REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Rules Suspended -- TRIBUTE TO LATE EDWARD EUGENE SADLOWSKI.
[R2018-898]

The Honorable Rahm Emanuel, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

July 25, 2018.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith, together with the members of the City Council, a resolution honoring the life and memory of Ed Sadlowski.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, The members of this chamber were deeply saddened to learn of the death on June 10, 2018, at age 79, of Edward "Ed" Eugene Sadlowski, a Chicago labor icon who fought valiantly for the rights of thousands of workers; and

WHEREAS, Ed Sadlowski was born on September 10, 1938, in the South Chicago neighborhood. He married his high school sweetheart, Marlene, in 1959, despite the two growing up on different sides of the tracks. The happy couple was married for nearly 60 years, until Ed's passing; and

WHEREAS, A third-generation steelworker, Ed grew up witnessing his father, Edward, Sr., work for Inland Steel and become a founding member of a steelworkers' union local; and

WHEREAS, Ed Sadlowski left school in 11th grade, worked as an apprentice machinist, and bravely served in the U.S. Army. He returned to South Chicago and began a job as an oiler in the machine shop of United States Steel South Works. His habit of walking around the plant, oil can in hand, talking with rank-and-file members, marked the initial steps of his illustrious career fighting on behalf of steelworkers and earned him the nickname, "Oil Can Eddie"; and

WHEREAS, He rose quickly as an organizing force for the United Steelworkers union and at age 26 upset a favored incumbent to become the youngest president of the United Steel Workers' Local 65, overseeing 23,000 workers. A decade later, he ran to become president of United Steelworkers' largest region, District 31, representing 128,000 workers in Chicago and Gary, Indiana, and after challenging the initial election results and succeeding in court, he won the re-held election nearly two to one; and

WHEREAS, In 1977, running as an insurgent candidate for United Steelworkers' international presidency, Ed Sadlowski rose to national acclaim and nearly unseated the chosen candidate with his "Steelworkers Fight Back" campaign, advocating for the ability of local union leaders to ratify contracts, the importance of the right to strike as a bargaining tool, and criticizing the rank-and-file union leaders as out of touch; and

WHEREAS, His "Steelworkers Fight Back" campaign captivated the nation, with legendary Chicago author Studs Terkel remarking that it was more important than that year's presidential election between Gerald Ford and Jimmy Carter; and

WHEREAS, Ed Sadlowski remained a leader in the labor community, serving on the local panel of the Illinois Labor Relations Board for nearly 20 years, and was inducted into the Illinois Labor History Society Union Hall of Honor in 2012; and

WHEREAS, Ed ardently championed the rights of union members to have a voice over their own contracts, their right to strike, and their dues, shaping the culture of the labor movement and of the United Steelworkers; and

WHEREAS, A driven man, who fought fiercely for and empowered Chicago workers, Ed Sadlowski will always be remembered as a legendary labor leader, a mentor and friend to many, and a distinguished son of Chicago; and

WHEREAS, Ed Sadlowski is survived by his beloved wife, Marlene; his four children, Alderman Susan Sadlowski Garza, Patricia Hoyt, Edward Sadlowski, Jr. and Diane Agelson; 11 grandchildren and 2 great-grandchildren; and countless friends in the labor movement; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 25th day of July 2018, do hereby honor the life and memory of Edward Eugene Sadlowski; and

Be It Further Resolved, That suitable copies of this resolution be presented to the family of Edward Eugene Sadlowski as a token of our sympathy and esteem.

On motion of Alderman Burke, seconded by Aldermen Dowell, King, Hairston, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cardenas, Curtis, Muñoz, Scott, Solis, Maldonado, Burnett, Taliaferro, Reboyras, Mell, Austin, Mitts, Cappleman, J. Moore and Silverstein, the foregoing proposed resolution was *Adopted* by a rising vote.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose to offer the condolences and support of the people of the City of Chicago to the family of the late Edward Eugene Sadlowski. Reflecting on the life and legacy of Mr. Sadlowski, Mayor Emanuel spoke of his leadership as president of the United Steel Workers Union and his exemplary service in the labor community on behalf of working men and women. An outspoken advocate and voice for his members, Mayor Emanuel stated that "no one fought harder, no one spoke louder and no one did more for their fellow workers than Ed Sadlowski" and his efforts and accomplishments truly made a positive difference in our city. A remarkable man of character and conviction, Edward Sadlowski touched the lives of many, the Mayor concluded, and he will be dearly missed by his family, his friends, and those fortunate to know him. Mayor Emanuel then left the rostrum and strode to the commissioners' gallery where he presented a parchment copy of the memorial resolution to the family of the late Edward Eugene Sadlowski.

[R2018-900]

OFFICE OF THE MAYOR
CITY OF CHICAGO

July 25, 2018.

To the Honorable, The City Council of the City of Chicago:

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,

The following is said proposed resolution:

WHEREAS, The members of this chamber are pleased to be informed of the recent establishment of the Black Fire Brigade, an important new organization in the City of Chicago; and

WHEREAS, The Black Fire Brigade seeks to stimulate community interest in African-American Fire and EMS service history, as well as educate individuals about fire prevention and fire safety; and

WHEREAS, The group held a ribbon-cutting ceremony to mark the formal opening of its clubhouse last month at 8404 South Kedzie Avenue in Chicago's Ashburn neighborhood as a place for mentoring, support, training, historical remembrance and community for Chicago's firefighters, EMS personnel, and the next generation of leaders; and

WHEREAS, The Black Fire Brigade contributes to the community by working to improve employment standards, introducing fire service initiatives, creating opportunities for community collaboration and celebrating art and culture; and

WHEREAS, The Black Fire Brigade represents community concerns about Fire Rescue and EMS Rescue Services and supports them by adding a voice to public discussions, spreading awareness, and promoting fundraisers; and

WHEREAS, The organization engages in conversations that stimulate interest in new technologies, strategies, tactics and general operating procedures to benefit and improve Fire and EMS Rescue Services; and

WHEREAS, The Black Fire Brigade also honors fallen colleagues and helps these individuals' families, serving as active role models for those children and honoring Chicago's 13 African-American firefighters who have died in the line of duty; and

WHEREAS, Question Curtis launched the Black Fire Brigade after witnessing a decades-long struggle by African-American firefighters and EMS personnel through court cases, hoping to instead drive progress and develop camaraderie through the organization; and

WHEREAS, The opening of the clubhouse, the result of efforts by firefighters and EMS personnel from all over, was an emotional and poignant event, particularly in light of the historical barriers faced by African-American firefighters and EMS workers; and

WHEREAS, In May, the Brigade brought together African-American female firefighters, including the City's first such firefighter. Many of the women did not previously know each other or know Mattie Rawski, the inspiring first African-American female firefighter in Chicago, but during the event, the women formed a network of support and fellowship; and

WHEREAS, The Black Fire Brigade commits to be active community participants and pledges to protect the fire services that exist today while honoring the history and heritage of African-American firefighters; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered together this 25th day of July 2018, do hereby welcome and thank the Black Fire Brigade for their interest and commitment in bettering the City of Chicago, and we look forward to seeing their good work throughout Chicago's communities; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to the Black Fire Brigade as a token of our esteem and respect.

service and sacrifice by African-American firefighters and paramedics. Reflecting on the history of the Chicago Fire Department, Mayor Emanuel spoke of the ongoing struggles and judicial challenges by African-American applicants to overcome inequitable hiring practices and the initiatives currently implemented to provide new employment opportunities in our city's uniformed services for graduates of the Chicago Public Schools. The mission of the Black Fire Brigade is not only to honor the history and heritage African-American firefighters and paramedics who have lost their lives in the line of duty, the Mayor continued, but also to raise historic awareness, promote community service, sponsor education and training and provide mentorship to the next generation of Black men and women. It is important that we pay tribute to the men and women who fought to break down barriers and open opportunities for African-American firefighters and paramedics, the Mayor stated, and their continuing struggles are a reminder of where we have fallen short and how much more there is to accomplish. Mayor Emanuel then invited Fire Lieutenant Question Curtis, accompanied by two students, to the Mayor's rostrum where he presented him with a parchment copy of the congratulatory resolution.

Article One.

Incorporation Of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two.

The Project.

1. The School, the Facility and the Project are described in (Sub)Exhibit A hereto. The plans and specifications for the Project shall be provided to the City by the Board and approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor (including the Commission, if applicable) to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

Article Three.

Funding.

1. (a) On a quarterly basis (or as otherwise agreed to by the Department), the Board shall provide the Department with a Requisition Form, in the form of (Sub)Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as (Sub)Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has incurred; and (iii) all other documentation described in (Sub)Exhibit E. The City shall review and, in the City's discretion, approve each Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The availability of the City Funds is subject to the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use. At the City's request the Board shall evidence to the City in writing to the City's satisfaction that the Board owns or otherwise controls the Property, or has the right to enter the Property and undertake such activities as the Board deems necessary prior to owning or otherwise controlling the Property, before the City disburses City Funds. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds disbursed in the previously made disbursement (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the current Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [Intentionally omitted]

(d) [Intentionally omitted]

(e) (i) The Board's right to receive payments hereunder shall be subordinate to all prior obligations of the City to be paid from Elston/Armstrong Increment.

(ii) The City, subject to the terms of this subsection 1 (e)(ii), may, until the earlier to occur of (1) the expiration of the term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90 percent of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to Elston/Armstrong Increment. In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven (7) days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [Intentionally omitted]

(g) The availability of City Funds is subject to: (i) the City's annual retention of Elston/Armstrong Increment in an amount necessary for the payment of expenses incurred by the City in the administration of the Elston/Armstrong Redevelopment Area; and (ii) the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Elston/Armstrong Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is \$1,600,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as (Sub)Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Elston/Armstrong Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to (Sub)Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act; (ii) qualify as eligible costs under the Elston/Armstrong Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. [Intentionally omitted]

7. During the Term hereof the Board shall not sell, transfer, convey or otherwise dispose of all or any portion of the Facility and/or the Property or any interest therein to a party other than the City (a "Transfer"), or otherwise effect or consent to a Transfer to a party other than the City, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

Article Four.

Term.

The term of the Agreement shall commence as of the Agreement Date and shall expire on the date on which the Elston/Armstrong Redevelopment Area is no longer in effect (through and including December 31, 2031).

Article Five.

Indemnity; Default.

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the

City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on June 10, 1998: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Stony Island/Burnside Redevelopment Project Area" (the "Original Plan Adoption Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Stony Island/Burnside Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Stony Island/Burnside Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances").

The City Council amended the Original Plan Adoption Ordinance by adopting an ordinance on June 9, 2010 (the "Amended Plan Adoption Ordinance"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

D. The Project: Developer intends to enter into an Agreement For Site License For School-Based Health Center (Chicago Vocational Career Academy High School) (the "SLA") with the Board of Education of the City of Chicago (the "Board") for a term of not less than five years, pursuant to which the Board will grant the Developer a license to occupy a portion (the

“Facility”) of Chicago Vocational Career Academy High School, a public high school located at 2100 East 87th Street, Chicago, Illinois 60617 (the “School”), which School is located within the Redevelopment Area and is legally described on Exhibit B hereto (the “Property”).

Within the time frames set forth in Section 3.01 hereof, Developer shall commence and complete the construction of an approximately 2,665 square-foot health clinic within the Facility, containing three exam rooms, a behavioral health room, a front desk/reception area, a waiting room, a vaccine/medication room, an internal entrance only for use by School students, an external entrance for community residents with security features, a break room/meeting room, and other necessary features.

The Developer will operate the clinic for a term of not less than five years, employing approximately eight full-time equivalent employees. The clinic will provide health care services five days a week and twelve months per year. The clinic will offer comprehensive health care and related services to the public, including, but not limited to, School students, including Primary Care, Health Education, Full Lab Services, Family Planning, Insurance Enrollment Assistance, Behavioral Health and Individual and Group Therapy. Referrals will be given for dental care, case management, obstetrics and gynecology and hospital specialists, among other services.

The Facility and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C), and the operation of the clinic therein, are collectively referred to herein as the “Project.” The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

3.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 Progress Reports and Survey Updates. Beginning not later than 60 days after the commencement of the Project, Developer shall provide DPD with written monthly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04).

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$1,118,000, to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to <u>Section 4.06</u>)	\$218,000
TIF Funds (subject to <u>Section 4.03</u>)	\$500,000
CDPH Funds (subject to <u>Section 4.03</u>)	\$400,000
 ESTIMATED TOTAL PROJECT COST	 \$1,118,000

4.02 Developer Funds. Equity may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 TIF Funds and CDPH Funds; SLA Contingency.

(a) Uses of TIF Funds. Subject to the SLA Contingency stated in Section 4.03(d), below, TIF Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from TIF Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing that Developer has incurred such cost and such cost is eligible as a Redevelopment Project Cost.

(b) Sources of TIF Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "TIF Funds") to pay for or reimburse Developer for the costs of the TIF-Funded Improvements:

<u>Source of TIF Funds</u>	<u>Maximum Amount</u>
Incremental Taxes	\$500,000

provided, however, that the total amount of TIF Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of (i) \$500,000 or (ii) 44.7% of the actual total Project costs; and provided further, that the TIF Funds shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs.

(c) Uses of CDPH Funds. Subject to the SLA Contingency stated in Section 4.03(d), below, the City hereby agrees to provide CDPH Funds to pay directly or reimburse Developer for any costs of the Project, contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Project cost.

(d) Contingency on SLA Agreement. Payment of TIF Funds or CDPH Funds to Developer, whether through the Escrow Agreement or directly, is expressly contingent on the City having received evidence that the Developer has entered into a Site License Agreement (the

“SLA”) with the Board of Education of the City of Chicago (the “CPS”) for the Project, signed on or before the Closing Date.

(e) Retainage. Ten percent of the TIF Funds and CDPH Funds shall be withheld by the City until the Certificate is issued.

4.04 Construction Escrow. The City and Developer hereby agree to enter into the Escrow Agreement. Subject to the SLA Contingency stated in Section 4.03(d), all disbursements of Project funds (except pre-construction soft costs) shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

4.05 Treatment of Subsequent Disbursements. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds TIF Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the Project in excess of TIF Funds and CDPH Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of TIF Funds or CDPH Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of TIF Funds or CDPH Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors that have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property; and

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of TIF Funds and CDPH Funds for each disbursement set forth in this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The TIF Funds and CDPH Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement.

Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval.

For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of TIF Funds.

Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of the construction portion of the Project in accordance with the terms of this Agreement and after the final disbursement from the Escrow, and upon completion of the following:

- (a) Evidence acceptable to DPD that the total Project cost is equal to, or in excess of, \$1,118,000; and
- (b) The Project has been built and is operating as a clinic in the manner set forth in the SLA; and

- (c) Receipt of a Certificate of Occupancy (the "C/O") or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project; and

upon Developer's written request, DPD shall promptly issue to Developer a Certificate in recordable form certifying that Developer has fulfilled its obligation to complete the construction of the Project in accordance with the terms of this Agreement. DPD shall respond to Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of this Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder:

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of TIF Funds and CDPH Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of TIF Funds or other City monies. In the event that the aggregate cost of completing

the TIF-Funded Improvements exceeds the amount of TIF Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available TIF Funds; and

(c) the right to seek reimbursement of the TIF Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of this Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of TIF Funds hereunder, that:

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Developer shall enter into the SLA with CPS and shall perform its obligations contained in the SLA;

(j) prior to the issuance of a Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the TIF Funds are limited obligations of the City payable solely from moneys on deposit in the TIF Fund; (ii) the TIF Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the TIF Funds; and (iv) the TIF Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the TIF Funds and CDPH Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of TIF Funds and CDPH Funds; and

(p) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement, TIF Funds or CDPH Funds in whole or in part except in accordance with the terms of Section 18.21 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of TIF Funds or CDPH Funds in violation of this Agreement.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of TIF Funds and CDPH Funds. TIF Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement. CDPH Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the Project as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer

shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Operations Covenant. Developer covenants and agrees to operate the Project pursuant to the requirements of, during the term of, and subject to the constraints of the SLA.

Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of TIF Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive TIF Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using TIF Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control

Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. 8.23 FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) **Exempt Information.** Documents that the Developer submits to the City under Section 8.21 (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as “proprietary, privileged or confidential.” If the Developer marks a document as “proprietary, privileged and confidential”, then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General’s Office and/or the courts.

(c) **Local Records Act.** The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the “Local Records Act”). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.25 Job Readiness Program. Developer shall undertake a job readiness program, as described in Exhibit K hereto, to work with the City, through DPD’s Workforce Solutions unit, to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of Developer’s business on the Property.

8.26 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer’s execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City’s execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the AEmployers" and individually an AEmployer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the AHuman Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

“Actual residents of the City” shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal-opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned

Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the AMBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, [and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 26 percent by MBEs.
- (2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a Contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a Contract" or a Construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project. (2) withhold any further payment of any TIF Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has concluded that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the

presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

Developer must submit evidence of insurance on standard ACORD forms or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions

regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement, including, be not limited to, Section 8.27; or

(ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any official statement, limited offering memorandum or private placement memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) [intentionally omitted];

(i) the dissolution of Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer, which is not dismissed within thirty (30) days, or the indictment of Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of this Agreement, the sale or transfer of the Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of TIF Funds and CDPH Funds, and/or seek reimbursement of any TIF Funds or CDPH Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed TIF Funds.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16. MORTGAGING OF THE PROJECT

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "Amaterial" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of this Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially

changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than 90 days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the

remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the [the Bond Ordinance, if any,] such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.14 Assignment. Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.15 Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this

section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer is required to provide notice under the WARN Act, Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.18 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code) (a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Opinion Of Developer's Counsel.

[To be retyped on Developer's Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to financing the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or

provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carrier permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

(1) City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. The payment of City Funds, including the timing of payment, is subject to the terms and conditions of this Agreement, including but not limited to **Section 4.03** and **Section 5** hereof.

4.02 Developer Funds. Equity and/or Lender Financing shall be used to pay all Project costs, including but not limited to Redevelopment Project costs and costs of TIF-Funded Improvements.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse Montclare LLC for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(c)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. City Funds shall not be paid to Developer Parties hereunder before the completion of 50% of the Project (based on the amount of expenditures incurred in relation to the Project Budget).

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>
Available Incremental Taxes	\$3,000,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed \$3,000,000 (provided that if the Project Budget exceeds the Final Project Cost, then the City shall apply a portion of the City Funds due to the Developer equal to this difference to reduce the outstanding principal balance of the City Loan); and provided further, that the \$3,000,000 to be derived from Available Incremental Taxes shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs; and

(ii) The City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements;

Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$3,000,000 is contingent upon the fulfillment of the conditions set forth above in Section 4.03(a) and Section 4.03(b). In the event that such conditions are not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) City Funds. Subject to the conditions described in this Section 4.03, the City shall pay City Funds to Developer Parties in five installments as follows:

(i) Upon the issuance of the Initial Completion Certificate, an amount equal to 20% of the City Funds; and

(ii) after the Final Certificate is issued, upon each of the next four anniversaries of the date the Initial Completion Certificate is issued, an amount equal to 20% of the City Funds; provided, however, that if the Final Certificate is not issued, then no payments of City Funds shall be made under this Section 4.03(c)(ii).

4.04 Requisition Form. When Developer submits documentation to the City in connection with a request for the payment of City Funds as described in Section 4.03(c), beginning on the first request for payment and continuing through the earlier of (i) the Term of the Agreement or (ii) the date that Developer has been reimbursed in full under this Agreement, Developer shall provide DPD with a Requisition Form, along with the documentation described therein. Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) TIF District Administration Fee. Annually, the City may allocate an amount not to exceed five percent (5%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement; Execution of Certificate of Expenditure. Prior to each disbursement of City Funds hereunder or execution of a Certificate of Expenditure by the City, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds, or the execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement or request for execution of a Certificate of Expenditure, that:

(a) the total amount of the disbursement request or request for Certificate of Expenditure represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request or request for Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request or request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent, or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement or execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement or execution of a Certificate of Expenditure, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Section 15.02 hereof.

4.09 Construction Escrow. The City and Developer hereby agree to enter into the Escrow Agreement. Except as expressly set forth herein, all disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement. If Lender Financing is provided as contemplated by Section 4.01(a) to bridge finance any of the City Funds, then Montclare LLC may direct the amounts payable pursuant to Section 4.03 to be paid by the City in accordance with this Agreement to an account established by Montclare LLC with the Lender providing the Lender Financing until the full repayment of the Lender Financing.

SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date:

5.01 Project Budget. Developer has submitted to DPD, and DPD has approved, a Project Budget in accordance with the provisions of Section 3.03 hereof.

On the Closing Date, Developer has furnished the City with a copy of the Title Policy for the Property, or a binding, signed, marked-up commitment to issue such Initial Title Policy, certified by the Title Company, naming the City as an insured mortgagee in the full amount of the City Funds. The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit G hereto and evidences the recording of this Agreement and the Junior Mortgage pursuant to the

provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

5.06 Evidence of Clean Title. Developer, at its own expense, has provided the City with searches as indicated in the chart below under Developer's name (and the following trade names of Developer: None) showing no liens against Developer, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens:

5.09 Opinion of Developer's Counsel. On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit J hereto, such opinions were obtained by Developer from its general corporate counsel.

5.10 Evidence of Prior Expenditures. Developer has provided evidence satisfactory to DPD in its sole discretion of the Prior Expenditures in accordance with the provisions of Section 4.05(a) hereof.

5.11 Financial Statements. Each of Montclare LLC and PACS has provided Financial Statements to DPD for its most recent fiscal year, and audited or unaudited interim financial statements.

At least thirty (30) days prior to the Closing Date, the Developer has met with the Workforce Solutions division of DPD to review employment opportunities with the Developer after construction or rehabilitation work on the

Project is completed. On or before the Closing Date, Developer has provided to DPD, and DPD has approved, the Employment Plan for the Project (the "Employment Plan"). The Employment Plan includes, without limitation, the Developer's estimates of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as DPD has requested relating to the Project.

Developer has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this **Section 5.14** to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. Developer has provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. (a) Except as set forth in Section 6.01(b) below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. (i) For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction. (a) Upon each of the initial completion and the final completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer either the certificate described in Section 7.01(b) (the "**Initial Completion Certificate**") or the certificate described in Section 7.01(c) (the "**Final Certificate**"), as applicable. The Final Certificate shall be in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for either certificate within forty-five (45) days by issuing either the requested certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed (or initially completed in the case of the Initial Completion Certificate), and the measures that must be taken by the Developer in order to obtain the requested certificate. The Developer may resubmit a written request for either certificate upon completion of such measures.

(b) The Initial Completion Certificate will not be issued unless DPD is satisfied that the Developer has fulfilled the following requirements:

(i) The Developer has obtained a partial or temporary Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements with respect to 8 of the residential units;

(ii) The 8 residential units described in Section 7.01(b)(i) have been constructed substantially according to the Plans and Specifications;

(iii) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default; and

(iv) Developer has incurred TIF-eligible costs in an equal amount to, or greater than, \$600,000.

(c) The Final Certificate will not be issued unless DPD is satisfied that the Developer has fulfilled the following requirements:

(i) Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project;

(ii) Developer has completed construction of the Project according to the Plans and Specifications;

(iii) The Facility is open for operation, and at least 44% of the individual units have been leased to tenants pursuant to the requirements set forth in the affordability provisions of Section 8.26 (*Affordable Housing Covenant*) and the City Loan Regulatory Agreement, as applicable;

(iv) Developer has submitted a final Project budget detailing the total actual cost of the construction of the Project (the "**Final Project Cost**"), and the Final Project Cost is at least \$38,337,185 (Section 4.03(b) describes adjustments to be made should if the Final Project Cost is less than \$38,337,185);

(v) Developer has incurred TIF-eligible costs in an equal amount to, or greater than, \$3,000,000 (including the costs described in Section 7.01(b)(iv));

(vi) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance with City requirements set forth in Section 10 and Section 8.09 (M/WBE, City Residency, Prevailing Wage, Housing Act Section 3, Davis-Bacon Act) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in Section 10.03 has been fulfilled;

(vii) The Developer has provided an affidavit from its project architect certifying that the Facility would likely achieve the minimum points required for the Energy Certification; and

(viii) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

7.02 Effect of Issuance of Final Certificate; Continuing Obligations. The Final Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Final Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02 (*Covenant to Redevelop*), 8.19 (*Real Estate Provisions*), 8.21 (*Annual Compliance Report*), and 8.26 (*Affordable Housing Covenant*) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Final Certificate; provided, that upon the issuance of a Final Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Final Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) Each of Montclare LLC and PACS is an Illinois limited liability company or an Illinois not-for-profit corporation, as applicable, duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Montclare LLC shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon), free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof)

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Final Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred, and, prior to the issuance of a Final Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; and

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be

deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the Montclare Senior Residences of Calumet Heights Project Account of the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party are likely to be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.14 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement;

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto; and

(s) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) May 16, 2011, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the TIF Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section 8.02 shall run with the land and be binding upon any transferee for the Term of the Agreement, but shall be deemed satisfied upon issuance by the City of a Final Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the “Bonds”); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 [intentionally omitted]

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2018 and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon

as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions. The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee for the Term of the Agreement.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

8.20 [intentionally omitted].

8.21 Annual Compliance Report. Beginning with the issuance of the Final Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants set forth in this Section 8.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 Energy Certification. Prior to issuance of the Final Certificate, the Developer shall provide an affidavit from its project architect certifying that the Facility would likely achieve the Energy Certification.

8.24 [intentionally omitted]

8.25. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA

request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.26 Affordable Housing Covenant. Developer agrees and covenants to the City that the provisions of the City Loan Regulatory Agreement shall govern the terms of Developer's obligation to provide affordable housing at any time during which the City Loan Regulatory Agreement provisions remain enforceable according to the City Loan Regulatory Agreement. At all other times during the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing for senior citizens;

(b) 104 of the units in the Facility shall be available for occupancy to and be occupied solely by one or more Families consisting of senior citizens qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) Each of the 104 units for low- and moderate-income senior citizens in the Facility has monthly rents payable by tenants not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section 8.26, the following terms have the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.26 shall run with the land and be binding upon any transferee for the Term of the Agreement.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.26.

8.27 Compliance with Multi-Project Labor Agreement. Developer shall cause the General Contractor to comply with that certain Settlement Agreement dated November 3, 2011, by and among the City, the Chicago Regional Council of Carpenters, the Metropolitan Pier and Exposition Authority, the Public Building Commission of the City, and the State, because the Project budget is in excess of \$25,000,000, and, therefore, is subject to the provisions of that certain City Multi-Project Labor Agreement (the "MPLA") dated February 9, 2011, by and among the City and the labor organizations comprising the Chicago & Cook County Building & Construction Trades Council. Developer shall cause the General Contractor to comply with the MPLA to the fullest extent legally permissible without violating other requirements applicable to the construction of the Project, including, without limitation, Sections 8.09, 10.02 and 10.03 hereof, Housing Act Section 3, Davis-Bacon Act, the Contract Work Hours and Safety Standards Act and the Labor Standards Deposit Agreement. At the direction of DPD, affidavits and other supporting documentation shall be required of Developer, General Contractor and the subcontractors to verify or clarify compliance with the MPLA.

8.28 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Final Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and

every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 26 percent by MBEs.
- (2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations

under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, (3) exercise all remedies available under the Junior Mortgage or (4) seek any other remedies against Developer available at law or in equity.

Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. (a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not

constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer or the death of any natural person who owns a material interest in Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the end of the Term of the Agreement, without the prior written consent of the City, any sale, transfer, conveyance, lease or other disposition of all or substantially all of Developer's assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business or as otherwise expressly permitted by this Agreement; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's issued and outstanding shares of stock or membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid.

The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, foreclosure of the Junior Mortgage, injunctive relief or the specific performance of the agreements contained herein or in the Junior Mortgage.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement

for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of a Final Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the

Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Initial Completion Certificate or the Final Certificate or otherwise administering this Agreement for the City.

Opinion Of Developer's Counsel.

[To be retyped on Developer's Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Montclare Calumet Heights LLC, an Illinois limited liability company ("Montclare LLC") and Patti Ann Charitable Services, an Illinois not-for-profit

corporation ("PACS"; together with Montclare LLC, collectively, the "Developer") in connection with the construction of certain facilities located in the Stony Island Avenue Commercial and Burnside Industrial Corridor Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Montclare Senior Residences of Calumet Heights Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) the Junior Mortgage of even date herewith executed by Developer;

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Articles of Incorporation or Bylaws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and non-assessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or

regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

(H) all other property rights of Mortgagor of any kind or character related to all or any portion of the Land, the Improvements or the Equipment; and

(I) the proceeds from the sale, transfer, pledge or other disposition of any or all of the property described in the preceding clauses.

All of the Land, Improvements, estate and property hereinabove described, real, personal and mixed, whether or not affixed or annexed, and all rights hereby conveyed and mortgaged are intended so to be as a unit and are hereby understood, agreed and declared, to the maximum extent permitted by law, to form a part and parcel of the Land and Improvements and to be appropriated to the use thereof, and shall for the purposes of the Mortgage deemed to be conveyed and mortgaged hereby; provided, however, as to any property, aforesaid which does not so form a part and parcel of the Land and Improvements, the Mortgage is hereby deemed also to be a Security Agreement under the Uniform Commercial Code of the State of Illinois (the "Code") for the purposes of granting a security interest in such property, which Mortgagor hereby grants to Mortgagee as secured party (as defined in the Code) and as also contemplated and provided for in Section 6.10 hereof.

TO HAVE AND TO HOLD the Mortgaged Property and all parts thereof unto Mortgagee, its successors and assigns, to its own proper use, benefit and advantage forever, subject, however, to the terms, covenants and conditions herein;

WITHOUT limitation of the foregoing, Mortgagor hereby further grants unto Mortgagee, pursuant to the provisions of the Code, a security interest in all of the above-described property which are or are to become fixtures.

THIS MORTGAGE IS GIVEN TO SECURE: (a) the performance by the Mortgagor of the Covenants and its covenants and obligations under this Mortgage, and (b) the repayment of the Reimbursement Obligation upon the occurrence of an Event of Default.

SECTION I

INCORPORATION OF RECITALS

The Mortgagor acknowledges and agrees that the recitals set forth above constitute an integral part of the Mortgage and are hereby incorporated herein by this reference.

SECTION II

INCORPORATION OF REDEVELOPMENT AGREEMENT PROVISIONS

The Mortgagor acknowledges and agrees that all of the sections of the Agreement cited in the Recitals to this Mortgage, along with all defined terms used in such sections and all other defined terms from the Agreement that are used in this Mortgage, together with such other provisions of the Agreement as may be necessary to reasonably construe such sections and defined terms, are incorporated herein by reference as if fully written out and included as definitions and independent covenants in this Mortgage.

SECTION III

COVENANTS

The Mortgagor covenants, represents and warrants to Mortgagee that:

3.1 Agreement Covenants. Mortgagor shall comply with the Covenants.

3.2 Maintenance of the Mortgaged Property. (a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, shall not commit or suffer any waste thereof, and shall keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

(b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.

(c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property upon reasonable prior notice at reasonable times to assure compliance with the terms of the Mortgage.

(d) Mortgagor shall comply with, and cause the Mortgaged Property to comply with, all present and future laws, ordinances, orders, rules, regulations and requirements of any governmental authority applicable to the Mortgaged Property, or any part thereof, and with all recorded restrictions and encumbrances affecting the Mortgaged Property, or any part thereof.

3.3 Taxes and Assessments. (a) Mortgagor will pay when due all general taxes and assessments, special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed or is otherwise in compliance with the applicable provisions of the Redevelopment Agreement with respect thereto.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's, or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

3.4 Insurance. Mortgagor shall keep the Mortgaged Property continuously insured in such amounts and against such risks as are required of Mortgagor by the Agreement, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies for insurance shall provide that the same shall not be canceled, except upon sixty (60) days prior written notice to Mortgagee.

3.5 Subordination. Mortgagee by acceptance of this Mortgage acknowledges that the Mortgage shall be subject and subordinate in all respects to the terms of the Senior Loan (as defined in the Agreement) and the Bridge Loan (as defined in the Agreement) by and between the Mortgagor and PNC Bank, National Association, its successors and/or assigns (the "Senior Lender"), and shall also be subordinate to any Permitted Mortgage(s) (all such mortgages, a "Permanent Mortgage") that replace any Permanent Mortgage and which secure financing in a principal amount not to exceed (i) the original principal amount of the Senior Loan and the Bridge Loan provided by such Senior Lender and (ii) the amount of Cash Equity contributed by the Developer under the Agreement. The agreement by the Mortgagee to be subordinate to a Permanent Mortgage on the terms hereunder shall be reflected by a subordination agreement between the Mortgagee and the Senior Lender named as the mortgagee under such Permanent Mortgage, at the request of such Senior Lender.

SECTION IV

REIMBURSEMENT OBLIGATION

4.1 Generally. (a) The maximum aggregate amount of the Reimbursement Obligation shall be limited to the Junior Mortgage Amount under the Agreement, all Protective Advances (as hereinafter defined) and other amounts payable under this Mortgage whether now owing or hereafter accruing.

(b) Pursuant to the terms of the Agreement, Mortgagor, from the execution date of the Mortgage until the expiration of the Term of the Agreement (such time period to be referred to as the "Enforceability Period"), shall complete the Project in accordance with the terms and conditions of the Agreement, and shall, until the expiration of the Term of the Agreement, abide by the Covenants.

4.2 Recapture. If during the Enforceability Period, Mortgagor fails to complete the Project in accordance with the terms and conditions of the Agreement or subsequent to the issuance of the Initial Completion Certificate or Final Certificate by the City, fails to perform in accordance with the Covenants, and after the delivery of written notice and the expiration of any applicable cure period (as described in Section 15 of the Agreement) the City shall be entitled to recapture, and Mortgagor shall be obligated to pay the City, an amount equal to the funds then subject to recapture (as described in Section 4.1 above). The Mortgagee may proceed to foreclose this Mortgage and to exercise any other rights and remedies available to Mortgagee under this Mortgage and the Agreement and at law, in equity or otherwise

4.3 Release of Mortgage. Upon the expiration of the Enforceability Period, if Mortgagor has complied with the Covenants to the satisfaction of Mortgagee, then Mortgagor shall be deemed to have fully complied with the provisions contained in the Mortgage, and Mortgagor shall be under no further obligation to Mortgagee. In addition, if Mortgagor has paid to the City the entire amount of the Reimbursement Obligation which would then be due (calculated as if there had been a failure by Mortgagor to comply with the Covenants) as described in Section 4.1 then Mortgagor shall be under no further obligation to Mortgagee hereunder. In either event, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage. Said release shall be in recordable form.

SECTION V

DEFAULT

5.1 Events of Default. The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean the failure by Mortgagor to duly observe or perform any material term, covenant, condition, or agreement of the Mortgage or the Covenants after the expiration of all cure periods, if any, as provided herein or in the Agreement.

5.2 Mortgagee's Options; Subrogation; Acceleration; Cure. (a) In case of an Event of Default, Mortgagee may make any payment or perform any act required of Mortgagor and may make full or partial payments of principal or interest on any Lender Financing or prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem the Mortgaged Property from any tax sale or forfeiture affecting the Mortgaged Property or contest any tax or assessment thereon. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Mortgagee to protect the Mortgaged Property and the lien hereof, shall be deemed additional indebtedness secured hereby. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any default on the part of Mortgagor.

(b) To the extent that Mortgagee, on or after the date hereof, pays any sum under any provision of law or any instrument or document creating any lien or other interest prior or superior to the lien of this Mortgage, or Mortgagor or any other person or entity pays any such sum with the proceeds of the indebtedness secured hereby, Mortgagee shall have and be entitled to a lien or other interest on the Mortgaged Property equal in priority to the lien or other interest discharged and Mortgagee shall be subrogated to, and receive and enjoy all rights and liens possessed, held or enjoyed by, the holder of such lien, which shall remain in

existence and benefit Mortgagee in securing the indebtedness secured hereby; provided however Mortgagee shall not be entitled to a lien or other interest in the Mortgaged Property pursuant to any lien created by the Lender Financing documents.

(c) If an Event of Default shall have occurred under the Agreement (with respect to the Covenants) or the Mortgage, and shall have continued for thirty (30) days following the receipt of notice thereof from Mortgagee to Mortgagor, the amount of the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby, at Mortgagee's sole option, shall immediately become due and payable without further notice or demand; provided, however, that in the event such default cannot reasonably be cured within such thirty (30) day period and if Mortgagor has commenced efforts to cure, then the time to cure shall be extended so long as said party diligently continues to cure such default; provided, further, that no such notice and cure provisions described above shall apply with respect to an Event of Default arising from the failure by Mortgagor to perform the Covenants, as the notice and cure periods, if any, of the Agreement shall apply to such Event of Default.

(d) Except as otherwise permitted by the terms of the Agreement or by Mortgagee's written consent, any sale, partial sale, refinancing, syndication or other disposition of all or substantially all of the Mortgaged Property (other than in the ordinary course of the Mortgagor's business) shall entitle the Mortgagee to declare the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby immediately due and payable without further notice or demand; provided, however, the replacement or substitution of any machinery, equipment or fixtures, now owned or hereafter acquired by Mortgagor, with machinery or equipment of like kind and value, whether or not such machinery or equipment is deemed a fixture under applicable provisions of the Code, will not be an Event of Default under the Mortgage, provided Mortgagor, if requested to do so by Mortgagee, executes such documents as may be necessary or deemed appropriate to assure Mortgagee of a continuing perfected secured interest in such replacement or substituted machinery, equipment or fixtures.

5.3 Remedies. Mortgagee's remedies as provided in this Mortgage and the Agreement shall be cumulative and concurrent and may be pursued singularly, successively or together, at the sole discretion of Mortgagee and may be exercised as often as occasion therefor shall arise, and shall not be exclusive but shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute.

5.4 Additional Indebtedness. In the event that the Mortgagee retains an attorney to: (a) assist in collecting amounts owed or enforcing the Mortgagee's rights under this Mortgage or the Agreement; (b) represent Mortgagee in any bankruptcy, reorganization, receivership or other proceedings affecting creditors' rights and involving a claim under this Mortgage or the Agreement; (c) protect or enforce the lien of this Mortgage; or (d) represent Mortgagee in any other proceedings whatsoever in connection with this Mortgage, the Agreement or the Mortgaged Property, then Mortgagor shall pay to Mortgagee all reasonable attorneys' fees, and all costs and expenses incurred in connection therewith.

5.5 No Waiver. Failure of Mortgagee, for any period of time or on more than one occasion, to exercise any such remedy shall not constitute a waiver of the right to exercise the same at any time thereafter or in the event of any subsequent Event of Default. No act of omission or commission of Mortgagee, including specifically any failure to exercise any right or remedy, shall be deemed to be a waiver or release of the same; any such waiver or

release is to be effected only through a written document executed by Mortgagee and then only to the extent specifically recited therein. A waiver or release with reference to any one event shall not be construed as a waiver or release of any subsequent event or as a bar to any subsequent exercise of Mortgagee's rights or remedies hereunder. Except as otherwise specifically required herein, notice of the exercise of any right or remedy granted to Mortgagee is not required to be given.

5.6 Right of Possession. To the extent permitted by law, in any case in which, under the provisions of this Mortgage, Mortgagee has a right to institute foreclosure proceedings, whether before or after the institution of such proceedings or before or after sale thereunder, Mortgagor shall, at the option of Mortgagee, surrender to Mortgagee, and Mortgagee shall be entitled to take, actual possession of all or any portion of the Mortgaged Property personally or by its agents or attorneys, and Mortgagee, in its sole discretion, may enter upon, take and maintain possession of all or any portion of the Mortgaged Property.

Upon taking possession of the Mortgaged Property, Mortgagee may make all necessary or proper repairs, decoration, renewals, replacements, alterations, additions, betterments and improvements in connection with the Mortgaged Property as it may deem judicious to insure, protect and maintain the Mortgaged Property against all risks incidental to Mortgagee's possession, operation and management thereof, and may receive all rents, issues and profits therefrom.

5.7 Foreclosure Sale. The Mortgaged Property or any interest or estate therein sold pursuant to any court order or decree obtained under this Mortgage shall be sold in one parcel, as an entirety, or in such parcels and in such manner or order as Mortgagee, in its sole discretion, may elect, to the maximum extent permitted by Illinois law. At any such sale, Mortgagee may bid for and acquire, as purchaser, all or any portion of the Mortgaged Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting upon the indebtedness due the amount of Mortgagee's bid.

5.8 Application of Proceeds from Foreclosure Sale. Proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incident to the foreclosure proceedings, (ii) the amounts owed pursuant to Section 4.1 of this Mortgage, and otherwise due and payable under this Mortgage, with interest thereon at the rate of fifteen percent (15%) per annum (the "Interest Rate"), and (iii) any surplus or remaining funds to Mortgagor, its successors or assigns, as their rights may appear.

5.9 Insurance Upon Foreclosure. Wherever provision is made in the Agreement for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Mortgagee, or to confer authority upon Mortgagee to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control use of insurance proceeds, from and after the entry of judgment of foreclosure all such rights and powers of Mortgagee shall continue in Mortgagee as judgment creditor or mortgagee until confirmation of sale. Upon confirmation of sale, Mortgagee shall be empowered to assign all policies of insurance to the purchaser at the sale. In case of an insured loss after foreclosure proceedings have been instituted, the proceeds of any insurance policy or policies, if not applied in restoring the Mortgaged Property, shall be used to pay the amount due in accordance with any foreclosure decree that may be entered in any such proceedings, and the balance, if any, shall be paid as the court may direct.

5.10 Waiver of Statutory Rights. To the extent permitted by law, Mortgagor shall not apply for or avail itself of any appraisal, valuation, redemption, reinstatement, stay, extension or exemption laws or any so-called "Moratorium Laws" now existing or hereafter enacted, in order to prevent or hinder the enforcement of foreclosure of this Mortgage and hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshalled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and rein-statement, on its own behalf and on behalf of each and every person having a beneficial interest in Mortgagor, it being the intent hereof that any and all such rights of redemption or rein-statement of Mortgagor and of all other persons are and shall be deemed to be hereby waived. Mortgagor acknowledges that the Mortgaged Property do not constitute agricultural real estate, as said term is defined in Section 5/15-1201 of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101, et seq. (the "Act") or residential real estate as defined in Section 5/15-1219 of the Act.

5.11 Partial Payments. Acceptance by Mortgagee of any payment which is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of Mortgagee's right to exercise its option to declare the whole of the sum then remaining unpaid, together with all interest thereon at the Interest Rate, immediately due and payable without notice, or any other rights of Mortgagee at that time or any subsequent time, without its express written consent, except and to the extent otherwise provided by law.

5.12 Rescission of Election. The obligation to make immediate payment of the City Funds, once such payment becomes due under the terms of this Mortgage, may at the option of Mortgagee be rescinded, and any proceedings brought to enforce any rights or remedies hereunder may, at Mortgagee's option, be discontinued or dismissed. In either of such events, Mortgagor and Mortgagee shall be restored to their former positions, and the rights, remedies and powers of Mortgagee shall continue as if such obligation to make immediate payment had not been made or such proceedings had not been commenced, as the case may be.

5.13 Protective Advances; Maximum Amount of Indebtedness. All advances, disbursements and expenditures made by Mortgagee before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings, for the following purposes, in addition to those otherwise authorized by this Mortgage or by the Act (collectively "Protective Advances"), shall have the benefit of all applicable provisions of the Act, including those provisions of the Act hereinbelow referred to:

(a) all advances by Mortgagee to: (i) preserve or maintain, repair, restore or rebuild the improvements upon the Mortgaged Property; (ii) preserve the lien of this Mortgage or the priority thereof; or (iii) enforce this Mortgage, as referred to in Subsection (b)(5) of Section 5/15-1302 of the Act;

(b) payments by Mortgagee of: (i) when due, installments of principal, interest or other obligations in accordance with the terms of the documents evidencing and securing the Lender Financing, if any, or other prior lien or encumbrance; (ii) when due, installments of real estate taxes and assessments, general and special and all other taxes and

assessments of any kind or nature whatsoever which are assessed or imposed upon the Mortgaged Property or any part thereof; (iii) other obligations authorized by this Mortgage; or (iv) with court approval, any other amounts in connection with other liens, encumbrances or interests reasonably necessary to preserve the status of title, as referred to in Section 5/15-1505 of the Act;

(c) advances by Mortgagee in settlement or compromise of any claims asserted by claimants under any mortgages or any other prior liens;

(d) attorneys' fees and other costs incurred: (i) in connection with the foreclosure of this Mortgage as referred to in Sections 5/15-1504(d)(2) and 5/15-1510 of the Act; (ii) in connection with any action, suit or proceeding brought by or against Mortgagee for the enforcement of this Mortgage or arising from the interest of Mortgagee hereunder; or (iii) in the preparation for the commencement or defense of any such foreclosure or other action;

(e) Mortgagee's fees and costs, including attorneys' fees, arising between the entry of judgment of foreclosure and the confirmation hearing as referred to in Subsection (b)(1) of Section 5/15-1508 of the Act;

(f) advances of any amount required to make up a deficiency in deposits for or payments of installments of taxes and assessments and insurance premiums;

(g) expenses deductible from proceeds of sale as referred to in Subsections (a) and (b) of Section 5/15-1512 of the Act;

(h) expenses incurred and expenditures made by Mortgagee for any one or more of the following: (i) if the Mortgaged Property or any portion thereof constitutes one or more units under a condominium declaration, assessments imposed upon the unit owner thereof; (ii) if any interest in the Mortgaged Property is a leasehold estate under a lease or sublease, rentals or other payments required to be made by the lessee under the terms of the lease or sublease; (iii) premiums for casualty and liability insurance paid by Mortgagee whether or not Mortgagee or a receiver is in possession, if reasonably required, in reasonable amounts, and all renewals thereof, without regard to the limitation to maintaining of existing insurance in effect at the time any receiver or mortgagee takes possession of the Mortgaged Property imposed by Subsection (c)(1) of Section 5/15-1704 of the Act; (iv) repair or restoration of damage or destruction in excess of available insurance proceeds or condemnation awards; (v) payments required or deemed by Mortgagee to be for the benefit of the Mortgaged Property or required to be made by the owner of the Mortgaged Property under any grant or declaration of easement, easement agreement, agreement with any adjoining land owners or instruments creating covenants or restrictions for the benefit of or affecting the Mortgaged Property; (vi) shared or common expense assessments payable to any association or corporation in which the owner of the Mortgaged Property is a member in any way affecting the Mortgaged Property; (vii) if the loan secured hereby is a construction loan, costs incurred by Mortgagee for demolition, preparation for and completion of construction, as may be authorized by the applicable commitment or loan agreement; (viii) pursuant to any lease or other agreement for occupancy of the Mortgaged Property; and (ix) if this Mortgage is insured, payments of FHA or private mortgage insurance.

All Protective Advances shall be so much additional indebtedness secured by this Mortgage.

This Mortgage shall be a lien for all Protective Advances as to subsequent purchasers and judgment creditors from the time this Mortgage is recorded pursuant to Subsection (b)(1) of Section 5/15-1302 of the Act.

All Protective Advances shall, except to the extent, if any, that any of the same is clearly contrary to or inconsistent with the provisions of the Act, apply to and be included in:

(1) the determination of the amount of indebtedness secured by this Mortgage at any time;

(2) the indebtedness found due and owing to Mortgagee in the judgment of foreclosure and any subsequent supplemental judgments, orders, adjudications or findings by the court of any additional indebtedness becoming due after such entry of judgment, it being agreed that in any foreclosure judgment, the court may reserve jurisdiction for such purpose;

(3) if the right of redemption has not been waived by this Mortgage, computation of amount required to redeem, pursuant to Subsections (d)(2) and (e) of Section 5/15-1603 of the Act;

(4) the determination of amounts deductible from sale proceeds pursuant to Section 5/15-1512 of the Act;

(5) the application of income in the hands of any receiver or mortgagee in possession; and

(6) the computation of any deficiency judgment pursuant to Subsections (b)(2) and (e) of Sections 5/15-1508 and Section 5/15-1511 of the Act.

The maximum principal amount of indebtedness secured by this Mortgage shall be the amount of City Funds actually received by the Developer under the Agreement, plus any Protective Advances, with interest on such sum at the Interest Rate.

SECTION VI

MISCELLANEOUS PROVISIONS

6.2 Time. Time is of the essence with respect to this Mortgage and the performance of the covenants contained herein.

6.3 Modifications. This Mortgage may not be altered, amended, modified, canceled, changed or discharged except by written instrument signed by Mortgagor and Mortgagee or their respective permitted successors and permitted assigns.

If there is a lawsuit under this Mortgage, each party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois, or the United States District Court for the Northern District of Illinois.

6.6 Severability. If any provision of this Mortgage, or any paragraph, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held invalid, the remainder of this Mortgage shall be construed as if such invalid part were never included herein and this Mortgage shall be and remain valid and enforceable to the fullest extent permitted by law.

6.7 Grammar. As used in this Mortgage, the singular shall include the plural, and masculine, feminine and neuter pronouns shall be fully interchangeable, where the context so requires.

6.8 Successors and Assigns. Upon any failure by Mortgagor to do so, Mortgagee may make, execute and record any and all such documents for and in the name of Mortgagor, and Mortgagor hereby irrevocably appoints Mortgagee and its agents as attorney-in-fact for that purpose. Mortgagor will reimburse Mortgagee for any sums expended by Mortgagee in making, executing and recording such documents including attorneys' fees and court costs.

This Mortgage is a "construction mortgage" as that term is defined in Section 9-313(1)(c) of said Uniform Commercial Code.

by Mortgagee, as evidenced by an appropriate document duly recorded, this Mortgage and the lien thereof shall not merge in the fee simple title, toward the end that this Mortgage may be foreclosed as if owned by a stranger to the fee simple title.

(To Montclare Senior Residences Of Calumet
Heights Redevelopment Agreement)

Form Of Subordination Agreement.

This Subordination Agreement ("Agreement") is made and entered into as of the ____ day of _____, ____ between the City of Chicago by and through its Department of Planning and Development (the "City"), [Name Lender], a [national banking association] (the "Lender").

Witnesseth:

Whereas, Montclare Calumet Heights LLC, an Illinois limited liability company (together with Patti Ann Charitable Services, an Illinois not-for-profit corporation, "Developer") has purchased certain property located within the Stony Island Avenue Commercial and Burnside Industrial Corridor Redevelopment Project Area at 9401 South Stony Island Avenue, Chicago, Illinois, and legally described on (Sub)Exhibit A hereto (the "Property"), in order to construct an approximately 130,347 square-foot seven-story building including rental housing which will consist of 134 independent senior living dwelling units, including 104 units for low- and moderate-income senior citizens and 30 market rate units for senior citizens and certain common areas and parking spaces located on the Property (the "Project"); and

Whereas, [Describe financing and security documents for Lender Financing] (all such agreements referred to above and otherwise relating to the Loan referred to herein collectively as the "Loan Documents"); and

Whereas, Developer desires to enter into a certain Montclare Senior Residences of Calumet Heights Redevelopment Agreement dated the date hereof with the City in order to obtain additional financing for the Project (the "Redevelopment Agreement", referred to herein along with various other agreements and documents related thereto as the "City Agreements"); and

Whereas, Pursuant to the Redevelopment Agreement, Developer will agree to be bound by certain covenants expressly running with the Property, as set forth in Sections 8.02 (Covenant to Redevelop), 8.19 (Real Estate Provisions), 8.21 (Annual Compliance Report), and 8.26 (Affordable Housing Covenant) of the Agreement (collectively, the "Performance Covenants"); and

Whereas, The City has agreed to enter into the Redevelopment Agreement with Developer as of the date hereof, subject, among other things, to (a) the execution by Developer of the Redevelopment Agreement and the recording thereof as an encumbrance against the Property; and (b) the agreement by the Lender to subordinate their respective liens under the Loan Documents to the City Encumbrances;

Now, Therefore, For good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Lender and the City agree as hereinafter set forth:

1. Subordination. All rights, interests and claims of the Lender in the Property pursuant to the Loan Documents are and shall be subject and subordinate to the City Encumbrances. In all other respects, the Redevelopment Agreement shall be subject and subordinate to the Loan Documents. Nothing herein, however, shall be deemed to limit the Lender's right to receive, and Developer's ability to make, payments and prepayments of principal and interest on the Note, or to exercise its rights pursuant to the Loan Documents except as provided herein.

2. Notice Of Default. The Lender shall use reasonable efforts to give to the City, and the City shall use reasonable efforts to give to the Lender, (a) copies of any notices of default which it may give to Developer with respect to the Project pursuant to the Loan Documents or the City Agreements, respectively, and (b) copies of waivers, if any, of Developer's default in connection therewith. Under no circumstances shall Developer or any third party be entitled to rely upon the agreement provided for herein.

3. Waivers. No waiver shall be deemed to be made by the City or the Lender of any of their respective rights hereunder, unless the same shall be in writing, and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the City or the Lender in any other respect at any other time.

Exhibit "A".
(To Ordinance)

Agreement With Loop-Counterpointe Pace LLC.

This Agreement is entered into as of the _____ day of _____ ("Effective Date"), by and between Loop-Counterpointe PACE LLC, a Delaware limited liability company, ("Contractor"), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its **Department of Planning and Development** ("City"), at Chicago, Illinois.

The City advertised a Request for Proposals (RFP) seeking a program administrator ("Program Administrator" or "PA") to provide services in developing, launching, and operating a Property Assessed Clean Energy (PACE) program. The PACE program must meet all requirements included in the State of Illinois statute HB-2831 (Public Act 100-0077), as amended from time to time, which authorizes local governments in Illinois to develop and administer PACE programs. PACE is a voluntary, opt-in financing tool for property owners that uses a loan to fund energy or water conservation projects which is paid back through a special assessment on the assisted properties. The City selected the Contractor to perform various functions involving professional services in Phase I pertaining to the design of the PACE program, and for underwriting and program operations in Phase II, including but not limited to implementing a marketing and education plan, a program for contractor workforce development, working with property owners on all aspects of individual projects, including project financing, and raising capital, as further described herein in Exhibits 1A and 1B. Contractor responded to the RFP in which response Contractor represented that it can fulfill the requirements of the City, and has set forth various representations regarding its ability to do so in its response dated June 11, 2018. Contractor's response to the RFP is attached hereto as Exhibit 7 solely for purposes of incorporating Contractor's promises and representations and the description of the activities and services Contractor will perform in fulfilling the City's PACE program requirements. In the event of any conflict between Contractor's response to the RFP hereto as Exhibit 7 and this Agreement, this Agreement shall control.

The City and Contractor agree as follows:

TERMS AND CONDITIONS

ARTICLE 1. DEFINITIONS

1.1 Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"Additional Services" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Section 2.1, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the City in a written amendment under Section 9.3 of this Agreement before Contractor is obligated to perform those Additional Services and before the City becomes obligated to pay for those Additional Services.

"**Agreement**" or "**Contract**" means this Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

The term "Subcontractor" shall include a Subcontractor of a Subcontractor. The term "Subcontractor" shall not include (i) third parties retained by a party other than the Contractor (i.e., retained by a participant in the PACE program and/or a financing source under the PACE program), and (ii) third parties retained to provide specialized ancillary services necessary for, but not included within, the fulfillment of this Agreement. Such specialized ancillary services typically involve a work process and end product that is not directed or shaped by the Contractor, but entirely or substantially within the control of the retained party.

1.2 Interpretation

(a) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

ARTICLE 2. DUTIES AND RESPONSIBILITIES OF CONTRACTOR

2.1 Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 2.3. The Services that Contractor must provide are described in Exhibits 1A-1B, Scope of Services and Time Limits for Performance.

2.2 Deliverables

In carrying out its Services, Contractor must prepare or provide to the City various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the City.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 8.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its obligations under this Agreement.

2.3 Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it may be entrusted with or have access to valuable and confidential information and records of the City and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary. **Any review, approval, acceptance of Services or Deliverables does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City's rights against Contractor under this Agreement, at law or in equity.**

Contractor must be appropriately licensed to perform the Services, if required by law, and must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed as may be required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must, at the City's option, perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure, unless the reason is failure to have and maintain required licensure. See subsection 8.1 (b)(ii) regarding failure to comply with licensure requirements.

2.4 Personnel

(a) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below.

(b) Key Personnel

Contractor must not reassign or replace Key Personnel without the written consent of the City. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 2.4(b). The Department may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the key person or persons from performing Services under this Agreement and must replace him or them in accordance with the terms of this Agreement. Key Personnel, if any, are identified in Exhibit 6.

(c) **Salaries and Wages**

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 2.4(c) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

2.5 Minority Participation; Women's Business Enterprises ("WBE") Commitment

(a) **Minority Participation:** Minority participation in this Agreement is to be achieved at no cost to the City through Loop Capital Markets, LLC, a member of the LLC that is the Contractor. Loop Capital Markets, LLC represents that it is 88.93% owned by minorities and that 50% of the distributions of the Contractor shall go to Loop Capital Markets, LLC. No further minority participation is required under this Agreement. In the event of any change in any of the foregoing, Contractor will immediately notify the City, and Contractor will be required to have MBE participation as required by Exhibit 3. For purposes of minority participation, Exhibit 3 shall have no effect unless anything in this subsection (a) changes, in which case Exhibit 3 shall apply.

(b) **WBE Commitment:** Contractor's completed Schedules C-1 and D-1 in Exhibit 3, evidencing its compliance with the City's women's business enterprise requirements, are a part of this Agreement. Contractor must utilize women's business enterprises at the greater of the amounts listed in those Schedules C-1 and D-1 or the percentages listed in them as applied to all payments received from Program Administrator Fees, as described in Exhibit 1A, Section A.K.

2.6 Insurance

Contractor must provide and maintain at Contractor's own expense, during the term of this Agreement and any time period following expiration if Contractor is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 5 of this Agreement, insuring all operations related to this Agreement.

2.7 Indemnification

(a) Contractor must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

- (i) injury, death or damage of or to any person or property;
- (ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Contractor's failure to perform or cause to be performed Contractor's promises and obligations as and when required under this Agreement, including Contractor's failure to perform its obligations to any Subcontractor;

(iv) the City's exercise of its rights and remedies under Section 8.2 of this Agreement; and

(v) injuries to or death of any employee of Contractor or any Subcontractor under any workers compensation statute.

(b) "**Losses**" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor's breach of this Agreement or to Contractor's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

(c) At the City Corporation Counsel's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, Contractor waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Contractor's performance of Services beyond the term. Contractor acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Contractor's duties under this Agreement, including the insurance requirements in Exhibit 5 of this Agreement.

2.8 Ownership of Documents and Other Items

All Deliverables, data, findings or information, in any form prepared, assembled or encountered by or provided to Contractor under this Agreement shall be property of the City, except that the following shall not be property of the City or deemed works made for hire:

(a) Contractor's or its members and their affiliates' proprietary software platform, proprietary techniques and know-how and methods, trade secrets, form documents (other than form documents created for use solely by the City) under this engagement ("**Contractor Forms**"), patents, trademarks, copyrights and other intellectual property;

(b) Confidential or proprietary information provided to Contractor by its Subcontractors and vendors; and

(c) Confidential or proprietary information provided to Contractor by property owners in connection with their applications for financing.

2.9 Copyright Ownership

Subject to the limitations in clauses (a) through (c) set forth in Section 2.8, Contractor and the City intend that, to the extent permitted by law, the Deliverables to be produced by Contractor at the City's instance and expense under this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement. Documentation created for use solely by the City shall be deemed works made for hire. Notwithstanding, the City shall have a perpetual, irrevocable, fully paid right to use the Contractor Forms, provided it uses them as intended, or as not intended with Contractor approval. If the City uses Contractor Forms not as intended or modifies them without Contractor approval, then Contractor shall have no liability to the City to the extent any Losses result from such unapproved use or modification. Nothing in this section 2.9 shall be construed as the City indemnifying the Contractor. This section 2.9 survives termination of the Agreement.

2.10 Records and Audits

(a) Records

(i) Contractor must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement.

(ii) Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement, or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under FOIA. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

(b) Audits

(i) Contractor and any of Contractor's Subcontractors must furnish the Department with all information that may be requested pertaining to (i) the performance, (ii) compliance with MBE/WBE policies and programs and (iii) User Fees from the Services. Contractor must maintain records showing actual User Fees collected. Contractor must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) Contractor must maintain its books, records in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iii) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(iv) The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within six years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of any such audit, it is determined that Contractor has underpaid the City in the audited period, the City will notify Contractor. Contractor must then promptly pay the City for the amount of any underpayment and also some or all of the cost of the audit, as follows:

A. If the audit has revealed underpayment to the City representing less than 5% of the total value payable to the City pursuant to this Agreement in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit that the City conducts;

B. If, however, the audit has revealed underpayment to the City representing 5% or more of the total value payable to the City pursuant to this Agreement in the audited period, then Contractor must reimburse the City for the full cost of the audit.

C. If the audit reveals that the City was overpaid, the City will pay to the Contractor the sum equal to the amount of such overpayment.

Failure of Contractor to reimburse the City in accordance with subsection A or B above is an event of default under Section 8.1 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

2.11 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Contractor under this Agreement, are confidential, except (i) to the extent meant for release to the public or to potential participants in the PACE program, (ii) as otherwise specifically authorized in this Agreement or (iii) as may be required by law. Further, all documents and other information provided to Contractor by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.

(b) Contractor must not issue any publicity news releases or grant press interviews that mention the City or any City officials without the prior written consent of the Commissioner; provided, however, that this Section 2.11 shall not preclude general marketing activities.

(c) If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor's possession by reason of this Agreement, Contractor must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

2.12 Assignments and Subcontracts

(a) Contractor must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the Department. The absence of such a provision or written

consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the Department, including approvals for the use of any Subcontractors, operate to relieve Contractor of any of its obligations or liabilities under this Agreement.

(b) All Subcontractors are subject to the prior approval of the Department. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Department, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by Contractor personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Contractor of any of its obligations or liabilities under this Agreement.

(c) Contractor, upon entering into any agreement with a Subcontractor, must furnish upon request of the Department a copy of its agreement. Contractor must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Department. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

(d) Contractor must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the Department. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Contractor under this Agreement, without such prior written approval, has no effect upon the City.

(e) The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

2.13 Cooperation

Contractor must at all times use commercially reasonable efforts to cooperate with the City. If this Contract is terminated for any reason, or if it is to expire on its own terms, Contractor must make commercially reasonable efforts to assist an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the commercially reasonable requests and requirements of the City in connection with the termination or expiration.

ARTICLE 3. DURATION OF AGREEMENT

3.1 Term of Performance; Schedule for Phase I Services

(a) This Agreement takes effect as of the Effective Date and continues, except as provided under Article 8, for three (3) years, as that date may be extended under Section 3.3.

The City will establish the start and expiration dates at the time of formal award and release of the Contract.

(b) Schedule for Phase I Services must be completed within the timeframes set forth in Exhibit IA.

3.2 Timeliness of Performance

- (a) Contractor must provide the Services and Deliverables within the time limits required under any request for services pursuant to the provisions of Section 2.1 and Exhibit 1.
- (b) Neither Contractor nor Contractor's agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Contractor by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

3.3 Agreement Extension Option

The Commissioner may at any time before this Agreement expires elect to extend this Agreement for up to two (2) years, under the same terms and conditions as this original Agreement, by notice in writing to Contractor.

ARTICLE 4. COMPENSATION**4.1 No Compensation from City**

The design and administration of the City of Chicago PACE program will be self-financed through Program Administrator Fees. No City funds will be used to develop the PACE program or to finance the PACE program's operations. Additional compensation information is set forth in Exhibit 2.

ARTICLE 5. DISPUTES**5.1 Procedure for Bringing Disputes to the Department**

The Contractor and using Department must attempt to resolve all disputes arising under this Contract in good faith, taking such measures as, but not limited to investigating the facts of the dispute and meeting to discuss the issue(s).

In order to bring a dispute to the Commissioner of a Department, Contractor must provide a general statement of the basis for its claim, the facts underlying the claim, reference to the applicable Contract provisions, and all documentation that describes, relates to and supports the claim. By submitting a claim, the Contractor certifies that:

- A. The claim is made in good faith;
- B. The claim's supporting data are accurate and complete to the best of the person's knowledge and belief;
- C. The amount of the claim accurately reflects the amount that the claimant believes is due from the City; and
- D. The certifying person is duly authorized by the claimant to certify the claim.

The Commissioner shall have 30 days from receipt of the claim to render a written "final decision of the Commissioner" stating the Commissioner's factual and contractual basis for the decision. However, the Commissioner may take an additional period, not to exceed 10 days, to render the final decision. If the Commissioner does not render a "final decision of the Commissioner" within the prescribed time frame, then the claim should be deemed denied by the Commissioner.

The decision of the Commissioner is final and binding. The sole and exclusive remedy to challenge the decision of the Commissioner is judicial review by means of a common law writ of certiorari.

ARTICLE 6. COMPLIANCE WITH ALL LAWS

6.1 Compliance with All Laws Generally

(a) Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 6, and Contractor must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Notwithstanding anything in this Agreement to the contrary, Contractor must perform the Services in accordance with, and to assist the City in complying with, the PACE statute. To the extent applicable, Contractor must require all Subcontractors to do so, also. Further, Contractor must execute an Economic Disclosure Statement and Affidavit ("EDS") in the form attached to this Agreement as Exhibit 4. Notwithstanding acceptance by the City of the EDS, Contractor's failure in the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Contractor must promptly update its EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate. Contractor agrees that Contractor's failure to maintain current throughout the term and any extensions of the term, the disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, shall constitute an event of default.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

6.2 Nondiscrimination

(a) Contractor

Contractor must comply with applicable federal, state, and local laws and related regulations prohibiting discrimination against individuals and groups.

(i) Federal Requirements

Contractor must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions, or privileges of the individual's employment, because of the individual's race, color, religion, sex, age, handicap/disability or national origin; or (2) limiting, segregating or classifying Contractor's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of the individual's race, color, religion, sex, age, handicap/disability or national origin.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42

U.S.C. sec. 2000e *et seq.* (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. 2000e note, as amended by Exec. Order No. 11375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. §6101-6106 (1981); Age Discrimination in Employment Act, 29 U.S.C. §621-34; Rehabilitation Act of 1973, 29 U.S.C. §793-794 (1981); Americans with Disabilities Act, 42 U.S.C. §12101 *et seq.*; 41 C.F.R. Part 60 *et seq.* (1990); and all other applicable federal statutes, regulations and other laws.

(ii) **State Requirements**

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* (1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 Ill. Admin. Code §750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 *et seq.* (1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) **City Requirements**

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 *et seq.* of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) **Subcontractors**

Contractor must incorporate all of this Section 6.2 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state, and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

6.3 Inspector General

It is the duty of any bidder, proposer or Contractor, all Subcontractors, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Contractor, Subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor understands and will abide by all provisions of Chapter 2-56 of the Municipal Code. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

6.4 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.4 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.5 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC § 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.6 Wages

Contractor must pay the highest of (1) minimum wage specified by Mayoral Executive Order 2014-1; (2) "Living Wage" rate specified by MCC Sect. 2-92-610; (3) Chicago Minimum Wage rate specified by MCC Chapter 1-24, or (4) the highest applicable State or Federal minimum wage.

(a) Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts. A copy of the Order may be downloaded from the Chicago City Clerk's website at:

<http://chicityclerk.com/wp-content/uploads/2014/09/Executive-Order-No.-2014-1.pdf>

If this Agreement was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. As of July 1, 2018, the Minimum Wage to be paid pursuant to the Order is \$13.80 per hour. The Minimum Wage must be paid to:

- All employees regularly performing work on City property or at a City jobsite.

All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of \$0.05. Such increase shall remain in effect until any subsequent adjustment is made.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors' operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Agreement or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment of a Base Wage pursuant to MCC Sect. 2-92-610 is required for work or services done under this Agreement, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

(b) Chicago "Living Wage" Ordinance

(i) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(A) If Contractor has 25 or more full-time employees, and

(B) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(C) Contractor must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly

rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(ii) Contractor's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(iii) As of July 1, 2018, the Base Wage is \$12.55 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(iv) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Commissioner demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(v) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

6.7 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.8 Prohibition on Certain Contributions

No Contractor or any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Contract or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Contract or any Other Contract between City and Contractor, and/or (iii) any period in which an extension of this Contract or Other Contract with the City is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Contract, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Contract, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Contract resulting from this specification, the Commissioner may reject Contractor's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Contractor and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or

(iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Ch. 2-156, as amended.

6.9 Firms Owned or Operated by Individuals with Disabilities

The City encourages consultants to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

6.10 Ineligibility to do Business with City

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Commissioner. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

6.11 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

6.12 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

"Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

7.2 Ethics

(a) In addition to the foregoing warranties and representations, Contractor warrants:

7.3 Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

7.4 Business Documents

At the request of the City, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

7.5 Conflicts of Interest

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Contractor represents that it, the members of the Contractor, and to the best of its knowledge, its Subcontractors, if any (Contractor, its members, and Subcontractors will be collectively referred to in this Section 7.5 as "**Consulting Parties**") have no direct or indirect conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Consulting Parties are not permitted to perform any Services for the City on applications or other documents by any of Consulting Parties' past or present clients. If Consulting Parties become aware of such a relationship, they must immediately stop work on the assignment causing the conflict and notify the Commissioner, who, in his sole and absolute discretion, may permit work to continue with such measures as he believes necessary.

(d) Further, Consulting Parties, without Commissioner approval, must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information (as described in Section 2.11 of this Agreement). Notwithstanding the foregoing, in no event shall Consulting Parties assign any person having a direct economic interest in any particular financing project to perform work on any such project.

7.6 Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Agreement or because of the City's execution, attempted execution or any breach of this Agreement.

7.7 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

7.8 Disclaimer of Damages

(a) Under no circumstances will the City or its respective officers, directors, employees, agents, or representatives be liable to Contractor for any damages or losses arising out of or in connection with this Agreement, including, but not limited to, indirect, special, incidental, consequential, exemplary or punitive damages including, but not limited to, any lost profits, however caused and under any theory of liability, at law or equity, including, but not limited to, contract, warranty, strict liability or tort, including negligence.

(b) Except for (i) Contractor's willful, fraudulent, criminal, or intentional misconduct and (ii) third party claims covered by Contractor's indemnification obligations in Section 2.7 above, under no circumstances will the Contractor or its respective officers, directors, employees, agents, or representatives be liable to the City for any damages or losses arising out of or in connection with this Agreement, including, but not limited to, indirect, special, incidental, consequential, exemplary or punitive damages including, but not limited to, any lost profits, however caused and under any theory of liability, at law or equity, including, but not limited to, contract, warranty, strict liability or tort, including negligence.

7.9 Use of City Logo

With the City's permission, Contractor may use the City's logo on PACE program materials.

ARTICLE 8. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

8.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

(b) Contractor's material failure to perform any of its obligations under this Agreement including the following:

- (i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;
- (ii) Failure to have and maintain all professional licenses required by law to perform the Services;
- (iii) Failure to timely perform the Services;
- (iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
- (v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
- (vi) Discontinuance of the Services for reasons within Contractor's reasonable control;
- (vii) Failure to comply with Section 6.1 in the performance of the Agreement;
- (viii) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate;
- (ix) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination; and
- (x) Any other acts specifically stated in this Agreement as constituting an act of default.

(c) Any change in ownership or control of Contractor without the prior written approval of the Commissioner (when such prior approval is permissible by law), which approval the Commissioner will not unreasonably withhold.

(d) Contractor's default under any other material agreement it may presently have or may enter into with the City for the duration of this Agreement. Contractor acknowledges that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

(e) Contractor's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the Commissioner, it indicates a willful or reckless disregard for City laws and regulations.

8.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Contractor in default. The Commissioner may, in his sole discretion, give Contractor

an opportunity to cure such default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Commissioner.

The Commissioner will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Commissioner gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Commissioner decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Commissioner may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 8.2 and Article 10, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) **Exercise of Remedies.** After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to terminate this Agreement in its entirety, or with respect to any particular PACE program financing projects currently in existence at the time of termination or prospective PACE program financing projects;

(ii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iii) The right to money damages, subject to the limitations set forth in Section 7.8;

(iv) The right to deem Contractor non-responsible in future contracts to be awarded by the City;

(v) The right to declare default on any other contract or agreement Contractor may have with the City.

(c) **City's Reservation of Rights.** If the Commissioner considers it to be in the City's best interests, the Commissioner may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) **Non-Exclusivity of Remedies.** The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

8.3 Early Termination

(a) In addition to termination under Section 8.2 of this Agreement, the City may terminate this Agreement in its entirety, or with respect to any particular PACE program financing projects

currently in existence at the time of termination or prospective PACE program financing projects, at any time by a notice in writing from the City to Contractor. The City will give notice to Contractor in accordance with the provisions of Article 10 (a "Termination Notice"). If the City elects to terminate this Agreement, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City within 10 days of receipt of the Termination Notice.

(b) After the Termination Notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. In the event of any termination under this Section 8.3, Contractor shall be entitled to charge Program Administrator Fees for all financings not terminated that it completes.

(c) Upon termination of this Agreement in its entirety pursuant to this Section 8.3, the right to use Contractor Forms, as defined in Section 2.9, shall automatically and immediately be revoked, without any required action of the Contractor or any other party, except as necessary to permit the City to complete financing projects in process at the time of termination.

(d) Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Contractor or the City.

(e) If the City's election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

8.4 Suspension

The City may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or one day in the event of emergency. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Commissioner and such equitable extension of time as may be mutually agreed upon by the Commissioner and Contractor when necessary for continuation or completion of Services.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any 12 month period.

8.5 Right to Offset

(a) In connection with Contractor's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

(i) if the City terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;

(ii) if the City exercises any of its remedies under Section 8.2 of this Agreement;

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages against any future Program Administrator Fees due to Contractor for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Contractor is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under Section 2-92-380 of the Municipal Code, the City may set off from Contractor's future Program Administrator Fees due to Contractor an amount equal to the amount of the fines and penalties for each *outstanding parking violation complaint* and the amount of any *debt* owed by Contractor to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Contractor, and without breaching this Agreement, the City may set off a portion of the Program Administrator Fees due Contractor under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Contractor unrelated to this Agreement. When the City's claims against Contractor are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Contractor to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

ARTICLE 9. GENERAL CONDITIONS

9.1 Entire Agreement

(a) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.

(b) No Collateral Agreements

Contractor acknowledges that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Contractor to enter into this Agreement or has been relied upon by Contractor, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions**

Contractor acknowledges that Contractor was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

9.2 Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

9.3 Amendments

Except as provided in Section 3.3 of this Agreement, no changes, amendments, modifications or discharge of this Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Contractor and by the Commissioner or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 9.3.

Whenever under this Agreement Contractor is required to obtain the City's prior written approval, the effect of any approval that may be granted pursuant to Contractor's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

9.4 Governing Law and Jurisdiction

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Contractor irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of process on Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Contractor, or by personal delivery on any officer, director, or managing or general agent of Contractor. If any action is brought by Contractor against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

9.5 Severability

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or

of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

9.6 Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

9.7 Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the City's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

9.8 Independent Contractor

(a) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This Agreement is between the City and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.

(ii) Contractor is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

(Sub)Exhibit 1A.
(To Agreement With Loop-Counterpointe PACE LLC)

*Phase I (Program Design):
Scope Of Services And Time Limits For Performance.*

This Exhibit 1A sets forth the Contractor's obligations with respect to design and setup of the PACE program. All other Contractor obligations, including additional scopes of work and any additional terms and conditions which may be required for such work, are set forth in (Sub)Exhibit 1B.

A.) Phase I: Program Setup.

Task 1: Program Setup.

In this phase of the project, the Contractor will develop all program materials, guidelines, and documentation processes needed prior to the formal program launch. Deliverables include the program guide; standard application forms for building owners; the standard PACE contract; and any other program materials needed.

The Contractor will also provide information in the Program Setup phase as to how the PACE program may be structured so that it could be consistent with or align with the PACE programs of other local governments in Illinois, including but not limited to Cook County.

In addition, the Illinois state statute requires the City to provide a specific report at the time the City passes an ordinance to authorize PACE. Under this scope of work, the Contractor will develop and write the report needed at time of ordinance passage, referred to as the "PACE Program Report", and the City will write the ordinance needed to authorize PACE ("Program Ordinance"). The Contractor, in designing the PACE program, shall act as a fiduciary to the City. The PACE Program Report that is included in the Program Ordinance shall be as approved by the City; nothing herein shall be construed as waiving the City's role in approving the draft report created by the Contractor under this Phase I or in modifying it as necessary to maximize benefits to the City and program participants, meeting statutory objectives, and eliminating conflicts of interest.

The PACE Program Report needed at time of ordinance passage includes all of the following items. The Contractor will work with the City team to include each item listed below in the PACE Program Report, and to set up a process for each of the following program elements:

- A. Plan To Raise Capital. The City intends to raise capital by issuing bonds. The overall process will be briefly described in the PACE Program Report. In addition, the Contractor (or its assignee) would be the entity to purchase the bonds, but the Contractor may then re-sell the bonds, subject to applicable state and federal

laws and in consultation with the City. Note: If the state statute is amended, then other processes may be available for raising capital. The Contractor should also include basic information about the purchase of bonds, including any requirements around interest rates and the maximum maturity period. The Contractor prefers both of the options to purchase the bonds, or assign its rights to purchase the bonds to another entity, depending on other factors. Note that the City reserves the right to approve the entity assigned to purchase the bonds, if the Contractor prefers to assign the bonds to a third party. The Contractor recognizes that subject to applicable Illinois law, an entity other than the City may issue PACE bonds. To the extent that applicable laws related to, or that impact, the PACE program is altered, the Contractor and the City shall negotiate in good faith a resolution to any issues raised thereby.

- B. Form of the assessment contract between the City of Chicago and the record holder governing the terms and conditions of financing and assessment under the program. The Contractor will work with the City to develop the outline for a standard contract used in this program. The contract may need to specify in the terms that the record owner is required to report certain information to the Contractor as part of program participation.
- C. A method for determining interest rates on assessment installments, repayment periods, and the maximum amount of an assessment. The Contractor will set the process for determining these items in collaboration with City staff.
- D. Maximum aggregate annual dollar amount of all financing provided by or arranged by the Contractor under the program. This will be determined by the Contractor and could be a not-to-exceed cap on all financing provided each year.
- E. Explanation Of How Assessments Will Be Made And Collected. For this portion of the scope of work, the City will assist the Contractor in determining the process of how assessments will be made and collected. One option will be that the payments are made directly from the property owner to the PA, along with any User Fees that need to be collected. The City also assumes that assessments will be recorded prior to project initiation, because if the assessment is not recorded until work is complete, it can deter many projects.
- F. Application Process For Projects To Receive PACE Funding. The Contractor will work with the City to develop the application process and any standard application forms.
- G. Eligibility Requirements For Financing Energy Projects Under The Program. The Contractor will identify and describe the types of energy and water projects to be included in the program, and any eligibility or technical requirements. These requirements for the PACE program design would be approved by the City. Once requirements are set, the Contractor would ensure that all projects meet the program requirements. The requirements could be based on the state or utility's technical reference manual or other utility criteria for energy efficiency incentive

and rebate programs. Additional requirements may include an unbiased, professional assessment, such as a professional energy audit.

- i. The Contractor will recommend whether an energy audit is required on a programmatic basis. If audits are recommended, the Contractor will also make a recommendation as to the level of audit needed. For example, projects below a certain cost amount could require an ASHRAE Level I audit, while larger projects might require an ASHRAE Level II or Level III audit. Another option is the Investor Confidence Project standards. Note that free "Level I" type audits are currently provided by ComEd and Peoples Gas.
 - ii. The Contractor will also make a recommendation of whether the program will require an independent review of the audit and results, or other QA/QC processes. For example, other jurisdictions with PACE programs require that a third party that is independent from owner, lender, or utility to review the baseline and savings projections.
 - iii. The Contractor will develop a process to ensure that the term of assessment does not exceed useful life of energy project paid for by the assessment, a requirement under the state statute. If the City of Chicago allows projects that consist of multiple improvements with varying lengths of useful life, the term of the assessment shall be no greater than the improvement with the longest useful life.
- H. Financial Requirements Of The Building Owner. The Contractor will determine if any financial criteria will be considered, beyond those outlined (and required) in the state statute. Examples may include the debt service coverage ratio, and/or the combined loan to value ratio. The Contractor will also develop a process to ensure there is an appropriate ratio of amount of assessment to assessed value of property (or market value of property as determined by a recent appraisal from the last 12 months). This ratio should not exceed 25 percent, as per the state statute. The Contractor will develop the minimum PACE finance amounts, if any.
- I. Documentation Of Savings. The Contractor will develop the process used to document energy and cost savings. One option might be to utilize the City's existing energy benchmarking policy. In addition, the building owner may be required to enroll in the Retrofit Chicago Energy Challenge (Chicago's voluntary energy challenge program). Additional processes may be required for the building owner to share information about savings after project completion.
- J. Procedures To Determine A Reserve Fund (Also Known As Credit Enhancement). Note that a reserve fund is not required, but could be created as part of this program. These are tools that offer lenders protection against losses if a borrower defaults or is delinquent. Lenders can then offer a lower interest rate in return, or be willing to be more flexible when qualifying an applicant. Options

include a debt service reserve fund or loan loss reserve fund. The reserve fund could be built up through administrative fees or created as part of the bonding process. The Contractor will provide a recommendation to the City on whether to set up a reserve fund, and if so, how to provide money for the reserve fund.

- K. User Fees. The Contractor will propose to the City the appropriate amount of fees to charge property owners for participation in the PACE program (the "User Fees"). These may include one-time application fees, one-time administration fees, and/or ongoing program fees to be charged to record owners participating in the program that will be used to finance costs incurred by the City of Chicago as a result of the program. Note that Program Administrator Fees will fund the Contractor's initial and ongoing program operation costs. The Program Administrator Fees shall be the sole source of Contractor's compensation for the initial and ongoing operation costs. Currently proposed User Fees are as follows:

CES Commercial PACE User Fees.

Estimated Cost Of Insurance	Not to Exceed
Program Administrator Fee	1.00 Percent of Project Cost
City of Chicago Department of Planning and Development	Determined by the City
Capital Provider Fee	Estimated 1 percent to 2 percent of Project Cost
Loop Capital Underwriting Fee	0.125 percent of Loan Amount
Estimated Upfront Third Party Costs (appraisals, energy audits, etc.)	Determined by criteria approved by the City
Estimated Upfront Administrative Reserve Account for Bond Trustee	\$100.00
Estimated Upfront Recording Fee	\$350.00
Estimated Upfront Trustee Insurance Fee	\$750.00
Estimated Ongoing County Tax Collector Fees	Determined by a negotiation with the Tax Collector

Estimated Ongoing Fees
(Assessor + Trustee + Bond Servicer)

Determined by the Relevant
Third Parties

For purposes hereof, "Project Cost" shall mean both the cost of the qualifying improvements and the installation costs. Installation costs may include, but are not limited to, the cost of and fees for energy, water and similar audits, appraisals, labor, designs, drawings, engineering services, building permit fees, surveys, inspections, materials required in connection with the installation of the qualifying improvements and technical reviews. The cost of qualifying improvements also include the cost of pre-paid warranties and service contracts for repairs and maintenance.

- L. Mortgage Holder's Consent. A procedure and any standard forms for the property owner to obtain written consent from the mortgage holder before participating in the program, as required by the state statute.
- M. Additional Quality Assurance And Antifraud Measures. The Contractor will develop any additional procedures to ensure high quality and reduce any risk of fraud. This may include verification of the installed improvements.
- N. General Outline Of The Plan For Marketing And Education. (See Exhibit 1B for more details). The Contractor will provide general information about the marketing and education plan.

In addition, the City will work with the Contractor to provide one additional item needed in the PACE Program Report; the identification of an official authorized to enter into an assessment contract on behalf of the City of Chicago.

The Contractor will also develop other items for the PACE Program Report that are not statutorily required, including the following:

- MBE And WBE Participation. The City of Chicago would like to encourage that 26 percent of all payments for construction contracts (inclusive of any and all modifications and amendments and as measured by total contract price) to implement PACE projects at the properties may go to certified MBEs and 6 percent may go to certified WBEs. The Contractor shall actively conduct outreach to MBEs and WBEs and educate them on how to participate in the program. The Contractor shall also track MBE and WBE participation and report participation levels to the City in its annual report.
- The Method Of Contractor Selection. To ensure high quality and appropriate standards, the City expects that the Contractor will pre-qualify contractors allowed to perform work, and will create any required selection or training standards for contractors. The Contractor will work with the City so that appropriate number of certified MBE and WBE firms are pre-qualified for the PACE program. Project

owners will be required to use pre-qualified contractors, and will be encouraged to meet the suggested MBE and WBE participation goals established for this program.

- Collection Of Data Necessary To Evaluate The Efficacy Of The Program Over Time. The Contractor will explain which entity would collect the data and what data would be collected.
- Anticipated Roles And Responsibilities. The Contractor will clearly describe roles and responsibilities of the City staff, the Contractor and any other partner or entity.

B.) Phase I: Schedule Of Performance.

The Contractor shall produce the following Deliverables in accordance with the following timetable:

- PACE Program Report.
 - Initial draft due 10 business days after execution and delivery of this Agreement.
 - Thereafter, each revised draft due 7 business days after receiving the City's comments to the previous draft, provided that the Program Report must be completed to the satisfaction of the City in accordance with the City's submission deadlines for the September 2018 City Council meeting, it being understood that the Contractor shall not be responsible for delays caused primarily by the City.
- Additional Program materials shall be due in accordance with the timelines set forth in the Program Report.

(Sub)Exhibit 1B.

(To Agreement With Loop-Counterpointe PACE LLC)

*Phase II (Bond Underwriting And Program Operations):
Scope Of Services And Time Limits For Performance.*

This scope of services includes additional terms and conditions for Phase II. The following are categories of tasks that may be included in Phase II. Actual tasks will be based upon the Program Ordinance, and the Commissioner may revise these Phase II Services, with the approval of the Contractor, to achieve compliance with the Program Ordinance.

A.) Phase II: Program Launch And Ongoing Program Operations.

Task 1: Program Launch.

The formal Program Launch will occur after the PACE-enabling ordinance is adopted by Chicago City Council. The formal Program Launch will include additional marketing and outreach to inform the key stakeholders that the program is available. The launch may also include an event in which key stakeholder groups will convene to learn about PACE and how to participate in the program. The launch will also include release of finalized program materials, the program website, and other program communications. The city will develop any official communications, such as a press release, will engage bond counsel and bond trustee, and will develop and approve bond documents.

Task 2: Marketing And Education.

In this task, Contractor will implement the marketing and education plan that was developed during Phase I of the project. The Contractor will further identify key stakeholder groups, and develop an appropriate outreach and marketing strategy for each group of stakeholders. Key stakeholder groups may include all of the following: Community leaders, building owners, contractors, real estate agents, environmental advocates, and mortgage holders.

This task also includes maintenance of the website and other communications. Outreach may include targeted campaigns using traditional methods, social media, or other means. Outreach may also include analysis and review of the existing building stock to target marketing towards opportunities with the greatest program impact. This task may also include developing partnerships with existing business or nonprofit organizations to conduct outreach and marketing.

Contractors are a key stakeholder group for PACE programs, and one of the goals of this task is to ensure that qualified contractors are available to conduct energy audits and implement PACE project improvements. Another goal is to have the PACE program use a diverse group of contractors local to Chicago, and to use MBE and WBE firms. Thus, this task includes developing and implementing a contractor workforce development, training and recruitment program, including but not limited to the following:

- A. Raising awareness of the program to local, Chicago-based contractors through marketing, outreach activities, and events.
- B. Providing technical training to contractors on how to apply for PACE financing and comply with the Program requirements.
- C. Any pre-screening or verification processes for contractors, or contractor eligibility requirements, such as proof of relevant certifications, e.g., ASHRAE or other certifications for commercial energy consultants.

- D. How property owners would provide feedback on contractor performance.
- E. How the program would reach out to and include women, minorities, and other targeted business owners.

Task 3: Program Operations.

The Contractor will conduct all ongoing operations once the program is formally launched. This scope of work assumes that the program will run as a pilot for one year, so that all program requirements and materials will be tested during the pilot phase. After one year, the City of Chicago and the Contractor will review the program requirements and materials, and will make adjustments, if necessary, based on program outcomes and feedback from stakeholders in the first year.

Ongoing program operations, during both the initial pilot phase and the following operations phase, include all of the following tasks:

- A. Application Approvals. Review of applications to ensure that applicant meets all program criteria. If application materials are not complete, work with the applicant to provide missing information. If the applicant does not meet program criteria, provide feedback as to the reason and provide information on how the applicant could become eligible.
- B. Roles And Responsibilities. Upon approval of the initial application, inform the property owner of his or her responsibilities in the process, including determining final project scope, completing and submitting a closing verification package, and obtaining the mortgage holder's consent.
- C. Technical And Financial Underwriting. Review that the project and applicant have met all program requirements, and that the mortgage holder provides consent for the PACE financing.
- D. Verification Of Projects. Prior to closing each project, conduct a pre-closing verification, which will confirm the statutorily required eligibility requirements of the owner, in some cases. City staff may assist in these tasks, if the Contractor does not have the authority to complete the tasks. These include the following requirements:
 - i. The applicant is the legal property owner of the benefited property;
 - ii. The applicant is current on mortgage and tax payments (City staff will assist in determining that the applicant is current on tax payments);
 - iii. The applicant is not insolvent or the subject of bankruptcy proceedings;

- iv. The applicant holds a title to the property to be subject to a PACE assessment that is not in dispute; and
 - v. The applicant has consent of any pre-existing mortgagee to the proposed PACE assessment through a written notice.
- E. Compliance With Technical Standards. Review the technical aspects of the energy project, including any energy audits or engineering studies.
- F. Special Assessments. The Contractor will work with the applicant to move through the process required to establish the special assessments, as outlined in the Illinois Special Assessment Supplemental Bond and Procedures Act. This Act requires the project applicant to petition the Board of Local Improvements (BOLI) and may also require the applicant to go before a court of law in order to receive approval for the special assessment. Note that the Contractor may be able to develop a strategy to bundle several projects together when petitioning the BOLI and appearing in court. Each special assessment may also require approval of the City Council through a local ordinance, as per the Special Assessment Supplemental Bond and Procedures Act. Note that some or all of these steps may not be necessary if the state statute that governs PACE programs is amended in the future.
- G. Fee Collection. Collect and retain the User Fees to fund ongoing operations.
- H. Development/Maintenance Of Documents. Update any documents as-needed, including program applications, RFI or RFPs for contractors or lenders, etc.
- I. Default Procedures. Upon notification of an owner's default in payment of an assessment, notify the City of Chicago to enforce the assessment lien in accordance with law and the agreements between the parties.
- J. Quality Assurance. The Contractor will maintain program integrity through quality assurance and verification with reports and data generated from the program's operation. Using procedures developed in Phase I, collect information needed to ensure the energy and cost savings are documented, the Contractor may also review contractor work to ensure high quality.
- K. Customer Service. Respond to questions and work with applicants to ensure a seamless experience as they work through the PACE financing process. Respond to inquiries from other entities, such as vendors, contractors, consultants, and the general public.
- L. Bond Document Coordination:
 - a. Intake of property owner-signed bond documents.

- b. Generate amortization schedule.
 - c. Coordination with program team on lien recordation and bond closing documents.
- M. Program Reporting. The Contractor will also provide bi-annual reporting, including but not limited to the following data:
- i. Overall program growth and performance.
 - ii. Program impact, including but not limited to:
 - a. Number of participants and average project size.
 - b. The value PACE projects added to buildings.
 - c. Funds disbursed.
 - d. Projected energy consumption reduction.
 - e. Projected water consumption reduction.
 - f. Projected renewable energy generated.
 - g. Electric vehicle chargers installed.
 - h. GHG emission reductions.
 - i. Workforce development.
 - j. MBE and WBE participation levels for (a) program administrator services, and for (b) construction contracts funded through the PACE program.

C.) Phase II: Schedule Of Performance.

The Contractor shall produce the applicable Deliverables in accordance with the timeline set forth in the Program Report.

**ARTICLE 1. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE
COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES
OR SERVICES**

1.1. Policy and Terms

It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, will have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price, if awarded, for contract participation by MBEs and WBEs:

MBE Percentage	WBE Percentage
25%	5%

(See Form "Bidders Commitment to Utilize MBE and WBE Firms on No Stated Goals Contract" for Contract Specific Goals in the case of a contract subject to a bid preference pursuant to MCC 2-92-525.)

This commitment is met by the Contractor's status as a MBE or WBE, by a member of the Contractor having a status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the Contract Specific Goals.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

Pursuant to MCC 2-92-535, the prime contractor may apply be awarded an additional 0.5 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentoring agreement with the

contractor or subcontractor-to-subcontractor mentoring agreement. This up to 5% may be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

1.2. Definitions

"Area of Specialty" means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory (defined below). Credit toward this Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

"Bid" means a bid, proposal, or submittal detailing a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request for qualification of task order request (issued in accordance with the Master Consulting Agreement) that is issued by the City.

"Bidder" means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract. In the case of a contract subject to the bid incentive set forth in MCC 2-92-525, "Contract Specific Goals" means the utilization percentage for MBEs or WBEs to which contractor committed with its bid.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"**Indirect Participation**" refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor's business. (Note: no dollar of such indirect MBE or WBE participation shall be considered in a Good Faith Efforts determination more than once against a contractor's MBE or WBE commitment with respect to all government contracts held by that contractor.)

"**Joint venture**" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"**Mentor-Protégé Agreement**" means an agreement between a prime and MBE or WBE subcontractor ("Mentoring Agreement"), or an agreement between a prime's subcontractor and MBE or WBE subcontractor ("Subcontractor-to-Subcontractor Mentoring Agreement"), pursuant to MCC 2-92-535, that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"**Minority Owned Business Enterprise**" or "**MBE**" means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois. However, it does not mean a firm that has been found ineligible or which has been decertified by the City or Cook County.

"**Municipal Code of Chicago**" or "**MCC**" means the Municipal Code of the City of Chicago.

"**Supplier**" or "**Distributor**" refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"**Women Owned Business Enterprise**" or "**WBE**" means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois. However, it does not mean a firm that has been found ineligible or which has been decertified by the City or Cook County.

1.3. **Joint Ventures**

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

- a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:
 - i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;
 - ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;
 - iii. Each joint venture partner executes the bid to the City; and
 - iv. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and

responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items i, ii, and iii above in this Paragraph a.

- b. The Chief Procurement Officer shall evaluate the Schedule B submitted on behalf of the proposed joint venture to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

- c. **Schedule B: MBE/WBE Affidavit of Joint Venture**

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit a Schedule B and must clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

- i. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;
- ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;
- iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and
- iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

1.4. Counting MBE/WBE Participation Toward the Contract Specific Goals

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract

Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Except as provided in MCC 2-92-525(b)(2), only Payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

- a. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.
 - i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.
 - ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.
 - iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor shifting and equipment sharing or leasing arrangements with the prime contractor or a first tier subcontractor.
- b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals, except as provided in MCC 2-92-525(b)(2).
- c. For maintenance, installation, repairs or inspection, or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.
- d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.
- e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.
- f. If the MBE or WBE is a broker:
 - i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.
 - ii. As defined above, Brokers provide no commercially useful function.
- g. If the MBE or WBE is a member of the joint venture contractor/bidder:

- i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or
 - ii. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in the Schedule B.
 - iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.
- h. If the MBE or WBE subcontracts out any of its work:
- i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.
 - ii. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (c) above).
 - iii. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - iv. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - v. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5. Regulations Governing Reductions to or Waiver of MBE/WBE Goals

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE Contract-Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

A bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than

fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein; and

- Bidders responding to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to expedite the contract award.

1.5.1. Direct Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

- a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct work identified or related to the advertised bid/proposal. Documentation must include but is not necessarily limited to:
 1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;
 2. A listing of all MBE/WBE firms contacted that includes:
 - Name, address, telephone number and email of MBE/WBE firms solicited;
 - Date and time of contact;
 - Method of contact (written, telephone, transmittal of facsimile documents, email, etc.)
 3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:
 - Project identification and location;
 - Classification/commodity of work items for which quotations were sought;
 - Date, item and location for acceptance of subcontractor bid proposals;
 - Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
 - Affirmation that Good Faith Efforts have been demonstrated by:
 - choosing subcontracting opportunities likely to achieve MBE/WBE goals; and
 - not imposing any limiting conditions which were not mandatory for all subcontractors; and

- providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date; and
- documented efforts or actual commitment to the indirect participation of MBE/WBE firms.

OR

- b. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:
1. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
 - A listing of all potential subcontractors contacted for a quotation on that work item;
 - Prices quoted for the subcontract in question by all such potential subcontractors for that work item.
 2. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
 - The City's estimate for the work under a specific subcontract;
 - The bidder's own estimate for the work under the subcontract;
 - An average of the bona fide prices quoted for the subcontract;
 - Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

1.5.2. Assist Agency Participation in waiver/reduction requests

Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required to be submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

1.5.3. Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations (this subsection 1.5 "Regulations Governing Reduction to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

1.6. Procedure to Determine Bid Compliance

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

In the case of a bid utilizing the "Bid Incentive to Encourage MBE and WBE Utilization" pursuant to MCC 2-92-525(b)(2), failure to submit an MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goal to which the bidder has committed will not result in rejection of the bid, but the bidder may be found ineligible for the bid incentive.

Except as provided in MCC 2-92-525(b)(2), only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

(1) Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.

The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, <http://cityofchicago.org/forms>. Each Schedule C-1 must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-1 has been submitted with the bid, an executed original Schedule C-1 must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five business days after the date of the bid opening.

Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

- (2) **Letters of Certification.**
A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County Illinois, must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty. Letters of Certification for firms that the City or Cook County has found ineligible or has decertified will not be accepted.
- (3) **Schedule B: Affidavit of Joint Venture, and Joint Venture Agreements (if applicable).**
If the bidder's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder or as a subcontractor), the bidder must provide a copy of a Schedule B along with all other requirements listed in Section 1.3, above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract.
- (4) **Schedule D-1: Required Schedules Regarding MBE/WBE Utilization**
Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, <http://cityofchicago.org/forms>. Except in cases where the bidder has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals" herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depends upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.
All commitments for joint venture agreements must be delineated in the Schedule B.
- (5) **Application for Approval of Mentor Protégé Agreement**
Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

1.7. Reporting Requirements During the Term of the Contract

- a. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

- b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the Contractor with instructions to report payments that have been made in the prior month to each subcontractor. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.
- c. Once the prime Contractor has reported payments made to each subcontractor, including zero dollar amount payments, the subcontractor will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.
- d. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: <https://chicago.mwdbe.com>
- e. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.
- f. The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after project closeout. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

1.8. Changes to Compliance Plan

1.8.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

- a) Unavailability after receipt of reasonable notice to proceed;
- b) Failure of performance;

- c) Financial incapacity;
- d) Refusal by the subcontractor to honor the bid or proposal price or scope;
- e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;
- f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;
- g) The subcontractor's withdrawal of its bid or proposal; or
- h) De-certification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).
- i) Termination of a Mentor Protégé Agreement.

1.8.2. Procedure for Requesting Approval

If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

- a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.
- b) The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.
- c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section 5. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.

This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.
- b) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitative process. SECTION 4. This ordinance shall be effective as of the date of its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

Exhibit "A".

*Intergovernmental Agreement With The Department Of The Army And
The City Of Chicago For Development Of A Comprehensive Plan.*

This Agreement is entered into this ____ day of _____, _____, by and between the Department of the Army (hereinafter the "Government"), represented by the U.S. Army Engineer, Chicago District (hereinafter the "District Engineer"), and the City of Chicago (hereinafter the "Non-Federal Sponsor"), represented by the Director, Department of Planning and Development.

Witnesseth, That:

Whereas, Section 22 of the Water Resources Development Act of 1974, as amended (42 USC 1962d-16) authorizes the Secretary of the Army, acting through the Chief of Engineers, to provide assistance in the preparation of a comprehensive water resources plan (hereinafter the "Plan") to a state or non-Federal interest working with a state, and to establish and collect fees for the purpose of recovering 50 percent of the costs of such assistance except that Secretary may accept and expend non-Federal funds provided that are in excess of such fee; and

Whereas, The Government and the Non-Federal Sponsor have the full authority and capability to perform in accordance with the terms of this Agreement.

Now, Therefore, The parties agree as follows:

1. The Government shall develop the Plan, in coordination with the Non-Federal Sponsor, in accordance with the attached Scope of Work, and any modifications thereto, that specifies the scope, cost, and schedule for activities and tasks, including the Non-Federal Sponsor's in-kind services.

2. The Non-Federal Sponsor shall provide 50 percent of the costs for developing the Plan in accordance with the provisions of this paragraph. As of the effective date of this Agreement, the costs of developing the Plan are projected to be \$140,000, with the Government's share of such costs projected to be \$70,000 and the Non-Federal Sponsor's share of such costs projected to be \$70,000, which includes estimated credit in the amount of \$70,000 for in-kind services:

a. After considering the estimated amount of credit for in-kind services that will be afforded in accordance with paragraph 4, if any, the Government shall provide the

Non-Federal Sponsor with a written estimate of the amount of funds required from the Non-Federal Sponsor for the initial fiscal year of development of the Plan, with a fiscal year beginning on October 1st and ending on September 30th of the following year. No later than 15 calendar days after such notification, the Non-Federal Sponsor shall provide the full amount of such funds to the Government by delivering a check payable to "FAO, USAED, Chicago (H6)" to the District Engineer or by providing an Electronic Funds Transfer of such required funds in accordance with procedures established by the Government.

b. No later than August 1st prior to each subsequent fiscal year during development of the Plan, the Government shall provide the Non-Federal Sponsor with a written estimate of the amount of funds required from the Non-Federal Sponsor during that fiscal year. No later than September 1st prior to that fiscal year, the Non-Federal Sponsor shall provide the full amount of such required funds to the Government using one of the payment mechanisms specified in paragraph 2. a. above.

c. If the Government determines at any time that additional funds are needed from the Non-Federal Sponsor to cover the Non-Federal Sponsor's costs of developing the Plan, the Government shall provide the Non-Federal Sponsor with written notice of the amount of additional funds required. Within 60 calendar days of such notice, the Non-Federal Sponsor shall provide the Government with the full amount of such additional funds.

d. Upon completion of the Plan and resolution of any relevant claims and appeals, the Government shall conduct a final accounting and furnish the Non-Federal Sponsor with the written results of such final accounting. Should the final accounting determine that additional funds are required from the Non-Federal Sponsor, the Non-Federal Sponsor, within 60 calendar days of written notice from the Government, shall provide the Government with the full amount of such additional funds. Should the final accounting determine that the Non-Federal Sponsor has provided funds in excess of its required amount, the Government shall refund the excess amount, subject to the availability of funds. Such final accounting does not limit the Non-Federal Sponsor's responsibility to pay its share of costs, including contract claims or any other liability that may become known after the final accounting.

3. In addition to its required cost share, the Non-Federal Sponsor may determine that it is in its best interests to provide additional funds for development of the Plan. Additional funds provided under this paragraph and obligated by the Government are not included in calculating the Non-Federal Sponsor's required cost share and are not eligible for credit or repayment.

4. The in-kind services includes those activities (including services, materials, supplies, or other in-kind services) that are required for development of the Plan and would

otherwise have been undertaken by the Government and that are specified in the Scope of Work and performed or provided by the Non-Federal Sponsor after the effective date of this Agreement and in accordance with the Scope of Work. The Government shall credit towards the Non-Federal Sponsor's share of costs, the costs, documented to the satisfaction of the Government, that the Non-Federal Sponsor incurs in providing or performing in-kind services, including associated supervision and administration. Such costs shall be subject to audit in accordance with paragraph 9 to determine reasonableness, allocability, and allowability, and crediting shall be in accordance with the following procedures, requirements, and limitations:

a. As in-kind services are completed and no later than 60 calendar days after such completion, the Non-Federal Sponsor shall provide the Government appropriate documentation, including invoices and certification of specific payments to contractors, suppliers, and the Non-Federal Sponsor's employees. Failure to provide such documentation in a timely manner may result in denial of credit. The amount of credit afforded for in-kind services shall not exceed the Non-Federal Sponsor's share of costs.

b. No credit shall be afforded for interest charges, or any adjustment to reflect changes in price levels between the time the in-kind services are completed and credit is afforded; for the value of in-kind services obtained at no cost to the Non-Federal Sponsor; or for costs that exceed the Government's estimate of the cost for such item if it had been performed by the Government.

5. The Non-Federal Sponsor shall not use Federal Program funds to meet any of its obligations under this Agreement unless the Federal agency providing the funds verifies in writing that the funds are authorized to be used for the Plan. Federal program funds are those funds provided by a Federal agency, plus any non-Federal contribution required as a matching share therefor.

6. In carrying out its obligations under this Agreement, the Non-Federal Sponsor shall comply with all the requirements of applicable Federal laws and implementing regulations, including, but not limited to: Title VI of the Civil Rights Act of 1964 (P.L. 88-352), as amended (42 USC 2000d), and Department of Defense Directive 5500.11 issued pursuant thereto; the Age Discrimination Act of 1975 (42 USC 6102); and the Rehabilitation Act of 1973, as amended (29 USC 794), and Army Regulation 600-7 issued pursuant thereto.

7. Upon 30 calendar days written notice to the other party, either party may elect, without penalty, to suspend or terminate further development of the Plan. Any suspension or termination shall not relieve the parties of liability for any obligation incurred.

8. As a condition precedent to a party bringing any suit for breach of this Agreement, that party must first notify the other party in writing of the nature of the purported breach and seek in good faith to resolve the dispute through negotiation. If the parties cannot resolve the dispute through negotiation, they may agree to a mutually acceptable method of non-binding alternative dispute resolution with a qualified third party acceptable to the parties. Each party shall pay an equal share of any costs for the services provided by such a third party as such costs are incurred. The existence of a dispute shall not excuse the parties from performance pursuant to this Agreement.

9. The parties shall develop procedures for the maintenance by the Non-Federal Sponsor of books, records, documents, or other evidence pertaining to costs and expenses for a minimum of three years after the final accounting. The Non-Federal Sponsor shall assure that such materials are reasonably available for examination, audit, or reproduction by the Government:

a. The Government may conduct, or arrange for the conduct of, audits of the Plan. Government audits shall be conducted in accordance with applicable Government cost principles and regulations. The Government's costs of audits for the Plan shall not be included in the shared costs of the Plan, but shall be included in calculating the overall Federal cost of the Plan.

b. To the extent permitted under applicable Federal laws and regulations, the Government shall allow the Non-Federal Sponsor to inspect books, records, documents, or other evidence pertaining to costs and expenses maintained by the Government, or at the request of the Non-Federal Sponsor, provide to the Non-Federal Sponsor or independent auditors any such information necessary to enable an audit of the Non-Federal Sponsor's activities under this Agreement. The costs of non-Federal audits shall be paid solely by the Non-Federal Sponsor without reimbursement or credit by the Government.

10. This project will build upon existing river edge design guidelines, the 2017 River Edge Ideas Labs (www.ChiRiverLab.com), community input from various planning efforts on the future of the river, and national best practices. The end result is intended to provide a cohesive planning framework that promotes exceptional design, increased connectivity, increased options for recreation, and habitat creation/restoration.

2. Product Description:

The City of Chicago (City) Department of Planning and Development (DPD) is seeking professional services from the U.S. Army Corps of Engineers (USACE) Chicago District (LRC) to contribute to an update of DPD's 2005 Chicago River Corridor Design Guidelines and Standards document. The services shall, at a minimum, include the following:

a) Provide Analysis Of, And Recommendations For, Appendices To The 2005 Chicago River Corridor Design Guidelines And Standards. DPD will provide access to all existing appendices that require review and analysis. The appendices that LRC will analyze and provide recommendations on are as follows:

Pollution of waters) is included in the document appendices. LRC could potentially provide recommendations for potential alterations to the code at the request of DPD.
 - 7) Appendix K (Riverbank Restoration Solutions): LRC environmental planning staff (planners, botanists, fish biologists, and fluvial geomorphologists) will make recommendations for riverbank restoration solutions along the Chicago River Corridor based on their regional expertise in aquatic ecosystem restoration. Recommendations will include design criteria for materials, stabilization techniques, plant communities, habitat features, hydrologic features, etc.

(b) All accounting terms not otherwise defined herein shall have the meanings assigned to them, and all computations herein provided for shall be made, in accordance with generally accepted accounting principles.

(c) All references herein to "generally accepted accounting principles" refer to such principles in effect on the date of the determination, certification, computation or other action to be taken hereunder using or involving such terms.

(d) All references in this instrument to designated "Articles," "Sections" and other subdivisions are to be the designated Articles, Sections and other subdivisions of this instrument as originally executed.

(e) The words "herein," "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any Section or other subdivision.

(f) The Section and subsection headings herein are for convenience only and shall not affect the construction hereof.

SECTION 3. PURCHASE PRICE.

(a) The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for the sum of \$250,000 ("Purchase Price"). Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs. The Purchase Price is at least \$450,000 less than the \$700,000 appraised value of the Property ("Land Write-Down"). The purpose of the Land Write-Down is to facilitate the construction of the Project. The Developer acknowledges and agrees that the City has only agreed to provide the Land Write-Down because the Developer has agreed to execute this Agreement and comply with its terms and conditions.

(b) The amount of the Land Write-Down is calculated as follows:

\$200,000	towards environmental remediation for the Property (including but not limited to surface debris removal and disposal, installation of an engineering barrier, and costs of IEPA SRP and the Final NFR Letter)
\$119,000	towards costs of site buffering along the Property's Kostner Avenue frontage (including but not limited to installation of a berm, landscaping, and fencing)
\$319,000	Total off-set amount

The off-set dollar amounts above shall be verified and documented by the Developer in writing to the satisfaction of the City in accordance with the procedures of this Agreement. Costs must be based on the Developer's actual costs, verified by actual receipts and affidavits, with no markup by the Developer for these costs. Without limiting the foregoing, the parties anticipate, as reflected in the Budget attached as Exhibit C, that all of the Project's hard construction components will be performed or supplied by the Developer directly other than: (i) paving; and

(2) landscaping. Where the Developer does perform or supply hard construction components, Developer will provide the City with an affidavit (the "Developer Construction Cost Affidavit") detailing the applicable amounts and costs of the associated labor, equipment and materials and certifying that such costs have been supplied to the Project only at the market rates charged by the Developer to third party customers. If verified and documented costs for the two categories above do not equal at least \$319,000, the amount of the under-expenditure will be due and owing by the Developer to the City. Any under-expenditure amount will first be deducted by the City from the Developer's \$35,000 Performance Deposit as defined in Section 4 below. If the Performance Deposit is exhausted, leaving an amount due and owing to the City, said amount shall be required to be paid by the Developer to the City before issuance of the Certificate of Completion by the City. In addition to the \$319,000 in off-sets above, the City will allow a \$131,000 stand-alone write down in the Property price, which represents 14% of the \$943,000 total estimated Project cost. The \$450,000 Land Write-Down, therefore, is the sum of the \$319,000 off-sets and the \$131,000 stand-alone write down.

SECTION 4. PERFORMANCE DEPOSIT. Simultaneously with the execution of this Agreement, the Developer will be required to deposit with DPD the amount of \$35,000 (5% of \$700,000), as security for the performance of its obligations under this Agreement ("Performance Deposit"). Subject to Section 3(b) above, the City will return the Performance Deposit upon issuance of the Completion Certificate or in the event this Agreement is terminated prior to Closing. The City will pay no interest to the Developer on the Performance Deposit.

SECTION 5. CLOSING. The City shall convey the Property to the Developer on the Closing Date by delivery of the Deed. On or before the Closing Date, the City also shall deliver all necessary state, county and municipal real estate transfer tax declarations and an ALTA statement. The Closing shall take place at the offices of the Corporation Counsel.

SECTION 6. CONVEYANCE OF TITLE.

6.1 Form of City Deed. The City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the deed, the following:

- (a) the Redevelopment Plan for the Redevelopment Area;
- (b) this Agreement;
- (c) the standard exceptions in an ALTA title insurance policy;
- (d) general real estate taxes and any special assessments or other taxes arising after the Closing Date;
- (e) Grants of easement in favor of the City of Chicago recorded as Document Numbers 5662303 and 10436725 (unless such easements preclude the Project, in which case Developer shall have the right to terminate this Agreement);
- (f) 1968 Ordinance approving Conservation Plan recorded as Document No. 87191374 (unless such Ordinance is no longer in force and effect);
- (g) 1987 Ordinance designating Enterprise Zone recorded as Document No. 87191374 (unless such Ordinance is no longer in force and effect); and
- (h) any and all exceptions caused by the acts of the Developer or its Agents.

The City will use commercially reasonable efforts (but not expend any monies, incur any obligations, or provide any indemnities) to cooperate with the Developer and the title insurer (if any) to cause the following restrictions on title to the Property to be removed prior to Closing:

1998 Lis Pendens filed by the City and recorded as Document No. 98449237; 1997 liens filed by the City and recorded as Document No. 97355482 and 97838118; and 1993 lien filed as Document No. 93006624.

6.2 Recording. At Closing, the Developer shall pay to record the Deed, this Agreement (if not already recorded), and any other documents incident to the conveyance of the Property to the Developer. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number.

SECTION 7. TITLE AND SURVEY.

7.1 Title Commitment and Insurance. The City shall have no obligation to provide the Developer with a commitment for an owner's policy of title insurance for the Property or any such policy of title insurance. In the event Developer obtains any such commitments or policies, including any endorsements: (i) they shall be obtained at the Developer's sole cost and expense; and (ii) Developer will provide Corporation Counsel with copies of same. Without limiting the foregoing, Developer shall be obligated to obtain a title insurance policy on the Closing Date in the most recently revised ALTA or equivalent form, and such title policy must show: (a) that this Agreement has been recorded with the Office of the Recorder of Deeds prior to the recordation of the Deed; (b) if there is in any Lender Financing, that this Agreement has been recorded prior to the mortgage or other documentation of said Lender Financing; and (c) if there is any Lender Financing, that the associated Subordination Agreement required hereunder also has been recorded.

7.2 Survey. The City shall have no obligation to provide the Developer with a Survey of the Property. In the event the Developer obtains a Survey prior to Closing: (i) it shall be obtained at the Developer's sole cost and expense; (ii) the Developer will cause the Survey to be certified to the City as well as the Developer; and (iii) Developer will provide Corporation Counsel with a copy of same.

Updates to the Budget attached hereto as Exhibit C occurring after the execution and recordation of this Agreement shall require the City's prior written approval pursuant to Section 11.2 but shall not require that this Agreement be amended or that any such subsequent Budgets be recorded in the Office of the Recorder of Deeds of Cook County.

10.8 Legal Opinion. The Developer has submitted to the Corporation Counsel, and the Corporation Counsel has approved, an opinion of counsel substantially in the form of Exhibit D, with such changes as may be required by or acceptable to Corporation Counsel, of due authorization, execution and enforceability (subject to bankruptcy and creditor's rights) of this Agreement and all other documentation signed by the Developer provided for herein.

11.6 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other utility services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

11.7 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the Completion Certificate, any authorized representative of the City shall have access to all portions of the Project and the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable Laws.

11.8 Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require during the construction of the Project, identifying the site as a City redevelopment project. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

11.9 Survival. The provisions of this Section 11 shall survive until the issuance of the Completion Certificate.

SECTION 12. LIMITED APPLICABILITY. Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval

required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF PROJECT. The Developer shall commence construction of the Project no later than six (6) months after the IEPA issues a Comprehensive Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property, and shall complete the Project (as evidenced by the issuance of the Completion Certificate) no later than eighteen (18) months after the construction commencement date; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates by up to six (6) months each (or twelve (12) months in the aggregate). The estimated construction schedule for the Project is attached hereto as Exhibit E. The Developer shall construct the Project in accordance with this Agreement, the Redevelopment Plan, the Plans and Specifications, the Budget, and all applicable Laws and covenants and restrictions of record.

SECTION 14. CERTIFICATE OF COMPLETION OF CONSTRUCTION.

14.1 Upon satisfaction of the requirements set forth in this Section 14 for the Project, and upon the Developer's written request, which shall include a final budget detailing the total actual cost of the construction of the Project (the "Final Project Cost"), DPD shall: (i) issue to the Developer a certificate of completion for the Project ("Completion Certificate") in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement; and (ii) return the Reconveyance Deed to the Developer, in accordance with Section 20.4.

14.2 A Completion Certificate will not be issued until: (a) the Developer has obtained the Final NFR Letter for the Property; (b) The City's Monitoring and Compliance Unit has verified in writing that the Developer is in full compliance with all City requirements set forth in Section 24.2 (City Resident Construction Worker Employment Requirement) and Section 24.3 (MBE/WBE Commitment) with respect to the Project. A Completion Certificate will not be issued while there exists an Event of Default or a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

14.3 Within forty-five (45) days after receipt of a written request by the Developer for a Completion Certificate, the City shall provide the Developer with either the Completion Certificate or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Completion Certificate. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Completion Certificate upon compliance with the City's response. The Completion Certificate shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the applicable Deed with respect to the Developer's obligations to construct the Project. The Completion Certificate shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Completion Certificate release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

14.4 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the Final Project Cost for the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractor's and any subcontractor's sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.5 Inspection Rights. From the Closing Date through the expiration of the Compliance Period, upon prior written notice of at least three (3) business days, any authorized representative of the City shall have access to all portions of the Project and the Property during normal business hours for the purpose of confirming the Developer's compliance with the Agreement.

SECTION 15. RESTRICTIONS ON USE. The Developer, for itself and its successors and assigns, covenants and agrees as follows:

15.1 Use under the Redevelopment Plan. The Developer shall use the Property and cause the Property to be used in compliance with the Redevelopment Plan.

15.2 Uses under the Agreement. The Developer shall use the Property and shall cause the Property to be used for the Project as described in the recitals hereof. Any use of the Property in addition to the Project uses as described in the recitals hereof must be approved in advance in writing by the Commissioner in his sole discretion, provided, however, such consent shall not be unreasonably withheld if the additional proposed uses are permitted by applicable law and are consistent the Redevelopment Plan. In addition, the City acknowledges and agrees, that the portions of the Property allocated to the Project's component uses may be adjusted from time to time, subject to the Property continually complying with the NFR Letter, as issued or amended. By way of example and not limitation, areas used for truck parking and for material storage might be located on more or less of the Property or in a different configurations than depicted in the originally-approved Scope Drawings so that the Property can optimally support the Developer's operations at 2100 South Kilbourn Avenue as they evolve and the operations of those adjacent industrial users leasing truck parking spaces within the Property. Similarly, if the Developer determines that it could expand its operations by constructing a building facility on the Property, such construction (and the associated increase to the Property's taxable value and expansion of employment opportunities), would be deemed in furtherance of the purposes of the Redevelopment Plan and this Agreement rather than a breach hereof. Notwithstanding the foregoing provisions of this Section 15.2, any buildings constructed on the Property would have to comply with the NFR Letter, as issued or amended, comply with all applicable laws, and receive all required governmental permits,

15.3 [intentionally omitted]

15.4 Final NFR. The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter(s) for the Property.

15.5 Non-Discrimination. The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Redevelopment Plan.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

A. In addition to the terms defined in Section 2 above, for purposes of this Section 16, "Net Sale Proceeds" means the gross sales price at which the Developer sells the Property to a third-party, less closing costs and commissions, and also less the Developer's actually-incurred costs to acquire the Property and to improve the Property, including undertaking and completion of the Project in accordance with this Agreement. Direct and third-party soft and hard costs shall be evidenced by Owner's sworn statements, applicable Change Orders, and similar documentation.

B. Restriction on Transfer Prior to Issuance of Completion Certificate. Prior to the City's issuance of the Completion Certificate, as provided herein, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein, except for leases of tenant space in the Project (including to Affiliates of the Developer) and further except for sales, transfers, conveyances, leases or other dispositions to an "Insider Party" (as defined in Section 16.G below); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee (including any purchaser, transferee or assignee that is an Insider Party), must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). In the event of a sale or transfer pursuant to this Section 16.B the Developer shall promptly pay a dollar amount equal to the Net Sale Proceeds to the City.

C. Transfer of Property During the Compliance Period. If the Developer sells the Property during the Compliance Period (except for sales, transfers, conveyances, leases or other dispositions to an Insider Party), the Developer shall pay to the City as follows: 50% of the Net Sales Proceeds if such sale occurs during the first two years of the Compliance Period; 40% of the Net Sales Proceeds if such sale occurs during the second two years of the Compliance Period; 30% of the Net Sales Proceeds if such sale occurs during the third two

years of the Compliance Period; 20% of the Net Sales Proceeds if such sale occurs during the fourth two years of the Compliance Period; and 10% of the Net Sales Proceeds if such sale occurs during the fifth (that is, the last) two years of the Compliance Period.

D. [intentionally omitted]

E. [intentionally omitted]

F. Transfer of Interests in the Developer. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the City's issuance of the Completion Certificate to anyone other than an Insider Party, without the prior written consent of DPD, which consent shall be in DPD's sole and absolute discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer.

G. Insider Party. For purposes of this Section 16, "Insider Party" means an individual or entity that is eligible to do business with the City, and that satisfies one or more of the following criteria:

(i) existing (as of the Effective Date) shareholder, partner, or member of the Developer;

(ii) a spouse and/or issue or an entity solely controlled by a spouse and/or issue of any existing (as of the Effective Date) shareholders, partners, or members of the Developer;

(iii) the trustee(s) of a testamentary trust for the benefit of the spouse and/or issue of any existing (as of the Effective Date) shareholders, partners, or members of the Developer, that succeeded to Developer's interest upon any existing (as of the Effective Date) shareholders, partners, or members of the Developer's death, divorce, or legal separation; or

(iv) a new entity solely composed of any existing (as of the Effective Date) shareholders, partners, or members of the Developer and their spouse and/or issues.

SECTION 17. MORTGAGES AND OTHER LIENS.

17.1 Limitation upon Encumbrance of Property. Prior to the issuance of the Completion Certificate, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for the Lender Financing, approved pursuant to Section 9, which shall be limited to funds necessary to construct the Project.

17.2 Mortgagees Not Obligated to Construct. Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19 and, at the Closing, shall execute a subordination agreement in accordance with Section 10.10. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property (or any portion thereof) prior to the issuance of the Completion Certificate, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and

thereafter transfers its interest in the Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 19.

SECTION 18. [intentionally omitted]

SECTION 19. COVENANTS RUNNING WITH THE LAND. The Parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 23.5 (Release for Environmental Conditions), touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its respective successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Section 13 upon the issuance of the Completion Certificate; Sections 16.B and 17 upon the issuance of the Completion Certificate; Section 15.1 upon the expiration of the Redevelopment Plan; Sections 15.2 upon the expiration of the Compliance Period; Section 16.C upon the expiration of the Compliance Period; Section 15.4 in accordance with the terms of the Final NFR Letter; and Sections 15.5 and 23.5 with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

20.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

20.2 Event of Default. The occurrence of any one or more of the following events or occurrences shall constitute an "Event of Default" under this Agreement:

- (a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;
- (b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;
- (c) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;
- (d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

- (e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;
- (f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;
- (g) the entry of any judgment or order against Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;
- (h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;
- (i) the dissolution of Developer;
- (j) the occurrence of a material and adverse change in Developer's financial condition or operations;
- (k) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);
- (l) except as permitted in Section 16 hereof, the sale or transfer of the ownership interests of Developer without the prior written consent of the City prior to the issuance of the Completion Certificate; or
- (m) non-compliance with the use covenants as set forth in Section 15 hereof.

For purposes of Section 20.2(k) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of either Developer's membership interests.

20.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default

provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of Property) and Section 17 (Mortgages and Other Liens).

20.4 After Closing. If an Event of Default occurs after the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement and pursue and secure any available remedy in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed; provided, however, the City's right to revest title in the City pursuant to the Reconveyance Deed shall terminate upon the issuance of the Completion Certificate, and provided further that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions and defects that in effect as of the date and time that the City conveyed the Property to the Developer and any subsequent liens or exceptions expressly authorized by this Agreement or approved by the Commissioner in accordance with the terms of this Agreement (collectively, "Default Title Exceptions").

20.5 Resale of the Property. Upon any reconveyance of title to the Property to the City as provided in Section 20.4, the City may complete the Project or convey the Property, subject to any Default Title Exceptions, to a qualified and financially responsible party reasonably acceptable to the first mortgagee (if any), who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 19.

20.6 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 20.5, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

- (a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

- (d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and
- (e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's Equity investment in the Property.

SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE. The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 22. INDEMNIFICATION. The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Agent or Affiliate of the Developer; (d) the Developer's failure to cure any misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by the Developer or any Agent or Affiliate of the Developer on the Property prior to or after the Closing. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. ENVIRONMENTAL MATTERS.

23.1 **"AS IS" SALE.** THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD, OR WILL HAVE HAD AT THE TIME OF CLOSING, ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND WILL ACCEPT, AT CLOSING, THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY (AND ANY IMPROVEMENTS THEREON). THE DEVELOPER AGREES TO ACCEPT THE PROPERTY AT CLOSING IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES

THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Right of Entry. The Developer agrees to deliver to the City copies of all Environmental Documents. The obligation of the Developer to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project and with Developer's determination of the costs to perform the Remediation Work. The City shall grant the Developer the right, at its sole cost and expense, and in the City's customary form and subject to City's receipt from Developer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), to enter the Property to perform surveys, environmental assessments, soil tests and other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property; provided, however, that the City shall have the right to review and approve the scope of work for any environmental testing. If the Developer determines that it is not satisfied, in its sole and absolute discretion, with the condition of the Property or Developer's determination of the anticipated costs to perform the Remediation Work, it may terminate this Agreement by written notice to the City any time prior to the Closing Date, in which event the Performance Deposit shall be returned to Developer and whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 23.2, the Developer shall be deemed satisfied with the condition of the Property.

23.3 Environmental Remediation.

a) Developer has obtained a Phase I Environmental Site Assessment ("Phase I ESA") from Weaver Consultant Group dated March 22, 2016, and a Phase II Environmental Site Assessment ("Phase II ESA") from Roux Associates, Inc. dated September 1, 2017. Previous investigations include a Site Assessment Report from Ecology and Environment, Inc. dated February 22, 1995, and Phase I Environmental Site Assessment Report from M. G. Simmons & Associates, Inc. dated April 1998.

b) Prior to closing, Developer will provide an Updated Phase I Environmental Site Assessment (ESA) for the Property conducted in conformance with ASTM E- 1527-13 and performed or updated within 180 days prior to Closing. A reliance letter naming the City as an authorized user must be provided by the environmental professional conducting the Phase I ESA. The City's Department of Fleet and Facility Management ("2FM") shall have the right to review and reasonably approve the Phase I ESA and the reliance letter. The environmental investigations identified contamination above industrial/commercial ("I/C") remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Developer must enroll the Property in the Illinois Environmental Protection Agency's ("IEPA") Site Remediation Program ("SRP"). Although no underground storage tanks ("USTs") have been identified to date, in the event any USTs are identified by Developer during the course of the Project: (a) Developer shall remove and close all such USTs to the extent mandated by

applicable regulations including Title 41 of IAC Part 175; and (b) any of such identified USTs that are leaking must be properly addressed by Developer in accordance with 35 IAC Part 734.

c) The Developer acknowledges and agrees that it may not commence construction on the Property until the IEPA issues a Comprehensive Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

d) [intentionally omitted]

e) Upon receipt of the RAP Approval Letter for the Property, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive I/C No Further Remediation ("NFR") Letter for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Comprehensive I/C NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies.

f) [intentionally omitted]

g) The Developer acknowledges and agrees that occupancy of the Property may not occur until a Remedial Action Completion Report has been approved by 2FM and submitted to the IEPA. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion until the IEPA has issued, the City has approved (such approval not to be unreasonably withheld), and the Developer has recorded with the Cook County Recorder of Deeds, a Final NFR Letter for the Property. The Developer must obtain the Final NFR Letter within 12 months of the submission of the Remedial Action Completion Report to the IEPA. In addition to the other remedies available to the City under Section 20.4, the Developer acknowledges and agrees on behalf of itself, its successors and assigns, that if the Developer fails to obtain the Final NFR Letter within 12 months of the submission of the Remedial Action Completion Report to the IEPA, then the City shall have the right to record a notice of default of this Agreement against the Property with the Office of the Recorder of Deeds of Cook County.

h) The Developer and any subsequent owners of the Property must abide by the terms and conditions of the Final NFR letter.

23.4 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or

discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall defend (through an attorney reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

23.5 Release Runs with the Land. The covenant of release in Section 23.4 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer for the Purchase Price. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 23.4 contains a full, complete and final release of all such claims.

23.6 Survival. This Section 23 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

- (a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of

compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

- (b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.
- (c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.
- (d) The Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

24.2 City Resident Employment Requirement.

- (a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.
- (b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

- (c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.
- (d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.
- (e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name. Notwithstanding the foregoing, where the construction schedule entails periods of inactivity, the Developer may submit a letter to DPD indicating the commencement date of such inactivity. As soon as such inactivity ends, the Developer and the Employers shall: (i) deliver a letter to DPD providing the date on which activity will recommence, and (ii) resume the submission of the weekly certified payroll reports. By way of example and not limitation, if the timing of the Project results in the Property only becoming ready for installation of plant material in the Kostner Avenue berm in late fall or winter (*i.e.*, at a time of the year that is not appropriate for installing young plants that could be damaged or killed by cold weather), the landscaping installation may be postponed until spring of the following year.
- (f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Completion Certificate.
- (g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.
- (h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.
- (i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and

cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

- (j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.
- (k) The Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor (if any) to agree, that during the construction of the Project:

- (a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.
- (b) For purposes of this Section 24.3 only:
 - (i) Only third-party contractors and subcontractors hired by Developer (including any General Contractor) shall be deemed a "contractor," and only contracts let by the Developer to third-party contractors and subcontractors hired by Developer (including any General Contractor) in connection with the Project shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.
 - (ii) "aggregate hard construction costs" shall only mean hard construction costs expended with third-party contractors and subcontractors hired by Developer (including any General Contractor), not hard construction costs expended directly by Developer utilizing Developer's own employees and equipment, nor the costs of materials supplied by Developer. As reflected on Exhibit C, as of the Effective Date, the

only anticipated third-party contracts will be with one third-party paving contractor and one third-party landscaping contractor, and it is Developer's intention to contract with an MBE paving contractor and a WBE landscaping contractor.

(iii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iv) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

- (c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.
- (d) The Developer shall deliver three Contractor Activity Reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment in the form attached as Exhibit F. The first Contractor Activity Report shall be submitted prior to the commencement of construction work at the Property and shall identify the third-party MBE and WBE contractors retained by Developer for the Project. The second shall be submitted promptly following the Developer expending fifty percent of the aggregate contract amounts with such contractors. The third Contractor Activity Report shall be submitted promptly following the completion of the work with such contractors.
- (e) The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

- (f) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.
- (g) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. The parties acknowledge that the Developer and its consultants met with staff from DPD regarding MBE/WBE and city residency requirements for the Project on June 1, 2018 (no General Contractor being in attendance, as there will be no General Contractor for the Project), which requirements are reflected in Section 24 hereof. In the event Developer does hire a General Contractor, not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's General Contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 24 requirements. During this second pre-construction meeting (if any), the Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 24 to the City's monitoring staff. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants, as of the Effective Date and as of the Closing Date and the Closing Date, that the following shall be true, accurate and complete in all respects:

- (a) Developer is an Illinois limited liability company duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of Developer has the authority to do so.
- (b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by Developer (and any legal entity holding an interest in Developer) are true, accurate and complete.
- (c) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. Developer's execution, delivery and performance of this

Agreement, and all instruments and agreements contemplated hereby, have been duly authorized by all necessary action, and do not and will not violate Developer's articles of organization or operating agreement (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which Developer, or any party affiliated with Developer, is a party or by which Developer or the Property is now or may become bound.

- (d) No action, litigation, investigation or proceeding of any kind is pending or threatened against Developer, or any party affiliated with Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Developer.
- (e) Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.
- (f) Developer has (or will obtain) and shall maintain all Governmental Approvals necessary to conduct its business and to construct, complete and operate the Project.
- (g) Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound.
- (h) The Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements.
- (i) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.
- (j) Prior to the expiration of the Compliance Period, Developer shall not do any of the following without the prior written consent of the Commissioner of DPD, which shall be in the Commissioner's sole discretion: (1) be a party to any merger, liquidation or consolidation; (2) enter into any transaction outside the ordinary course of Developer's business; (3) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (4) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.
- (k) Prior to the issuance of the Completion Certificate, the Developer shall not do any of the following without the prior written consent of the Commissioner of DPD, which shall be in the Commissioner's sole discretion: (1) allow the existence of any liens

Any notice, demand or communication given pursuant to either clause (a) or (b) hereof shall be deemed received upon such personal service or upon confirmed transmission by facsimile, respectively, provided that such facsimile transmission is confirmed as having occurred prior to 5:00 p.m. on a business day. If such transmission occurred after 5:00 p.m. on a business day or on a non-business day, it shall be deemed to have been given on the next business day. Any notice, demand or communication given pursuant to clause (c) shall be deemed received on the business day immediately following deposit with the overnight courier. Any notice, demand or communication sent pursuant to clause (d) shall be deemed received three (3) business days after mailing. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 27 shall constitute delivery.

SECTION 28. BUSINESS RELATIONSHIPS. The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 29. PATRIOT ACT CERTIFICATION. The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

SECTION 30. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

30.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

30.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

30.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

30.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

30.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 30 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

30.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transactions contemplated by this Agreement.

30.7 For purposes of this provision:

- (a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

- (b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.
- (c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.
- (d) Individuals are "domestic partners" if they satisfy the following criteria:
- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
 - (ii) neither party is married; and
 - (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
 - (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
 - (v) two of the following four conditions exist for the partners:
 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as tenants.
 - (4) Each partner identifies the other partner as a primary beneficiary in a will.
- (e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 31. INSPECTOR GENERAL. It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. The Developer understands and will abide by all provisions of Chapter 2-55 of the Municipal Code.

SECTION 32. WASTE ORDINANCE PROVISIONS. In accordance with Section 11-4-1600(e) of the Municipal Code, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any violation of the Waste Sections by the General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the

Commissioner of DPD. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the duty of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 33. CITY HIRING PLAN.

33.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

33.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

33.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

33.4 In the event of any communication to Developer by a City employee or City official in violation of Section 33.2 above, or advocating a violation of Section 33.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.

SECTION 34. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY. Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 35. MISCELLANEOUS. The following general provisions govern this Agreement:

35.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

35.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

35.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

35.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

35.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

35.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

35.7 Force Majeure. 9. Title, Survey and Real Estate Taxes.

- a. **Title Insurance.** Irene B. Idzik may, at her own expense, obtain a commitment for an owner's policy of title insurance for the Settlement Property. Irene B. Idzik shall be solely responsible for and shall pay all costs associated with updating the title commitment (including all search, continuation and later-date fees), and obtaining a title insurance policy and such endorsements as she deems necessary.

If the Parties mutually agree to close at the downtown offices of a title company ("Title Company"), the City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing.

- b. Survey.** The City acknowledges that the Idzik Defendants have provided the City with that certain boundary survey of the Settlement Property prepared by Exacta Illinois Surveyors, Inc., originally dated June 21, 2017, and updated as of February 1, 2018 (the "Survey"). Irene B. Idzik shall be solely responsible for and shall pay for all costs associated with updating the Survey, including but not limited to, correcting the legal descriptions of the Settlement Property. Further, Irene B. Idzik shall be solely responsible for and pay for all costs associated with the survey work necessary for: (1) the CTA Easements; and (2) a property index number ("PIN") division by the Cook County Assessor so that the Settlement Property can be separated from PIN 17-06-500-044-0000.
- c. Correction of Title.** The City shall have no obligation to clear title defects; provided however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the Settlement Property or liens for such unpaid properties taxes, to the extent those taxes or tax liens can be waived or released, the City shall ask the County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-0100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County.

10. Environmental Matters.

- a. "AS IS" SALE.** THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE SETTLEMENT PROPERTY OR THE SUITABILITY OF THE SETTLEMENT PROPERTY FOR ANY PURPOSE WHATSOEVER. THE IDZIK DEFENDANTS ACKNOWLEDGE THAT THEY HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE SETTLEMENT PROPERTY AND ACCEPT THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE SETTLEMENT PROPERTY. THE IDZIK DEFENDANTS AGREE TO ACCEPT THE SETTLEMENT PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE SETTLEMENT PROPERTY OR THE SUITABILITY OF THE SETTLEMENT PROPERTY FOR ANY PURPOSE WHATSOEVER. THE IDZIK DEFENDANTS

ACKNOWLEDGE THAT THEY ARE RELYING SOLELY UPON THEIR OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE IDZIK DEFENDANTS AGREE THAT IT IS THEIR SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT THEIR EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE SETTLEMENT PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

- b. **Release and Indemnification.** The Idzik Defendants, on behalf of themselves, their successors and assigns, and anyone claiming by, through or under them (collectively, the "Idzik Parties"), hereby release, relinquish and forever discharge the Indemnities (as defined below) from and against any and all Losses (as defined below). Losses which the Idzik Defendants or any of the Idzik Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Settlement Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances (as defined below), or threatened release, emission or discharge of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Settlement Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Settlement Property or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws (as defined below), including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA (as defined below); and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Settlement Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Idzik Defendants shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnitees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Idzik Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

- c. **Release Runs with the Settlement Property.** The covenant of release in Section 10.b above shall run with the Settlement Property, and shall be binding upon all successors and assigns of the Idzik Defendants with respect to the Settlement Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Settlement Property under or through Irene B. Idzik following the date of the Deed. The Idzik Defendants acknowledge and agree that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Settlement Property to Irene B. Idzik. It is expressly agreed and understood by and between the Idzik Defendants and the City that, should any future obligation of the Idzik Defendants arise or be alleged to arise in connection with any environmental, soil or other condition of the Settlement Property, the Idzik Defendants shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 10.b contains a full, complete and final release of all such claims.

SECTION 2. PURCHASE PRICE.

Pursuant to the 2010 Agreement, the City has previously sold the Property to the Sponsor for the sum of One Dollar (\$1.00) and the Sponsor conveyed the Property to the 2010 Developer. The 2010 Developer transferred the Property to the Developer as described in the recitals above. The Developer paid additional costs of encumbrances on the Property, including mortgage-backed debt in the amount of \$1,499,536. The Developer shall pay the City all reasonable third party recording and other closing costs incurred by the City in connection with its execution of this Agreement and the financing closing contemplated hereunder.

SECTION 3. DEMOLITION ESCROW

There currently exists the sum of \$[247,644.26] that is being held by the City in an escrow account (#[999010273-002][0210-99900383F-002]) at Fidelity National Title Insurance Company (the "Escrow") for the purpose of demolition of the Church Building if the Project is abandoned and the Church Building must be demolished. Such funds as may be deposited in the Escrow account shall be paid out to the Developer upon the issuance of the Certificate of Completion for the Phase I Project.

SECTION 4. CLOSING.

The City, Sponsor and 2010 Developer closed on the 2010 Agreement and the conveyances (from City to Sponsor, and Sponsor to 2010 Developer) of the Property occurred on October 27, 2010. The 2010 Developer transferred the Property to the Developer as described in the recitals above.

SECTION 5. CONVEYANCE OF TITLE.

(a) By the City's quitclaim deed dated October 20, 2010, and recorded with the Recorder's Office on October 27, 2010, as document no. 1030031120, the City conveyed the Property to the Sponsor, and by the Sponsor's special warranty deed dated October 20, 2010, and recorded with the Recorder's Office on October 27, 2010, as document no. 1030031121, the Sponsor conveyed the Property to the 2010 Developer. By the 2010 Developer's special warranty deed dated September 23, 2016, and recorded with the Recorder's Office on September 27, 2016, as document no. 1627119714, the 2010 Developer conveyed the Property to the Developer.

(b) As indicated on Exhibit A, the addresses, PINs, and square footages of the two existing parcels that comprise the subject Property are:

1342-1350 West Chestnut Street	17-05-320-034-0000	25,600 sq. ft.
921 North Noble Street	17-05-320-003-0000	7,380 sq. ft.

(c) The Property is encumbered by a repurchase option granted to the Catholic Archdiocese of Chicago by the City of Chicago when the City first acquired the Property.

(d) Prior to commencing construction of the Phase I Project as described below and in Exhibit B, the Developer intends to divide each of the Property's two existing tax parcels in order to create three tax parcels, with each new tax parcel to accommodate one of the three buildings included in the Project: the Church Building, the NUSH Building, and the New Residential Building. PIN # 17-05-320-034-0000 will be divided from 25,600 sq. ft. into a 10,496 sq. ft. parcel and a 15,104 sq. ft. parcel. PIN # 17-05-320-003-0000 will be divided from 7,380 sq. ft. into a 4,100 sq. ft. parcel and a 3,280 sq. ft. parcel. The 10,496 sq. ft. division and the 3,280 sq. ft. division will then be combined to form a 13,776 sq. ft. tax parcel. The future addresses and square footages of each new tax parcel will be:

1350 West Chestnut Street	<u>"Church Building Parcel"</u>	13,776 sq. ft.
921 North Noble Street	<u>"NUSH Building Parcel"</u>	4,100 sq. ft.
1342 West Chestnut Street	<u>"New Residential Building Parcel"</u>	15,104 sq. ft.

The Developer shall provide the City with written evidence of the division upon completion thereof. As described in Exhibit B, the Phase I Project is itself comprised of three projects: the "Church Building Project" on the Church Building Parcel, the "NUSH Building Project" on the NUSH Building Parcel, and the "Off-Site Project." The Developer shall not commence construction of the NUSH Building Project until (1) the division is complete and (2) the Developer has deposited new reconveyance deeds pursuant to Section 9(b) below. The Phase II Project, as described in Exhibit B, shall be the development of the New Residential Building Parcel.

SECTION 6. TITLE AND SURVEY.

The Developer acknowledges that the City has previously complied with its obligations under Section 6 of the 2010 Agreement and has no duty to clear any title exceptions or encumbrances or title (whether the same existed as of the initial closing date, or have arisen after such date). Developer is responsible for all taxes accruing on the Property after October 20, 2010.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

(a) The Developer will submit plans and permit applications for the Church Building Project and commence rehabilitation and construction work pursuant to the schedule in Section 7(c) below. The Developer's building permit application shall include an engineer's report, in form and substance reasonably acceptable to DPD, which details the then-current (i.e., within 3 months of the permit application date) condition of the Church Building and which confirms that such condition is compatible with the development of the Phase I Project. If such permits are not obtained and construction has not begun by the date set forth in Section 7(c) below then the Developer will apply for demolition permits by that date, and begin demolition no later than the date set forth in Section 7(c) below, unless such dates are extended by the Circuit Court of Cook County, Illinois, through the City's prior consent to such extension.

(b) Permits will be applied for in phases so exterior stabilization activities for the Church Building can begin as permits are approved.

(c) The Developer shall comply with the following submission for permit and construction schedule:

1. Submit for non-structural demolition permit for the Church Building by June 1, 2018.
2. Submit the required Church Building structural condition report and stabilization plan by August 1, 2018.
3. Construction on the Church Building stabilization, if required, shall begin by September 1, 2018.
4. Submit permits for construction of the Phase I Church Building residential units by November 1, 2018.
5. Begin construction of the Phase I Church Building residential units within 60 days of issuance of the permits of Section 7(c)(4).
6. Submit permits for the NUSH Building by June 1, 2019.
7. Completion of Phase I Church Building building envelope and interior structure by December 31, 2020, with such completion to be verified by City inspection by January 15, 2021.
8. Complete construction of the Phase I Church Building residential units (with such completion to be evidenced by a certificate of occupancy) within 24 months of permit issuance.
9. Complete construction of the NUSH Building (with such completion to be evidenced by a certificate of occupancy) within 12 months of permit issuance.
10. Complete the temporary improvements to the New Residential Building Parcel required by the PD within the timeframe set forth in the PD.

SECTION 8. BUDGET AND PROOF OF FINANCING; INSURANCE.

(a) The total budget for the Project is currently estimated to be \$[30,859,010], and is attached hereto as Exhibit D (the "Preliminary Budget," including the preliminary budgets for Phase I (\$_____) and Phase II (\$_____) attached hereto as Exhibits D-Phase I and D-Phase II, respectively). The Developer shall submit to DPD for approval revisions to the Preliminary Budget, including requests for adjustments between line items.

(b) Not later than December 1, 2018, the Developer shall provide documentation (e.g., binding commitment letters subject to typical commercial lending requirements) to DPD evidencing that the Developer has secured funding commitments in the amounts and of the types shown in the "sources of funds" portion of the Phase I Preliminary Budget and sufficient to pay all of the project costs set forth in such Phase I Preliminary Budget ("Proof of Financing"). The Developer acknowledges and agrees that the City shall require any lenders and any other parties claiming a lien against the Property, or the Developer's interest therein (if any), to enter into a subordination and forbearance agreement acceptable to the City ("Subordination and Forbearance Agreement").

(c) The Developer shall maintain the insurance coverages and requirements specified in Exhibit E of this Agreement, and provide evidence reasonably satisfactory to the City of such compliance.

SECTION 9. RECONVEYANCE DEEDS

(a) The Developer has concurrently herewith deposited with the City a special warranty deed for the Property, in recordable form naming the City as grantee (the "Property Reconveyance Deed"), for possible recording in accordance with Section 19.6 below.

(b) Upon the division of the Property from two tax parcels into three as described in Section 5 above, the Developer shall deposit with the City a special warranty deed for each of the three new tax parcels (namely, the "Church Building Parcel Reconveyance Deed," the "NUSH Building Parcel Reconveyance Deed" and the "New Residential Building Parcel Reconveyance Deed," and together the "Property Reconveyance Deeds") in recordable form naming the City as grantee, for possible recording in accordance with Section 19.6 below, and the City shall return the Property Reconveyance Deed to the Developer.

(c) If the Developer is ordered pursuant to Circuit Court of Cook County, Municipal Division, case number 08 M1 400688 (the "Case") to demolish the Church Building then the Developer must submit a revised proposal for the Phase I Project to the City for its review and approval (including the approval of City Council, if required in the opinion of the City). If the Developer does not commence and complete (as evidenced by the issuance of a certificate of occupancy) such revised Phase I Project within five years of such demolition order then the City may record the Church Building Parcel Reconveyance Deed.

(d) The City will return the Church Building Parcel Reconveyance Deed and the NUSH Building Parcel Reconveyance Deed to the Developer with the Certificate of Completion for Phase I; provided, however, that the Developer must cause Northwestern University Settlement House (or other owner of the NUSH Building Parcel) simultaneously to provide the City with a special warranty deed for the NUSH Building Parcel as security for the restrictive covenants described in Exhibit B.

(e) If the Developer does not receive a certificate of occupancy for the Phase II Project from the City's Department of Buildings by May 25, 2025 (such date being the seventh anniversary of the May 25, 2018 approval of the PD), the City may record the New Residential Building Parcel Reconveyance Deed. If the Developer does receive a certificate of occupancy for the Phase II Project from the City's Department of Buildings by such date then the City shall return the New Residential Building Parcel Reconveyance Deed to the Developer upon the Developer's written request.

SECTION 10. CONSTRUCTION REQUIREMENTS, AFFORDABILITY REQUIREMENTS AND PRESERVATION REQUIREMENTS.

10.1 Site Plans. The Developer has submitted preliminary schematic drawings for the Phase I Project prepared by SPACE Architects & Planners, dated April 19, 2018, and attached hereto as Exhibit F ("Preliminary Schematic Drawings"). Once such "permit ready" drawings are approved by DPD (such approved drawings, the "Final Drawings"), no material deviation from the Final Drawings may be made without the prior written approval of DPD, in its reasonable discretion, and the Developer shall construct the Phase I Project in accordance with the Final Drawings. If the Developer submits and DPD approves revised drawings and specifications in writing after the date of this Agreement, the term "Final Drawings" as used herein shall refer to such revised drawings and specifications.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Phase I Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve, in its reasonable discretion, any streetscaping provided by the Developer as part of the Phase I Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion for the Phase I Project, any duly authorized representative of the City shall have access to the Property at all reasonable times upon prior reasonable notice for the purpose of determining whether the Developer is constructing the Phase I Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Chapters 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws"). Thereafter, such inspection rights shall entitle the City to have access to the Property, on the same terms and conditions as set forth above and subject to the rights of tenants of the Property under their leases, for purposes of enabling the City to determine compliance with the affordable housing requirements of this Agreement.

10.4 Barricades and Signs. (a) The Developer, at its sole cost and expense, [shall erect and maintain] [has previously erected and maintains] such signs as the City has reasonably required identifying the Property as a City redevelopment project and, shall after the date hereof, continue to do so. The Developer may, at its sole cost and expense, erect and maintain a sign that identifies any equity providers and debt providers for the Phase I Project.

(b) Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld, conditioned or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.5 Affordability Requirements. As a condition precedent to the Developer receiving a building permit for the Project, the Developer shall execute an Affordable Housing Covenant and Agreement in substantially the form attached hereto as Exhibit H and record it against the Property in order to secure the performance of the Developer's obligations under the 2015 ARO. In addition, the Developer shall construct the NUSH Building with four rental dwelling units and require by means of restrictive covenant (as described in Exhibit B) that NUSH independently maintain these units affordable to the current 2015 ARO requirements for thirty years.

10.6 Preservation of the Significant Features. The Developer covenants and agrees for itself, its successors and assigns, and every successor in interest to the Property, the Church or the Phase I Project, and as provided in the City Deed, that following issuance of the

Certificate of Completion (as defined below) for the Phase I Project, the Developer, its successors and assigns:

(1) shall not demolish, remove or raze the Significant Features (as defined in Exhibit C), unless required by law or if the Significant Features pose a threat to persons or property and other means are not available to ameliorate those threats or if DPD gives its written consent;

(2) shall not undertake or permit to be undertaken any of the following changes with regard to the Significant Features, unless either: (x) such changes are required under the Final Drawings that have been approved by DPD in accordance with Section 10.1 hereof; or (y) the Developer, its successors or assigns shall first receive the express written consent of DPD, which written consent or refusal to grant such consent shall be in DPD's reasonable discretion and shall include a statement of the reasons for such refusal (if applicable), and shall be delivered to the Developer by DPD within 60 days of receipt of the Developer's written request for such approval: (a) increase or decrease the height of the Significant Features; (b) adversely affect the structural soundness of the Significant Features; (c) make any changes in the Significant Features, including the alteration, partial removal, construction, remodeling or physical or structural change or change in color or surfacing with respect to the appearance or construction of the Significant Features; (d) erect anything on the Significant Features which would prohibit it from being visible from street level, except for a temporary structure during any period of approved alteration or restoration; or (e) undertake any significant reconstruction, repair, repainting or refinishing of the Significant Features that alters its state from the condition as described in the Preliminary Schematic Drawings (as the same are superseded by the Final Drawings); and

(3) shall use commercially reasonable efforts to perform ordinary maintenance on the Significant Features in order to maintain their appearance and structural soundness and to prevent any further deterioration of the Significant Features.

10.7 Survival. The provisions of this Section 10 shall survive the Closing Date. Notwithstanding the foregoing, the Developer shall be released from the obligations of Section 10.6 upon (1) the establishment of the home owners association ("HOA") for the condominium units in the Church Building and (2) the deeding or other conveying of all common elements in the Church Building (including the façade of the Church Building) from the Developer to the HOA, provided that such deed(s) or other conveyance must subject title to Section 10.6.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such DPD approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PHASE I PROJECT.

A. Phase I Project Commencement Date. The Developer shall commence the Phase I Project pursuant to Section 7 above. Prior to commencement of the Phase I Project and in any

event not later than the Closing Date hereof the Developer shall meet the following "Phase I Closing Conditions":

The lenders providing the Phase I Project Financing (and any other party claiming a lien against the Rectory Parcel, or the Developer's interest therein) must agree, in a written form reasonably acceptable to the City's Corporation Counsel, to release the lien of their financing and any claim with respect to the Property or any portion thereof if the City notifies any such Phase I Project lender that the City will exercise its rights hereunder to take title to the Property or any such portion thereof pursuant to the terms hereof;

iii. The Developer shall actually close the Phase I Project Financing and make the initial draw down thereunder, whether from equity or debt financing sources, and be in a position to commence construction of the Phase I Project by not later than 60 days after the issuance of permits as required in Section 7(c)(5);

The Title Policy for the Property is dated as of the Closing Date and evidences the recording of this Agreement. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including, but not limited to, an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey;

viii. Company, and indicating whether the Property is in a flood hazard area as identified by the United States Federal Emergency Management Agency (and updates thereof to reflect improvements to the Property in connection with the construction of the Project as required by the City);

ix. The Developer has submitted to the Corporation Counsel, and the Corporation Counsel has approved, an opinion of counsel of due authorization, execution and enforceability (subject to bankruptcy and creditor's rights) of this Agreement and all other documentation signed by the Developer provided for herein;

x. Developer has submitted to the Corporation Counsel the following due diligence searches in its name, showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel, against either of them, the Property or any fixtures now or hereafter affixed thereto:

Secretary of State	UCC search
Secretary of State	Federal tax search
Cook County Recorder	UCC search
Cook County Recorder	Fixtures search

In addition, the Developer has provided to the Corporation Counsel a written description of all pending or threatened litigation or administrative proceedings involving the Developer or any person holding an ownership interest in the Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance;

xi. Developer has submitted to the Corporation Counsel a copy of its current articles of organization, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; a copy of the operating agreement of the members of the Developer, as certified by the manager of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transactions contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State and all other states in which the Developer is qualified to do business dated no more than thirty (30) days prior to the Closing Date; evidence that the Developer has changed the mailing address for property tax bills from the 2010 Developer's to its own; and such other organizational documents as the City may reasonably request;

xii. Developer has provided to the Corporation Counsel an Economic Disclosure Statement (or more than one if required by the ownership structure), in the City's then current form, dated as of the Closing Date;

xiii. The Developer has provided to the Corporation Counsel a subordination agreement in a form reasonably acceptable to the City, to be executed and recorded on or prior to the Effective Date, subordinating any liens against the Property related to any Phase I Project Financing to certain encumbrances of the City set forth herein;

xiv. The Developer and the Developer's general contractor and all major subcontractors have met with staff from DPD regarding compliance with the MBE/WBE, city residency hiring and other requirements set forth in Section 23, and DPD has approved the Developer's compliance plan in accordance with Section 23.4; and

xv. Developer shall deliver the Reconveyance Deeds for the Property to the City pursuant to Section 9 for possible recording in accordance with Section 19.6 below, if applicable.

B. Phase I Project Completion Date. The Developer shall substantially complete the construction of the Phase I Project as required by Section 7(c).

C. Discretion to Extend. In addition to the other extension rights expressly set forth in this Agreement, the Commissioner of DPD shall have discretion to extend any of the construction commencement and completion dates for the Phase I Project by up to three (3) months each for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Phase I Project. The Developer shall construct the Phase I Project in accordance with all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion upon the completion of the Phase I Project (the "Certificate of Completion"). Within thirty (30) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either (a) the Certificate of Completion, which the City shall issue if, in the City's reasonable discretion, the Developer has substantially completed the Phase I Project in conformity with this Agreement, or (b) a written statement indicating in adequate detail how the Developer has failed to complete the Phase I Project in conformity with this Agreement, or is otherwise in default under this Agreement, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the City Deed with respect to the Developer's obligations to construct the Phase I Project (but not with respect to any post-construction obligations). The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Phase I Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that, subject to the provisions of Section 18, it:

14.1 Shall devote the Property or any part thereof to construct the Project (and the uses described in Section 14.4 below).

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

14.3 Shall comply with the affordable housing requirements set forth in Section 10.5.

14.4 Shall use the New Residential Building Parcel in accordance with the PD during the construction of the Phase I Project.

14.5 Shall comply with the preservation of Significant Features covenants set forth in Section 10.6.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

Subject to the provisions of Section 18, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer, lease or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement (the transactions described in (a) and (b) are collectively, "Transfers" and individually, a "Transfer"); provided that (i) DPD's consent shall not be required with respect to the sale of any individual condominium housing unit; (ii) DPD's consent shall not be required with respect to any lease of any housing unit; and (iii) DPD's consent shall be required prior to the transfer of the NUSH Building Parcel from the Developer to Northwestern University Settlement House (or its designee). The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee, lessee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Phase I Project, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for (a) [intentionally omitted], (b) any mortgage approved pursuant to Section 12.A.ii, and (c) any "permanent" or "take-out" mortgage for the Phase I Project following the issuance of a Certificate of Completion for the Phase I Project, provided that the dollar amount secured by such "permanent" or "take-out" mortgage does not exceed the dollar amount permitted to be secured by the mortgage(s) approved pursuant to Section 12.A.ii.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the City Deed, any holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Phase I Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, prior to recording any mortgage approved pursuant to Section 12.A.ii, execute and record a Subordination and Forbearance Agreement (as defined in Section 8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion for the Phase I Project, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be bound by the covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Section 10.5 (Affordability Requirements), Section 10.6 (Preservation of the Significant Features), Section 12 (Commencement and Completion of Phase I Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property), as well as the restrictive covenants regarding the NUSH Building Parcel described in Exhibit B, will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 14.1, Section 15 and Section 16 shall terminate upon the earlier of: (i) issuance of the Certificate of Completion for the Phase I Project (or waiver thereof) and (ii) a mortgagee coming into title to the Property or any portion thereof pursuant to the terms of this Agreement. The covenants contained in Section 10.6 and Section 14.5 shall remain in effect without limitation as to time. The covenants contained in Section 10.5 and Section 14.3 shall terminate on the earlier of (i) the date that the Phase I Project no longer is required to provide "Affordable Units" (as such term is defined in the 2015 ARO) in accordance with the 2015 ARO and (ii) a mortgagee coming into title to the Property or any portion thereof pursuant to the terms of this Agreement.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the performance by the Developer and the City of their respective obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer, within twenty (20) days after the beginning of any such delay, submits to the Commissioner a written request for an extension which sets forth the basis for such request in reasonable detail.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer, as applicable, shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer, as applicable, promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e), (g), (h) and (j).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement and Affidavit, or another document) that is not true and correct in any material respect.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to commence or complete the Phase I Project in accordance with the timelines outlined in Section 7 and Section 12 above, or the Developer abandons or substantially suspends construction of the Phase I Project.

(d) The Developer fails to timely pay real estate taxes or assessments affecting the Property or any part thereof when due (subject to the Developer's right to contest or appeal such taxes or assessments in accordance with applicable laws), or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) [intentionally omitted]

(h) The Developer fails to take any actions required in connection with the Case (as defined below) pursuant to Section 31 hereof.

(i) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. [Intentionally omitted, as the Property has been conveyed.]

19.6 After Closing. For purposes of Sections 19.6, 19.7 and 19.8, "Property" means the entire Property or any portion thereof and "Property Reconveyance Deed" means all or any of the Property Reconveyance Deeds described in Section 9 above.

If an Event of Default occurs prior to the issuance of the Certificate of Completion for the Phase I Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and re-vest title to the Property in the City pursuant to the Property Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of an authorized mortgage approved by the City ("Authorized Mortgage"), and shall otherwise be subject to the terms and conditions of any Subordination and Forbearance Agreement entered into in connection with such mortgage. If the Property Reconveyance Deed is recorded by the City in accordance with this Agreement, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period of time the Property was owned by the Developer, the Sponsor and the 2010 Developer, and shall cause the release of all mechanic's, tax and judgment liens or encumbrances of a fixed, ascertainable dollar amount (but expressly excluding any Authorized Mortgage) placed on the Property during the period of time the Property was owned by the Developer, the Sponsor and the 2010 Developer. The Developer will reasonably cooperate with the City to ensure that if the City records the Property Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City.

- A. If, following the City's issuance of the Certificate of Completion for the Phase I Project, an Event of Default occurs and is not cured in the time period provided for in Section 19.3, then the City may record the New Residential Building Parcel Reconveyance Deed, subject only to those title exceptions and environmental conditions that existed at the time the City conveyed the New Residential Building Parcel to the Sponsor, and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the New Residential Building Parcel, terminate the estate in the New Residential Building Parcel conveyed to the Developer, and re-vest title to the New Residential Building Parcel in the City pursuant to the New Residential Building Parcel Reconveyance Deed (the "NRBP Right of Reverter"). If the New Residential Building Parcel Reconveyance Deed is recorded by the City in accordance with this Agreement, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period of time the New Residential Building Parcel was owned by the Developer, the

Sponsor and the 2010 Developer and shall cause the release of all mechanic's, tax and judgment liens or encumbrances of a fixed, ascertainable dollar amount (and expressly including any Authorized Mortgage) placed on the New Residential Building Parcel during the period of time the New Residential Building Parcel was owned by the Developer, the Sponsor and the 2010 Developer. The Developer will reasonably cooperate with the City to ensure that if the City records the New Residential Building Parcel Reconveyance Deed, such recording is effective for purposes of transferring title to the New Residential Building Parcel to the City.

19.7 Resale of the Property. Upon the reversioning in the City of title to the Property as provided in Section 19.6, and subject to any Subordination and Forbearance Agreement, the City may complete the Phase I Project or convey the Property (or a portion thereof) to a new developer who shall assume the obligation of completing the Phase I Project or such other project or improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18. The Developer covenants to reasonably cooperate with the City in the City's reacquisition of title pursuant to Section 19.6 and remarketing of the Property pursuant to Section 19.7.

Upon the reversioning in the City of title to the New Residential Building Parcel as provided in Section 19.6.A, the City, at its sole option, may release New Residential Building Parcel from any covenants running with the land and use such parcel for such purposes as the City determines.

19.8 Disposition of Resale Proceeds. If, after acquiring the Property pursuant to Section 19.6.A, the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any Authorized Mortgages in order of lien priority, shall be utilized to reimburse the City for:

- (a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and
- (e) any other amounts owed to the City by the Developer.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or any successor of the Developer or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing Date. This indemnification shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees that it accepted the Property in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry. [Intentionally Omitted.]

22.3 Additional Indemnity. The Developer waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property prior to the date that the City acquired title to the Property pursuant to any Reconveyance Deed, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing Date, including, without limitation, liabilities arising under CERCLA. The Developer acknowledges that, in acquiring title to the Property, the Developer relied solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer has performed or shall perform such

studies and investigations, has conducted or shall conduct such tests and surveys, and has engaged or shall engage such specialists as the Developer deem appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing Date, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing Date and the issuance of the Certificate of Completion.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of both phases of the Project or the occupation of the Property:

(a) The Developer and any Employer shall not discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agree to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by

the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of both phases of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative

thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of both phases of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively

with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of both phases of the Project, at least 26% of the aggregate hard construction costs and architectural/engineering costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs and architectural/engineering costs, as set forth in Exhibit G hereto (the "Project MBE/WBE Budget"), shall be expended for contract participation by women-owned businesses. During the course of construction of both phases of the Project at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE

commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than _____ days prior to the commencement of each phase of the Project, the Developer, the Developer's general contractor and all major subcontractors (if any) shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to commencement. During the construction of each phase of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the applicable phase of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any

such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the applicable phase of the Project, (y) withhold any further payment of any City funds (if any) to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer.

A. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a limited liability company duly organized under the laws of the State of Illinois and validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under the Developer's operating agreement or any agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, except for the Case (as defined below) described in Section 31 below, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

B. [intentionally omitted]

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform their obligations hereunder, the City hereby represents and

addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 25 shall constitute delivery.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 2011-4.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, and the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding

classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

28.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing Date, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 29. MISCELLANEOUS.

The following general provisions govern this Agreement:

29.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

29.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

29.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

29.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term. To the extent the terms of this Agreement expressly conflict with or otherwise supersede any term or condition in the 2010 Agreement, the First Amendment, the Second Amendment or the 2012 Agreement then this Agreement shall govern and control.

29.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

29.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

29.7 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

29.8 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

29.11 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 30. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for

termination of this Agreement and the transactions contemplated thereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 31. [intentionally omitted]

SECTION 32. INSPECTOR GENERAL

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

SECTION 33. CITY HIRING PLAN

33.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

33.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

33.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

33.4 In the event of any communication to Developer by a City employee or City official in violation of Section 33.2 above, or advocating a violation of Section 33.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.

Project.

The Phase I Project is comprised of three components as described below: (1) the Church Building Project, (2) the NUSH Building Project, and (3) the Off-Site Project.

(1) In Phase I of the Project, the Developer will rehabilitate the existing Church Building and will preserve the Church Building's historically significant exterior features. The interior space of the Church Building will be sub-divided to allow the construction of approximately 17 multiple-family housing units, each with either two or three bedrooms in the sizes noted on the attached Unit Matrix ("Church Building Project"). The Developer will provide at least one indoor parking space for each housing unit within the Church Building Project at or below grade.

(2) Also in Phase I, the Developer will construct an approximately 8,840 square feet, two-story building, north of the existing St. Boniface Church building on the 921 North Noble Street parcel (the "NUSH Building"), for Northwestern University Settlement House (the "NUSH Building Project"). The NUSH Building will be designed to enhance the social services that NUSH provides to the surrounding community, and will comprise office space, meeting rooms and four residential units. Four on-site parking spaces will also be provided as part of the NUSH Building Project. Upon completion of the two-story NUSH Building and parking to NUSH's satisfaction, and after the City's Department of Buildings has issued a certificate of occupancy for the NUSH Building, the Developer will transfer ownership of the NUSH Building Parcel to Northwestern University Settlement Association, encumbered by two restrictive covenants requiring that Northwestern University Settlement Association (and any successor): (1) use the NUSH Building in perpetuity to further its mission through its community activities and services, and (2) lease the four dwelling units to clients of its choice at rents at or below rates consistent with the Section 2-45-115 of the Municipal Code of Chicago ("ARO") for a term consistent with the ARO rules governing the ARO issued by DPD pursuant thereto. The City (1) will be a third party beneficiary of these restrictive covenants entitled but not obliged to enforce the same, and (2) must approve the form(s) thereof prior to execution and recording. Prior to or concurrent with the transfer of ownership, the Developer and Northwestern University Settlement Association will also execute and record an easement agreement to provide a 5.7-foot easement between the NUSH Building and the Church Building in order to provide the NUSH Building access for maintenance of its south wall and to meet light and ventilation code requirements provided by the 2nd floor windows of the NUSH Building.

(3) Under the ARO requirements, the Developer is required to provide 4 ARO units (10 percent of the 41 residential units planned, rounded down) during the Phase I Project, which may be provided off-site in the same ARO zone and within two miles of the Property (the "Off-Site Project"). All proposed units in the Off-Site Project must meet the requirements of the ARO and be approved by DPD staff, except that the City acknowledges and agrees that the Off-Site Project will not meet the requirement set forth in Chicago Municipal Code Section 2-45-115(U)(2) that residential housing projects which contain owner-occupied units must comply with the provisions of said section that apply to owner-occupied units.

The Phase II Project comprises the anticipated construction of the four-story New Residential Building on the New Residential Building Parcel, east of the existing Church Building. The New Residential Building will include approximately 24 multiple-family units. Twenty-one of the units are anticipated to be single floor units and four units are anticipated to be duplex units between the first and second floors. The multiple-family units will include a mix of two- and three-bedroom units as described in the attached Unit Matrix. Approximately 26 indoor parking spaces will be provided. The final unit count, unit configuration, and number of parking spaces provided in the Phase II Project will be as determined through the Site Plan Approval process according to the City's Zoning Code for Planned Developments.

Affordable Housing Covenant And Agreement.

NOTICE

THIS PROJECT IS SUBJECT TO SECTION 2-45-115 OF THE MUNICIPAL CODE OF THE CITY OF CHICAGO (2015 AFFORDABLE REQUIREMENTS ORDINANCE), EXCEPT FOR SECTION 2-45-115(U)(2) THEREOF. THE COVENANTS SET FORTH HEREIN RUN WITH THE LAND, AND ARE BINDING ON AND ENFORCEABLE AGAINST SUCCESSORS AND ASSIGNS.

THIS AFFORDABLE HOUSING COVENANT AND AGREEMENT (this "Agreement") is made on or as of _____, 2018, by and between the CITY OF CHICAGO, an Illinois municipal corporation ("City"), acting by and through its Department of Planning and Development ("Department") and ST. BONIFACE, LLC, an Illinois limited liability company (the "Developer"). Capitalized terms not otherwise defined herein shall have the meanings given in Section 1.

RECITALS

A. The Developer is the owner of the property located at 1358 West Chestnut Street (a/k/a 921 North Noble Street), Chicago, Illinois, which is legally described on Exhibit A attached hereto (the "Acquired Property").

B. The City, pursuant to an ordinance adopted by the City Council of the City on June 30, 2010, by the City's quitclaim deed dated October 20, 2010, and recorded with the Office of the Recorder of Deeds of Cook County (the "Recorder's Office") on October 27, 2010, as document no. 1030031120, the City conveyed, for the sum of One Dollar (\$1.00), the Acquired Property to St. Boniface Senior Living Foundation, an Illinois not-for-profit corporation (the "Sponsor") for a proposed residential development to be undertaken by the Sponsor and St. Boniface Senior Living, LLC, an Illinois limited liability company ("2010 Developer") pursuant to that certain Agreement for the Sale and Redevelopment of Land among the City, the Sponsor and the 2010 Developer dated October 20, 2010, and recorded in the Recorder's Office on October 27, 2010 as document no. 1030031119 (the "2010 Agreement"). The City's conveyance of the Property to the Sponsor triggered the affordable housing requirements of Section 2-45-110 of the Municipal Code of Chicago (the "2007 Affordable Requirements Ordinance" or "2007 ARO"). By the Sponsor's special warranty deed dated October 20, 2010, and recorded with the

Recorder's Office on October 27, 2010, as document no. 1030031121, the Sponsor conveyed the Acquired Property to the 2010 Developer. The 2010 Developer failed to secure the financing for and commence construction of the residential development under the 2010 Agreement, as amended and restated. The Sponsor and the 2010 Developer then proposed that the Acquired Property be transferred to the Developer for the Developer's proposed 41-unit residential development (the "Triggering Project"). At the request of the Sponsor the City executed that certain Consent to Transfer dated September 23, 2016 and recorded with the Recorder's Office on _____, 2012, as document no. _____, thereby triggering the affordable housing requirements of Section 2-45-115 of the Municipal Code of Chicago (the "2015 Affordable Requirements Ordinance" or "ARO"). By the 2010 Developer's special warranty deed dated _____, 2016, and recorded with the Recorder's Office on _____, 2016, as document no. _____, the 2010 Developer conveyed the Property to the Developer.

C. The ARO obligates the City to impose certain affordability requirements upon developers who undertake residential development projects that include ten (10) or more dwelling units and that receive City assistance in the form of the sale of City land, financial assistance, or approval of certain zoning changes.

D. The Developer acknowledges and agrees that the Triggering Project is a Residential Housing Project (as defined in Section 1 below) within the meaning of the ARO, and that the acquisition of the Acquired Property for the Triggering Project constitutes Acquisition Assistance (as defined in Section 1 below) within the meaning of the ARO, thereby triggering the requirements of the ARO.

E. The ARO divides the city into three (3) zones for purposes of applying the ARO's affordable housing requirements. The three zones are referred to in the ARO and this Agreement as Low-Moderate Income Areas, Higher Income Areas and Downtown Districts.

F. The ARO requires developers of Residential Housing Projects in every zone to (i) set aside 10% of the housing units in the Residential Housing Project as ARO units, or provide the ARO units in an approved off-site location; (ii) pay a fee in lieu of the development of the ARO units; or (iii) any combination of (i) and (ii); provided, however, Residential Housing Projects with 20 or more units ("Larger Projects") in Low-Moderate Income Areas (rental and for-sale), Higher Income Areas (rental and for-sale) and Downtown Districts (rental only) must provide a minimum of 25% of the ARO units (the "Required Units") on-site or (for projects in Higher Income Areas and Downtown Districts) off-site. In other words, in such Larger Projects, the developer may not pay a fee in lieu of the development of the Required Units. If the developer elects to provide ARO units in an off-site location, the off-site ARO units must be

located within a two-mile radius from the Residential Housing Project and in the same or a different Higher Income Area or Downtown District.

G. The Triggering Project is located in a Higher Income Area and constitutes a Larger Project. As a result, the Developer's ARO obligation is four (4) Affordable Units (10% of 41, rounded down), one of which is a Required Unit (25% of 4, rounded up) and must be provided on- or off-site

H. The Developer has submitted, and the Department has approved, a proposal to provide four (4) Affordable Units (the "Off-Site Affordable Units") in a [new] [existing] _-story, _-unit building (the "Off-Site Building") located at _____ in Chicago, and legally described on Exhibit A-1 attached hereto (the "Off-Site Property").

I. The [construction] [rehabilitation] of the Off-Site Affordable Units is estimated to cost approximately \$_____ per unit, as detailed in the preliminary budget and scope of work attached hereto as Exhibit D.

J. The City has determined that the [construction of new] [conversion of existing] residential units in the Off-Site Building, if done in accordance with the scope of work attached hereto as Exhibit D and to the specifications detailed in the project review report attached hereto as Exhibit E, will meet the requirements of the ARO.

K. The Developer acknowledges that each Off-Site Affordable Unit must receive a Certificate of Occupancy (or, for renovations or alterations that do not require a Certificate of Occupancy, approval from the Department that the improvements have been completed in accordance with the terms of this Agreement) before the City will issue the [first] Certificate of Occupancy for the Triggering Project.

L. As a condition precedent to the Developer receiving a building permit for the Triggering Project, the Developer has agreed to execute this Agreement and record it against the Acquired Property and the Off-Site Property in order to secure the performance of the Developer's obligations under the ARO. In addition, prior to the issuance of a building permit for the Triggering Project, the Developer acknowledges that it must pay a fee in the amount of \$5,000 per Off-Site Affordable Unit to offset the Department's expenses in connection with monitoring and administering compliance with the requirements of the ARO.

NOW THEREFORE, the Developer covenants and agrees as follows:

4.4 Rent Limit. The rent charged each month for each Affordable Unit (or the tenant's contribution to the rent if the tenant receives rental assistance from CHA's Housing Choice Voucher Program or another program approved by the Department) shall not exceed at any time the Rent Limit applicable to such Affordable Unit.

4.5 Annual Compliance Certificate. On or prior to June 30 of each year during the Term, the Developer shall provide the City with a Compliance Certificate in the Department's then-current form. (The Department's current form is attached hereto as Exhibit C.) The Developer shall obtain and keep such records as are necessary to enable it to complete the Compliance Certificate and substantiate all statements made therein.

4.6 Pre-Marketing Meeting for Affordable Units. At least 90 days before marketing any Affordable Units the Developer shall meet with the Department's Compliance Division to review the procedures for qualifying tenants as income-eligible; submit a "Rental Unit Marketing

Form" in the Department's then-current form (available on the Department's web site); and review the Department's ARO monitoring and reporting requirements. It is the responsibility of the Developer to ensure that this pre-marketing meeting is scheduled and held within the appropriate time frame.

4.7 Income Eligibility Verification. The Department must verify in writing that each tenant meets the income eligibility requirements of this Agreement. The Developer shall deliver to the Department any information required by the Department to confirm each tenant's income eligibility. The Department shall have ten (10) business days from the date of receipt of a "complete information package" to qualify tenants. A "complete information package" shall include, by means of illustration and not limitation, the W-2 forms from each tenant's employers, U.S. 1040 income tax returns for each member of the tenant Household from the previous two (2) years, an affidavit or verification from the tenant with regard to Household size, and the employer verification form utilized by Fannie Mae. Tenant income information must be dated within six (6) months prior to the anticipated leasing date.

4.8 Non-Discrimination. The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the rental of any Affordable Unit. Without limiting the generality of the foregoing, the Developer shall not refuse to lease any Affordable Unit to a holder of a voucher or certificate of eligibility under Section 8 of the United States Housing Act of 1937, or of a comparable document evidencing participation in a tenant-based rental assistance program because of the status of the prospective tenant as a holder of such voucher, certificate or comparable tenant-based assistance document.

4.9 Affordable Unit Leases.

(a) All leases for the Affordable Units shall be in writing and shall conform with all applicable laws, including without limitation, the City of Chicago Residential Landlord and Tenant Ordinance, as such ordinance may be amended or restated from time to time, and shall contain clauses, *inter alia*, wherein each individual tenant: (i) certifies the accuracy of the statements made in the Tenant Income Certification, and (ii) agrees that the Household income and other eligibility requirements shall be deemed substantial and material obligations of his/her tenancy, that he/she will comply with all requests for information with respect thereto from the Developer or the City, and that the failure to provide accurate information in the Tenant Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a substantial violation of an obligation of his/her tenancy.

(b) All leases for the Affordable Units shall be for a period of not less than one year, unless the tenant and the Developer mutually agree upon a different time period. Notwithstanding the foregoing, the Developer may not set rents more than one year in advance. Leases for Affordable Units shall not contain any of the following provisions:

(i) agreement by the tenant to be sued, to admit guilt or to a judgment in favor of the Developer in a lawsuit brought in connection with the lease;

(ii) agreement by the tenant that the Developer may take, hold or sell personal property of Household members without notice to the tenant and a court decision on the rights of the parties; provided, however, this prohibition does not

apply to an agreement by the tenant concerning disposition of personal property remaining in the Affordable Unit after the tenant has moved out of the unit, in which case the Developer may dispose of this personal property in accordance with applicable local and state law;

(iii) agreement by the tenant not to hold the Developer or any Agent of the Developer legally responsible for any action or failure to act, whether intentional or negligent;

(iv) agreement by the tenant that the Developer may institute a lawsuit without notice to the tenant;

(v) agreement by the tenant that the Developer may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense or before a court decision on the rights of the parties;

(vi) agreement by the tenant to waive any right to a trial by jury;

(vii) agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; or

(viii) agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the Developer against the tenant; provided, however, that the tenant may be obligated to pay costs if the tenant loses.

(c) The Developer shall not terminate the tenancy or refuse to renew the lease of a tenant of an Affordable Unit except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable federal, state or local law; or for other good cause. To terminate or refuse to renew tenancy, the Developer must serve written notice upon the tenant specifying the grounds for the action at least 30 days prior to the termination of tenancy. The Developer shall also comply with all applicable state and local laws regarding tenant protections.

(d) The Developer agrees that it shall not impose any fees for construction management or for inspections for compliance with property standards. Nothing in this subsection shall prohibit the Developer from charging prospective tenants reasonable application fees (as determined by the City in its sole discretion).

(e) All tenant lists, applications and waiting lists relating to the Affordable Units shall at all times be kept separate and identifiable from any other business of the Developer which is unrelated to the Affordable Units, shall be maintained, as required by the City, in a reasonable condition for proper audit and shall be subject to examination during business hours by representatives of the City. If the Developer employs a management agent for the Off-Site Building, the Developer shall require such agent to comply with the requirements of this Agreement and shall include such requirements in any and all management agreements or contracts entered into with respect to the Off-Site Building.

4.10 Maintenance of the Off-Site Building. The Developer shall, at all times during the Term, maintain the Affordable Units and the Off-Site Building in decent, safe, and sanitary

condition and in good repair. The Affordable Units must be free of all health and safety defects and must meet the lead-based paint requirements in 24 CFR Part 35 and all applicable state and local housing quality standards, code requirements and ordinances. The Developer shall keep the Affordable Units and the Off-Site Building in compliance with the Department's Multi-Unit Rehabilitation Construction Guidelines, as such guidelines may be amended from time to time.

4.11 Management of the Off-Site Building. The Developer shall provide for the management of the Off-Site Building in a manner that is consistent with accepted practices and industry standards for the management of multi-family market rate rental housing.

4.12 City's Right to Inspect Property. The City shall have the right to inspect the Off-Site Building and the Affordable Units at all reasonable times during the construction period for the purpose of determining whether the Developer is constructing or rehabilitating the Affordable Units and common areas and facilities in accordance with the terms of this Agreement. Following construction, the City shall have the right to inspect the Off-Site Building and the Affordable Units on at least an annual basis to ensure compliance with the leasing, management, maintenance and other obligations of this Agreement. The City may require additional inspections as determined necessary by the City based on monitoring results. The City shall provide the Developer with reasonable notice prior to any inspection.

4.13 Timing of Leasing. If on the date that is six (6) months following the Completion Date, the Affordable Units are not rented or available for rental by Eligible Households, then Developer shall be in breach of this Agreement and subject to the City's remedies set forth in Section 6. The Department may, in its sole discretion, extend such 6-month period based on the initial leasing of the Units in the Project.

SECTION 5. CONDITIONS PRECEDENT TO ISSUANCE OF RELEASE.

5.1 Upon satisfaction of the requirements set forth in this Section 5, and upon the Developer's written request, which shall include a final budget detailing and documenting the total actual cost of the rehabilitation of the Affordable Units, the Department shall issue to the Developer a release ("Release") in recordable form certifying that the Developer has fulfilled its obligations to construct the Affordable Units in accordance with the terms of this Agreement and releasing the Acquired Property from the Agreement. The Release shall not, however, constitute evidence that the Developer has complied with any laws relating to the construction or rehabilitation of the Affordable Units or the Off-Site Building, and shall not serve as any "guaranty" as to the quality of the construction.

5.2 A Release will not be issued until the following requirements have been satisfied:

(a) The construction or rehabilitation, as applicable, of the Affordable Units and common areas and facilities in the Off-Site Building has been completed in accordance with the approved Plans and Specifications, including the repairs and improvements identified in the scope of work attached hereto as Exhibit D and the project review report attached hereto as Exhibit E, and each Affordable Unit has received a Certificate of Occupancy (or, for renovations or alterations that do not require Certificates of Occupancy, the Department has inspected the Affordable Unit and common areas and facilities and determined that the improvements have been completed in accordance with the terms of this Agreement).

(b) Each of the Affordable Units has been leased to an Eligible Household in accordance with the terms of this Agreement, and each lease is in full force and effect.

(c) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

5.3 Within thirty (30) days after receipt of a written request by the Developer for a Release, the Department shall provide the Developer with either the Release or a written statement indicating in adequate detail how the Developer has failed to satisfy the foregoing conditions, or is otherwise in default, and what measures or acts will be necessary for the Developer to take or perform in order to obtain the Release. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Release upon compliance with the Department's response.

SECTION 6. REMEDIES AND ENFORCEABILITY.

6.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

6.2 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion. Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 6.3(a) and 6.3(c).

6.3 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer fails to provide the number and type of Affordable Units required pursuant to Section 4.1.

(b) The Developer fails to comply with the construction standards set forth in Section 4.2.

(c) The Developer leases an Affordable Unit to a Household that is not an Eligible Household in violation of Section 4.3, or at a price in excess of the Rent Limit in violation of Section 4.4.

(d) The Developer fails to provide the City with an annual Compliance Certificate in violation of Section 4.5.

(e) The Developer fails to comply with the leasing procedures and requirements set forth in Sections 4.6 through 4.9.

(f) The Developer fails to comply with the maintenance and management standards and requirements set forth in Sections 4.10 and 4.11.

(g) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Off-Site Building.

6.4 Remedies. If an Event of Default occurs, and the default is not cured in the time period provided for in Section 6.2 (if applicable), the City may pursue and secure any remedy specified in the ARO, including, with respect to any violation of Section 6.3(a), the imposition of a fine in an amount equal to two times the required Fee and the revocation of the Developer's residential real estate developer license, and with respect to a violation of Section 6.3(c), the imposition of a fee in the amount of \$500.00 per Affordable Unit per day for each day that the Developer is in noncompliance. The Developer further acknowledges and agrees that, in the event the Developer fails to provide the Affordable Units in the Off-Site Building as required herein, no Certificate of Occupancy for the Triggering Project shall be approved.

6.5 Cumulative Remedies. The City's remedies hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon the City or hereafter existing at law or in equity.

SECTION 7. DEVELOPER'S REPRESENTATIONS AND COVENANTS.

The Developer represents, warrants, covenants and agrees as follows:

7.1 The Developer is an Illinois limited liability company duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Acquired Property and the Off-Site Property, and the person signing this Agreement has the authority to do so.

7.2 The Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. The Developer's execution, delivery and performance of this Agreement has been duly authorized by all necessary action, and does not and will not violate the Developer's articles of organization or operating agreement, or any applicable laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Acquired Property or the Off-Site Property is now or may become bound.

7.3 All of the statements, representations and warranties contained in the Affordable Housing Profile Form, and any other document submitted by the Developer to the City in connection with this Agreement are true, accurate and complete.

SECTION 8. GENERAL PROVISIONS.

8.1 Governing Law/Binding Effect. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois without regard to its conflict of laws principles. Each of the parties hereto warrants and represents that this Agreement is valid, binding and enforceable against them in accordance with the terms and conditions of Illinois law.

8.2 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

8.3 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term
