletions and insertions as shall be approved by the persons executing such amendments. The Commissioner shall have the discretion to re-distribute the Property and the Additional Properties among the Developers, as the Commissioner determines in his sole discretion.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying each parcel of the Additional Properties to the applicable Developer, or to a land trust of which such Developer is the sole beneficiary, or to an entity of which such Developer is the sole owner and the controlling party, or to an entity with the same owners (including percentages of ownership interest) and controlling parties as such Developer, subject to those covenants, conditions and restrictions set forth in the Redevelopment Agreement, as amended.

SECTION 4. Subject to the approval of the City's Corporation Counsel as to form and legality, the Commissioner of the City's Department of Fleet and Facility Management, or a designee of such commissioner, is each hereby authorized to negotiate and execute on behalf of the City right-of-entry agreements with the Developers for the purpose of permitting the Developers to perform environmental testing and post signage relating to the Program on the Additional Properties, for a term not to exceed one (1) year.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall take effect immediately upon its passage and approval.

Exhibit 1 referred to in this ordinance reads as follows:

REMOVAL OF PERPETUAL USE RESTRICTION CONTAINED IN PRIOR SALE BY QUITCLAIM DEED OF CITY-OWNED PROPERTY AT 1806 S. RIDGEWAY AVE. TO ISRAEL OF GOD'S CHURCH, WHITE HORSE ARMY.

[O2018-5417]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Housing and Real Estate, for which a meeting was held on July 23, 2018, having had under consideration the ordinance introduced by Mayor Rahm Emanuel on June 27, 2018, this being release from open space use restriction on 1806 South Ridgway Avenue, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,
Chairman.

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City sold by quitclaim deed ("Deed") the real property commonly known as 1806 South Ridgeway Avenue, Chicago, Illinois, legally described on Exhibit A attached hereto (the "Property"), to Israel of God's Church, White Horse Army, an Illinois not-for-profit corporation (the "Owner"), on June 1, 2004, for Nine Thousand One Hundred Seventy Dollars (\$9,170); and

WHEREAS, The conveyance was subject to the express conditions that: 1) the Property be improved with landscaped open space within six (6) months from the date of the deed, and 2) the Property be used as open space in perpetuity; and

WHEREAS, The Deed provides that the City may re-enter the Property and revest title in the City if the conditions are not met; and

WHEREAS, This right of reverter and re-entry in favor of the City terminates forty years from the date of the deed; and

WHEREAS, The Property has been landscaped and maintained as open space as required; and

WHEREAS, The Owner seeks to expand its adjacent church building onto the Property and requests the removal of the perpetual use restriction; and

WHEREAS, The Department of Planning and Development (the "Department") has reviewed the Owner's plans and determined that the release of the deed restriction is in the best interests of the City; and

WHEREAS, The appraised value of the Property, free and clear of all deed restrictions, was \$7,500 as of August 16, 2017, which is less than the Owner paid to acquire the Property in 2004; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council of the City hereby consents to removal of the perpetual use restriction contained in the Deed.

SECTION 3. The Commissioner of the Department (the "Commissioner") or a designee of the Commissioner is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to execute and record a release of the open space deed restriction and the City's associated reversionary interest in the Property, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of this ordinance.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

COMMITTEE ON HUMAN RELATIONS.

CALL ON UNITED STATES CONGRESS TO ENACT LEGISLATION BANNING SEPARATION OF IMMIGRANT PARENTS AND CHILDREN AT UNITED STATES BORDER.

[R2018-683]

The Committee on Human Relations submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Human Relations, to which was referred a resolution introduced by Mayor Rahm Emanuel, City Clerk Anna Valencia, together with Alderman Solis and others, concerning Federal immigration policy, having the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a unanimous vote of the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) PAT DOWELL,
Chairman.

On motion of Alderman Dowell, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Trump administration's misguided efforts to enforce our broken and ineffective immigration laws have now resulted in immigrant parents being forcefully taken from their children at our nation's borders, with both children and parents being detained as prisoners; and

WHEREAS, The heartbreaking images and sounds of traumatized parents and children sobbing and calling for each other have filled the newspapers and airwaves, and we can now bear witness to our mighty nation bullying a vulnerable and weak population that came to the United States seeking relief from oppression in their home countries; and

WHEREAS, More than 2,000 innocent children have been cruelly separated from their parents at the U.S. border since April 19, 2018. In one facility, 200 unaccompanied children stay in cages with up to 20 children per cage, using foil sheets as blankets, while children teach each other how to change a diaper in order to help an infant placed alone in the facility; and

WHEREAS, President Trump's executive order issued on June 20, 2018, that supposedly ended the practice of family separation offers little security for families seeking a better life and no relief for the thousands of families already separated by these policies. The executive order does nothing to stop the treatment of border crossings as criminal matters, and leaves open the question of whether parents and children will be detained in jail facilities or housed in shelters; and

WHEREAS, The family is a central structure inspired by our spiritual, cultural and democratic ideals of what is right and just, and separation of children from their mother or father -- or from both -- is a violation of basic human rights that should be afforded to all children; and

WHEREAS, The psychological, educational, health, and economic effects of separating children from their parents are devastating and traumatic to the affected children; and

WHEREAS, The children caught up in our nation's immigration system are the least culpable and the most vulnerable victims, and are being forced every day to endure the unimaginable pain of family separation; and

WHEREAS, The City of Chicago continues to welcome all immigrants, refugees, and undocumented people and their families, and has steadfastly defended its values as a Welcoming City in the face of repeated attacks from the Trump administration and political pundits alike; and

WHEREAS, As a Welcoming City, Chicago emphasizes humanity in the dialogue about immigration policy, and recognizes the enormity of the struggle immigrant families endure in the face of an unprecedented increase in deportations. These deportations have torn families apart, and the uncertainties caused by the Trump administration's immigration policies continue to threaten the sanctity of families across our nation; and

WHEREAS, Congress must act immediately to stop the unconscionable practice of separating families. Congress must take immediate steps to end this suffering by adopting protections for undocumented immigrants and protecting the sanctity of families; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council assembled this 27th day of June 2018, call upon Congress to pass legislation with all deliberate speed that stops the separation of immigrant parents and their children at the U.S. border; and

Be It Further Resolved, That suitable copies of this resolution be presented to the Illinois delegation to the United States Congress as a sign of our dedication to and support of this critical issue.

COMMITTEE ON LICENSE AND CONSUMER PROTECTION.

AMENDMENT OF SECTION 3-24-030 OF MUNICIPAL CODE BY IMPOSING SURCHARGE UPON VACATION RENTAL AND SHARED HOUSING UNITS. [O2018-4988]

The Committee on License and Consumer Protection submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on License and Consumer Protection, having under consideration an ordinance introduced by Mayor Rahm Emanuel and the Commissioner of the Department of Business Affairs and Consumer Protection (which was referred on June 27, 2018), to amend Section 3-24-030 of the Municipal Code of Chicago regarding a surcharge associated with shared housing and vacation rentals, begs leave to recommend that Your Honorable Body *Pass* the ordinance which is transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee on July 18, 2018.

Respectfully submitted,

(Signed) EMMA MITTS,
Chairman.

On motion of Alderman Mitts, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 3-24-030 of the Municipal Code of Chicago is hereby amended by inserting the language underscored, as follows:

3-24-030 Tax Imposed.

(Omitted text is unaffected by this ordinance.)

B. In addition to the tax imposed under subsections A and C of this section, there is hereby imposed and shall immediately accrue and be collected a surcharge, as herein provided, upon the rental or leasing of any hotel accommodations at any vacation rental or shared housing unit in the City of Chicago, at the rate of four percent of the gross rental or leasing charge. The purpose of this surcharge is to fund supportive services attached to permanent housing for homeless families and to fund supportive services and housing for the chronically homeless. Up to eight percent of the revenue from the surcharge shall be used for the City's administration and enforcement of Section 4-6-300 and Chapter 4-14 of the Code, as needed. The remaining revenue from the surcharge shall be used to fund supportive services attached to permanent housing for homeless families and supportive services and housing for the chronically homeless. The surcharge is a part of the tax imposed by this Chapter, and all references to the tax shall be deemed to include the surcharge.

C. In addition to the tax imposed under subsections A and B of this section, there is hereby imposed and shall immediately accrue and be collected a surcharge, as herein provided, upon the rental or leasing of any hotel accommodations at any vacation rental or shared housing unit in the City of Chicago, at the rate of two percent of the gross rental or leasing charge. The purpose of this surcharge is to fund housing and related supportive services for victims of domestic violence. Up to eight percent of the revenue from the surcharge shall be used for the City's administration and enforcement of Section 4-6-300 and Chapter 4-14 of the Code, as needed. The remaining revenue from the surcharge shall be used to fund housing and related supportive services for victims

of domestic violence. The surcharge is a part of the tax imposed by this chapter, and all references to the tax shall be deemed to include the surcharge.

SECTION 2. This ordinance shall take full force and effect on the first day of the first month that begins at least 60 days after passage and publication of this ordinance.

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Pedestrian and Traffic Safety, to which were referred proposed ordinances and orders to erect and/or amend traffic warning signs and signals, begs leave to recommend that Your Honorable Body do *Pass* the proposed substitute ordinance submitted herewith.

This recommendation was concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) WALTER BURNETT, JR.,
Chairman.

On motion of Alderman Burnett, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadiowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Silverstein -- 49.

Nays -- None.

Alderman Harris moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Pursuant to Title 9, Chapter 64 of the Municipal Code of Chicago, the Commissioner of Transportation is hereby authorized and directed to erect and/or amend traffic warning signs and signals, for the following locations as hereby designated:

Ward	Location And Type Of Sign
8	East 78 th Street and South Maryland Avenue -- "All-Way Stop" sign, stopping all approaches (18-01729418);
14	West 48 th Street and South Campbell Avenue -- "All-Way Stop" sign, stopping all approaches (18-01731543);
15	South Wolcott Avenue and West 43 rd Street -- "All-Way Stop" sign, stopping all approaches;
15	South Hoyne Avenue and West 49 th Place -- "All-Way Stop" sign, stopping all approaches;
15	West 48 th Street and South Campbell Avenue -- "All-Way Stop" sign, stopping all approaches;
15	West Pope John Paul II Drive and South Fairfield Avenue -- "All-Way Stop" sign, stopping all approaches;
15	West Pope John Paul II Drive and South Washtenaw Avenue -- "All-Way Stop" sign, stopping all approaches;

Ward	Location And Type Of Sign
15	South Francisco Avenue and West 42 nd Street -- "All-Way Stop" sign, stopping all approaches;
23	South Homan Avenue and West 61 st Street -- "Two-Way Stop" sign, stopping north- and southbound traffic;
28	West 5 th Avenue and South Whipple Street -- "All-Way Stop" sign, stopping all approaches. Not recommended. CDOT does not recommend stop signs on the main line of T-intersections due to low stop compliance. Additionally, due to the intersection's proximity to the traffic signal at West 5 th Avenue and South Sacramento Boulevard, motorists will likely speed to catch the green light and disregard the stop sign (18-01131889);
30	North Lamon Avenue and West Warwick Avenue -- "All-Way Stop" sign, stopping all approaches (18-01728925);
34	South Laflin Street and West 122 nd Street -- "All-Way Stop" sign, stopping all approaches (18-01738166);
39	North Rodgers Avenue and North Kenneth Avenue -- "All-Way Stop" sign, stopping all approaches;
40	North Ravenswood Avenue and West Highland Avenue -- "Stop" sign, stopping northbound traffic on North Ravenswood Avenue at West Highland Avenue. Not recommended. CDOT does not recommend stop signs on the main line of T-intersections due to low stop compliance (17-08067949);
41	West Jarvis Avenue and North Oconto Avenue -- "All-Way Stop" sign, stopping all approaches (18-01738362);
44	West Grace Street at North Bosworth Avenue -- "Stop" sign, stopping eastbound traffic on West Grace Street at North Bosworth Avenue. Not recommended. CDOT does not recommend stop signs on the main line of T-intersections due to low stop compliance. Stopping eastbound traffic would result in confusing traffic operations at this intersection (18-01831542).

SECTION 2. This ordinance shall take effect and be in force hereinafter its passage and publication.

ESTABLISHMENT OF "ABANDONED VEHICLES" SIGN ON PORTION OF
N. MAGNOLIA AVE.

[SO2018-6072]

The Committee on Pedestrian and Traffic Safety submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Pedestrian and Traffic Safety, to which was referred a proposed ordinance to establish abandoned vehicles on portion of North Magnolia Avenue, begs leave to recommend that Your Honorable Body do *Pass* the proposed substitute ordinance submitted herewith.

This recommendation was concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) WALTER BURNETT, JR.,
Chairman.

On motion of Alderman Burnett, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Harris moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Commissioner of Transportation is hereby authorized and directed to establish "Abandoned Vehicles" sign at the below listed location:

Ward	Location
48	5200 -- 5599 North Magnolia Avenue: 5200 -- 5599 North Magnolia Avenue (east and west sides) -- "Notice Vehicles That Are Not Moved For 7 Days May Be Towed By City Ordinance 9-80-110 As Abandoned Vehicles" sign.

SECTION 2. This ordinance shall take effect and be in force hereinafter its passage and publication.

ESTABLISHMENT AND AMENDMENT OF RESERVED DISABLED PARKING ON PORTIONS OF SUNDRY STREETS.

[SO2018-6068]

The Committee on Pedestrian and Traffic Safety submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Pedestrian and Traffic Safety, to which was referred proposed miscellaneous ordinances to amend reserved parking (2 percent disabled) on portions of sundry streets, begs leave to recommend that Your Honorable Body do *Pass* the proposed substitute ordinance submitted herewith.

This recommendation was concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,
(Signed) WALTER BURNETT, JR.,
Chairman.

On motion of Alderman Burnett, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Harris moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Commissioner of Transportation is hereby authorized and directed to install and/or amend reserved parking (2 percent disabled) signs at the below listed locations:

Ward	Location
30	2851 North Lawndale Avenue: repeal reserved parking (2 percent disabled) by striking the above;
50	West Devon Avenue (south side) from a point 140 feet east of North Rockwell Street to a point 20 feet east thereof -- reserved parking (2 percent disabled) -- 10:00 A.M. to 10:00 P.M. -- all days (public benefit) (18-01739440).

SECTION 2. This ordinance shall take effect and be in force hereinafter its passage and publication.

ESTABLISHMENT OF ONE-HOUR PARKING RESTRICTION ON PORTION OF S. SANGAMON ST.

[SO2018-6067]

The Committee on Pedestrian and Traffic Safety submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Pedestrian and Traffic Safety, to which was referred a proposed ordinance to amend a no parking zone and establish one-hour parking on portion of South Sangamon Avenue, begs leave to recommend that Your Honorable Body do *Pass* the proposed substitute ordinance submitted herewith.

This recommendation was concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) WALTER BURNETT, JR.,
Chairman.

On motion of Alderman Burnett, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Harris moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Commissioner of Transportation is hereby authorized and directed to establish and/or amend a one-hour parking restriction at the below listed locations:

Ward	Location
------	----------

25	South Sangamon Street: amend ordinance passed October 3, 2012 (<i>Journal of the Proceedings of the City Council of the City of Chicago</i> , page 35389) which reads: "South Sangamon Street (east side) from a point 21 feet north of West Jackson Boulevard to a point 60 feet north thereof -- no parking loading zone -- 7:00 A.M. to 8:00 P.M." by striking: "no parking loading zone" and inserting: "one-hour parking" in lieu thereof.
----	--

SECTION 2. This ordinance shall take effect and be in force hereinafter its passage and publication.

Failed To Pass -- VARIOUS TRAFFIC REGULATIONS, TRAFFIC SIGNS, ET CETERA.

(Adverse Committee Recommendations)

[SO2018-6074]

The Committee on Pedestrian and Traffic Safety submitted a report recommending that the City Council do not pass sundry proposed ordinances and proposed orders (transmitted with the committee report) relating to traffic regulations, traffic signs, et cetera.

Alderman Burnett moved to *Concur In* the committee's recommendation. The question in reference to each proposed ordinance or proposed order thereupon became: "*Shall the proposed ordinances or proposed orders pass, notwithstanding the committee's adverse recommendation?*" and the several questions being so put, each of the said proposed ordinances and proposed orders *Failed to Pass* by yeas and nays as follows:

Yeas -- None.

Nays -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Alderman Harris moved to reconsider the foregoing vote. The motion was lost.

The committee report listing said ordinances and orders which failed to pass reads as follows:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Your Committee on Pedestrian and Traffic Safety begs leave to recommend that Your Honorable Body *Do Not Pass* the sundry proposed ordinances and orders submitted herewith which were referred to the Committee on Pedestrian and Traffic Safety concerning traffic regulations and traffic signs, et cetera, as follows:

Parking Prohibited At All Times -- Disabled:

Ward	Location
50	6112 North Mozart Street -- Disabled Parking Permit Number 115104.

Repeal Loading/Standing Zones:

Ward	Location
48	6019 North Kenmore Avenue -- repeal disabled loading zone. Not recommended. Request withdrawn by alderman (18-00531822).

Residential Permit Parking Zones:

Ward	Location
26	2600 -- 2699 West Potomac Avenue (north and south sides) -- residential permit parking zone. Not recommended.
26	2300 -- 2399 West Ohio Street (north and south sides) -- residential permit parking zone. Not recommended.
28	3300 -- 3399 West Van Buren Street (north and south sides) -- residential permit parking zone. Not recommended. Duplicate of Or2018-318.

Ward	Location
30	2600 -- 2659 North Menard Avenue (east and west sides) from West Wrightwood Avenue to West Schubert Avenue -- residential permit parking zone. Not recommended.
31	5300 -- 5399 West Nelson Street (north and south sides) between North Lockwood Avenue to North Long Avenue -- residential permit parking zone. Not recommended.
35	3900 -- 3999 North St. Louis Avenue (east and west sides) -- Residential Permit Parking Zone 114. Not recommended. Duplicate of O2018-4936.
36	West Shakespeare Avenue, (east and west sides) from 2100 to 2159 North Mobile Avenue -- residential permit parking zone. Not recommended.
36	36 West Shakespeare Avenue, (east and west sides) from 2200 to 2259 North Parkside Avenue -- residential permit parking zone. Not recommended.

Single Direction:

Ward	Location
26	West Cortland Street, from North Pulaski Road to North Lawndale Avenue -- single direction -- southerly. Not recommended. West Cortland Street is a two-way local road between North Pulaski Road and North Lawndale Avenue. West Cortland Street is an east/west street. Therefore, CDOT does not recommend this one-way conversion ordinance (18-01731940).
26	West Le Moyne Street, from North Kildare Avenue to North Tripp Avenue -- single direction -- easterly. Not recommended. West Le Moyne Street operates as a two-way local road east of North Kildare Avenue and as a one-way eastbound local road west of North Kildare Avenue. North Tripp Avenue operates as a two-way local road south of West Grand Avenue and dead-ends into West Le Moyne Street. Southbound motorists on North Tripp Avenue would reach a dead-end at West Le Moyne Street without a turnaround location if West Le Moyne Street, east of North Kildare Avenue, was converted to a one-way eastbound road. Therefore, CDOT does not recommend converting West Le Moyne Street to a single direction eastbound street east of North Kildare Avenue (18-01731922).

Traffic Warning Signs And/Or Signals:

Ward	Location
13	West 59 th Street and South Komensky Avenue -- "Two-Way Stop" sign. Not recommended. West 59 th Street is a major collector roadway with significantly higher traffic volumes than South Komensky Avenue, a one-way northbound residential street. Stop signs on streets with higher volumes such as West 59 th Street tend to increase rear-end crashes, increase congestion, and create a false sense of security for pedestrians that every vehicle will stop. Stop compliance is particularly low at T-intersections. Additionally, due to this intersection's proximity to the traffic signal at West 59 th Street and South Pulaski Road, a stop sign at South Komensky Avenue will be unexpected for drivers. Therefore, CDOT does not recommend an "All-Way Stop" sign at this intersection (18-01731514).
21	West 95 th Street and South Eggleston Avenue -- "Stop" sign, stopping east- and westbound traffic on West 95 th Street. Not recommended. West 95 th Street is a major arterial roadway with significantly higher traffic volumes than South Eggleston Avenue, a local street. Stop signs on streets with higher volumes such as West 95 th Street tend to increase rear-end crashes, increase congestion, and create a false sense of security for pedestrians that every vehicle will stop. Stop compliance is particularly low at T-intersections. Additionally, there is an existing pedestrian refuge island on West 95 th Street at the south leg of South Eggleston Avenue that allows pedestrians to cross traffic one direction at a time. Therefore, CDOT does not recommend an "All-Way Stop" sign at this intersection (18-01381289).

These *Do Not Pass* recommendations were concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) WALTER BURNETT, JR.,
Chairman.

COMMITTEE ON PUBLIC SAFETY.

APPOINTMENT OF JOSEPH L. LIPARI AS DEPUTY INSPECTOR GENERAL FOR PUBLIC SAFETY.

[A2018-82]

The Committee on Public Safety submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Reporting for your Committee on Public Safety, for which a meeting was held on July 19, 2018, having had under consideration the appointment of Joseph L. Lipari as the Deputy Inspector General for Public Safety, begs leave to report and recommend that Your Honorable Body *Approve* the proposed appointment transmitted herewith

This recommendation was concurred in by a voice vote of the members of this committee.

Respectfully submitted,

(Signed) ARIEL REBOYRAS,
Chairman.

On motion of Alderman Reboyras, the committee's recommendation was *Concurred In* and the said proposed appointment of Joseph L. Lipari as the Deputy Inspector General for Public Safety was *Approved* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose to congratulate Joseph Lipari on the confirmation of his appointment as Deputy Inspector General for Public Safety and express his support for and confidence in Mr. Lipari as he assumes this challenging new role.

ADOPTION OF COOK COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN AND CITY OF CHICAGO ANNEX TO PLAN.

[R2018-676]

The Committee on Public Safety submitted the following report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Reporting for your Committee on Public Safety, for which a meeting was held on July 19, 2018, having had under consideration a resolution adopting the Cook County Multi-Jurisdictional Hazard Mitigation Plan and the City of Chicago annex to the plan, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a voice vote of the members of this committee.

Respectfully submitted,

(Signed) ARIEL REBOYRAS,
Chairman.

On motion of Alderman Reboyras, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Federal Disaster Mitigation Act of 2000 (Public Law 106-390, enacted October 30, 2000) requires jurisdictions to adopt a Hazard Mitigation Plan on a form approved by the Federal Emergency Management Agency ("FEMA") to enable local eligibility for future hazard mitigation grant funds; and

WHEREAS, The Hazard Mitigation Grant Program ("HMGP") is a program managed by the State of Illinois to administer funds from FEMA; and

WHEREAS, The intent of the HMGP is to reduce the risk of future damage, hardship, loss, or suffering caused by natural hazards by providing financial support to carry out cost-effective hazard mitigation projects and plans as required of state and local governments as a condition of receiving federal disaster and emergency management assistance; and

WHEREAS, Proactive mitigation of known natural hazards before a disaster event occurs can reduce or eliminate long-term risk to life and property; and

WHEREAS, The current Hazard Mitigation Plan ("City HMP") of the City of Chicago ("City") expires in August, 2018; and

WHEREAS, In lieu of creating a new City HMP to replace the expiring City HMP, the City of Chicago seeks to adopt Volume 1 of the Cook County Multi-Jurisdictional Hazard Mitigation Plan ("County HMP") to enhance regional collaboration, as well as a City jurisdictional annex document ("City Annex") to the County HMP; now, therefore,

Be It Resolved:

The City:

- 1.) Adopts Volume 1 -- Planning-Area-Wide Elements of the County HMP, attached hereto as Exhibit A, effective immediately.
- 2.) Adopts the City Annex, attached hereto as Exhibit B, as the City's annex to Volume 2 of the County HMP, effective immediately upon the expiration of the City HMP.
- 3.) Will use the adopted and approved portions of the County HMP, and the City Annex, to guide pre-and post-disaster mitigation of the natural hazards identified therein.
- 4.) Will coordinate the strategies identified in the County HMP and the City Annex with other planning programs and mechanisms under the City's jurisdictional authority.
- 5.) Will continue its support of the County HMP Steering Committee and continue to participate in the Planning Partnership as described by the County HMP.
- 6.) Will help to promote and support the mitigation successes of all Planning Partners participating in the County HMP.

Exhibits "A" and "B" referred to in this resolution read as follows:

Exhibit "A".

EXECUTIVE SUMMARY

Hazard mitigation is the use of long-term and short-term policies, programs, projects, and other activities to alleviate the death, injury, and property damage that can result from a disaster. Cook County and a coalition of 114 planning partners (115 partners total) prepared the Cook County Multi-Jurisdictional Hazard Mitigation Plan in order to identify the risks posed by hazards and find ways to reduce their impacts. The plan reduces risk for those who live in, work in, and visit the County.

COOK COUNTY OVERVIEW

Cook County is located in northeast Illinois on the western shore of Lake Michigan (see Figure 2-1). It is the most populous of Illinois' 102 counties, with a 2013 estimated population of 5.24 million. It is the sixth largest county in the state by area, covering 946 square miles. Cook County makes up approximately 40 percent of the population of Illinois. The surrounding counties are Lake and McHenry to the north, Kane and DuPage to the west, and Will to the southwest. Lake Michigan is the county's eastern border.

Cook County is the second most populous county in the United States, after Los Angeles County. The county contains 134 municipalities, covering about 85 percent of the area of the county. The remaining unincorporated areas are under the jurisdiction of the Cook County Board of Commissioners, a 17-member board elected by district.

The planning area's economy is strongly based in the educational services, health care, and social assistance industry, followed by the professional, scientific, management, administrative, and waste management industries. Major businesses include the U.S. Government, Jewel-Osco, United Airlines, Motorola, Abbot Laboratories, Target Corporation, Walgreens, Bank One, and Sears, Roebuck and Company. Major educational and research institutions in the county include Northwestern University, Loyola University, DePaul University, the University of Chicago, and the University of Illinois at Chicago.

Cook County has experienced 19 hazard events since 1967 for which federal disaster declarations were issued. The Spatial Hazard Events and Losses Database for the United States (SHELDUS), maintained by the University of South Carolina, includes many more hazard events. For Cook County, SHELDUS lists 748 instances of monetary or human loss due to a hazard event.

PARTICIPATING PARTNERS AND THE PLANNING AREA

The responsibility for hazard mitigation lies with many, including private property owners; business and industry; and local, state, and federal government. Through multi-jurisdictional partnerships, local jurisdictions within an area that has uniform risk exposure can pool resources and eliminate redundant planning activities. Cook County opened this planning effort to all municipalities within the County. Table ES-1 lists the planning partners that participated in the planning process and are covered under this plan. The planning area was defined as all incorporated and unincorporated areas of Cook County as well as the incorporated areas of cities that cross county boundaries. The planning area boundary is shown on Figure 2-1.

PLAN DEVELOPMENT AND ORGANIZATION

The Cook County Multi-Jurisdictional Hazard Mitigation Plan was developed under a grant from the Illinois Emergency Management Agency by a planning team of Cook County Department of Homeland Security and Emergency Management staff and expert consultants, with guidance from a Steering Committee representing the planning partners and other local stakeholders. The key steps in developing the plan were as follows:

- **Coordination with Other Agencies**—Opportunities for involvement were provided to neighboring communities, local and regional agencies involved in hazard mitigation, agencies that regulate development, businesses, academia, and other private and nonprofit interests
- **Review of Existing Programs**—Existing local and state plans, studies, reports and technical information were reviewed and incorporated as appropriate.
- **Public Involvement**—Broad public participation in the planning process was provided through Steering Committee participation, use of a widely distributed questionnaire, media outreach, and public meetings.

The final plan consists of two volumes. Volume 1 includes all federally required elements of a disaster mitigation plan that apply to the entire planning area. Volume 2 includes all federally required jurisdiction-specific elements, in individual annexes for each participating jurisdiction.

MISSION, GOALS AND OBJECTIVES

The defined mission for the Cook County Multi-Jurisdictional Hazard Mitigation Plan is to “Identify risks and sustainable cost-effective actions to mitigate the impact of natural hazards in order to protect the life, health, safety, welfare, and economy of the communities of Cook County.” Mitigation goals were established as follows:

1. Develop and implement sustainable, cost-effective, and environmentally sound risk-reduction (mitigation) projects.
2. Protect the lives, health, safety, and property of the citizens of Cook County from the impacts of natural hazards.
3. Protect public services and critical facilities, including infrastructure, from loss of use during natural hazard events and potential damage from such events.
4. Involve stakeholders to enhance the local capacity to mitigate, prepare for, and respond to the impacts of natural hazards.
5. Develop, promote, and integrate mitigation action plans.
6. Promote public understanding of and support for hazard mitigation.

Thirteen objectives were established for the plan that meet multiple goals, serving as stand-alone measurements of the effectiveness of the mitigation action. Proposed mitigation actions were evaluated in part based on how many objectives they would help to fulfill.

HAZARDS ADDRESSED

The Steering Committee considered the full range of natural hazards that could impact the planning area and identified the following hazards as presenting the greatest concern:

- Dam or levee failure

- Drought
- Earthquake
- Flood
- Severe weather
- Severe winter weather
- Tornado.

Detailed risk assessments were performed for each of these hazards of concern. In addition, a brief qualitative review was conducted of technological and human-caused hazards of interest, which were not considered as critical as the hazards of concern: epidemic or pandemic; nuclear power plant incident; mass influx of evacuees; widespread power outage; hazardous material incident. A separate qualitative review also was performed for climate change.

RISK ASSESSMENT METHODOLOGY

The risk assessments of the identified hazards of concern describe the risks associated with each hazard. The following steps were used to define the risk of each hazard:

- Profile each hazard, describing the geographic area it affects, its frequency and severity, and the warning time provided before a hazard event occurs.
- Use maps of hazard impact areas to determine how many structures, facilities, and systems are exposed to each hazard.
- Assess the vulnerability of exposed structures and infrastructure based on exposure and the probability of occurrence of a hazard event. Tools such as the Federal Emergency Management Agency's (FEMA's) hazard-modeling program called Hazus-MH were used to perform this assessment for flood, dam failure, earthquake hazards, and tornado. Outputs similar to those from Hazus-MH were generated for other hazards, using maps generated by the Hazus-MH program.

A detailed inventory of critical facilities and infrastructure was developed for this plan using GIS applications. Over 6,000 facilities were inventoried and uploaded into the Hazus-MH model to support the risk assessment. Table 5-3 and Table 5-4 summarize the general types of critical facilities and infrastructure, respectively.

PROFILES OF COOK COUNTY HAZARDS OF CONCERN

Dam and Levee Failure

There are 23 state regulated dams in the planning area. Ten of these dams are classified as “high hazard” which means they have significant downstream populations at risk if the dam should fail. Flooding as a result of a dam and levee failure would significantly impact properties and populations in the inundation zones. No records of dam failures in the planning area are available.

There are three levee systems in Cook County. There is no history of levee failures in the planning area. The State of Illinois experienced levee failures in 1993 and 2008. In 1993, 17 levee systems breached along the Mississippi River and the Illinois River just north of where it meets the Mississippi River. Over 237,000 acres along the rivers were flooded.

Warning time for dam or levee failure varies depending on the cause of the failure. In events of extreme precipitation or massive snowmelt, evacuations can be planned with sufficient time. In the event of a structural failure due to earthquake, there may be no warning time. Cook County and its planning partners have established protocols for flood warning and response to imminent dam failure in the flood warning portion of its adopted emergency operations plan. These protocols are tied to the emergency action plans created by the dam owners.

Important issues associated with dam and levee failure include the following:

- Federally regulated dams have an adequate level of oversight and sophistication in their emergency action plans. However, the protocol for notifying downstream citizens of imminent failure needs to be tied to local emergency response planning.
- Mapping that estimates inundation depths is needed for non-federal-regulated dams to better assess the risk associated with dam failure from these facilities.
- Most dam failure mapping required at federal levels requires determination of the probable maximum flood, which is a worst-case scenario and generally the event with the lowest probability of occurrence. For non-federal-regulated dams, mapping of dam failure scenarios that are less extreme than the probable maximum flood but have a higher probability of occurrence could better illustrate areas potentially impacted by more frequent events to support emergency response and preparedness.
- The concept of residual risk associated with structural flood control projects should be considered in the design of capital projects and the application of land use regulations.
- Addressing security concerns and the need to inform the public of the risk associated with dam failure is a challenge for public officials.
- Not all levees are reflected in the current flood mapping, which makes delineation of the hazard area difficult.

Drought

Droughts originate from a deficiency of precipitation resulting from an unusual weather pattern. If the weather pattern lasts a short time (a few weeks or a couple months), the drought is considered short-term. If the weather pattern becomes entrenched and the precipitation deficits last for several months or years, the drought is considered to be long-term. Drought generally affects large geographic areas, so drought descriptions in the hazard mitigation plan are generally for the entire State of Illinois rather than the immediate planning area of Cook County.

The most severe droughts in Illinois occurred in the summer of 1934, the summer of 1931 and 1954. All three of these events were categorized as extreme droughts. More recently, in September 1983, all 102 counties were declared state disaster areas because of high temperatures and insufficient precipitation. In 1988, 54 percent of the state was impacted by drought-like conditions, resulting in disaster relief payments to landowners and farmers exceeding \$382 million. Historical drought data for the planning area indicate there have been seven significant droughts in the last 115 years. This equates to a drought every 16 years on average, or a 6.25-percent chance of a drought in any given year.

Drought can have a widespread impact on the environment and the economy, although it typically does not result in loss of life or damage to property, as do other natural disasters. The National Drought Mitigation Center describes likely drought impacts as those affecting agriculture, water supplies, and the risk of fire.

Scientists at this time do not know how to predict drought more than a month in advance for most locations. How long a drought lasts depends on interactions between the atmosphere and the oceans, soil moisture and land surface processes, topography, internal dynamics, and the accumulated influence of weather systems on the global scale.

Important issues associated with drought include the following:

- Identification and development of alternative water supplies
- Use of groundwater recharge techniques to stabilize the groundwater supply
- The probability of increased drought frequencies and durations due to climate change
- The promotion of active water conservation even during non-drought periods.

Earthquake

An earthquake is the vibration of the earth's surface following a release of energy in the earth's crust. Earthquakes tend to occur along faults, which are zones of weakness in the crust. Earthquakes occur throughout Illinois, with most in the southern third of the state. Over 360 earthquakes have occurred in Illinois during the past 20 year, with 32 resulting in damage. Fifteen events have been recorded in Cook, DuPage, Kane, Kendall, and Will Counties since 1804. Cook County has experienced three earthquakes ranging from a magnitude of 3 (categorized as "minor") to 4.9 (categorized as "light").

The actual movement of the ground in an earthquake is seldom the direct cause of injury or death. Casualties generally result from falling objects and debris, because the shocks shake, damage or demolish buildings and other structures. Disruption of communications, electrical power supplies and gas, sewer and water lines should be expected. Earthquakes may trigger fires, dam failures, or releases of hazardous material, compounding their effects. Any seismic activity of 6.0 or greater on faults within the planning area would have significant impacts throughout the county. Earthquakes of this magnitude or higher would lead to massive failure of structures built on loose soils. Levees and revetments built on such soils would likely fail, representing a loss of critical infrastructure. These events could cause secondary hazards, including mudslides that would further damage structures.

There is currently no reliable way to predict an earthquake at any given location with any significant advance warning time. Research is being done with warning systems that use the low energy waves that precede major earthquakes to give approximately 40 seconds notice that a major earthquake is about to occur. The warning time is very short but it could allow for someone to get under a desk, step away from a hazardous material they are working with, or shut down a computer system.

Important issues associated with earthquakes include the following:

- The public perception of the earthquake risk within the planning area is low. It can be difficult to get the public to think about earthquake mitigation with little or no perceived risk.
- Most of the planning area's building stock was built prior to 1975, when seismic provisions became uniformly applied through building code applications. A building stock analysis that looks at the potential fragility of the older building stock constructed without building code influence would be beneficial in the identification of seismic mitigation projects.
- More earthquake mapping is needed for the planning area.
- Critical facility owners/operators should be encouraged to create or enhance continuity of operations plans using the information on risk and vulnerability contained in the Cook County hazard mitigation plan.
- Geotechnical standards should be established that take into account the probable impacts from earthquakes in the design and construction of new or enhanced facilities.
- The County has over 6 miles of earthen levees and revetments on soft, unstable soil. These soils are prone to liquefaction, which would severely undermine the integrity of these facilities.
- There are a large number of earthen dams within the planning area. Dam failure warning and evacuation plans and procedures should be reviewed and updated to reflect the dams' risk potential associated with earthquake activity in the region.

Flood

Flood Types and History

Two types of flooding are typical in Cook County: riverine flooding when water overflows the banks of a stream; and stormwater/urban drainage flooding, when storm runoff exceeds the capacity of local drainage systems in place to convey stormwater to a receiving body. Flood events of historical significance occurred in the Cook County region in 1849, 1855, 1885, 1938, 1952, 1954, 1957, 1961, 1973, 1979, 1986, 1987, 1996, 2001, 2004, 2010 and 2013. Since 1972, 13 presidential-declared flood events in the County have caused in excess of \$628.5 million in property damage.

In the past 20 years, stormwater/urban drainage flooding has become the principal cause of flood losses in the Cook County planning area. Urban portions of the county annually experience nuisance flooding related to drainage issues. After flooding in August 2010, FEMA provided more than \$435 million in disaster recovery, response, and mitigation in Cook and DuPage Counties, and more than 75 percent of this went to individual homeowners, most of whom suffered sewer back-ups and basement flooding caused by stormwater/urban drainage flooding. The frequency and the magnitude of stormwater/urban drainage flooding in Cook County dictated the assignment of stormwater management within the County to a single entity—the Metropolitan Water Reclamation District of Greater Chicago.

Cook County experiences episodes of river flooding almost every winter. Large floods that can cause property damage typically occur every three to seven years.

Flood Mapping

Flood studies use historical records to determine the probability of occurrence for different river discharge (flow) levels. The flood frequency equals 100 divided by the discharge probability. For example, the 100-year discharge has a 1-percent chance of being equaled or exceeded in any given year. The extent of flooding associated with a 1-percent annual probability of occurrence (the base flood or 100-year flood) is

used as a regulatory boundary by many agencies. This boundary is a convenient tool for assessing risk in flood-prone communities. For most communities participating in the National Flood Insurance Program (NFIP), FEMA has prepared a detailed Flood Insurance Study that presents water surface elevations for the 1-percent annual chance flood and the 0.2-percent annual chance flood (the 500-year flood). The boundaries of the 100- and 500-year floodplains are shown on Flood Insurance Rate Maps.

FEMA has mapped over 78 square miles of 100-year floodplain and 99 square miles of 500-year floodplain along 172 water courses in the Cook County planning area. Approximately 8 percent of the County is located within mapped 100-year floodplains.

Flood Severity

The principal factors affecting flood damage are flood depth and velocity. The deeper and faster flood flows become, the more damage they can cause. Shallow flooding with high velocities can cause as much damage as deep flooding with slow velocity. This is especially true when a channel migrates over a broad floodplain, redirecting high-velocity flows and transporting debris and sediment.

The worst-case scenario for flooding in the Cook County planning area has happened numerous times in the past. It involves intense rain storms that stall over the planning area, dropping rainfall totals in excess 6 inches over a 48-hour period (this scenario is significantly exacerbated by the presence of snow pack on the ground). This leads to both riverine and stormwater/urban drainage flooding that can overwhelm flood response capabilities in the planning area. Major roads can be blocked, preventing critical access for many residents and critical functions. High in-channel flows can cause water courses to scour, possibly washing out roads and creating more isolation problems.

Flood Warning

The Cook County flood threat system consists of a network of precipitation gages throughout the watershed and stream gages at strategic locations that constantly monitor and report stream levels. All of this information is analyzed by agencies such as Cook County Department of Homeland Security and Emergency Management (DHSEM) and Metropolitan Water Reclamation District to evaluate the flood threat and possible evacuation needs.

Floods are generally classed as either slow-rise or flash floods. Due to the sequential pattern of meteorological conditions needed to cause serious slow-rise flooding, it is unusual for a slow-rise flood to occur without warning. Slow-rise floods may be preceded by a warning time from several hours, to days, to possibly weeks. Evacuation and sandbagging for a slow-rise flood may lessen flood damage. Flash floods are more difficult to prepare for, due to the extremely short warning time given, if any. Flash flood warnings usually require evacuation within an hour. However, potential hazard areas can be warned in advance of potential flash flooding danger.

Participation in Federal Flood Programs

The NFIP makes federally backed flood insurance available to homeowners, renters, and business owners in participating communities. Cook County entered the NFIP on April 15, 1981. The effective date for the current countywide Flood Insurance Rate Map is August 19, 2008. In addition to the County, most Cook County municipalities participate in the NFIP. The planning area has 17,807 flood insurance policies providing \$3.464 billion in insurance coverage. According to FEMA statistics, 14,335 flood insurance claims were paid between January 1, 1978 and February 28, 2014, for a total of \$157.7 million, an average of \$10,970 per claim.

Twenty communities in the planning area also participate in the Community Rating System (CRS) a voluntary program that encourages floodplain management activities that exceed the NFIP requirements. The CRS requires participating communities to identify repetitive loss areas, where flood insurance claims have been paid multiple times for individual properties. FEMA identifies 1,571 such properties in the planning area as of January 31, 2014.

Issues

Important issues associated with flooding include the following:

- The 2-D, unsteady-state modeling performed by the Metropolitan Water Reclamation District is considered to be the best available flood risk data for the planning area, but it is not the basis of FEMA's current effective Flood Insurance Rate Map. The District's flood hazard data should be formatted so that can be used to support risk assessment and thus validate best available data.
- The planning area has a large percentage of policies and losses outside a mapped hazard area.
- Basement flooding is a common problem.
- The stormwater/urban drainage flooding risk is not mapped, which makes it difficult to assess this hazard, other than looking at historical loss data.
- The risk associated with the flood hazard overlaps the risk associated with other hazards such as earthquake. This provides an opportunity to seek mitigation alternatives with multiple objectives that can reduce risk for multiple hazards.
- There is no consistency of land-use practices and regulatory floodplain management within the planning area.
- It is unclear how potential climate change may impact flood conditions in the planning area.
- The concept of residual risk should be considered in the design of future capital flood control projects and should be communicated with residents living in the floodplain.
- More information is needed on flood risk to support the concept of risk-based analysis of capital projects.
- There needs to be a sustained effort to gather historical damage data, such as high water marks on structures and damage reports, to measure the cost-effectiveness of future mitigation projects.
- Ongoing flood hazard mitigation will require funding from multiple sources.
- There needs to be a coordinated hazard mitigation effort between jurisdictions affected by flood hazards in the county.
- Floodplain residents need to continue to be educated about flood preparedness and the resources available during and after floods.
- The promotion of flood insurance as a means of protecting private property owners from the economic impacts of frequent flood events should continue.
- The economy affects a jurisdiction's ability to manage its floodplains. Budget cuts and personnel losses can strain resources needed to support floodplain management.

Severe Weather

Severe weather refers to any dangerous meteorological phenomena with the potential to cause damage, serious social disruption, or loss of human life. It includes extreme heat, lightning, hail, fog, and high winds. Severe-weather events can happen anywhere in the planning area. Severe local storms are probably the most common widespread hazard. They affect large numbers of people throughout Cook County and the surrounding region when they occur. The heat wave of July 1995 was one of the worst disasters in Illinois history, with over 700 deaths statewide over five-days.

Records from the National Climatic Data Center and SHELDUS indicate approximately 500 severe weather events in the planning area between 1950 and 2013. The 169 severe weather events for the planning area from 1993 to 2013 represent an average of 8 events per year. According to the 2013 Illinois Natural Hazard Mitigation Plan, the planning area is designated as severely vulnerable to severe storms, with a high vulnerability to extreme heat.

The most common problems associated with severe storms are immobility and loss of utilities. Roads may become impassable due to flooding, downed trees, or a landslide. Power lines may be downed due to high winds, and services such as water or phone may not be able to operate without power. Lightning can cause severe damage and injury. A worst-case severe-weather event would involve prolonged high winds during a thunderstorm. Such an event would have both short-term and longer-term effects. Initially, schools and roads would be closed due to power outages caused by high winds and downed tree obstructions. In more rural areas, some subdivisions could experience limited ingress and egress. Prolonged rain could produce flooding and overtopped culverts with ponded water on roads. Flooding could further obstruct roads and bridges, further isolating residents.

Meteorologists can often predict the likelihood of a severe storm or other severe weather event. This can give several days of warning time. The Chicago Office of the National Weather Service issues severe storm watches and warnings when appropriate to alert government agencies and the public of possible or impending weather events. The watches and warnings are broadcast over NOAA weather radio and are forwarded to the local media for retransmission using the Emergency Alert System.

Important issues associated with severe weather include the following:

- Redundancy of power supply throughout the planning area must be evaluated.
- The capacity for backup power generation is limited.
- Public education on dealing with the impacts of severe weather needs to be provided
- Debris management (downed trees, etc.) must be addressed.
- The effects of climate change may result in an increase in frequency of extreme heat events.

Severe Winter Weather

The severe winter weather hazard encompasses snow, blizzards, ice storms and extreme cold temperatures and wind chill. Severe winter weather events can happen anywhere in the planning area. NOAA identifies nearly 100 severe winter weather events in the planning area since 1950, excluding snowstorms classified as less than major snowstorms. The planning area typically receives 36 inches of snow each year and can expect to experience exposure to some type of severe winter weather event at least annually.

Severe winter weather impacts can be significant. Roads may become impassable due to ice or snow. Power lines may be downed due to high winds or ice accumulation, and services such as water or phone

may not be able to operate without power. Physical damage to homes and facilities can occur from wind damage or accumulation of snow or ice. Freezing rain can cause the most dangerous conditions. Ice buildup can bring down trees, communication towers, and wires, creating hazards for property owners, motorists, and pedestrians alike. Many severe winter weather events in the planning area have resulted in the loss of life.

Meteorologists can often predict likely severe winter weather, giving several days of warning time. The National Weather Service provides public warnings on storm, snow and ice events as appropriate to alert government agencies and the public of possible or impending weather events. Watches and warnings are broadcast over NOAA weather radio and are forwarded to local media for retransmission using the Emergency Alert System.

Important issues associated with severe winter weather in the planning area include the following:

- Older building stock in the planning area is built to low code standards or none at all. These structures could be highly vulnerable to severe winter weather events such as windstorms.
- Redundancy of power supply must be evaluated.
- The capacity for backup power generation is limited.
- Isolated population centers are at significant risk.

Tornado

Tornadoes are the most violent of all atmospheric storms, and all of Illinois is susceptible to them, including Cook County. The tornado season runs March through August, although a tornado can occur in the state at any time. Many tornadoes have struck Cook County, including several within the Chicago city limits. Between 1955 and 2008, there were 92 significant tornadoes (tornadoes rated F2 or greater on a scale of F1 to F5, or that caused fatalities or injured at least 10 people). The F4-rated Oak Lawn tornado in April 1967 was the deadliest tornado in the planning area, with 33 fatalities. The only F5 tornado to ever strike the Chicago area was on August 28, 1990.

Tornadoes can cause fatalities and devastate a neighborhood in seconds. Winds can reach 300 mph and damage paths can be more than a mile wide and 50 miles long. If a major tornado were to strike within the populated areas of Cook County, damage could be widespread. Businesses could be forced to close for an extended period or permanently, fatalities could be high, many people could be homeless for an extended period, and routine services such as telephone or power could be disrupted. Buildings can be damaged or destroyed.

The local NWS office issues a tornado watch when tornadoes are possible in an area and a tornado warning when a tornado has been sighted or indicated by weather radar. The current average lead time for tornado warnings is 13 minutes. The National Weather Service has established a goal of 15 minutes in its strategic plan. Occasionally, tornadoes develop so rapidly that little, if any, advance warning is possible.

Important issues associated with tornadoes in the planning area include the following:

- Older building stock in the planning area is built to low code standards or none at all. These structures could be highly vulnerable to tornadoes.
- Redundancy of power supply must be evaluated.
- The capacity for backup power generation is limited.

- The amount of the tornado zone that contains vacant, developable land is not known. This would be valuable information for gauging the future development potential of the tornado zone.
- Declining growth rate makes it difficult for code standards to have impacts on new development.
- The planning area has insufficient suitable tornado shelters.
- Public awareness of tornado response protocols is a concern, given the area's many visitors.

QUALITATIVE REVIEW OF HAZARDS OF INTEREST

Though risk assessments were not conducted for hazards identified as hazards of interest rather than hazards of concern, each was reviewed for the hazard mitigation plan. Key findings are as follows:

- **Climate Change**—Climate change impacts on hazard events could include an increased risk for extreme events such as drought, storms and flooding, as well as more heat-related stress. In many cases, communities are already facing these problems to some degree. Information about how climate patterns are changing provides insight on the reliability of future hazard projections used in mitigation analysis.
- **Epidemic or Pandemic**—Health hazards that affect the residents of Cook County may arise in a variety of situations, such as during a communicable disease outbreak, after a natural disaster, or as the result of a bioterrorism incident. All populations in Cook County are susceptible to such events. According to national projections by the Centers for Disease Control and Prevention, a pandemic flu with a 15- to 35-percent attack rate could cause 2 to 4.5 million cases in Illinois with up to 9,000 deaths.
- **Nuclear Power Plant Incidents**—There are no nuclear power plants in Cook County. The only site within 50 miles of Cook County is the Dresden Nuclear Power Plant in Grundy County. Locations that are 10 to 50 miles from a nuclear plant are not considered to be at risk for direct radiological contamination, but could be impacted by indirect contamination entering the region via waterways, vegetation, or animals originating from within 10 miles of the plant. The Nuclear Regulatory Commission's estimate of the risk each year of an earthquake intense enough to cause core damage to the reactor at Dresden is 1 in 52,632.
- **Secondary Impacts from Incoming Evacuees**—People evacuated to the planning area from a hazard event outside the planning area can have great impacts if local receiving jurisdictions lack the capacity to handle them. The IL-IN-WI Regional Catastrophic Grant Program's 2012 Regional Hub Reception Center Plan, which includes Cook County, outlines ways to process, track, and care for evacuees and spread them out to a larger area for long-term shelter.
- **Widespread Power Outage**—Utilities that use aboveground wiring are vulnerable to damage from high wind, heavy snow, ice, rain, and vehicular accidents. All facilities considered critical infrastructure are vulnerable to utility interruptions, especially loss of power. Establishment of reliable backup power at these facilities is extremely important to continue to provide for the health, safety, and well-being of the population.
- **Hazardous Material Incident**—A hazardous material is any substance that can adversely affect safety and health. In 2013, the City of Chicago undertook a risk assessment of hazardous material transportation routes to assess risks to the city and its inhabitants in the shipment of hazardous materials through its borders. Local jurisdictions should consider conducting a risk assessment to profile the potential hazardous concerns within their jurisdiction and to further assess health and safety impacts on their population, potential economic impacts, consequences, and the overall probability or frequency of incident.

PLANNING AREA RISK RANKING

Risk rankings were performed by each planning partner to compare the probable impacts of the hazards of concern. For each community, the rankings assessed the probability of each hazard's occurrence as well as its likely impact on people, property, and the economy. A separate ranking to assess probable impacts countywide was conducted via facilitated brainstorming sessions with the Steering Committee. The results of the countywide ranking, which were used in establishing mitigation action and priorities, are summarized in Table 15-6.

Hazard Ranking	Hazard Event	Category
1	Severe Weather	High
1	Severe Winter Weather	High
2	Flood (including urban flooding)	High
3	Tornado	High
4	Earthquake	Medium
5	Dam Failure	Low
6	Drought	Low

AREA-WIDE MITIGATION ACTIONS

Recommended hazard mitigation actions were selected from among alternatives presented in catalogs of hazard mitigation alternatives. The catalogs provided a baseline of alternatives that are backed by a planning process, are consistent with the planning partners' goals and objectives, and are within the capabilities of the partners to implement. One catalog was developed for each hazard of concern evaluated in this plan. Each planning partner selected its own set of recommended mitigation actions.

Cook County and the Steering Committee determined that some actions from the mitigation catalogs could provide hazard mitigation benefits countywide. Table 17-2 lists these recommended countywide mitigation actions and the priority of each action. The priorities are defined as follows:

- **High Priority**—A project that meets multiple objectives, has benefits that exceed its cost, meets eligibility requirements for a federal hazard grant program, and has funding secured or is an ongoing project. High priority projects can be completed in the short term (1 to 5 years).
- **Medium Priority**—A project that meets at least one objective, that has benefits that exceed its cost, that is grant eligible under federal hazard or other grant programs, but for which funding has not been secured. Medium priority projects become high priority projects and can be completed in the short term once funding is secured.
- **Low Priority**—A project that will mitigate the risk of a hazard, that has benefits that do not exceed the costs or are difficult to quantify, for which funding has not been secured, that is not eligible for federal hazard grant funding, and for which the timeline for completion is long term (1 to 10 years). Low priority projects may be eligible for grant funding from other programs.

TABLE ES-5.
PRIORITIZATION OF COUNTYWIDE MITIGATION ACTIONS

Action Number and Description	Priority
CW-1—Cook County DHSEM will develop its disaster intelligence capabilities in order to provide comprehensive support to the planning area for preparedness, mitigation, response, and recovery.	High
CW-2— Continue to support the success of the Public Safety Consortium in the following areas: mission, guidance, scope, structure, and training.	High
CW-3—Complete the countywide mass notification system project.	High
CW-4—Integrate the WebEOC into countywide operations and partner agencies.	High
CW-5—Enhance the current Cook County evacuation plan.	High
CW-6—Review the Cook County sheltering inventory (type, location, and future development based on population models).	High
CW-7—Expand the Cook County Mobile Response Team capabilities for emergency and disaster response.	High
CW-8—Create a template to promote uniformity in Emergency Operations Plans within the planning area.	High
CW-9—Develop and implement a countywide critical infrastructure security program.	High
CW-10—Develop a Cook County Community Emergency Response Team Program that is interoperable with local Community Emergency Response Team programs.	Medium
CW-11—Review outreach strategies for populations with access or functional needs to expand countywide support capabilities in all phases of the disaster cycle.	High
CW-12—Continue to promote the core competencies of the StormReady Program for increased countywide severe weather preparedness.	High
CW-13—Revisit and review all existing mutual aid agreements and memorandums of understanding and determine how new action items should be incorporated.	High
CW-14—Develop a countywide hazards task force to create a collective approach to natural hazard mitigation through the unification of plans, actions, and data.	High
CW-15—Identify and promote local, state, and federal funding sources for local flood mitigation projects.	Medium
CW-16—Consider the development of a countywide green infrastructure plan.	Medium
CW-17—Consider the development of a countywide climate adaptation strategy committee.	High
CW-18—Maintain a hazard mitigation plan website where this final plan will be housed and planning partners as well as members of the public will be able to monitor plan implementation.	High
CW-19—Support planning partner education by requesting mobile training courses covering National Flood Insurance Program and Community Rating System information during the period of this plan.	High
CW-20—Work with the Illinois Department of Natural Resources (IDNR), U.S. Army Corps of Engineers (USACE), and the Metropolitan Water Reclamation District of Greater Chicago (MWRD) to study and assess in greater detail the risk associated with stormwater/urban drainage flooding.	Medium

IMPLEMENTATION

Plan Adoption

The hazard mitigation plan will be submitted for a pre-adoption review to the Illinois Emergency Management Agency and FEMA prior to adoption by Cook County. Once pre-adoption approval has been provided, all planning partners will formally adopt the plan.

Plan Maintenance Strategy

The hazard mitigation plan includes a formal process to ensure that the Cook County Multi-Jurisdictional All Hazards Mitigation Plan remains an active and relevant document and that the planning partners maintain their eligibility for applicable funding sources. The plan's format allows sections to be reviewed and updated when new data become available, resulting in a plan that will remain current and relevant. The strategy for ongoing maintenance of the plan includes the following components:

- **Plan Implementation**—Plan implementation and evaluation will be a shared responsibility among all planning partners and agencies identified as lead agencies in the mitigation action plans. Cook County DHSEM will assume lead responsibility for implementing the plan maintenance strategy.
- **Steering Committee**—It is recommended that a steering committee remain a viable body involved in key elements of the plan maintenance strategy. The new steering committee should strive to include representation from the planning partners, as well as other stakeholders in the planning area.
- **Annual Progress Report**—The steering committee will convene to perform annual reviews. DHSEM will then prepare a formal annual report on the progress of the plan.
- **Plan Update**—The planning partnership intends to update the hazard mitigation plan on a five-year cycle from the date of initial plan adoption.
- **Continuing Public Involvement**—The public will continue to be apprised of the plan's progress through the Cook County hazard mitigation website and by copies of annual progress reports provided to the media. DHSEM has agreed to maintain the hazard mitigation plan website, and each planning partner has agreed to provide links to the website on their individual jurisdictional websites.
- **Incorporation into Other Planning Mechanisms**—All municipal planning partners are committed to creating a linkage between the hazard mitigation plan and their individual comprehensive plans by identifying a mitigation action as such and giving that action a high priority. As information becomes available from other planning mechanisms that can enhance this plan, that information will be incorporated via the update process.

117.2 JURISDICTION PROFILE

The following is a summary of key information about the jurisdiction and its history:

- **Date of Incorporation:** 1837
- **Current Population:** 2,704,958 as of 2016
- **Population Growth:** While Chicago experienced a population decline of over 200,000 persons between 2000 and 2010, the City's population has increased .003% from 2010 to 2016.
- **Location and Description:** The City of Chicago is located in northeastern Illinois at 41°59 N and 86°54 W, and at an altitude of 578.5 feet above sea level. It is the third-most populous city in the United States and is the county seat of Cook County. Chicago has often been called a global architecture capital and is considered one of the most important business centers in the world. Positioned along Lake Michigan, the City is an international hub for finance, commerce, industry, technology, telecommunications, and transportation. O'Hare International Airport is the second-busiest airport in the world when measured by aircraft traffic; the region also has the largest number of U.S. highways and railroad freight. In 2012, Chicago was listed as an alpha global city by the Globalization and World Cities Research Network, and it ranked seventh in the world in the 2016 Global Cities Index. Chicago has the third-largest gross metropolitan product in the United States—about \$640 billion according to 2015 estimates. The City has one of the world's largest and most diversified economies, with no single industry employing more than 14% of the workforce.
- **Brief History:** Chicago's recorded history begins with the arrival of French explorers, missionaries and fur traders in the late 17th century and their interaction with the local Potawatomi Native Americans. The modern city was incorporated in 1837 by Northern businessmen and grew rapidly from real estate speculation and the realization that it had a commanding position in the emerging inland transportation network, based on lake traffic and railroads, controlling access from the Great Lakes into the Mississippi River basin. Despite the Great Chicago Fire in 1871, the city grew exponentially, becoming the nation's rail center and the dominant Midwestern center for manufacturing, commerce, finance, higher education, religion, broadcasting, sports, jazz, and high culture. Chicago is now a highly urbanized area and much of its natural environmental has been altered since its early development.

Climate: The climate of Chicago is classified as humid continental, with all four seasons distinctly represented: wet springs; variably hot, humid summers; pleasantly mild autumns; and cold winters. Temperatures are at the lowest in the months of January and February, and the highest during the months of July and August. Chicago's weather has the presence of Lake Michigan which influences the weather throughout the year. The highest official temperature ever recorded in Chicago was 105°F on July 24th, 1934. The coldest official temperature ever recorded was -27°F on January 20th, 1985. The yearly precipitation averages are at 36.89 inches. Chicago is prone to thunderstorms from spring to early fall. Heavy rainfall events can occur with thunderstorms and occasional prolonged systems. The average Chicago winter season produces 36.7 inches of snow, but these tend to vary.

- **Governing Body Format:** Chicago City government is divided into executive and legislative branches. The mayor is the chief executive while the City Council, elected from 50 wards, is the legislative body. Government priorities and activities are established in a budget ordinance usually adopted in November of each year. The city takes official action through the passage of ordinances and resolutions. In addition to the Mayor, Chicago's two other city-wide elected officials are the City Clerk and the City Treasurer. The Chicago Police Department provides law enforcement and the Chicago Fire Department provides fire suppression and emergency medical services for the city and its residents. Civil and criminal law cases are heard in the Cook County Circuit Court of the State of Illinois court system, or in the Northern District of Illinois, in the federal system. In the state court, the public prosecutor is the Illinois State's Attorney; in the Federal court it is the United States Attorney.
- **Development Trends:** Chicago is a heavily urbanized city, with only 7.1% of its total land area classified as open space. The City has seen a large increase in its Central Business District (CBD) population over the last 20 years. The CBD and adjacent neighborhoods are currently undergoing a building boom, with over \$20 billion in "megaprojects" currently underway or in the planning stages. The Chicago Sustainable Development Policy has been continually implemented since 2004. The goal of the policy is to enhance the sustainable performance of projects receiving City assistance. It requires development projects that are receiving financial assistance or special approvals from the City to include sustainable elements. The Policy has been a driving force in making Chicago a global leader in the green roof movement as well as the number of LEED certified projects. As of 2013, the City of Chicago had more than 500 green roofs totaling nearly 5.6 million square feet. More than 500 development projects have been LEED certified, which equates to roughly 180 million square feet.

117.3 CAPABILITY ASSESSMENT

The assessment of the jurisdiction's legal and regulatory capabilities is presented in Table 117-1. The assessment of the jurisdiction's fiscal capabilities is presented in Table 117-2. The assessment of the jurisdiction's administrative and technical capabilities is presented in Table 117-3. Information on the community's National Flood Insurance Program (NFIP) compliance is presented in Table 117-4. Classifications under various community mitigation programs are presented in Table 117-5.

TABLE 117-4. NATIONAL FLOOD INSURANCE PROGRAM COMPLIANCE	
What department is responsible for floodplain management in your jurisdiction?	Dept of Buildings
Who is your jurisdiction's floodplain administrator? (department/position)	Andrew Billing, PE, CFM, consultant to Dept of Buildings
Are any certified floodplain managers on staff in your jurisdiction?	Yes
What is the date of adoption of your flood damage prevention ordinance?	6/28/1991
When was the most recent Community Assistance Visit or Community Assistance Contact?	8/5/2014
Does your jurisdiction have any outstanding NFIP compliance violations that need to be addressed? If so, please state what they are.	No
Do your flood hazard maps adequately address the flood risk within your jurisdiction? (If no, please state why)	Yes
Does your floodplain management staff need any assistance or training to support its floodplain management program? If so, what type of assistance/training is needed?	No
Does your jurisdiction participate in the Community Rating System (CRS)? If so, is your jurisdiction seeking to improve its CRS Classification? If not, is your jurisdiction interested in joining the CRS program?	No. Chicago is interested in joining the CRS program.

117.5 HAZARD RISK RANKING

Table 117-7 presents the ranking of the hazards of concern.

Hazard area extent and location maps are included at the end of this chapter. These maps are based on the best available data at the time of the preparation of this plan, and are considered to be adequate for planning purposes.

Rank	Hazard Type	Risk Rating Score (Probability x Impact)
1	Severe Weather	54
2	Severe Winter Weather	54
3	Flood	36
4	Tornado	18
5	Earthquake	18
6	Drought	18

117.6 HAZARD MITIGATION ACTION PLAN AND EVALUATION OF RECOMMENDED ACTIONS

Table 117-8 lists the actions that make up the jurisdiction's hazard mitigation plan. Table 117-9 identifies the priority for each action. Table 117-10 summarizes the mitigation actions by hazard of concern and the six mitigation types.

Table 117-8. HAZARD MITIGATION ACTION PLAN MATRIX						
Applies to new or existing assets	Hazards mitigated	Objectives met	Lead agencies	Estimated cost	Sources of funding	Timeline
Action C.1 —Where appropriate, support retrofitting, purchase, or relocation of structures in hazard-prone areas to prevent future structure damage. Give priority to properties with exposure to repetitive losses.						
Existing	All	7, 13	Dept. of Buildings	Low	FEMA Haz Mitigation Grants	Long-term
Action C.2 —Continue to support the countywide actions identified in this plan.						
New and existing	All	All	City of Chicago	Low	General Fund	Short- and long-term
Action C.3 —Actively participate in the plan maintenance strategy identified in this plan.						
New and existing	All	3, 4, 6	Chicago OEMC	Low	General Fund	Short-term
Action C.4 —Consider participation in incentive-based programs such as the Community Rating System, Tree City, and StormReady.						
New and existing	All	3, 4, 5, 6, 7, 9, 10, 11, 13	City of Chicago	Low	General Fund	Long-term
Action C.5 —Continue to maintain the minimum National Flood Insurance Program participation requirement for communities with no mapped Special Flood Hazard Area.						
New and existing	Flooding	4, 6, 9	Dept. of Buildings	Low	General Fund	Short-term and ongoing
Action C.6 —Integrate the hazard mitigation plan into other plans, programs, or resources that dictate land use or redevelopment.						
New and existing	All	3, 4, 6, 10, 13	City of Chicago	Low	General Fund	Short-term
Action C.7 —Complete construction and implementation of the Albany Park Stormwater Diversion Tunnel.

Existing	Flooding	3, 4, 9	CDOT	Medium		Short-term/ Ongoing
Action C.9 —Continue implementation of the Chicago Sustainable Development Policy, which enhances the sustainable performance of projects receiving City assistance.						
Existing	Flooding, Severe Weather	3, 4, 7, 10, 13	Buildings, Planning & Development	Low	Grants/ General Fund	Long-term/ Ongoing
Action C.10 —Continue implementation of the Green Stormwater Infrastructure Policy, which guides City's efforts in renewing water infrastructure, conserving water, greening water operations, and sustainably managing stormwater.						
Existing	Flooding	2, 4, 10, 13	Buildings, Water Management	Low	N/A	Long-term/ Ongoing
Action C.11 —Continue implementation of the Inlet Control System (Rainblocker) program, which installs restrictors to slow the flow of stormwater into the sewer system.						
Existing	Flooding	4, 9, 13	Dept. of Water Management	Low		Long-term/ Ongoing
Action C.12 —Continue implementation of the Chicago Shoreline Protection Project, which provides storm damage protection to the Lake Michigan shoreline and Lake Shore Drive.						
Existing	Flooding	2, 3, 4, 8, 9, 13	USACE, Park District	Medium	USACE, IL Dept of Natural Resources	Long-term/ Ongoing
Action C.13 —Continue implementation of the RainReady Program, which provides individualized services to help homes and communities reduce their flood risks.						
Existing	Flooding	2, 3, 6, 8, 9, 10	Center for Neighborhood Technology	Low	CNT	Long-term/ Ongoing
Action C.14 —Continue construction and implementation of the Metropolitan Water Reclamation District of Greater Chicago's Tunnel and Reservoir Plan (TARP).

TABLE 117-11. PREVIOUS ACTION PLAN IMPLEMENTATION STATUS			
Action Status			
Completed	Carry Over to Plan Update	Removed; No Longer Feasible	Action ^a
		✓	Integrate mitigation & recovery operations into the daily functions within the City of Chicago. (Removed – action is not specific enough.)
✓			Ensure thoroughness of NIMS, NRF compliance and integration of emergency management planning documents, operations, and functions. Implement planning documents for recovery, debris management, continuity of operations, etc.
	✓		Ensure that areas and populations that could be isolated during a disaster are accounted for in planning efforts. Integrate the needed preparedness, mitigation, response and recovery actions into existing emergency management plans and operations. Now action C6.
✓			Re-alignment of Chicago's Homeland Security Strategies with the National Preparedness Goal.
✓			Strengthen the infrastructure of critical facilities in Chicago, including hospitals, by installing backup systems and redundancies.
	✓		Develop OEMC Continuity of Operations Plan and identify auxiliary facility to provide Emergency Operation Center capabilities. Now Action C22.
		✓	Target regulatory, development, and preparedness efforts of Tier II hazardous material facilities. Efforts include planning and site buffering. (Removed – does not apply directly to natural hazards.)
		✓	Identify and develop projects and programs, as well as expand existing programs, to alleviate the impact of a terrorist attack on high profile facilities and structures. (Removed – does not apply directly to natural hazards.)
✓			Identify available and appropriate shelters.
✓			Support BioWatch program to monitor the interior of high-profile facilities and systems.
✓			Improve high-rise building codes and design to mitigate from structural fires.
		✓	Develop a Comprehensive Recovery Plan to prepare a community for an orderly recovery operation. (Removed – does not apply directly to the mitigation mission area.)
✓			First responder prophylaxis and training.
		✓	First responder preparedness and training, planning, and preparedness for all hazards. (Removed - action is not specific enough.)
✓			Develop public awareness and education of falling ice from tall buildings. Educate private owners of mitigation measures to prevent falling ice from tall buildings.

✓	Reduce flooding and improve Chicago's water quality by completing the Tunnel and Reservoir Plan system.
✓	Increase open space and natural features in high flood risk areas throughout MWRDGC jurisdictional boundaries.
✓	Expand regional collaboration by enhancing the Illinois-Indiana-Wisconsin CSA Regional Catastrophic Preparedness Grant Program.
✓	Encourage the development of continuity planning for Chicago departments and the Chicago area's largest employers and companies headquartered in Chicago.
✓	Identify, incorporate, and integrate hazard mitigation into existing and future plans, programs and projects. (Removed -- action not specific enough).
✓	Demonstrate and capitalize upon the connection between hazard mitigation and sustainable development. Now Action C8.
✓	Provide public outreach on alertness, awareness, and how to notify authorities of suspicious activities. (Removed -- does not apply directly to natural hazards.)
✓	Strengthen infrastructure, build redundancies, and implement contingency plans for vulnerable populations and essential services and networks. Now Action C6.
✓	Support the advancement of emergency management profession. (Removed -- action is not specific enough.)
✓	Support the advancement of technological tools to aid emergency management personnel. Now Actions 15, 16 & 17.
✓	Continue redevelopment of the Chicago Harbor Locks System
✓	Reduce the risk of flooded basements through the City's Basement Flooding Partnership.
✓	Stormwater mitigation actions. Now Action C9.
✓	Strengthen public/private partnerships and information sharing capabilities. (Removed -- action is not specific enough).
✓	Ensure continued compliance with the National Flood Insurance Program (NFIP). Now Action C23.
✓	Ensure that "green" building strategies are integrated into the design phase of every public building project and incorporate environmentally friendly design concepts into renovation projects. Now Action C8.
a. Listed actions are found in the 2012 City of Chicago Hazard Mitigation Plan. Some actions have been marked as "removed" since they do not apply directly to natural hazards.	

117.7 FUTURE NEEDS TO BETTER UNDERSTAND RISK/ VULNERABILITY

No needs have been identified at this time.

117.8 ADDITIONAL COMMENTS

In addition to the mitigation actions listed above, the City of Chicago has also developed the *Sustainable Chicago 2015 Action Agenda*, which highlights the City's efforts in creating a more sustainable environment for our citizens. This document contains over 100 identified sustainable actions the City has taken and will continue to take within the following categories: Economic Development and Job Creation; Energy Efficiency and Clean Energy; Transportation Options; Water and Wastewater; Parks, Open Space, and Healthy Food; Waste and Recycling; and Climate Change. This document can be found at https://www.cityofchicago.org/content/dam/city/progs/env/Sustainable_Chicago_2012-2015_Highlights.pdf

The procedures outlined in the NEHRP provisions (Building Seismic Safety Council, 2004) and the 2003 International Building Codes (International Code Council, 2002) were followed to produce the soil site class maps. Central U.S. Earthquake Consortium (CUSEC) State Geologists used the entire column of soil material down to bedrock and did not include any bedrock in the calculation of the average shear wave velocity for the column, since it is the soil column and the difference in shear wave velocity of the soils in comparison to the bedrock which influences much of the amplification.

Liquefaction data provided by the Illinois State Geological Society. Liquefaction data based on the Youd and Perkins (1978) method. A liquefaction susceptibility map provides an estimate of the likelihood that soil will liquefy as a result of earthquake shaking. This type of map depicts the relative susceptibility in a range that varies from very low to high. Areas underlain by bedrock or peat are mapped separately as these earth materials are not liquefiable, although peat deposits may be subject to permanent ground deformation caused by earthquake shaking.

WHEREAS, Pursuant to its home rule power, the City of Chicago may exercise any power and perform any function relating to its government and affairs including the power to regulate for the protection of the public health, safety, morals and welfare; and

WHEREAS, In the first six months of 2018, over 1,000 people have been shot in the City of Chicago; and

WHEREAS, On the late evening of Sunday, January 2018, a man was shot by a driver in another vehicle and severely injured while driving in the 800 block of North Lake Shore Drive; and

WHEREAS, In addition, on Memorial Day weekend of 2018, a mob of hundreds of brawling teens on Michigan Avenue was stopped by police officers, which resulted in a continued police presence in the area the following day; and

WHEREAS, The location of both these instances is nearby the Chicago Avenue underpass beneath Lake Shore Drive, which provides Chicago residents and tourists alike with access to the lakefront trail; and

WHEREAS, Since February 28, 2018, there have been reported incidents of almost 30 larcenies, three criminal sexual assaults and three aggravated batteries all within a two-block radius of the Chicago Avenue underpass; and

WHEREAS, In many of the City's neighborhoods, the underpasses along the lakefront are the only means by which joggers, cyclists and beachgoers are able to cross Lake Shore Drive, and these underpasses are heavily trafficked throughout the day and on weekends during the summer; and

WHEREAS, Underpasses are also notorious locations where residents have been attacked, robbed, or knocked from their bicycles; and

WHEREAS, The ongoing instances of violence near the City's lakefront, especially during late night hours when law enforcement resources are thin and safety cameras are scarce, make it increasingly difficult to ensure the well-being of the City's residents and tourists; and

WHEREAS, The City of Chicago needs to exercise its authority to protect and ensure the well-being of its residents and tourists, including the City's beaches and lakefront during the warm summer months; now, therefore,

Be It Ordered by the City Council of the City of Chicago: That the City Council of the City of Chicago does hereby order the Commissioner of the Chicago Department of Transportation and the General Superintendent of the Chicago Park District to construct and implement additional enclosures at the Chicago Avenue/Lake Shore Drive underpass to eliminate access between the hours of 12:00 A.M. and 5:00 A.M., from the month of July through the month of October.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all of the DX-7 Downtown Mixed-Use District and Residential-Business Planned Development Number 1230 symbols and indications as shown on Map Number 1-F in the area bounded by:

North Halsted Street; West Randolph Street; a line 217.82 feet east of and parallel to North Halsted Street; a line 192.26 feet south of and parallel to West Randolph Street; a line 218.79 feet east of and parallel to North Halsted Street; a line 78 feet north of and parallel to West Washington Boulevard; a line 212.3 feet east of and parallel to North Halsted Street; West Washington Boulevard; a line 151.34 feet east of and parallel to North Halsted Street; and the south line of vacated West Court Place,

to those of Residential-Business Planned Development Number 1230, as amended, which is hereby established in the area above described subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development No. 1230, As Amended.

Planned Development Statements.

1. The area delineated herein as Planned Development Number 1230 ("Planned Development") consists of approximately 51,680 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). Randolph Halsted LLC owns a portion of the Property and is the "Applicant" for this amendment with the authorization from the remaining property owners.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys

- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway and landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II Review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Boundary Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Subarea Map; a Site Plan and Landscape Plan; Landscape Plant Lists and Details; Building Elevations (North, South, East and West); and Typical Window Wall Details prepared by Perkins Eastman Architects and dated July 19, 2018, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development:

Subarea A:

dwelling units above the ground floor, lodging, participant sports and recreation, general and limited restaurant, tavern, outdoor patio (rooftop and at grade), small and medium venues, banquet or meeting halls, general retail, food and beverage retail sales, liquor sales, medical service, office, personal service, day care (accessory to participant sports and recreation use); private club; colocated wireless communication facilities, incidental and accessory uses and accessory parking.

Subarea B:

general and limited restaurant, tavern, outdoor patio (rooftop and at grade), small and medium venues, banquet or meeting halls, general retail, food and beverage retail sales, liquor sales, medical service, office, personal service, private club; colocated wireless communication facilities, incidental and accessor uses and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development ("DPD"). Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 51,680 square feet and a base FAR of 7.0. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

FAR of 7.0. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (List of all bonuses Applied for and calculations)	FAR
Base FAR:	7.00
Affordable Housing:	0.45
	(Reflects previously-approved bonus pursuant to 2007 ARO -- 1.0 FAR approved for previous 23,247 square foot site area)
Neighborhoods Opportunity Bonus:	4.05
Total FAR:	11.5

The Applicant acknowledges that the project has received a bonus FAR of 4.5, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the

total FAR for the Planned Development is 11.5. In exchange for 4.05 FAR of the bonus FAR (the "NOF Bonus"), the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B and C, prior to the issuance of the first building permit for any building in Subarea A; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The NOF Bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, DPD has approved the Applicant's proposal to construct in-kind streetscape improvements on Randolph Street, as depicted on the Site and Landscape Plans (the "Project") in lieu of the Local Impact portion of the payment. Prior to the issuance of the first building permit for the Planned Development, the Applicant shall enter into an agreement with DPD specifying the type of improvements to be provided, the value of the improvements, the timeline for completion of the improvements, and any other terms or conditions the Commissioner of Planning and Development (the "Commissioner") deems necessary or desirable. The Applicant shall submit detailed site-specific cost estimates for the Project, drawings, detailed construction commitments, a construction schedule, and a performance bond for completion of the Project. The agreement must be in a form approved by the Corporation Counsel. The Applicant shall construct the Project in accordance with the requirements of Section 17-4-1005-E.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part 11 Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority- and Women-owned Business Enterprises ("M/WBEs") and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and City resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and City residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II Permit Review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward

office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and City resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and City resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the Department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and City residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, as it existed at the time of the 2014 P.D. 1230 approval, the Applicant requested an increase in the floor area ratio for the Property of 23,347 square feet (i.e., 1.0 FAR for the previous site area of 23,347 square feet), as set forth in the bonus worksheet required under previous Section 17-4-1003-D. Any developer of a building receiving an affordable housing floor area bonus ("Eligible Building") was required to either provide on-site affordable housing units or make a cash payment to the City's Affordable Housing Opportunity Fund. For the previously-approved 220 units, the Applicant had elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in previous Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment in the amount of \$541,650.40 ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, and must comply with all applicable affordable housing standards and requirements set forth in previous Section 17-4-1004, the terms of which are incorporated herein by this reference.

The Applicant acknowledges and agrees that the rezoning of the Property from Residential-Business Planned Development Number 1230 to this amended Planned Development (P.D.) to add 150 additional permitted units triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-45-117 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, pursuant to the ARO, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10 percent to 20 percent. Any developer of a residential housing project in the Near North Zone must provide the first 10 percent of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner, in an off-site location within two miles of the Property and in the same or a different higher income area or

downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10 percent of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The proposed amendment will add 150 additional permitted units in the P.D. As a result, the Applicant's affordable housing obligation is 30 affordable units (20 percent of 150), consisting of 15 First Units and 15 Additional Units. Further, as a result of input received through the community process and in order to gain community support for the project, the Applicant has voluntarily agreed to provide 10 Additional Units beyond the 15 Additional Units required under the Near North/Near West ARO Pilot Area Ordinance. The voluntary Additional Units will consist of units with a minimum of two bedrooms. The Applicant has asked the City, and the City has agreed, to regulate and monitor the 10 voluntary Additional Units in the same manner as it regulates and monitors the required Additional Units. The Applicant acknowledges and agrees that any reference to Additional Units in this Planned Development shall include the voluntarily-provided Additional Units as well as the required Additional Units.

The Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto; provided, however, Applicant has agreed to make a good faith effort to locate the Additional Units off-site. In accordance with the ARO Pilot, the Applicant is required to lease the First Units to households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago, at prices affordable to households at such income level, and is required to lease the Additional Units to households earning up to 80 percent or 100 percent of AMI, as determined by rule and approved by the Commissioner, at prices affordable to households at such income levels. If the Applicant subsequently reduces (or increases) the number of housing units in the P.D., or elects to build a for-sale project instead of a rental project, or (with the Commissioner's approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval. DPD may adjust the requirements and number of required Affordable Units to reflect any such change without amending the P.D. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this

Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the P.D.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following are said ordinances as passed (the italic heading in each case not being a part of the ordinance):

Reclassification Of Area Shown On Map No. 1-G.

(As Amended)

(Application No. 19477)

(Common Address: 310 -- 328 N. Sangamon St./
933 -- 943 W. Carroll Ave.)

[SO2017-8997]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the M2-3 Light Industry District symbols and indications as shown on Map Number 1-G in the area bounded by:

the centerline of vacated North Sangamon Street; a line 117.25 feet south of and parallel to the centerline of vacated West Carroll Avenue; North Sangamon Street; a line 234.46 feet south of and parallel to vacated West Carroll Avenue; a line 116.94 feet west of and parallel to North Sangamon Street; a line 229.07 feet south of and parallel to vacated West Carroll Avenue; a line 125.94 feet west of and parallel to North Sangamon Street; and the centerline of vacated West Carroll Avenue,

to those of a DX-5 Downtown Mixed-Use District.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all of the DX-5 Downtown Mixed-Use District symbols and indications as shown on Map Number 1-G in the area bounded by:

the centerline of vacated North Sangamon Street; a line 117.25 feet south of and parallel to the centerline of vacated West Carroll Avenue; North Sangamon Street; a line 234.46 feet south of and parallel to vacated West Carroll Avenue; a line 116.94 feet west of and parallel to North Sangamon Street; a line 229.07 feet south of and parallel to vacated West Carroll Avenue; a line 125.94 feet west of and parallel to North Sangamon Street; and the centerline of vacated West Carroll Avenue,

to those of a Business Planned Development which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Business Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 33,296 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). Mark Goodman & Associates, Inc. is the "Applicant" for this Planned Development with authorization from the Property Owner.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter

- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway and landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II Review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This plan of development consists of 16 Statements; a Bulk Regulations Table; an existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; and Building Elevations (North, South, East and West) prepared by Solomon Cordwell Buenz and dated July 19, 2018, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between, the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. The following uses are permitted in the area delineated herein as a Business Planned Development: office; business support services; urban farm (rooftop operation); communication service establishments; eating and drinking establishments (all, including taverns); financial services; medical service; personal service; general retail sales; co-located wireless communication facilities and incidental and accessory uses and accessory parking. Further, as a result of input received through the community process and in order to gain community support for the project, the Applicant has voluntarily agreed to consult with the local alderman's office prior to entering into any initial lease or other disposition of the ground floor commercial space to an end user to confirm such user is consistent with community expectations for said space.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table, has been determined using a net site area of 33,296 square feet and a base FAR of 5.0.

The Applicant acknowledges that the project has received a bonus FAR of 3.1., pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 8.1. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B3 and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit, for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority- and Women-owned Business Enterprises ("M/WBES") and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and City resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBES and City residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II Permit Review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the

applicant's M/WBE and City resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and City resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and City residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to DX-5 Downtown Mixed-Use District.

Plan of Development Statements attached to this ordinance read as follows:

Planned Development No. 919, As Amended.

4801 -- 4859 S. Cicero Ave.

1. The area delineated herein as Planned Development Number 919, as amended ("Planned Development"), consists of approximately 64,326 square feet of property

which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, Cicero Senior Lofts LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter
- Pavement markings

- Sidewalks
- ADA crosswalk ramps
- Parkway and landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II Review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This plan of development consists of seventeen (17) Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan -- two sheets (North and South); Landscape Plan -- two sheets (North and South); and, Building Elevations (North, South, East and West) prepared by Manhard Consulting, Ltd. and MVAH Partners and dated July 19, 2018, submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development, conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. The following uses are permitted in the area delineated herein as Planned Development 919, as amended: multi-unit residential dwelling units, dwelling units located at the ground floor, and elderly housing and accessory and related uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 64,326 square feet.
9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources.

The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and City resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and City residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II Permit Review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and City resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and City resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and City residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

* Editor’s Note: Numbering sequence error: (i) missing in original document.

16. The Applicant acknowledges and agrees that the rezoning of the Property from Planned Development 919 to Planned Development 919, as amended (P.D.), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 62 units. As a result, the Applicant's affordable housing obligation is six affordable units (10 percent of 62 rounded up/down), two of which are Required Units (25 percent of six, rounded up/down). Project will include 56 affordable rental units which will be secured through an extended use agreement with the City of Chicago. The Applicant agrees that the affordable rental/Tor sale units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago, for a term of at least thirty years. If the Applicant subsequently reduces (or increases) the number of housing units in the P.D., the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the P.D. Prior to the issuance of any building permits for any residential building in the P.D, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the P.D. Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development (P.D.), the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the P.D.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to that of the preexisting Planned Development 919.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

SUBSTITUTE NARRATIVE ZONING ANALYSIS
TYPE I ZONING MAP AMENDMENT APPLICATION

Applicant: Klairmont Enterprises, Inc.
Property Location: 4801 – 4837 West Peterson Avenue / 5955-63 North Caldwell Avenue, Chicago, Illinois
Proposed Zoning: B3-3 Community Shopping District
Lot Area: 71,087.64 square feet

Klairmont Enterprises, Inc. is the “Applicant” for a Type 1 Zoning Map Amendment for the subject property located at 4801 – 4837 West Peterson Avenue / 5955-63 North Caldwell Avenue from the B3-1 Community Shopping District to the B3-3 Community Shopping District. The Applicant proposes to infill the northern and eastern portions of the ground level of an existing six-story building with an approximately 8,208 square foot, ground floor building addition.

The site is located at the southwest corner of West Peterson Avenue and North Cicero Avenue. To the north of the subject property are properties zoned Residential-Business Planned Development 906, to the south is POS-1 zoning, to the west is RS-1 zoning and the Edens Expressway, and to the east is B3-1 zoning.

The subject property consists of approximately 71,087.64 square feet of site area and is currently occupied by an existing 6-story building and surface parking. A parking area currently occupies the ground floor of the existing building. The Developer proposes to infill the northern and eastern portions of the ground level of the Existing Building with an approximately 8,208 square foot building addition. The proposed addition will create new building floor area that will accommodate ground floor storefront retail uses oriented towards Peterson Avenue and Cicero Avenue. The overall project FAR will be 1.49.

A total of 151 parking spaces will be provided on-site. The Applicant intends to seek approval from the Zoning Board of Appeals for variations to reduce the parking requirement by no more than 20% and to modify the requirements of the Landscape Ordinance.

NARRATIVE ZONING ANALYSIS

- (a) Floor Area and Floor Area Ratio:
- | | |
|---------------------------|-----------------------|
| i. Lot area: | 71,087.64 square feet |
| iii. Total building area: | 105,574 square feet |
| iv. FAR: | 1.49 |
- (b) Density (Lot Area Per Dwelling Unit): Not applicable (no dwelling units)
- (c) Amount of off-street parking: 151 vehicular parking spaces*
18 bicycle parking spaces

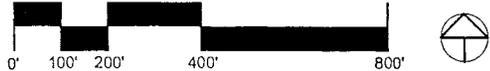

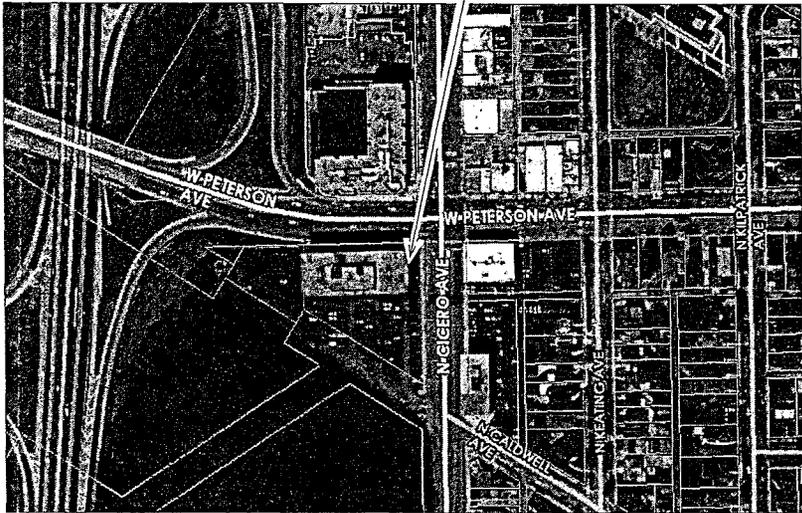

*Concurrent with this application, the Applicant intends to seek approval from the Zoning Board of Appeals to reduce the parking requirement by no more than 20% and to modify the requirements of the Landscape Ordinance.

- (d) Setbacks:
- | | |

Presented By

ALDERMAN MORENO (1st Ward):

GRATITUDE EXTENDED TO MANCHESTER CITY FOOTBALL CLUB AND UNITED ARAB EMIRATES EMBASSY ON CONTRIBUTIONS TO CREATE SOCCER FIELD AT HAAS PARK AND CONTINUED INVOLVEMENT IN LOGAN SQUARE COMMUNITY.

[R2018-883]

WHEREAS, English Premier League Champions Manchester City Football Club, the United Arab Emirates (UAE) Embassy, and the Pritzker Traubert Family Foundation funded the construction of a soccer field at Haas Park six years ago; and

WHEREAS, Manchester City and the UAE Embassy have, through the "City Soccer in the Community" program, provided children quality playing fields, as well as award-winning coaching and education programs; and

WHEREAS, The soccer field at Haas Park has been a pillar of community activity and involvement in Logan Square; and

WHEREAS, Manchester City and the UAE Embassy continue to demonstrate their commitment to the community by visiting and giving their time, expertise, and support to local youth; and

WHEREAS, The creation of the Haas Park soccer field and the continuing generosity and involvement of Manchester City and the UAE Embassy is a great benefit to the community of Logan Square, the 1st Ward, and the City of Chicago; now, therefore,

Be It Resolved, That we, the Mayor and the City Council assembled here on this 25th day of July 2018, go on record in expressing gratitude to the Manchester City Football Club and the UAE Embassy for their contribution to the creation of the soccer field and their continued involvement in the community; and

Be It Further Resolved, That the City Clerk shall prepare suitable copies of this resolution for the generous partners who made this dream a reality.

Presented By

ALDERMAN HOPKINS (2nd Ward):

GRATITUDE EXTENDED TO CLAIRE MUKUNDENTE ON HUMANITARIAN EFFORTS SHOWN TO REFUGEE AND IMMIGRANT COMMUNITIES.

[R2018-874]

WHEREAS, Claire Mukundente is not only an asset to the City of Chicago, but a mentor, role model and advocate for refugees, asylees, immigrants, youth and women across the world despite the hardships she has faced in her own life; and

WHEREAS, The City Council has been informed about the exceptional humanitarian work and perseverance of Claire Mukundente by the Honorable Brian Hopkins, Alderman of the 2nd Ward; and

WHEREAS, Claire Mukundente left Kigali, Rwanda, when she was 15 to escape the Rwandan genocide, an ethnic conflict which brought the deaths of thousands of Rwandans. She traveled through Africa to have a better life with her husband, child and sister and they were eventually granted asylum and arrived in the United States in 2000; and

WHEREAS, Upon arriving in the United States, Claire and her family received generous support from Illinois families who helped them navigate their new life. For the first seven years in the United States, Claire cleaned hotel rooms to make a living; and

WHEREAS, After those seven years, Claire accepted a job at the Uptown Neighborhood Health Center in Chicago. In addition to working a day job at the Uptown Neighborhood Health Center, Claire also took night calls at her apartment from other refugees in the neighborhood when they needed help translating official documents or paperwork. She was fully equipped to help with language barriers as she speaks four African languages, English and some French; and

WHEREAS, Claire worked for Pan-African Association, a Chicago-based nonprofit, whose mission is to serve and promote the integration of refugees, asylees and immigrants from several countries. She thought of herself not just as a teacher but as someone who has lived as a refugee and is familiar with the many adverse challenges they face; and

WHEREAS, In 2017, Claire founded Women United for Refugees and Immigrants of Illinois, a nonprofit organization focusing on providing resources, guidance, stability, compassion, expertise and skills to encourage individuals to become independent and productive members of society. Claire felt so grateful and blessed by the love and support she received upon arriving in the United States that she felt inspired to establish Women United; and

WHEREAS, On April 30, 2018, Claire spoke at Deerfield High School's fourth annual Genocide Commemoration Day, an event that honors victims and survivors of mass killings. She was joined by Holocaust survivor Steen Metz, and expressed a connection she felt to him as they have both experienced great hardship; and

WHEREAS, Despite the adversity present in her life, Claire Mukundente has proven to be a formidable opponent to the challenges she was presented with and has shown incredible perseverance throughout her life. She should not only be commended for her determination, but for her kind heart and yearning to help others; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25th day of July 2018, do hereby recognize, commemorate and celebrate the dedication and incredible altruism Claire Mukundente has shown to members of the refugee and immigrant communities; and

***GRATITUDE EXTENDED TO CHICAGO DEFENDER CHARITIES ON HOSTING
89TH ANNUAL BUD BILLIKEN PARADE AND FESTIVAL ON AUGUST 11, 2018.***

[R2018-846]

WHEREAS, The Chicago Defender Charities is hosting the 89th Annual Bud Billiken Parade and Festival, the largest and oldest African-American parade in the nation, which each year draws crowds of hundreds of thousands of participants and spectators; and

WHEREAS, The Bud Billiken Parade was founded in 1929 by Robert Sengstacke Abbott, founder of the *Chicago Defender* newspaper in 1905. His goal was to honor his hardworking newsboys and children in under-served communities, with the opportunity to showcase their talents. Two former newsboys that started out with Mr. Abbott were music legends, Lionel Hampton and Nat King Cole. His vision grew to become a major highly anticipated annual event with an impact across the nation and across generations; and

WHEREAS, It is from this tradition that many champions of history such as Muhammad Ali, James Brown and President Barack Obama to name a few, have led the Bud Billiken Parade to celebrate and inspire our youth, while providing opportunities for education, entrepreneurship and global awareness; and

WHEREAS, The Chicago Defender Charities' iconic Bud Billiken Parade is a South Side tradition that celebrates the annual back-to-school season and importance of community pride with parade dancers, drill teams, dozens of marching bands and floats; and

WHEREAS, This year's theme is appropriately branded, "Back to School, Back to Work, Back to Life, and Back to Bud"; and

WHEREAS, The Chicago Defender Charities sponsors the Bud Billiken Parade's Royal Court contest for outstanding young people, who are judged on scholarship and citizenship, and their submission of short essays; and

WHEREAS, The Chicago Defender Charities' Scholarship Program, since its inception in 2003, has awarded more than \$1.5 Million in scholarships to over 300 students; and

WHEREAS, The Chicago Defender Charities is committed to connecting the community to opportunities, dedicated to education, health, wellness, business training and entrepreneurial development. The Charities also strives to unite, empower, improve the quality of life, and enrich families and individuals in our communities; and

Be It Resolved, That we, the Mayor and members of the Chicago City Council, gathered together this 25th day of July 2018, do hereby salute the Chicago Defender Charities on the 89th Annual Bud Billiken Parade and Festival on Saturday, August 11, 2018; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to the Chicago Defender Charities.

Moore and Silverstein, reading as follows:

WHEREAS, The members of the Chicago City Council are pleased to honor Keith Kelleher, former president of Service Employees International Union Healthcare Illinois/Indiana/Missouri/Kansas, for his hard work and dedication, as he retires on September 14, 2018; and

WHEREAS, Keith Kelleher's early work in the Jesuit Volunteer Corps in Detroit in the early 1980s led him to make a life-long commitment to organizing for social and economic justice; and

WHEREAS, Keith Kelleher was president of the Service Employees International Union Healthcare Illinois/Indiana/Missouri/Kansas since its creation in April 2008 until April 2017 and before that a field organizer, lead organizer, and head organizer of Legacy Local 880 since 1983, and head organizer of United Labor Unions Local 222 in Detroit, Michigan, prior to that since 1980; and

WHEREAS, In his 39 years of work as a labor and community organizer, Keith Kelleher has pioneered the organization of fast food, home care, child care and other low-wage workers -- growing Legacy Local 880 from just seven members in 1983 to over 70,000 members by 2008, and growing SEIU HCLIMK from 83,000 members in 2008 to over 92,000 members by 2014; and winning living wages and first-ever healthcare for tens of thousands of Illinois workers; and

WHEREAS, Keith Kelleher was the field director of the national SEIU's "Homecare Task Force" from 1996 to 1998, traveling, researching, and house visiting homecare workers in over 10 states, beginning the work which led to the organizing of hundreds of thousands of homecare workers across the country; and

WHEREAS, Today, more than 600,000 home care and child care workers in more than 15 states across the country are united in SEIU, fighting for a better standard of living for themselves and their families, joining with nursing home and hospital workers to become a national movement for quality care and quality jobs; and

WHEREAS, Keith Kelleher was a founder and leader in the national SEIU Homecare Council, composed of leaders of over 15 local unions; and

WHEREAS, Keith Kelleher was a board member and then vice-president of the SEIU Illinois State Council, which grew from 70,000 to over 120,000 members during his years of service; and

WHEREAS, As an organizer, Keith Kelleher has been privileged to train hundreds of rank and file leaders and organizers over his career; and

WHEREAS, Keith Kelleher helped found the Helen Miller Member Education and Training Center (METC) which has trained thousands of homecare and child care workers, as well as helping to found the SEIU HCLIMK Homecare and Child Care Health Trust Fund, which brought first-time health care to over 15,000 homecare and child care workers; and

WHEREAS, His conviction, integrity and foresight helped initiate several grassroots organizing initiatives such as Grassroots Collaborative, "Fight for \$15" and "United Working Families"; and

WHEREAS, Keith Kelleher was a founder and leader of the "Chicago Jobs and Living Wage Campaign" and the "Big Box Living Wage Campaign" from the 1990's to the 2000's, which led to the increases in the Chicago and Illinois minimum wage to the benefit of hundreds of thousands, if not millions, of Chicago and Illinois workers; and

WHEREAS, In recognition of his historic accomplishments in organizing and the labor movement, Keith Kelleher was elected as an SEIU International executive board vice-president in June 2008 and served until 2017; now, therefore,

Be It Resolved, That the City Council of Chicago stands in honor and appreciation of Keith Kelleher and his tireless work and representation to the Service Employees International Union Healthcare Illinois/Indiana/Missouri/Kansas and others, and we wish him the best as he retires from this position; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Keith Kelleher as a symbol of our respect and appreciation.

CONGRATULATIONS EXTENDED TO LAURA MILLER-NICKERSON ON 100TH BIRTHDAY.

[R2018-847]

WHEREAS, Almighty God, in His infinite wisdom and judgment continues to show favor by granting the timeless gifts of love, joy and longevity to a beloved, longtime 8th Ward resident, a faithful woman of God and dedicated community service, who on the afternoon of Saturday, July 28, 2018, will be honored by her loving family, church members and friends as she celebrates her 100th centennial birthday; and

WHEREAS, The family of the honoree Mrs. Laura Nickerson, have informed 8th Ward Alderman Michelle Harris about the upcoming celebration of the 100th birthday of their beloved matriarch, Mrs. Laura Nickerson, which will occur on July 30, 2018; and

WHEREAS, Alderman Michelle A. Harris, and on behalf of the residents of the 8th Ward and her fellow colleagues of the Chicago City Council have informed this august body of this significant upcoming centennial birthday celebration honoring Mrs. Nickerson; and

WHEREAS, Mrs. Laura Miller-Nickerson was born to into the loving union of her parents Florence Britton-Miller and Charlie Miller, on July 30, 1918 in Gulfport, Mississippi; and

WHEREAS, Laura had three sisters who have predeceased her: Bessie William, Janie Mabley and Thelma Gilland, as well as one deceased brother Johnny B. Miller; and

WHEREAS, Laura Miller-Nickerson was always an energetic, inquisitive and forward-thinking individual. Laura loved school and graduated from Thirty-third Avenue High School in Gulfport, Mississippi. After graduating from high school, Laura relocated to Chicago, Illinois, during the Great Migration, where she met and married her late husband Cleveland Nickerson, a local jazz musician; and

WHEREAS, Laura and Cleveland traveled throughout the United States as he played with many musical greats in large and small venues with his New York Organ jazz combo. Often during their travels, they experienced the segregated color barrier, and during that period of time they could not stay in the hotels in which he performed. While performing in Las Vegas she and other band members wives could not attend the performances in the same room as the white patrons and they would have to watch from a smaller room designated for African-Americans; and

WHEREAS, Upon returning to Chicago between her husband's musical engagements, Mrs. Laura Miller-Nickerson saw an opportunity to rent a former business space, and decided to open a restaurant, which she renamed Laura's Restaurant, becoming an early black female-owned South Side business. The soul-food emporium, located at 6422 South Cottage Grove Avenue, specialized in mouth-watering, home cooked meals. For over 40 years, she fed neighborhood residents and celebrities alike, remaining in that location until she retired and closed the restaurant in 1983; and

WHEREAS, Always a trailblazer, she and her husband moved to 719 East 87th Place, successfully integrating the formerly all-white Chatham neighborhood, and were welcomed into the community without any major problems, an unusual outcome during the late '50s and early '60s. Laura still resides in that home today where Laura and Cleveland were the first Black family on that block; and

WHEREAS, Laura's favorite activity was traveling to places like Hawaii. Her philosophy is to treat everyone right. Mrs. Nickerson's hero is Dr. Martin Luther King, Jr., whom she met during his time here during the Chicago Freedom Movement, at her beloved Liberty Baptist Church of Chicago (LBC), where Reverend Darrell L. Jackson serves as pastor. She actively participated in LBC's Scholarship Aid Society and the Women's Guild. Until her health began to decline, she was also a member of the Chesterfield Community Organization; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of the City of Chicago, gathered here in assembly this 25th day of July 2018 A.D., do hereby express our most heartfelt congratulations and best wishes for a wonderful July 30th birthday celebration honoring 100 years to Mrs. Laura Miller-Nickerson, and extend to her family, friends, neighbors and church members our sincere happiness that she has achieved this great life milestone; and

CALL FOR CHICAGO PARK DISTRICT TO RENAME WALNUT PARK IN HONOR OF LATE OFFICER IRMA C. RUIZ.

[R2018-873]

WHEREAS, On September 22, 1988, Chicago Police Patrol Officer Irma C. Ruiz, Star Number 16823 of Area 4 Youth Division and the devoted mother of four children, perished inside the Moses Montefiore School at 1300 South Ashland Avenue at the hands of a rampaging armed felon; and

WHEREAS, On that fateful and tragic day, Officer Irma C. Ruiz became only the third female Chicago Police to be killed in the line of duty; and

WHEREAS, Officer Irma C. Ruiz graduated from the Chicago Police Academy on October 1, 1976; and

WHEREAS, Officer Irma C. Ruiz was among the first women assigned to the Grand Crossing District; and

WHEREAS, In her 12 years in the department, Officer Irma C. Ruiz won a department commendation, three honorable mentions and had four complimentary letters added to her personnel file; and

WHEREAS, Officer Irma C. Ruiz and her partner Officer Greg Jaglowski were assigned to the Harrison Area's Youth Division and were a mobile unit that responded to an emergency call at the school; and

WHEREAS, As members of a mobile unit responding to calls, they were summoned to the Montefiore School to escort an unruly student to his home; and

WHEREAS, While in the process of picking up the student, Officer Irma C. Ruiz and Officer Greg Jaglowski received a report that an armed offender had entered the school; and

WHEREAS, The offender, described as a deranged gunman, had already killed two other people in an auto parts store and wounded a maintenance worker and a school custodian by the time the officers arrived on the scene; and

WHEREAS, The gunman fired upon the police officers, fatally striking Officer Irma C. Ruiz in the chest and wounding Officer Greg Jaglowski twice in the legs; and

WHEREAS, Although seriously injured, Officer Greg Jaglowski managed to return fire killing the offender; and

WHEREAS, Officer Greg Jaglowski eventually recovered from his wounds and received the *IACP/Parade* magazine "Officer of the Year" award for his heroic actions; and

WHEREAS, According to Chicago Police Superintendent LeRoy Martin, "Had my two officers not been there at the school to pick up a youth, had he (the gunman) not encountered them, I'm afraid we would have had a massacre. Officer (Irma C. Ruiz) sacrificed her life"; and

WHEREAS, The Chicago City Council has been informed of the pending 30th anniversary of Officer Irma C. Ruiz courageous actions and tragic passing by Alderman Edward M. Burke; and

WHEREAS, Officer Irma C. Ruiz, a warm and caring woman, resided in the Beverly community with her husband Peter and their four children and was deeply devoted to her family and community; now, therefore,

Be It Resolved, That we, the Mayor and members of the Chicago City Council, assembled this 25th day of July 2018, call upon the Chicago Park District leadership to honor the memory of Officer Irma C. Ruiz and hereby rename Walnut Park at 3801 West 45th Street, "Irma C. Ruiz Park"; and

Be It Further Resolved, That copies of this resolution be presented to the Chicago Park District and to Peter Ruiz, the husband of the late Officer Irma C. Ruiz.

WHEREAS, The Chicago City Council has been informed of this achievement by Alderman Edward M. Burke; and

WHEREAS, Since 1938, Palace Grill has served Chicago's West Loop as a classic American diner with a warm atmosphere to enjoy a hearty meal; and

WHEREAS, Palace Grill has famously been visited by Mayor Richard M. Daley, Al and Tipper Gore, Russian Prime Minister Viktor Chernomyrdin, countless TV and radio personalities, and the Chicago Blackhawks who regularly pick up breakfast sandwiches before practice; and

WHEREAS, Palace Grill has been featured on the Oprah Winfrey Show, Windy City Live, Sandwich King, Secrets of a Restaurant Chef and Chicago's Best, and was voted the "best breakfast restaurant" in Chicago by the *Chicago Sun-Times*; and

WHEREAS, Within the Chicago area, there are only a handful of restaurants that have withstood the test of time as long as Palace Grill; now, therefore,

Be It Resolved, That we, the Mayor and the members of the Chicago City Council, assembled this 25th day of July 2018, do hereby express our congratulations and appreciation to Palace Grill for its remarkable 80 years of business; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Palace Grill.

RECOGNITION EXTENDED TO JUDGE DANA MAKOTO SABRAW FOR ISSUING PRELIMINARY INJUNCTION TO REUNITE MIGRANT CHILDREN WITH FAMILIES SEPARATED AT UNITED STATES BORDER.

[R2018-880]

WHEREAS, In response to a request made by the American Civil Liberties Union to end migrant children separations, the Honorable Dana Makoto Sabraw, Judge of the United States District Court for Southern California in San Diego on June 26, 2018, issued a preliminary injunction to reunite migrant children with their parents who had been detained under President Donald Trump's "zero-tolerance" policy within 14 to 30 days; and

WHEREAS, The American Civil Liberties Union sued the federal government on behalf of the affected migrant children after more than 2,000 had been separated from their families and sent to detention centers across the country; and

WHEREAS, The Honorable Dana Makoto Sabraw's injunction gave the federal government 14 days to reunite children under the age of five with their parents, and 30 days to reunify children who are older; and

WHEREAS, The Honorable Dana Makoto Sabraw ordered the government to produce detailed lists of all minors and parents, and their locations, and to deliver that information to the American Civil Liberties Union; and

WHEREAS, The order also requires federal agents to allow parents to contact their children within 10 days of being separated from them; and

WHEREAS, The Chicago City Council has been informed of his ruling by Alderman Edward M. Burke; and

WHEREAS, The Honorable Dana Makoto Sabraw called the practice of family separation “a chaotic circumstance of the government’s own making”, saying the government was treating children worse than it handles property, stating that “The unfortunate reality is that under the present system migrant children are not accounted for with the same efficiency and accuracy as property”; and

WHEREAS, The Department of Health and Human Services officials told the Honorable Dana Makoto Sabraw that the July 26, 2018 deadline for reunification could not be met without putting children at risk; and

WHEREAS, The Honorable Dana Makoto Sabraw informed the government that the short time frame “was no excuse” for not completing the proper due diligence including DNA testing and background checks within the proscribed time frame prior to releasing the children to their parents; and

WHEREAS, The Department of Health and Human Services acquiesced, declaring that reunifications could be done safely and on time; and

WHEREAS, The Honorable Dana Makoto Sabraw, a widely respected jurist who personally experienced discrimination based on his Japanese heritage while growing up in California, has served on the bench in the U.S. District Court for Southern California since 2003 following appointment from President George W. Bush; now, therefore,

Be It Resolved, That we, the Mayor and the members of the Chicago City Council, assembled this 25th day of July 2018, do hereby commend the Honorable Dana Makoto Sabraw for his courageous decision to invalidate the inhumane practice of separating families at the U.S. border and to reunite migrant children with their parents without undue delay; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Honorable Dana Makoto Sabraw.

CONGRATULATIONS EXTENDED TO UNITED STATES DEPARTMENT OF JUSTICE ON REOPENING INVESTIGATION INTO MURDER OF EMMETT TILL.

[R2018-862]

WHEREAS, In a report to Congress in March 2018, the U.S. Department of Justice announced it was reopening its investigation into the murder of Emmett Till, the 14-year-old African-American boy and Chicago native whose abduction and killing remains among the most devastating examples of racial violence in the South; and

WHEREAS, The reopening of the Emmett Till investigation is a renewed and prominent test for the U.S. Department of Justice whose officials continue to investigate unsolved crimes dating back to the Civil Rights Movement that are thought to have been racially motivated; and

WHEREAS, In addition, the U.S. Department of Justice's reopening of the Emmett Till investigation is an opportunity to achieve significant change to the challenges of race that continue to plague our nation; and

WHEREAS, Emmett Till was born on July 25, 1941, on Chicago's South Side, and would have celebrated his 77th birthday this year; and

WHEREAS, Emmett Till was brutally murdered on August 28, 1955, while visiting family in Money, Mississippi, after being accused of whistling at a white woman in her family's store; and

WHEREAS, Tens of thousands attended Emmett Till's funeral or viewed his open casket in Chicago, and images of his mutilated body rallied popular black support and white sympathy across the United States; and

WHEREAS, On September 23, 1955, Roy Bryant and J.W. Milam, the men responsible for Emmett Till's kidnapping and murder, were acquitted by an all-white, all-male jury after an hour of deliberation, believing the state had failed to prove the identity of the body; and

WHEREAS, The brutality of Emmett Till's murder and the fact that his killers were acquitted of their crimes drew immense attention to the long history of violent persecution of African-Americans in the United States, and were an early catalyst of the Civil Rights Movement; and

WHEREAS, The City of Chicago continues to memorialize Emmett Till's legacy with the naming of a section of 71st Street as "Emmett Till Road" and the renaming of James McCosh Elementary School as "Emmett Louis Till Math and Science Academy"; now, therefore,

Be It Resolved, That we, the Mayor and the members of the Chicago City Council, assembled this 25th day of July 2018, do hereby recognize and congratulate the U.S. Department of Justice in reopening its investigation into the murder of Emmett Till; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the family of Emmett Till.

TRIBUTE TO LATE GENEVA CAGE.

[R2018-818]

WHEREAS, It is with great sadness that this chamber learns of the unfortunate departure of Geneva Cage on June 22, 2018; and

WHEREAS, This esteemed body has been notified of her passing by the Honorable Toni Foulkes, Alderman of the 16th Ward; and

WHEREAS, Born on December 19, 1946, in Jeffersonville, Georgia, Geneva Cage was the adored daughter of (the late) Fred Carswell, Jr., and Elousie Daye-Lewis. Geneva attended elementary school in Jeffersonville before moving to Chicago where she graduated high school from Dunbar Vocational; and

WHEREAS, In August of 1968, Geneva married her beloved husband, Michael Cage, Sr. Together they were blessed with one son, Michael Cage, Jr.; and

WHEREAS, Geneva was a dedicated worker at Potash Bros. on the North Side of Chicago for 33 years as a meat wrapper. She retired in 2003 and decided to work part-time for Moo & Oink for two years as a meat wrapper and assistant butcher on the West Side of Chicago; and

WHEREAS, Attending church and serving others were some of her greatest joys. In 1967, Geneva joined St. John Baptist Temple. There she served on the usher board and eventually became president of the Young Matrons Church Auxiliary. She also helped with the food pantry and delivered food to the sick and shut-ins. In April 2008, Geneva became a member of West 95th Oakdale Missionary Baptist Church where she continued her missionary work; and

WHEREAS, Geneva loved her Chicago community. She adored baseball and frequently attended Chicago White Sox games. She was a very engaged citizen and enjoyed working with her alderman, Toni Foulkes, to better her neighborhood. She also was a beloved member of the 66th and Hoyne Block Club and had a passion for keeping her community safe and clean; and

WHEREAS, Geneva leaves to cherish her memory her son, Michael Cage Jr.; daughter-in-law, Nicole Cage; granddaughter, Micah Geneva Cage; grandson, Nicolas Long-Cage; mother, Elousie Daye-Lewis; and a host of extended family and treasured friends; and

WHEREAS, She was a lighthearted woman who enjoyed the presence of her family and friends. She loved celebrating special occasions with them and especially took pride and joy in being a grandmother. She will be sorely missed by many but fondly remembered for her kindness, generosity and spirit by those who knew her; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25th day of July 2018, do express our sorrow on the passing of Geneva Cage and extend to her family our sincerest condolences; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to the family of Geneva Cage as a token of our respect.

CONGRATULATIONS EXTENDED TO DEPUTY DIRECTOR TOM SIVAK ON RECEIPT OF 2018 COLONEL ROBERT E. WILLIAMS LEADERSHIP AWARD.

[R2018-817]

WHEREAS, The Chicago Office of Emergency Management and Communications (OEMC) Deputy Director of Emergency Management Tom Sivak was presented with the

Colonel Robert E. Williams Leadership Award during the 2018 National Homeland Security Association (NHSA) Conference in New York City; and

WHEREAS, The award is given in memory of Colonel Robert E. Williams, one of the founders of NHSA. The leadership award is given to highlight exemplary leadership skills in the day-to-day management of homeland security operations or during a particularly crucial event, to individuals that go above and beyond in their duties and dedication to responsibilities; and

WHEREAS, This august body has been informed of this special award by the Honorable Matthew O'Shea, Alderman of the 19th Ward and the Honorable Ariel Reboyras, Alderman of the 30th Ward; and

WHEREAS, The annual NHSA conference brings together public safety professionals from the nation's largest metropolitan areas to share best practices and innovative approaches to preparedness and response; and

WHEREAS, As Deputy Director of Emergency Management for the City of Chicago's OEMC, Tom Sivak is in charge of special event and emergency/disaster planning. He is also responsible for the City's 24/7 Operations Center, Emergency Operations Center, emergency management duty activations, and emergency management/homeland security training and planning; and

WHEREAS, During his tenure Tom has led Emergency Operations activations for large-scale events including the Chicago Marathon and Pride Parade, the 2015 Chicago Blackhawks' Stanley Cup clinch game and victory parade, and the Chicago Cubs 2016 World Series and victory parade. Most recently Tom served as a lead coordinator for repatriation of hurricane evacuees from St. Martin, and led coordinated recovery efforts for evacuees from Puerto Rico; and

WHEREAS, Deputy Director Tom Sivak's contributions to Chicago's emergency operations and planning for natural, man-made and cyber events have been key factors in securing the city's safety and security. Recognition from this highly respected national organization serves as a tribute to the dedication and expertise that Tom brings to OEMC and the City of Chicago; now, therefore,

Be It Resolved, That we, the Mayor, and members of the City Council of the City of Chicago, gathered here this 25th day of July 2018, do hereby extend our heartiest congratulations to Deputy Director Tom Sivak on this achievement; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Deputy Director Tom Sivak.

CONGRATULATIONS EXTENDED TO BRONZEVILLE CHILDREN'S MUSEUM ON 20th ANNIVERSARY.

[R2018-879]

WHEREAS, It is indeed an honor and great privilege to acknowledge the staff and members of the Bronzeville Children's Museum on their 20th year anniversary of serving residents, families and tourists travelling from places across the City of Chicago and abroad; and

WHEREAS, The Bronzeville Children's Museum is noted as the first and only African American museum in the City of Chicago and the entire country. The exhibits displayed throughout the museum are derived from innovative thinkers who understood the importance of challenging the minds of children and developing a deeply-rooted desire within them to learn more about successful African American entrepreneurs, politicians, physicians, lawyers, nurses and the like; and

WHEREAS, Their philosophy has created an open dialogue amongst children, parents, and educators and has pressed upon the minds of children to inspire beyond the stipulations placed upon them based on the color of their skin. As a further result, children have taken great pride in establishing healthy boundaries for themselves at an early age. Today, many realize there are limitless opportunities for them to engage, network, and invent a new mindset in controlling behavioral differences between themselves and authority figures. With that, it has propelled their peers to follow in the same direction; and

WHEREAS, We can all attest to the success of Bronzeville Children's Museum stems from a group of leaders and community financial investors who have spent tireless efforts in collaborating ideas and creating educational tools that are known to actually work. Every effort has created a positive synergy amongst underprivileged children and others riddled with crime, homelessness, and other forms that shows lack of resources in a society that seemingly appears to be taking a turn for the worse; and

WHEREAS, I, 21st Ward Alderman Howard B. Brookins, Jr., encourage every parent, legislator, community resident and child sitting in this room to take a stand and applaud yourselves for not being selfish with your visions, dreams and ideas but instead allowing them to flourish and be indoctrinated in the organizational structure of the Bronzeville Children's Museum. For that reason and so many more it takes your "out the box" type of thinking in a world that would prefer many of us to disregard; now, therefore,

Be It Resolved, The Mayor and members of the City Council will share in congratulating the staff and members of the Bronzeville Children's Museum on Wednesday, July 25th 2018, A.D., on their continual stand to reinforce a message that exhilarates the very

hearts, minds and souls of African American children and increases their hunger for knowledge to learn more about their ancestors, culture and history of their own upbringing in a society that has made them often times feel miniscule. For now they know our culture is equally important to the success of this country and world that we live in; and

Be It Further Resolved, That a suitable copy of this resolution will be prepared and presented to Bronzeville Children's Museum at a later date.

CONGRATULATIONS EXTENDED TO ARTHUR WONG AND LATE DR. ELAINE CHONG WONG ON RECEIPT OF CHINESE AMERICAN SERVICE LEAGUE LIFETIME ACHIEVEMENT AWARD.

[R2018-864]

WHEREAS, It is with great honor that members of this chamber recognize the contributions, achievements and dedicated service of Arthur Wong and the late Dr. Elaine Chong Wong to Chicago's Chinatown community; and

WHEREAS, The City Council has been informed of this auspicious occasion by the Honorable Daniel Solis, Alderman of the 25th Ward; and

WHEREAS, Art Wong is the cherished son of restaurant entrepreneurs, Paki-Yuen and Eng Shee. Art grew up in Chinatown and attended Haines Elementary before attending Tilden Tech High School. Art swam in high school as well as played baseball for the Chinatown Dragons. He discovered his true passion after participating in the Chicago Park District's Rainbow Fleet where he learned how to race sailboats. After graduating high school, Art attended Ripon College where he remained highly involved with sports; and

WHEREAS, After graduating college in 1953, Art found work at the Automatic Electric Company in Chicago. During his life, he worked at Bankers Life and Casualty, and Prudential; and

WHEREAS, In his free time, Art was an avid sailor and raced competitively for 65 years. He won several Boat of the Year Awards, he won his boat's class in the Chicago to Mackinac Race, and he was a member of the Mackinac Island Old Goats Club for sailors who have completed at least 25 races; and

WHEREAS, His wife, Elaine, was the adored daughter of Daisy, an entrepreneur, and Henry Chong, a foreman at the Dole Cannery, and the middle of seven children. Elaine attended Indiana University majoring in chemistry and English. She then attended Women's Medical College of Pennsylvania. She did her internship at Queens Hospital in Honolulu before completing her pediatric residency at Milwaukee Children's Hospital, her clinical psychiatry residency and teaching at the University of Minnesota Medical School and her adult psychiatry residency at the University of Illinois at Chicago. Elaine maintained her own private practice for 60 years and with limited practice until she was 90; and

WHEREAS, Arthur and Elaine were a beloved couple who met on a blind date arranged by a mutual friend. Their wedding ceremony was held at Thorndike Hilton Chapel at The University of Chicago with their reception at Chiam restaurant in Chinatown. Married for 51 years, they have two children, David and Melissa and three grandchildren, Ailani, Calder and Nicholas; and

WHEREAS, In 1986, Art joined the board of directors of the Chinese American Service League and worked on both the finance and audit committees. In 1988, he became the chairman of the board and served for 10 years, becoming the longest-serving board chairman in agency history; and

WHEREAS, During his tenure, he oversaw the construction of CASL's new office building and the senior housing building, secured a \$1,000,000 gift from the State of Illinois and donated titanium "dragon scales" that are placed outside of the office building. He was a visionary and progressive thinker whose leadership helped grow the organization into what it is today; and

WHEREAS, Elaine was a volunteer consultant for 30 years at CASL in the Children's Development Center, where she spent time mentoring teachers and helping them understand their students so that they could provide the best possible service. Elaine also reviewed individual children's case files and made sure that each child received loving and positive care that improved their lives; and

WHEREAS, Dr. Elaine Wong passed away on September 2, 2016, at age 91. Her loss was not only felt by her family, but by the community she devotedly served. She will be deeply missed by those who had the pleasure of knowing her; and

WHEREAS, Every year, the Chinese American Service League recognizes individuals who have demonstrated outstanding contribution to CASL by awarding the Lifetime Achievement Award. The honoree(s) must have exhibited exceptional leadership and provided inspiration to others and have made a lasting contribution to CASL, the people CASL serves and the Chinatown community. Art and Elaine's tireless commitment, altruism, and decades of visionary leadership was recognized at CASL's 40th anniversary gala on May 10, 2018; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25th day of July 2018, do hereby honor and express our deepest and sincerest gratitude to Art and Dr. Elaine Wong for their tremendous contribution to Chicago's Chinatown and the Chinese-American community; and

Be It Further Resolved, That suitable copies of this resolution be prepared for Art Wong and his family as a token of our appreciation and recognition.

CONGRATULATIONS EXTENDED TO DR. JUAN CHEDIAK ON RETIREMENT.

[R2018-831]

WHEREAS, We, in this city of immigrants, this city of neighborhoods, are particularly cognizant of the "American Dream" which is, of course, the dream of all peoples, that

anyone, regardless of birth country or social class, can attain their own version of success in a society where upward mobility is possible for everyone; and

WHEREAS, While for most of the developed world, the very ability to pursue that dream is predicated upon frequent, and often dreaded, trips to physicians; a reality so pervasive it requires an amendment of Benjamin Franklin's truth that "nothing can be said to be certain, except death and taxes" by addition of the words "and visits to a physician"; and

WHEREAS, The ability to practice the art, as opposed to the business, of medicine is a true blessing bestowed upon the very few; and

WHEREAS, Doctor Juan Chediak is one of those few, exemplifying the three A's by which any physician must be judged -- ability, availability and affability; and

WHEREAS, Dr. Chediak's passion for his profession was made manifest by his impact upon patient and practitioner, while his expertise was matched by his commitment to and compassion for his patients; and

WHEREAS, For nearly a half century Dr. Chediak has engaged in the Sisyphean struggle against the physical depredations to which our fragile human shells are subject; and

WHEREAS, Having begun his career with fellowships at Michael Reese and University of Illinois hospitals, later serving as a physician and professor at both, as well as with Illinois Masonic and Rush University hospitals, he concluded his service in private practice; and

WHEREAS, Both the wellspring and a primary manifestation of Dr. Chediak's seemingly inexhaustible reservoir of commitment and compassion is his family, including his beloved wife Graciela, who serves as the president of the Ecuadorian Volunteers Association for which Dr. Chediak also serves as an advisory board member, his children and grandchildren; and

WHEREAS, While the corporatist, profit-centric constrictions of the U.S. medical system have finally driven this supremely humanistic physician from the field, after more than three quarters of a century practicing what Plato has referred to as *techne tou bio* or "the craft of life", on June 30, 2018, Dr. Chediak closed his practice to further enrich his own spirit through the devotion of time to his family, his philanthropic pursuits, and to travel, through which he enjoys visiting with former colleagues and patients the world over; now, therefore,

Be It Resolved, That we, Mayor Rahm Emanuel, Alderman Tunney, and the members of the City Council of Chicago, gathered here this 25th day of July in 2018, do hereby

recognize and salute the almost half century devoted to the provision of healing and succor to Chicagoans by Dr. Juan Chediak, express our sincere appreciation for his immeasurable contribution to the commonweal and extend our best wishes for a fulfilling and joyful retirement; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Dr. Juan Chediak.

CONGRATULATIONS EXTENDED TO FRANCES THALE ON 90TH BIRTHDAY.

[R2018-816]

WHEREAS, Frances Thale will celebrate the joyful occasion of her 90th birthday on August 29, 2018; and

WHEREAS, It is with great pleasure that the City Council of the City of Chicago is hereby informed of this special occurrence by the Honorable James Cappleman, Alderman of the 46th Ward; and

WHEREAS, On August 26, family and friends of Frances Thale will commence the celebration of this wonderful event; and

WHEREAS, Frances Thale was born in Chicago, Illinois in 1928. She later attended St. Ignatius Grammar School and St. Scholastica Academy; and

WHEREAS, While in high school, her singing ability became evident to many in the community, and she was awarded a scholarship to receive voice lessons in New York; and

WHEREAS, Frances Thale, as an adult, continued her singing with St. Mary's choir in Evanston, Illinois; and

WHEREAS, Frances Thale later attended St. Mary's College in South Bend, Indiana; and

WHEREAS, She met James Sparks Thale who had recently completed his service in the U.S. Army during World War II; and

WHEREAS, They married at St. Ignatius Roman Catholic Church on January 22, 1949, and were married for 58 years until they were parted by James Thale's death in 2007; and

WHEREAS, They had four sons: James, Steven, Richard and Paul; and

WHEREAS, Frances is the proud grandmother of four grandchildren and eight great-grandchildren; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25th day of July 2018, do hereby commend and honor Frances Thale for the inspiration she has provided to her family and friends. We congratulate Frances Thale on her 90th birthday and extend our very best wishes for many more birthdays; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Frances Thale.

[R2018-889]

WHEREAS, Reverend Curt D. Fuller and Louise E.P. Fuller will celebrate the joyful occasion of their 44th wedding anniversary on August 3, 2018; and

WHEREAS, It is with great pleasure that the City Council of the City of Chicago is informed of this special occurrence by the Honorable Joseph A. Moore, Alderman of the 49th Ward; and

WHEREAS, Louise Fuller was born and raised in West Stewartstown, New Hampshire, and Curt Fuller was born and raised in Plainville, Connecticut, and they were joined in marriage in Colebrook, New Hampshire, on August 3, 1974; and

WHEREAS, Curt and Louise Fuller are relatively recent Chicagoans, having lived together in New Hampshire, Connecticut, Nevada, Massachusetts, California, and now in the Rogers Park neighborhood of Chicago; and

WHEREAS, Curt and Louise Fuller have been active community members wherever they lived, having led churches, volunteered for electoral campaigns, coached youth sports, served as delegates to Democratic Party state conventions, and having been welcoming friends to neighbors; and

WHEREAS, Curt and Louise are the proud parents of two sons, Bob and Dana, who live in Chicago, one daughter, Shelly, in Massachusetts, and the grandparents of Colman, Jessica and Gus; and

WHEREAS, Curt and Louise can often be seen at Royal Cafe in Rogers Park, chatting with friends and neighbors, or competing with the longstanding "3:10 to Yuma" trivia team Tuesday nights at the Firehouse Grill in Evanston; and

WHEREAS, They are regular attendees at Democratic Party of the 49th Ward meetings and events, and have worked tirelessly on election day for candidates at every level, from local school council to president; and

WHEREAS, Curt and Louise Fuller are a loving couple whose example and friendship goes out to the world as a beacon, and their contributions as family and neighbors make them "true Chicagoans"; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 25th day of July 2018 C.E., do hereby recognize August 3, 2018 to be "Curt and Louise Fuller Day" in Chicago in honor of their contributions to the city as neighbors, parents, grandparents, activists and friends; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Louise and Curt Fuller.
